## MISSION STATEMENT

Our mission is to ensure the safety of the aviation community, prevent and investigate crimes, prepare for and respond to emergencies or disasters with professionalism, honor, and integrity.

### **LAW ENFORCEMENT CODE OF ETHICS**

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against violence or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

The email system is not a confidential system since all communications transmitted on, to or from the system are the property of the Department. Therefore, the email system is not appropriate for confidential communications. If a communication must be private, an alternative method to communicate the message should be used instead of email. Employees using the Department's email system shall have no expectation of privacy concerning communications utilizing the system.

Employees shall not use personal accounts to exchange email or other information that is related to the official business of the Department.

### 204.3 PROHIBITED USE OF EMAIL

Email messages addressed to the entire department are only to be used for official business related items that are of particular interest to all users and must be approved by the Chief of Police or a Commander. Personal advertisements are not acceptable.

It is a violation of this policy to transmit a message under another user's name. Users are strongly encouraged to log off the network when their computer is unattended. This added security measure would minimize the misuse of an individual's email, name and/or password by others.

### 204.4 EMAIL RECORD MANAGEMENT

## 208.2 TRAVEL REQUEST AND AUTHORIZATION

All out of town travel must obtain a Commander's and the Chief of Police authorization and approval on an official Airport Travel Planner and Approval Form prior to any travel taking place.

## 208.3 DOCUMENTATION PROCEDURES

Advances or reimbursements for expenses related to training, meetings, or conferences require prior approval by the employee's Division Commander.

Original receipts should be submitted when required. If an employee is unable to obtain an original receipt, a duplicate copy should be obtained. In the absence of a receipt, a memo indicating the date, event, location and expense amount, along with the reason a receipt was not obtained will need to be submitted. Approval by the employee's Division Commander is required prior to submittal to the Airport Administration.

All expense documentation and paperwork for training and travel reimbursements shall be submitted to the Division Commander on the first day the employee returns to work. After review, the paperwork will be submitted to Administration for approval who will then submit for the documentation for reconciliation and/or reimbursement to the Airport's Accounts Payable Department.

"Out of town" training is defined as training presented at a site in excess of 50 miles from both the Hollywood Burbank Airport as well as the employee's residence. The Administrative Commander may approve lodging inside the 50-mile limit where unusual travel logistics create excessive travel time compensation or there are after-hours activities of value to both the employee and the department, which justifies the expense.

The employee will need to provide an original itemized receipt for the hotel stay. When the receipt is submitted, the employee will need to cross off any personal charges (meals, phone calls, movies, etc.). Any business-related calls should be appropriately identified on the receipt.

Lodging is for single-occupancy; however, if two individuals of the same gender and rank are going to the same event, they may be lodged in the same room.

Definitions related to this policy include:

**Deadly force** - Any use of force that creates a substantial risk of causing death or serious bodily injury, including but not limited to the discharge of a firearm (Penal Code § 835a).

**Feasible** - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the officer or another person (Government Code § 7286(a)).

**Force** - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

**Serious bodily injury** - A serious impairment of physical condition, including but not limited to the following: loss of consciousness; concussion; bone fracture; protracted loss or impairment of function of any bodily member or organ; a wound requiring extensive suturing; and serious disfigurement (Penal Code § 243(f)(4)).

**Totality of the circumstances** - All facts known to the officer at the time, including the conduct of the officer and the subject leading up to the use of force (Penal Code § 835a).

### 300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

## BGPAAPD Policy Manual

### *Use of Force*

---

The Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation and a careful balancing of all interests.

#### **300.2.1 DUTY TO INTERCEDE**

Any officer present and observing another law enforcement officer or an employee using force that is clearly beyond that which is necessary, as determined by an objectively reasonable officer under the circumstances, shall, when in a position to do so, intercede (as defined by Government Code § 7286) to prevent the use of unreasonable force.

When observing force used by a law enforcement officer, each officer should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject (Government Code § 7286(b)).

#### **300.2.2 FAIR AND UNBIASED USE OF FORCE**

Officers are expected to carry out their duties, including the use of force, in a manner that is fair and unbiased (Government Code § 7286(b)). See the Bias-Based Policing Policy for additional guidance.

#### **300.2.3 DUTY TO REPORT EXCESSIVE FORCE**

Any officer who observes a law enforcement officer or an employee use force that potentially exceeds what the officer reasonably believes to be necessary shall immediately report these observations to a supervisor (Government Code § 7286(b)).

As used in this subsection, "immediately" means as soon as it is safe and feasible to do so.

#### **300.2.4 FAILURE TO INTERCEDE**

An officer who has received the required training on the duty to intercede and then fails to act to intercede when required by law, may be disciplined in the same manner as the officer who used force beyond that which is necessary (Government Code § 7286(b)).

### **300.3 USE OF FORCE**

Officers shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose (Penal Code § 835a).

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident. Officers may only use a level of force that they reasonably believe is proportional to

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Use of Force*

---

the seriousness of the suspected offense or the reasonably perceived level of actual or threatened resistance (Government Code § 7286(b)).

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the approved or authorized tools, weapons, or methods provided by the Department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be objectively reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

#### 300.3.1 USE OF FORCE TO EFFECT AN ARREST

Any peace officer who has reasonable cause to believe that the person to be arrested has committed a public offense may use objectively reasonable force to effect an arrest, to prevent escape, or to overcome resistance. A peace officer who makes or attempts to make an arrest may, but is not required to, retreat or desist from his/her efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall an officer be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect the arrest, prevent escape, or to overcome resistance. Retreat does not mean tactical repositioning or other de-escalation techniques (Penal Code § 835a).

#### 300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit (Government Code § 7286(b)). These factors include but are not limited to:

- (a) The apparent immediacy and severity of the threat to officers or others (Penal Code § 835a).
- (b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time (Penal Code § 835a).
- (c) Officer/subject factors (age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
- (d) The conduct of the involved officer leading up to the use of force (Penal Code § 835a).
- (e) The effects of suspected drugs or alcohol.
- (f) The individual's apparent mental state or capacity (Penal Code § 835a).
- (g) The individual's apparent ability to understand and comply with officer commands (Penal Code § 835a).
- (h) Proximity of weapons or dangerous improvised devices.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Use of Force*

---

- (i) The degree to which the subject has been effectively restrained and his/her ability to resist despite being restrained.
- (j) The availability of other reasonable and feasible options and their possible effectiveness (Penal Code § 835a).
- (k) Seriousness of the suspected offense or reason for contact with the individual prior to and at the time force is used.
- (l) Training and experience of the officer.
- (m) Potential for injury to officers, suspects, bystanders, and others.
- (n) Whether the person appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
- (o) The risk and reasonably foreseeable consequences of escape.
- (p) The apparent need for immediate control of the subject or a prompt resolution of the situation.
- (q) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (r) Prior contacts with the subject or awareness of any propensity for violence.
- (s) Any other exigent circumstances.

#### 300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the person can comply with the direction or orders of the officer.
- (c) Whether the person has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

#### 300.3.4 RESTRICTIONS ON THE USE OF CAROTID CONTROL HOLD

Officers of this department are not authorized to use a carotid restraint hold. A carotid restraint means a vascular neck restraint or any similar restraint, hold, or other defensive tactic in which pressure is applied to the sides of a person's neck that involves a substantial risk of restricting blood flow and may render the person unconscious in order to subdue or control the person (Government Code § 7286.5).

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Use of Force*

---

#### 300.3.5 USE OF FORCE TO SEIZE EVIDENCE

In general, officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged to use techniques and methods taught by the Burbank Glendale Pasadena Airport Authority Police Department for this specific purpose.

#### 300.3.6 ALTERNATIVE TACTICS - DE-ESCALATION

As time and circumstances reasonably permit, and when community and officer safety would not be compromised, officers should consider actions that may increase officer safety and may decrease the need for using force:

- (a) Summoning additional resources that are able to respond in a reasonably timely manner.
- (b) Formulating a plan with responding officers before entering an unstable situation that does not reasonably appear to require immediate intervention.
- (c) Employing other tactics that do not unreasonably increase officer jeopardy.

In addition, when reasonable, officers should evaluate the totality of circumstances presented at the time in each situation and, when feasible, consider and utilize reasonably available alternative tactics and techniques that may persuade an individual to voluntarily comply or may mitigate the need to use a higher level of force to resolve the situation before applying force (Government Code § 7286(b)). Such alternatives may include but are not limited to:

- (a) Attempts to de-escalate a situation.
- (b) If reasonably available, the use of crisis intervention techniques by properly trained personnel.

#### 300.3.7 RESTRICTIONS ON THE USE OF A CHOKE HOLD

Officers of this department are not authorized to use a choke hold. A choke hold means any defensive tactic or force option in which direct pressure is applied to a person's trachea or windpipe (Government Code § 7286.5).

#### 300.3.8 ADDITIONAL RESTRICTIONS

Terms such as "positional asphyxia," "restraint asphyxia," and "excited delirium" continue to remain the subject of debate among experts and medical professionals, are not universally recognized medical conditions, and frequently involve other collateral or controlling factors such as narcotics or alcohol influence or pre-existing medical conditions. While it is impractical to restrict an officer's use of reasonable control methods when attempting to restrain a combative individual, officers are not authorized to use any restraint or transportation method which might unreasonably impair an individual's breathing or respiratory capacity for a period beyond the point when the individual has been adequately and safely controlled. Once the individual is safely secured, officers

### *Use of Force*

---

should promptly check and continuously monitor the individual's condition for signs of medical distress (Government Code § 7286.5).

#### **300.4 DEADLY FORCE APPLICATIONS**

Where feasible, the officer shall, prior to the use of deadly force, make reasonable efforts to identify themselves as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts (Penal Code § 835a).

If an objectively reasonable officer would consider it safe and feasible to do so under the totality of the circumstances, officers shall evaluate and use other reasonably available resources and techniques when determining whether to use deadly force. To the extent that it is reasonably practical, officers should consider their surroundings and any potential risks to bystanders prior to discharging a firearm (Government Code § 7286(b)).

The use of deadly force is only justified when the officer reasonably believes it is necessary in the following circumstances (Penal Code § 835a):

- (a) An officer may use deadly force to protect themselves or others from what the officer reasonably believes is an imminent threat of death or serious bodily injury to the officer or another person.
- (b) An officer may use deadly force to apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury, if the officer reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended.

Officers shall not use deadly force against a person based on the danger that person poses to themselves, if an objectively reasonable officer would believe the person does not pose an imminent threat of death or serious bodily injury to the officer or to another person (Penal Code § 835a).

Additionally, an officer should not use deadly force against a person whose actions are a threat solely to property.

An "imminent" threat of death or serious bodily injury exists when, based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the officer or another person. An officer's subjective fear of future harm alone is insufficient as an imminent threat. An imminent threat is one that from appearances is reasonably believed to require instant attention (Penal Code § 835a).

##### **300.4.1 SHOOTING AT OR FROM MOVING VEHICLES**

Shots fired at or from a moving vehicle are rarely effective and involve considerations and risks in addition to the justification for the use of deadly force. When feasible, officers should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means

### *Use of Force*

---

available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others (Government Code § 7286(b)).

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

#### **300.4.2 DISPLAYING OF FIREARMS**

Given that individuals might perceive the display of a firearm as a potential application of force, officers should carefully evaluate each tactical situation and use sound discretion when drawing a firearm in public by considering the following guidelines (Government Code § 7286(b)):

- (a) If the officer does not initially perceive a threat but reasonably believes that the potential for such threat exists, firearms should generally be kept in the low-ready or other position not directed toward an individual.
- (b) If the officer reasonably believes that a threat exists based on the totality of circumstances presented at the time (e.g., high-risk stop, tactical entry, armed encounter), firearms may be directed toward such threat until the officer no longer perceives such threat.

Once it is reasonably safe to do so, officers should carefully secure all firearms.

#### **300.5 REPORTING THE USE OF FORCE**

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis, and related purposes, the Department may require the completion of additional report forms, as specified in department policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

##### **300.5.1 NOTIFICATION TO SUPERVISORS**

Any use of force by an officer shall be reported immediately to a supervisor, including but not limited to the following circumstances (Penal Code § 832.13):

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of a conducted energy device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.

### *Use of Force*

---

- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

As used in this subsection, "immediately" means as soon as it is safe and feasible to do so.

#### **300.5.2 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE**

Statistical data regarding all officer-involved shootings and incidents involving use of force resulting in serious bodily injury is to be reported to the California Department of Justice as required by Government Code § 12525.2.

#### **300.5.3 REPORT RESTRICTIONS**

Officers shall not use the term "excited delirium" to describe an individual in an incident report. Officers may describe the characteristics of an individual's conduct, but shall not generally describe the individual's demeanor, conduct, or physical and mental condition at issue as "excited delirium" (Health and Safety Code § 24402).

#### **300.6 MEDICAL CONSIDERATIONS**

Once it is reasonably safe to do so, properly trained officers should promptly provide or procure medical assistance for any person injured or claiming to have been injured in a use of force incident (Government Code § 7286(b)).

Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until the individual can be medically assessed.

Based upon the officer's initial assessment of the nature and extent of the subject's injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff, or medical staff at the jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics and imperviousness to pain, or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away if appropriate.

---

See the Medical Aid and Response Policy for additional guidelines.

#### **300.6.1 REFUSAL OF MEDICAL CARE**

If the person subjected to force refuses medical treatment in any of the cases previously described, he or she shall be transported to a medical facility and required to personally inform the medical staff of his or her refusal to receive medical treatment. The transporting officer shall make an effort to have the medical staff indicate the subject's refusal on a medical admissions report. The officer shall include in the appropriate report or memorandum the name of the medical personnel to whom the suspect indicated his or her refusal and the name of the medical staff member authorizing booking at the Jail. If the medical staff indicates that the subject should be treated despite his or her refusal, arrangements shall be made to transport the suspect to the County-USC Medical Center Jail Ward.

Any doubt regarding the need for medical treatment shall be resolved by transporting the suspect to an appropriate medical facility.

#### **300.6.2 TRANSPORTATION OF SUSPECTS**

Whenever practicable, the subject upon whom force was used should be transported by officers other than those who used the force. In the event no other officers are available to transport the subject to a medical facility or the jail, the transporting officers shall notify a supervisor and document the reasons in the crime report.

#### **300.7 SUPERVISOR RESPONSIBILITY**

A supervisor should respond to any reported use of force, if reasonably available. The responding supervisor is expected to (Government Code § 7286(b)):

- (a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.
- (c) When possible, separately obtain a recorded interview with the subject upon whom force was applied. If this interview is conducted without the person having voluntarily waived his/her *Miranda* rights, the following shall apply:
  - 1. The content of the interview should not be summarized or included in any related criminal charges.
  - 2. The fact that a recorded interview was conducted should be documented in a property or other report.
  - 3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas. These photographs should be retained until all potential for civil litigation has expired.

### *Use of Force*

---

- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the subject may pursue civil litigation.
  - 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy non-compliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

#### **300.7.1 WATCH COMMANDER RESPONSIBILITY**

The Watch Commander shall review each use of force by any personnel within his/her command to ensure compliance with this policy.

### **300.8 TRAINING**

Officers, investigators, and supervisors will receive annual training on this policy and demonstrate their knowledge and understanding (Government Code § 7286(b)).

#### **300.8.1 TRAINING REQUIREMENTS**

Required annual training shall include:

- (a) Legal updates.
- (b) De-escalation tactics, including alternatives to force.
- (c) The duty to intercede.
- (d) The duty to request and/or render medical aid.
- (e) Warning shots (see the Firearms Policy).
- (f) All other subjects covered in this policy (e.g., use of deadly force, chokeholds and carotid holds, discharge of a firearm at or from a moving vehicle, verbal warnings).
- (g) Training courses required by and consistent with POST guidelines set forth in Penal Code § 13519.10.

See the Training Policy for restrictions relating to officers who are the subject of a sustained use of force complaint.

#### **300.8.2 STATE-SPECIFIC TRAINING REQUIREMENTS**

Required state-specific training shall include guidelines regarding vulnerable populations, including but not limited to children, elderly persons, pregnant individuals, and individuals with physical, mental, and developmental disabilities (Government Code § 7286(b)).

### *Use of Force*

---

#### **300.9 USE OF FORCE ANALYSIS**

At least annually, the Patrol Commander should prepare an analysis report on use of force incidents. The report should be submitted to the Chief of Police. The report should not contain the names of officers, suspects or case numbers, and should include:

- (a) The identification of any trends in the use of force by members.
- (b) Training needs recommendations.
- (c) Equipment needs recommendations.
- (d) Policy revision recommendations.

#### **300.10 USE OF FORCE COMPLAINTS**

The receipt, processing, and investigation of civilian complaints involving use of force incidents should be handled in accordance with the Personnel Complaints Policy (Government Code § 7286(b)).

#### **300.11 POLICY REVIEW**

The Chief of Police or the authorized designee should regularly review and update this policy to reflect developing practices and procedures (Government Code § 7286(b)).

#### **300.12 POLICY AVAILABILITY**

The Chief of Police or the authorized designee should ensure this policy is accessible to the public (Government Code § 7286(c)).

#### **300.13 PUBLIC RECORDS REQUESTS**

Requests for public records involving an officer's personnel records shall be processed in accordance with Penal Code § 832.7 and the Personnel Records and Records Maintenance and Release policies (Government Code § 7286(b)).

# Use of Force Review Boards

## 301.1 PURPOSE AND SCOPE

This policy establishes a process for the Burbank Glendale Pasadena Airport Authority Police Department to review the use of force by its employees.

This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or evaluation of the use of deadly force.

## 301.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department will objectively evaluate the use of force by its members to ensure that their authority is used lawfully, appropriately and is consistent with training and policy.

## 301.3 REMOVAL FROM LINE DUTY ASSIGNMENT

Generally, whenever an employee's actions or use of force in an official capacity, or while using department equipment, results in death or very serious injury to another, that employee will be placed in a temporary administrative assignment pending an administrative review. The Chief of Police may exercise discretion and choose not to place an employee in an administrative assignment in any case.

## 301.4 REVIEW BOARD

The Use of Force Review Board will be convened when the use of force by a member results in very serious injury or death to another.

The Use of Force Review Board will also investigate and review the circumstances surrounding every discharge of a firearm, whether the employee was on- or off-duty, excluding training or recreational use.

The Chief of Police may request the Use of Force Review Board to investigate the circumstances surrounding any use of force incident.

The Administration Commander will convene the Use of Force Review Board as necessary. It will be the responsibility of the Commander or supervisor of the involved employee to notify the Administration Commander of any incidents requiring board review. The involved employee's Commander or supervisor will also ensure that all relevant reports, documents and materials are available for consideration and review by the board.

### 301.4.1 COMPOSITION OF THE BOARD

The Administration Commander should select five Use of Force Review Board members from the following, as appropriate:

- Representatives of each division
- Commanding officer in the involved member's chain of command

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Use of Force Review Boards*

---

- Training Sergeant
- Non-administrative supervisor
- A peer officer
- A sworn peace officer from an outside law enforcement agency
- Department instructor for the type of weapon, device or technique used

The senior ranking command representative who is not in the same division as the involved employee will serve as chairperson.

#### 301.4.2 RESPONSIBILITIES OF THE BOARD

The Use of Force Review Board is empowered to conduct an administrative review and inquiry into the circumstances of an incident.

The board members may request further investigation, request reports be submitted for the board's review, call persons to present information and request the involved employee to appear. The involved employee will be notified of the meeting of the board and may choose to have a representative through all phases of the review process.

The board does not have the authority to recommend discipline.

The Chief of Police will determine whether the board should delay its review until after completion of any criminal investigation, review by any prosecutorial body, filing of criminal charges the decision not to file criminal charges, or any other action. The board should be provided all relevant available material from these proceedings for its consideration.

Absent an express waiver from the employee, no more than two members of the board may ask questions of the involved employee (Government Code § 3303). Other members may provide questions to these members.

The review shall be based upon those facts which were reasonably believed or known by the officer at the time of the incident, applying any legal requirements, department policies, procedures and approved training to those facts. Facts later discovered but unknown to the officer at the time shall neither justify nor call into question an officer's decision regarding the use of force.

Any questioning of the involved employee conducted by the board will be in accordance with the department's disciplinary procedures, the Personnel Complaints Policy, the current collective bargaining agreement and any applicable state or federal law.

The board shall make one of the following recommended findings:

- (a) The employee's actions were within department policy and procedure.
- (b) The employee's actions were in violation of department policy and procedure.

A recommended finding requires a majority vote of the board. The board may also recommend additional investigations or reviews, such as disciplinary investigations, training reviews to

consider whether training should be developed or revised, and policy reviews, as may be appropriate. The board chairperson will submit the written recommendation to the Chief of Police.

The Chief of Police shall review the recommendation, make a final determination as to whether the employee's actions were within policy and procedure and will determine whether any additional actions, investigations or reviews are appropriate. The Chief of Police's final findings will be forwarded to the involved employee's Commander for review and appropriate action. If the Chief of Police concludes that discipline should be considered, a disciplinary process will be initiated.

At the conclusion of any additional reviews, copies of all relevant reports and information will be filed with the Chief of Police.

# Handcuffing and Restraints

## 302.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

## 302.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy, and department training. Restraint devices shall not be used to punish, to display authority, or as a show of force.

## 302.3 USE OF RESTRAINTS

Only members who have successfully completed Burbank Glendale Pasadena Airport Authority Police Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

### 302.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain a person who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to ensure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

### 302.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be used unless the officer has a reasonable suspicion that the person may resist, attempt escape, injure self or others, or damage property.

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized

### *Handcuffing and Restraints*

---

determination that such restraints are necessary for the safety of the arrestee, officers, or others (Penal Code § 3407; Penal Code § 6030).

#### **302.3.3 RESTRAINT OF JUVENILES**

A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the officer has a reasonable suspicion that the juvenile has been combative or may resist, attempt escape, injure him/herself, injure the officer, or damage property.

#### **302.3.4 NOTIFICATIONS**

Whenever an officer transports a person with the use of restraints other than handcuffs, the officer shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during, transportation to the jail.

#### **302.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS**

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations, handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the person or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

#### **302.5 APPLICATION OF SPIT HOODS**

Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and so that the restrained person can breathe normally. Officers should provide assistance during the movement of a restrained person due to the potential for impairing

### *Handcuffing and Restraints*

---

or distorting that person's vision. Officers should avoid comingling those wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated, including hair, head, and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

#### **302.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES**

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons, and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort, and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

#### **302.7 APPLICATION OF LEG RESTRAINT DEVICES**

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest, or transportation. Only restraint devices approved by the Department shall be used.

In determining whether to use the leg restraint, officers should consider:

- (a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a person.
- (b) Whether it is reasonably necessary to protect the person from his/her own actions (e.g., hitting his/her head against the interior of the patrol vehicle, running away from the arresting officer while handcuffed, kicking at objects or officers).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol vehicle).

##### **302.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS**

When applying leg restraints, the following guidelines should be followed:

- (a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.
- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.

### *Handcuffing and Restraints*

---

- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain on his/her stomach.
- (e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by emergency medical services, the restrained person should be accompanied by an officer. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration).

#### **302.8 REQUIRED DOCUMENTATION**

If a person is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints on a Field Information Card and the Officer's Daily Log.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report.

Officers should document the following information in reports, as appropriate, when restraints other than handcuffs are used on a person:

- (a) The factors that led to the decision to use restraints.
- (b) Supervisor notification and approval of restraint use.
- (c) The types of restraint used.
- (d) The amount of time the person was restrained.
- (e) How the person was transported and the position of the person during transport.
- (f) Observations of the person's behavior and any signs of physiological problems.
- (g) Any known or suspected drug use or other medical problems.

#### **302.9 TRAINING**

Subject to available resources, the Training Sergeant should ensure that officers receive periodic training on the proper use of handcuffs and other restraints, including:

- (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Department.
- (b) Response to complaints of pain by restrained persons.
- (c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.

## Conducted Energy Device

### 304.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of the conducted energy device (CED).

### 304.2 POLICY

The CED is used in an attempt to control a violent or potentially violent individual. The appropriate use of such a device may result in fewer serious injuries to officers and suspects.

### 304.3 ISSUANCE AND CARRYING CEDS

Only members who have successfully completed department-approved training may be issued and may carry the CED.

The Armorer should keep a log of issued CED devices and the serial numbers of cartridges/magazines issued to members.

CEDs are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department inventory.

Officers shall only use the CED and cartridges/magazines that have been issued by the Department. Cartridges/magazines should not be used after the manufacturer's expiration date.

Uniformed officers who have been issued the CED shall wear the device in an approved holster.

Officers who carry the CED while in uniform shall carry it in a holster on the side opposite the duty weapon (Penal Code § 13660).

- (a) All CEDs shall be clearly distinguishable to differentiate them from the duty weapon and any other device.
- (b) For single-shot devices, whenever practicable, officers should carry an additional cartridge on their person when carrying the CED.
- (c) Officers should not hold a firearm and the CED at the same time.

Non-uniformed officers may secure the CED in a concealed, secure location in the driver's compartment of their vehicles.

#### 304.3.1 USER RESPONSIBILITIES

Officers shall be responsible for ensuring that the issued CED is properly maintained and in good working order. This includes a function test and battery life monitoring, as required by the manufacturer, and should be completed prior to the beginning of the officer's shift.

CEDs that are damaged or inoperative, or cartridges/magazines that are expired or damaged, shall be returned to the Armorer for disposition. Officers shall submit documentation stating the reason for the return and how the CED or cartridge/magazine was damaged or became inoperative, if known.

### *Conducted Energy Device*

---

#### **304.4 VERBAL AND VISUAL WARNINGS**

A verbal warning of the intended use of the CED should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other officers and individuals with a warning that the CED may be deployed.

If, after a verbal warning, an individual fails to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, activate any warning on the device, which may include display of the electrical arc, an audible warning, or the laser in a further attempt to gain compliance prior to the application of the CED. The laser should not be intentionally directed into anyone's eyes.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the CED in the related report.

#### **304.5 USE OF THE CED**

The CED has limitations and restrictions requiring consideration before its use. The CED should only be used when its operator can safely deploy the device within its operational range. Although the CED may be effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

If sufficient personnel are available and can be safely assigned, an officer designated as lethal cover for any officer deploying a CED may be considered for officer safety.

##### **304.5.1 APPLICATION METHODS**

The following methods may be used to apply the TASER device:

- (a) **Probe Mode** – This method is used to fire probes from the TASER device into a subject to cause Neuromuscular Incapacitation (NMI).
- (b) **Drive-Stun with the Cartridge** – If necessary and reasonably appropriate, this method may be used as a follow up to the Probe Mode to spread NMI over a wider area. This method may also be used if NMI is not achieved due to narrow probe spread or when only one probe impacts the subject.
- (c) **Drive-Stun without the Cartridge** – This method usually will not achieve NMI but will only cause localized pain.

Because the application of the TASER device in the drive-stun mode without the cartridge relies primarily on pain compliance, the use of the drive-stun mode generally should be used as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions. The drive-stun mode with the cartridge may be used to supplement the probe-mode to complete the circuit but the application may result only in localized pain as when drive-stun is used without the cartridge.

### *Conducted Energy Device*

---

#### 304.5.2 APPLICATION OF THE CED

The CED may be used, when the circumstances reasonably perceived by the officer at the time indicate that such application reasonably appears necessary to control a person who:

- (a) Is violent or is physically resisting.
- (b) Has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, themselves, or others.

Mere flight from a pursuing officer, without additional circumstances or factors, is not good cause for the use of the CED to apprehend an individual.

The CED shall not be used to psychologically torment, to elicit statements, or to punish any individual.

#### 304.5.3 SPECIAL DEPLOYMENT CONSIDERATIONS

The use of the CED on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the officer, the subject or others, and the officer reasonably believes that the need to control the individual outweighs the potential risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.
- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.
- (e) Individuals known to have been recently sprayed with a flammable chemical agent or who are otherwise known to be in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.
- (f) Individuals whose position or activity is likely to result in collateral injury (e.g., falls from height, located in water, operating vehicles).

Any CED capable of being applied in the drive-stun mode (i.e., direct contact without probes as a primary form of pain compliance) should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

#### 304.5.4 TARGETING CONSIDERATIONS

Recognizing that the dynamics of a situation and movement of the subject may affect target placement of probes, when practicable, officers should attempt to target the back, lower center mass, and upper legs of the subject, and avoid intentionally targeting the head, neck, area of the heart, or genitals. If circumstances result in one or more probes inadvertently striking an area outside of the preferred target zones, the individual should be closely monitored until examined by paramedics or other medical personnel.

### *Conducted Energy Device*

---

#### 304.5.5 MULTIPLE APPLICATIONS OF THE CED

Once an officer has successfully deployed two probes on the subject, the officer should continually assess the subject to determine if additional probe deployments or cycles reasonably appear necessary. Additional factors officers may consider include but are not limited to:

- (a) Whether it is reasonable to believe that the need to control the individual outweighs the potentially increased risk posed by multiple applications.
- (b) Whether the probes are making proper contact.
- (c) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (d) Whether verbal commands or other options or tactics may be more effective.

Given that on certain devices (e.g., TASER 10™) each trigger pull deploys a single probe, the officer must pull the trigger twice to deploy two probes to create the possibility of neuro-muscular incapacitation.

#### 304.5.6 ACTIONS FOLLOWING DEPLOYMENTS

Officers should take appropriate actions to control and restrain the individual as soon as reasonably practicable to minimize the need for longer or multiple exposures to the CED. As soon as practicable, officers shall notify a supervisor any time the CED has been discharged. If needed for evidentiary purposes, the expended cartridge, along with any probes and wire, should be submitted into evidence (including confetti tags, when equipped on the device). The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

#### 304.5.7 DANGEROUS ANIMALS

The CED may be deployed against an animal as part of a plan to deal with a potentially dangerous animal, such as a dog, if the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

If an animal reasonably appears to be in medical distress after receiving a deployment from a TASER, the animal should be transported to a veterinarian for examination, either at the Burbank Animal Shelter or a veterinarian service. If it is unsafe for officers to transport the animal, the Burbank Animal Shelter shall be notified to transport the animal. If the owner of the animal is present, officers shall only transport if the owner consents. Officers should record the owner's consent or declination.

Officers shall make reasonable efforts to notify an animal owner when their animal is exposed to a deployment of a TASER. If the owner is not present, a notification card shall be left. The efforts to notify the owner shall be documented in a police report.

#### 304.5.8 TASER® CAM™

The TASER CAM is activated any time the safety is in the off position. The safety should be in the safe position unless the officer intends to use the device. Because the TASER CAM memory is limited, the video and audio data should be downloaded frequently and retained as required by the department records retention schedule.

### *Conducted Energy Device*

---

#### 304.5.9 OFF-DUTY CONSIDERATIONS

Officers are not authorized to carry department CEDs while off-duty.

Officers shall ensure that CEDs are secured while in their homes, vehicles, or any other area under their control, in a manner that will keep the device inaccessible to others.

#### 304.6 REMOVAL OF TASER PROBES

Officers may remove probes that are lodged in a subject's clothing or body. If a probe(s) is lodged in a sensitive area (e.g., groin, female breast, head, neck, face) or in such a position or manner that, in the officer's view, removal may result in serious injury to the subject, the probe(s) should be stabilized in place and removed by paramedics or other qualified medical personnel.

Whenever possible, the officer who discharged the TASER should not remove the probes from the suspect's body.

After removal, the probes should be placed sharp end down in the cartridge and wrapped in a rubber glove. Probes should be labeled and treated as biohazard.

#### 304.7 DOCUMENTATION

Officers shall document all CED discharges in the related arrest/crime reports and the CED report forms. Photographs should be taken of any obvious probe impact or drive-stun application sites and attached to the CED report form. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, audible warning, laser activation, and arcing the device, other than for testing purposes, will also be documented on the report form. Data downloads from the CED after use on a subject should be done as soon as practicable using a department-approved process to preserve the data.

##### 304.7.1 CED REPORT FORM

As applicable based on the device type, items that shall be included in the CED report form are:

- (a) The brand, model, and serial number of the CED and any cartridge/magazine.
- (b) Date, time, and location of the incident.
- (c) Whether any warning, display, laser, or arc deterred a subject and gained compliance.
- (d) The number of probes deployed, CED activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
- (e) The range at which the CED was used.
- (f) The type of mode used (e.g., probe deployment, drive-stun).
- (g) Location of any probe impact.
- (h) Location of contact in drive-stun mode.
- (i) Description of where missed probes went.
- (j) Whether medical care was provided to the subject.
- (k) Whether the subject sustained any injuries.

### *Conducted Energy Device*

---

- (l) Whether any officers sustained any injuries.

The Training Sergeant should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Training Sergeant should also conduct audits of CED device data downloaded to an approved location and reconcile CED report forms with recorded activations. CED information and statistics, with identifying information removed, should periodically be made available to the public.

#### **304.7.2 REPORTS**

The officer should include the following in the arrest/crime report:

- (a) Identification of all personnel firing CEDs
- (b) Identification of all witnesses
- (c) Medical care provided to the subject
- (d) Observations of the subject's physical and physiological actions
- (e) Any known or suspected drug use, intoxication, or other medical problems

#### **304.8 MEDICAL TREATMENT**

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel or officers trained in probe removal and handling should remove CED probes from a person's body. Used CED probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by CED probes or who have been subjected to the electric discharge of the device, or who sustained direct exposure of the laser to the eyes shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The CED probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio/video recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

### *Conducted Energy Device*

---

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the CED (see the Medical Aid and Response Policy).

#### **304.9 SUPERVISOR RESPONSIBILITIES**

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the CED may be used. A supervisor should respond to all incidents where the CED was activated.

A supervisor should review each incident where a person has been exposed to a CED. The device's internal logs should be downloaded by a supervisor or Armorer and saved with the related arrest/crime report. The supervisor should arrange for photographs of probe sites to be taken and witnesses to be interviewed.

#### **304.10 SPARE TASERS**

Spare TASERS will be stored in the safe in the Armory to be assigned by the Watch Commander on a temporary basis to officers in case of malfunctions or when the TASER is used and booked into evidence.

#### **304.11 TRAINING**

Personnel who are authorized to carry the CED shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the CED as a part of their assignments for a period of six months or more shall be recertified by a qualified CED instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued CEDs should occur every year. A reassessment of an officer's knowledge and/or practical skills may be required at any time, if deemed appropriate by the Training Sergeant. All training and proficiency for CEDs will be documented in the officer's training files.

Command staff, supervisors, and investigators should receive CED training as appropriate for the investigations they conduct and review.

Officers who do not carry CEDs should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Training Sergeant is responsible for ensuring that all members who carry CEDs have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of CEDs during training could result in injuries and should not be mandatory for certification.

The Training Sergeant should include the following training:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.

### *Conducted Energy Device*

---

- (c) Performing weak-hand draws or cross-draws until proficient to reduce the possibility of unintentionally drawing and firing a firearm.
- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes to the head, neck, area of the heart, and groin.
- (e) Scenario-based training, including virtual reality training when available.
- (f) Handcuffing a subject during the application of the CED and transitioning to other force options.
- (g) De-escalation techniques.
- (h) Restraint techniques that do not impair respiration following the application of the CED.
- (i) Proper use of cover and concealment during deployment of the CED for purposes of officer safety.
- (j) Proper tactics and techniques related to multiple applications of CEDs.

## Officer-Involved Shootings and Deaths

### 305.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of all officer involved shootings, whether or not the shooting results in injury or death, to ensure that such incidents are investigated in a fair and impartial manner.

#### 305.1.1 DEFINITIONS

**Officer-involved shooting (OIS)** - An incident in which shots are fired by an officer, whether or not resulting in injury or death, or shots fired by a suspect at an officer, whether or not resulting in injury or death to the officer. OIS includes all instances where an officer discharges a firearm for any actual, apparent, or purported law enforcement purpose.

All officer-involved shooting incidents shall be reported immediately to an on-duty supervisor by the involved officer when possible or by an employee having knowledge of the incident. The reporting requirement includes officer involved shootings that occur off-duty, regardless of the jurisdiction.

### 305.2 POLICY

The policy of the Burbank Glendale Pasadena Airport Authority Police Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair and impartial manner.

### 305.3 INVESTIGATION RESPONSIBILITY

The Burbank Police Department will assume primary responsibility for the investigation of officer-involved shootings within the boundaries of the City of Burbank, unless the Chief of Police or a Division Commander determines that another agency should handle the investigation.

If an officer from this department is involved in a shooting in an outside jurisdiction, that agency is responsible for the criminal investigation of the incident. A liaison will be assigned and monitor the investigation.

### 305.4 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's actions.
- An administrative investigation as to policy compliance by involved officers.
- A civil investigation to determine potential liability.

### 305.5 CONTROL OF INVESTIGATIONS

Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Officer-Involved Shootings and Deaths*

---

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

#### **305.5.1 CRIMINAL INVESTIGATION OF SUSPECT ACTIONS**

The investigation of any possible criminal conduct by the suspect is controlled by the agency in whose jurisdiction the suspect's crime occurred. For example, the Burbank Police Department would control the investigation if the suspect's crime occurred on Burbank-Glendale-Pasadena Airport Authority property.

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Chief of Police and with concurrence from the other agency.

#### **305.5.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS**

The control of the criminal investigation into the involved officer's conduct during the incident will be determined by the employing agency's protocol. When an officer from this department is involved, the criminal investigation will be handled according to the Criminal Investigation section of this policy.

Requests made of this department to investigate a shooting or death involving an outside agency's officer shall be referred to the Chief of Police or the authorized designee for approval.

#### **305.5.3 ADMINISTRATIVE AND CIVIL INVESTIGATION**

Regardless of where the incident occurs, the administrative and civil investigation of each involved officer is controlled by the respective employing agency.

### **305.6 INVESTIGATION PROCESS**

The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

#### **305.6.1 UNINVOLVED OFFICER RESPONSIBILITIES**

Upon arrival at the scene of an officer-involved shooting, the first uninvolved BGPAAPD officer will be the officer-in-charge and will assume the responsibilities of a supervisor until properly relieved. This officer should, as appropriate:

- (a) Secure the scene and identify and eliminate hazards for all those involved.
- (b) Take reasonable steps to obtain emergency medical attention for injured individuals.
- (c) Request additional resources from the Department or other agencies.
- (d) Coordinate a perimeter or pursuit of suspects.
- (e) Check for injured persons and evacuate as needed.
- (f) Brief the supervisor upon arrival.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Officer-Involved Shootings and Deaths*

---

#### 305.6.2 SUPERVISOR RESPONSIBILITIES

Upon arrival at the scene, the first uninvolved BGPAAPD supervisor should ensure completion of the duties as outlined above, plus:

- (a) Attempt to obtain a brief overview of the situation from any uninvolved officers.
  1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) If necessary, the supervisor may administratively order any BGPAAPD officer to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.
  1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident scene, identity of known or potential witnesses and any other pertinent information.
  2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.
- (c) Provide all available information to the Watch Commander and the Communications Center. If feasible, sensitive information should be communicated over secure networks.
- (d) Take command of and secure the incident scene with additional BGPAAPD members until properly relieved by another supervisor or other assigned personnel or investigator.
- (e) As soon as practicable, ensure that involved officers are transported (separately, if feasible) to a suitable location for further direction.
  1. Each involved BGPAAPD officer should be given an administrative order not to discuss the incident with other involved officers or BGPAAPD members pending further direction from a supervisor.
  2. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that he/she is provided with a comparable replacement weapon or transported by other officers.

#### 305.6.3 WATCH COMMANDER RESPONSIBILITIES

Upon learning of an officer-involved shooting or death, the Watch Commander shall be responsible for coordinating all aspects of the incident until he/she is relieved by the Chief of Police or a Commander.

All outside inquiries about the incident shall be directed to the Watch Commander.

#### 305.6.4 NOTIFICATIONS

The following person(s) shall be notified as soon as practicable:

#### 305.6.5 INVOLVED OFFICERS

The following shall be considered for the involved officer:

- (a) Any request for legal or union representation will be accommodated.
  1. Involved BGPAAPD officers shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.
  2. Requests from involved non-BGPAAPD officers should be referred to their employing agency.
- (b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.
- (c) Discussions with agency representatives/employee groups will be privileged only as to the discussion of non-criminal information (Government Code § 3303(i)).
- (d) A licensed psychotherapist shall be provided by the Department to each involved BGPAAPD officer. A licensed psychotherapist may also be provided to any other affected BGPAAPD members, upon request.
  1. Interviews with a licensed psychotherapist will be considered privileged.
  2. An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.
  3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).
- (e) Communications between the involved officer and a peer support member are addressed in the Wellness Program Policy.

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until investigators or lab personnel can properly retrieve it.

### *Officer-Involved Shootings and Deaths*

---

Each involved BGPAAPD officer shall be given reasonable paid administrative leave following an officer-involved shooting or death. It shall be the responsibility of the Watch Commander to make schedule adjustments to accommodate such leave.

#### **305.6.6 NOTIFICATION TO DEPARTMENT OF JUSTICE**

The California Department of Justice (DOJ) is required to investigate an officer-involved shooting resulting in the death of an unarmed civilian. The Watch Commander should promptly notify the DOJ in all incidents involving an officer-involved shooting resulting in the death of an unarmed civilian, including where it is undetermined if the civilian was unarmed.

For purposes of notification, "unarmed civilian" means anyone who is not in possession of a deadly weapon (Government Code § 12525.3).

#### **305.7 CRIMINAL INVESTIGATION**

The District Attorney's Office is responsible for the criminal investigation into the circumstances of any officer-involved shooting or death.

If available, investigative personnel from this department may be assigned to partner with investigators from outside agencies or the District Attorney's Office to avoid duplicating efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

- (a) BGPAAPD supervisors should not participate directly in any voluntary interview of BGPAAPD officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney prior to speaking with criminal investigators (Government Code § 3303(i)). However, in order to maintain the integrity of each involved officer's statement, involved officers shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.
- (c) If any involved officer is physically, emotionally or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.
- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

#### **305.7.1 REPORTS BY INVOLVED BGPAAPD OFFICERS**

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved BGPAAPD officers to provide sufficient

---

information for related criminal reports to facilitate the apprehension and prosecution of those individuals (Government Code § 3304(a)).

While the involved BGPAAPD officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved BGPAAPD officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

#### 305.7.2 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available personnel for the following:

- (a) Identification of all persons present at the scene and in the immediate area.
  - 1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
  - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Department.
  - 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation. If officers are unable to make contact with a parent or guardian, a supervisor shall evaluate the need for transporting the minor. If the minor is transported, the officers shall document their efforts to locate a parent or guardian in related reports.
- (c) Promptly contacting the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to the incident.

#### 305.7.2 INVESTIGATIVE PERSONNEL

Once notified of an officer-involved shooting or death, it shall be the responsibility of the on-duty supervisor to initiate the notification protocols outlined in the Major Incident Notification policy and defer to the Burbank Police Department to initiate the investigation. Department investigators may be assigned to work with investigators from the Burbank Police Department or the District Attorney's Office.

All related department reports, except administrative and/or privileged reports, will be forwarded to the Watch Commander for approval. Privileged reports shall be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the appropriate Commander.

#### 305.8 ADMINISTRATIVE INVESTIGATION

In addition to all other investigations associated with an officer-involved shooting or death, this department will conduct an internal administrative investigation of BGPAAPD officers to determine conformance with department policy. The investigation will be conducted under the supervision of the Commander and will be considered a confidential peace officer personnel file.

Interviews of members shall be subject to department policies and applicable laws (see the Personnel Complaints Policy).

Any officer involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency except with the consent of the officer or pursuant to a court order (refer to the Drug and Alcohol Free Workplace Policy). The employee may request a dual sample be taken for the purpose of independent testing conducted at the expense of the employee.

- (a) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.
  - 1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.
- (b) In the event that an involved officer has elected to not provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information. Under no circumstances will the administrative investigation interfere with the criminal investigation. Any conflict will be resolved by the Chief of Police or his designee.
  - 1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer's physical and psychological needs have been addressed before commencing the interview.

### *Officer-Involved Shootings and Deaths*

---

2. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview. However, in order to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed (Government Code § 3303(i)).
3. Administrative interviews should be recorded by the investigator. The officer may also record the interview (Government Code § 3303(g)).
4. The officer shall be informed of all constitutional *Miranda* rights (Government Code § 3303(h)) and, assuming no voluntary waiver, will then be given an administrative order to provide full and truthful answers to all questions (Government Code § 3303(e). The officer shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally (the *Lybarger* or *Garrity* admonishment).
5. The administrative interview shall be considered part of the officer's confidential personnel file.
6. The Administrative Commander shall compile all relevant information and reports necessary for the Department to determine compliance with applicable policies.
7. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings as to whether there was compliance with the Use of Force Policy.
8. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

#### **305.9 CIVIL LIABILITY RESPONSE**

A member of this department may be assigned to work exclusively under the direction of the legal counsel for the Department to assist in the preparation of materials deemed necessary in anticipation of potential civil litigation.

All materials generated in this capacity shall be considered attorney work product and may not be used for any other purpose. The civil liability response is not intended to interfere with any other investigation but shall be given reasonable access to all other investigations.

#### **305.10 AUDIO AND VIDEO RECORDINGS**

Any officer involved in a shooting or death may be permitted to review available Mobile Audio/Video (MAV), body-worn video, or other video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV, body-worn video, or other video or audio recordings with approval of assigned investigators or a supervisor.

### *Officer-Involved Shootings and Deaths*

---

Any MAV, body-worn and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or General Counsel, as appropriate.

#### **305.11 DEBRIEFING**

Following an officer-involved shooting or death, the Burbank Glendale Pasadena Airport Authority Police Department should conduct both a Critical Incident Stress Debriefing and a tactical debriefing. See the Wellness Program Policy for guidance on Critical Incident Stress Debriefings.

##### **305.11.1 CRITICAL INCIDENT/STRESS DEBRIEFING**

A critical incident/stress debriefing should occur as soon as practicable. The Administration Commander is responsible for organizing the debriefing. Notes and recorded statements should not be taken because the sole purpose of the debriefing is to help mitigate the stress-related effects of a traumatic event.

The debriefing is not part of any investigative process. Care should be taken not to release or repeat any communication made during a debriefing unless otherwise authorized by policy, law or a valid court order.

Attendance at the debriefing shall only include those members of the Department directly involved in the incident, which can include support personnel (e.g., dispatchers, other civilian personnel). Family or other support personnel may attend with the concurrence of those involved in the incident. The debriefing shall be closed to the public and should be closed to all other members of the Department, including supervisory personnel.

##### **305.11.2 TACTICAL DEBRIEFING**

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief of Police should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to criminal and/or administrative investigators.

#### **305.12 MEDIA RELATIONS**

Any media release shall be prepared with input and concurrence from the supervisor and department representative responsible for each phase of the investigation. Releases will be available to the Watch Commander and Public Information Officer in the event of inquiries from the media.

The Department shall not subject any involved BGPAAPD officer to visits by the media (Government Code § 3303(e)). No involved BGPAAPD officer shall make any comment to the media unless he/she is authorized by the Chief of Police or a Commander. Department members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

#### 306.4.3 TACTICAL LIGHTS

Tactical lights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Armorer. #### 306.4.4 OPTICS OR LASER SIGHTS

Optics or laser sights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Armorer. Any firearm deemed in need of repair or service by the Armorer will be immediately removed from service. If the firearm is the member's primary duty firearm, a replacement firearm will be issued to the member until the duty firearm is serviceable.

#### 306.5.1 INSPECTION AND STORAGE

Handguns shall be inspected regularly and upon access or possession by another person. Shotguns and rifles shall be inspected at the beginning of the shift by the member to whom the weapon is issued. The member shall ensure that the firearm is carried in the proper condition and loaded with approved ammunition. When leaving a handgun in an unattended vehicle, members shall ensure that it is locked in the trunk, or in a locked container that is placed out of view, or in a locked container that is permanently affixed to the vehicle's interior and not in plain view, or in a locked toolbox or utility box permanently affixed to the vehicle (Penal Code § 25140; Penal Code § 25452).

If the vehicle does not have a trunk or a locked container, then the firearm should be locked within the center utility console that can be locked with a padlock, keylock, combination lock, or other similar locking device (Penal Code § 25140).

Officers are exempt from these requirements during circumstances requiring immediate aid or action in the course of official duties (Penal Code § 25140).

#### **306.6 FIREARMS TRAINING AND QUALIFICATIONS**

All members who carry a firearm while on-duty are required to qualify and demonstrate proficiency with their duty and off-duty weapons in accordance with the department's qualification schedule. Proficiency training must be monitored by a certified weapons instructor. The Training Sergeant is responsible for ensuring that officers qualify with their duty weapon at least bimonthly and at least annually with department shotgun, rifle, secondary and their off-duty weapon.

The Training Sergeant shall keep accurate records of firearms training and proficiency, repairs, and maintenance. The Training Sergeant is responsible for ensuring that all personnel carrying a firearm receive training at least annually on the Department Use of Force Policy and that they demonstrate their knowledge and understanding of the policy.

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations including low-light shooting.

##### **306.6.1 NON-CERTIFICATION OR NON-QUALIFICATION**

If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status or scheduling conflict, that member shall submit a memorandum to his/her immediate supervisor prior to the end of the required training or qualification period. Unless formally excused by a Division Commander for just cause, officers failing to participate in a mandatory qualification course may have their peace officer powers suspended and relieved from field duty or be subjected to disciplinary action.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.
- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for the following:
  - 1. Unauthorized range make-up
  - 2. Failure to meet minimum standards or qualify after remedial training

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

The officer's failure to qualify and any subsequent training or qualification attempts shall be documented and included in the officer's training records.

#### **306.7 FIREARM DISCHARGE**

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and

Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with his/her Commander or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, the member shall file a written report or provide a recorded statement no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

#### **306.7.1 DESTRUCTION OF ANIMALS**

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, conducted energy device, oleoresin capsicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed, becomes impractical, or if the animal reasonably appears to pose an imminent threat to human safety.

#### **306.7.2 INJURED ANIMALS**

With the approval of a supervisor, a member may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical.

Stray or abandoned injured animals that may be moved or taken to an available veterinarian should not be euthanized. With supervisor approval, abandoned injured animals (with the exception of dogs and cats) may only be euthanized after a reasonable search to locate the owner has been made. Injured dogs and cats found without their owners shall be taken to an appropriate veterinarian for determination of whether they should be treated or humanely destroyed (Penal Code § 597.1).

#### **306.7.3 WARNING AND OTHER SHOTS**

Generally, shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective, and reasonably safe.

Warning shots should not be used.

#### **306.8 ARMORER DUTIES**

The range will be under the exclusive control of the Armorer and/or department-certified Firearms instructor. All members attending will follow the directions of the Armorer. The Armorer will

maintain a roster of all members attending the range and will submit the roster to the Training Sergeant after each range date. Failure of any member to sign in and out with the Armorer may result in non-qualification.

The range shall remain operational and accessible to Department members during hours established by the Department.

The Armorer has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this department to verify proper operation. The Armorer has the authority to deem any department-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to his/her personally owned firearm and it will not be returned to service until inspected by the Armorer.

The Armorer has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning and safety of all firearms the member is authorized to carry.

The Armorer shall complete and submit to the Training Sergeant documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided and, on a form that has been approved by the Department, a list of each member who completes the training. The Armorer should keep accurate records of all training shoots, qualifications, repairs, maintenance or other records as directed by the Training Sergeant.

### **306.9 FLYING WHILE ARMED**

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. No employee of this department may fly armed on any commercial aircraft without the written authorization of the Chief of Police. Employees with a need to fly armed shall submit a memorandum to the Chief of Police documenting the need to have the weapon accessible on the aircraft. The need may include:

- (a) Assigned to a protection detail
- (b) Conducting a hazardous surveillance
- (c) Required to report to duty at the destination armed
- (d) Escorting a prisoner
- (e) Any Officer cross designated as a Federal Bureau of Investigations Task Force Officer may fly armed following Federal guidelines

The officer requesting authorization to fly armed shall attach a copy of the officer's training record to the memorandum showing proof of having completed the training program "Law Enforcement Officers Flying Armed" as required by the TSA.

The following requirements apply to officers who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

Federal authority may not shield an officer from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.

The Administrative Commander or designee shall be responsible for:

- (a) Maintaining the armory inventory and for stocking, replenishing, and replacing items in the armory.

## Vehicle Pursuits

### 307.1 PURPOSE AND SCOPE

This policy provides guidelines for vehicle pursuits in order to protect the safety of involved officers, the public, and fleeing suspects.

#### 307.1.1 DEFINITIONS

**Blocking** - A low-speed tactic where one or more authorized police department emergency vehicles intentionally restrict the movement of a suspect vehicle, with the goal of containment or preventing a pursuit. Blocking is not boxing in or a roadblock.

**Boxing-in** - A tactic designed to stop a suspect's moving vehicle by surrounding it with law enforcement vehicles and then slowing all vehicles to a stop.

**Pursuit Intervention** - An attempt to stop the suspect's ability to continue to flee in a vehicle through tactical application of technology, tire deflation devices, blocking or vehicle intercept, boxing-in, the PIT (known as Pursuit Intervention Technique or Precision Immobilization Technique), ramming, or roadblock procedures.

**Pursuit Intervention Technique (PIT)** - A low-speed tactic intentionally applied to cause the suspect vehicle to spin out and terminate the pursuit.

**Ramming** - The deliberate act of impacting a suspect's vehicle with another vehicle to functionally damage or otherwise force the suspect's vehicle to stop.

**Roadblocks** - A tactic designed to stop a suspect's vehicle by intentionally placing an emergency vehicle or other immovable object in the path of the suspect's vehicle.

**Tire deflation device** - A device that extends across the roadway designed to puncture the tires of the pursued vehicle, sometimes referred to as spike strips.

**Terminate** - To discontinue a pursuit or stop chasing fleeing vehicles.

**Trail** - Following the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing vehicle will maintain sufficient distance from the pursuit vehicles so as to clearly indicate an absence of participation in the pursuit.

**Vehicle Pursuit** - An event involving one or more law enforcement officers attempting to apprehend a suspect, who is attempting to avoid arrest while operating a motor vehicle by using high-speed driving or other evasive tactics, such as driving off a highway, turning suddenly, or driving in a legal manner but willfully failing to yield to an officer's signal to stop.

#### 307.1.2 PUBLIC AGENCY IMMUNITY

California Vehicle Code § 17004.7 provides law enforcement agencies immunity from liability for civil damages for personal injury to or death of any person or damage to property resulting from the collision of a vehicle being operated by an actual or suspected violator of the law who is being,

### *Vehicle Pursuits*

---

has been, or believes is being or has been pursued in a motor vehicle by a peace officer. The two most important elements for having immunity are having a pursuit policy that meets the minimum standards as required by law and following the policy.

#### **307.2 POLICY**

It is the policy of this department to balance the importance of apprehending suspects who unlawfully flee from law enforcement against the risks associated with vehicle pursuits.

#### **307.3 OFFICER RESPONSIBILITIES**

It is the policy of this department to permit pursuits only when the necessity of immediate apprehension of a violator outweighs the degree of danger created by the pursuit, and only when conducted in compliance with this policy and applicable laws. Consideration must always be given to the extent of danger the suspect poses to the public beyond the act of evasion itself.

The initiating officer and Watch Commander engaged in any pursuit operation shall be responsible for providing the Chief of Police objective reasons for initiating, continuing and terminating a vehicle pursuit.

It shall be the policy of this department that a vehicle pursuit shall be conducted only with red light and siren as required by Vehicle Code § 21055 for exemption from compliance with the rules of the road. The following policy is established to provide officers with guidelines for driving with due regard and caution for the safety of all persons using the highway as required by Vehicle Code § 21056.

Vehicle pursuits shall only be conducted using authorized police department emergency vehicles that are equipped with and displaying emergency lighting and sirens as required by Vehicle Code § 21055. Officers are responsible for continuously driving with due regard and caution for the safety of all persons and property (Vehicle Code § 21056).

##### **307.3.1 WHEN TO INITIATE A PURSUIT**

Officers are authorized to initiate a pursuit when the officer reasonably believes that a suspect, who has been given appropriate signal to stop by a law enforcement officer, is attempting to evade arrest or detention by fleeing in a vehicle.

Factors that should be considered in deciding whether to initiate a pursuit include:

- (a) The seriousness of the known or reasonably suspected crime and its relationship to community safety.
- (b) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to officers, innocent motorists, and others.
- (c) The safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic (e.g., school zones), and the speed of the pursuit relative to these factors.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Vehicle Pursuits*

---

- (d) The pursuing officers' familiarity with the area of the pursuit, the quality of radio communications between the pursuing units and the dispatcher supervisor, and the driving capabilities of the pursuing officers under the conditions of the pursuit.
- (e) Whether weather, traffic, and road conditions unreasonably increase the danger of the pursuit when weighed against the risk of the suspect's escape.
- (f) Whether the identity of the suspect has been verified and whether there is comparatively minimal risk in allowing the suspect to be apprehended at a later time.
- (g) The performance capabilities of the vehicles used in the pursuit in relation to the speeds and other conditions of the pursuit.
- (h) Emergency lighting and siren limitations on unmarked police department vehicles that may reduce visibility of the vehicle, such as visor or dash-mounted lights, concealable or temporary emergency lighting equipment, and concealed or obstructed siren positioning.
- (i) Suspect and officer vehicle speeds.
- (j) Other persons in or on the pursued vehicle (e.g., passengers, co-offenders, hostages).
- (k) Availability of other resources such as air support or vehicle locator or deactivation technology.

#### 307.3.2 AUTHORIZED REASONS FOR INITIATING A PURSUIT

A pursuit may be initiated under the following conditions:

- (a) Known or suspected serious or violent felony suspects as defined by Penal Code §1192.7(c) and §667.5(c), respectively.  
NOTE: "Serious or violent felony" as used in this section includes: the attempt or act of murder, mayhem, serious or violent sex crimes, robbery, arson, kidnapping, carjacking, assault with a deadly weapon, first-degree burglary, major narcotics violations, and terrorist acts.  
Possession of drugs in amounts associated with personal use of a street level sale does not warrant the initiation of a vehicle pursuit. Initiating or continuing a pursuit for a drug violation shall require a detailed memorandum or police report (as appropriate) by the initiating officer or field supervisor as to why the escape of the suspect would present a great and imminent threat to public safety.
- (b) A confirmed stolen vehicle.
- (c) Misdemeanor suspects only in the following situations:
  - 1. Where the suspect has been observed by an officer or reliable witness to display a firearm in an assaultive manner reasonably contemporaneous to the initiation of the pursuit.
  - 2. Where there is reasonable suspicion to believe the suspect is driving under the influence of alcohol or drugs, or is otherwise impaired, and the suspect's driving prior to the attempted stop is so flagrantly reckless that the driving presents a clear and present danger to other users of the highway, and failure to apprehend the violator would likely pose an imminent and life threatening danger to the public.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Vehicle Pursuits*

---

3. NOTE: Examples of such flagrantly reckless driving include, but are not limited to, collisions with other vehicles or objects, forcing other vehicles to take evasive action to avoid collision, failure to stop at controlled intersections without slowing, or driving on the wrong side of the highway.

A pursuit of a fleeing suspect shall not be initiated or continued once the officer or controlling supervisor determines that the only known reason for the intended stop is:

- (a) An infraction or misdemeanor crime, except as provided above.
- (b) Any crime not classified as a serious or violent felony.
- (c) A possible grand theft vehicle.

#### 307.3.3 WHEN TO TERMINATE A PURSUIT

Pursuits should be terminated whenever the totality of objective circumstances known or which reasonably ought to be known to the officer or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect's escape.

The factors listed in this policy on when to initiate a pursuit will apply equally to the decision to terminate a pursuit. Officers and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists, themselves, and the public when electing to continue a pursuit.

In addition to the factors that govern when to initiate a pursuit, other factors should be considered in deciding whether to terminate a pursuit, including:

- (a) The distance between the pursuing vehicle and the fleeing vehicle is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time and/or distance.
- (b) The pursued vehicle's location is no longer definitely known.
- (c) The pursuing vehicle sustains damage or a mechanical failure that renders it unsafe to drive.
- (d) The pursuing vehicle's emergency lighting equipment or siren becomes partially or completely inoperable.
- (e) Hazards to uninvolved bystanders or motorists.
- (f) The danger that the continued pursuit poses to the public, the officers, or the suspect, balanced against the risk of allowing the suspect to remain at large.
- (g) The identity of the suspect is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit.
- (h) Extended pursuits of violators for misdemeanors not involving violence, risk of serious harm, or weapons (independent of the pursuit) are generally discouraged.

### *Vehicle Pursuits*

---

#### **307.3.4 SPEED LIMITS**

The speed of a pursuit is a factor that should be evaluated on a continuing basis by the officer and supervisor. Evaluation of vehicle speeds should take into consideration public safety, officer safety, and the safety of the occupants of the fleeing vehicle.

Should high vehicle speeds be reached during a pursuit, officers and supervisors should also consider these factors when determining the reasonableness of the speed of the pursuit:

- (a) Pursuit speeds have become unreasonably unsafe for the surrounding conditions.
- (b) Pursuit speeds have exceeded the driving ability of the officer.
- (c) Pursuit speeds are beyond the capabilities of the pursuit vehicle thus making its operation unsafe.

#### **307.4 PURSUIT UNITS**

When involved in a pursuit, unmarked police department emergency vehicles should be replaced by marked emergency vehicles whenever practicable.

Vehicle pursuits should be limited to three vehicles (two units and a supervisor); however, the number of units involved may vary with the circumstances.

An officer or supervisor may request additional units to join a pursuit if, after assessing the factors outlined above, it reasonably appears that the number of officers involved may be insufficient to safely arrest the suspects. All other officers should stay out of the pursuit, but should remain alert to its progress and location. Any officer who drops out of a pursuit may then, if necessary, proceed to the termination point at legal speeds, following the appropriate rules of the road.

##### **307.4.1 VEHICLES WITHOUT EMERGENCY EQUIPMENT**

Officers operating vehicles not equipped with red light and siren are prohibited from initiating or joining in any pursuit.

##### **307.4.2 PRIMARY UNIT RESPONSIBILITIES**

The initial pursuing unit will be designated as the primary pursuit unit and will be responsible for the conduct of the pursuit unless the officer is unable to remain reasonably close to the suspect's vehicle. The primary responsibility of the officer initiating the pursuit is the apprehension of the suspects without unreasonable danger to any person.

The primary unit should notify the dispatcher commencing with a request for priority radio traffic, that a vehicle pursuit has been initiated, and as soon as practicable provide information including but not limited to:

- (a) The location, direction of travel, and estimated speed of the suspect's vehicle.
- (b) The description of the suspect's vehicle including license plate number, if known.
- (c) The reason for the pursuit.
- (d) Known or suspected weapons. Threat of force, violence, injuries, hostages, or other unusual hazards.

### *Vehicle Pursuits*

---

- (e) The suspected number of occupants and identity or description.
- (f) The weather, road, and traffic conditions.
- (g) The need for any additional resources or equipment.
- (h) The identity of other law enforcement agencies involved in the pursuit.

Until relieved by a supervisor or secondary unit, the officer in the primary unit is responsible for the broadcasting of the progress of the pursuit. Unless circumstances reasonably indicate otherwise, the primary pursuing officer should, as soon as practicable, relinquish the responsibility of broadcasting the progress of the pursuit to a secondary unit or air support joining the pursuit to minimize distractions and allow the primary pursuing officer to concentrate foremost on safe pursuit tactics.

#### 307.4.3 SECONDARY UNIT RESPONSIBILITIES

The second officer in the pursuit will be designated as the secondary unit and is responsible for:

- (a) Immediately notifying the dispatcher of entry into the pursuit.
- (b) Remaining a safe distance behind the primary unit unless directed to assume the role of primary pursuit vehicle or if the primary pursuit vehicle is unable to continue the pursuit.
- (c) Broadcasting the progress, updating known or critical information, and providing changes in the pursuit, unless the situation indicates otherwise.
- (d) Identifying the need for additional resources or equipment as appropriate.
- (e) Serving as backup to the primary pursuing officer once the suspect has been stopped.

#### 307.4.4 PURSUIT DRIVING

The decision to use specific driving tactics requires the same assessment of the factors the officer considered when determining whether to initiate and/or terminate a pursuit. The following are tactics for units involved in the pursuit:

- (a) Officers, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles such that they are able to see and avoid hazards or react safely to maneuvers by the fleeing vehicle.
- (b) Because intersections can present increased risks, the following tactics should be considered:
  - 1. Available units not directly involved in the pursuit may proceed safely to controlled intersections ahead of the pursuit in an effort to warn cross traffic.
  - 2. Pursuing units should exercise due regard and caution when proceeding through controlled intersections.
- (c) As a general rule, officers should not pursue a vehicle driving left of center (wrong way) against traffic. In the event that the pursued vehicle does so, the following tactics should be considered:
  - 1. Requesting assistance from available air support.

### *Vehicle Pursuits*

---

2. Maintain visual contact with the pursued vehicle by paralleling it on the correct side of the roadway.
  3. Request other units to observe exits available to the suspects.
- (d) Notify the California Highway Patrol (CHP) and/or other law enforcement agency if it appears that the pursuit may enter its jurisdiction.
  - (e) Officers involved in a pursuit should not attempt to pass other units unless the situation indicates otherwise or they are requested to do so by the primary unit and with a clear understanding of the maneuver process between the involved units.

#### 307.4.5 PURSUIT TRAILING

In the event the initiating unit from this agency either relinquishes control of the pursuit to another unit or jurisdiction, that initiating unit may, with permission of a supervisor, trail the pursuit to the termination point in order to provide information and assistance for the arrest of the suspects and reporting the incident.

#### 307.4.6 AIR SUPPORT ASSISTANCE

When available, air support assistance should be requested. Once the air unit has established visual contact with the pursued vehicle, the unit should assume control over the pursuit. The primary and secondary ground units, or involved supervisor, will maintain operational control but should consider whether the participation of air support warrants the continued close proximity and/or involvement of ground units in the pursuit.

The air unit should coordinate the activities of resources on the ground, report progress of the pursuit and provide officers and supervisors with details of upcoming traffic congestion, road hazards, or other pertinent information to evaluate whether to continue the pursuit. If ground units are not within visual contact of the pursued vehicle and the air support unit determines that it is unsafe to continue the pursuit, the air support unit should recommend terminating the pursuit.

#### 307.4.7 UNITS NOT INVOLVED IN THE PURSUIT

There should be no paralleling of the pursuit route. Officers are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Officers should remain in their assigned area and should not become involved with the pursuit unless directed otherwise by a supervisor.

The primary and secondary units should be the only units operating under emergency conditions (red light and siren) unless other units are assigned to the pursuit.

#### 307.4.8 UNITS NOT INVOLVED IN THE PURSUIT

There should be no paralleling of the pursuit route. Officers are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Officers should remain in their assigned area and should not become involved with the pursuit unless directed otherwise by a supervisor.

The primary and secondary units should be the only units operating under emergency conditions (red light and siren) unless other units are assigned to the pursuit.

#### **307.5 SUPERVISORY CONTROL AND RESPONSIBILITIES**

Available supervisory and management control will be exercised over all vehicle pursuits involving officers from this department.

The field supervisor of the officer initiating the pursuit, or if unavailable, the nearest field supervisor will be responsible for:

- (a) Immediately notifying involved unit and the dispatcher of supervisory presence and ascertaining all reasonably available information to continuously assess the situation and risk factors associated with the pursuit.
- (b) Engaging in the pursuit, when appropriate, to provide on-scene supervision.
- (c) Exercising management and control of the pursuit even if not engaged in it.
- (d) Ensuring that no more than the required number of units are involved in the pursuit under the guidelines set forth in this policy.
- (e) Directing that the pursuit be terminated if, in the supervisor's judgment, it is unreasonable to continue the pursuit under the guidelines of this policy.
- (f) Ensuring that assistance from air support, canines, or additional resources is requested, if available and appropriate.
- (g) Ensuring that the proper radio channel is being used.
- (h) Ensuring that the Watch Commander is notified of the pursuit as soon as practicable.
- (i) Ensuring the notification and/or coordination of outside agencies if the pursuit either leaves or is likely to leave the jurisdiction of this department.
- (j) Controlling and managing Burbank Glendale Pasadena Airport Authority Police Department units when a pursuit enters another jurisdiction.
- (k) Preparing a post-pursuit review and documentation of the pursuit.
  - 1. Supervisors should initiate follow up or additional review when appropriate.

##### **307.5.1 WATCH COMMANDER RESPONSIBILITIES**

Upon becoming aware that a pursuit has been initiated, the Watch Commander should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. Once notified, the Watch Commander has the final responsibility for the coordination, control, and termination of a vehicle pursuit and shall be in overall command.

The Watch Commander shall review all pertinent reports for content and forward to the Commander.

#### **307.6 COMMUNICATIONS**

If the pursuit is confined within the City of Burbank limits, radio communications will be conducted on the Airport Police primary channel unless instructed otherwise by a supervisor or

communications dispatcher. If the pursuit leaves the jurisdiction of this department or such is imminent, involved units should, whenever available, switch radio communications to a tactical or emergency channel most accessible by participating agencies and units.

#### **307.6.1 THE COMMUNICATIONS CENTER RESPONSIBILITIES**

Upon notification or becoming aware that a pursuit has been initiated, the dispatcher is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved units and personnel.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that a field supervisor is notified of the pursuit.
- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Notify the Watch Commander as soon as practicable.
- (g) Assigning an incident number and logging all pursuit activities.

#### **307.6.2 LOSS OF PURSUED VEHICLE**

When the pursued vehicle is lost, the primary unit should broadcast pertinent information to assist other units in locating suspects. The primary unit or supervisor will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.

### **307.7 INTER-JURISDICTIONAL CONSIDERATIONS**

When a pursuit enters another agency's jurisdiction, the primary officer or supervisor, taking into consideration distance traveled, unfamiliarity with the area and other pertinent facts, should determine whether to request the other agency to assume the pursuit. Unless entry into another jurisdiction is expected to be brief, it is generally recommended that the primary officer or supervisor ensure that notification is provided to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether such jurisdiction is expected to assist.

#### **307.7.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY**

Officers will relinquish control of the pursuit when another agency has assumed the pursuit, unless the continued assistance of the Burbank Glendale Pasadena Airport Authority Police Department is requested by the agency assuming the pursuit. Upon relinquishing control of the pursuit, the involved officers may proceed, with supervisory approval, to the termination point of the pursuit to assist in the investigation. The supervisor should coordinate such assistance with the assuming agency and obtain any information that is necessary for any reports. Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to or from another agency to assume a pursuit should be specific.

#### **307.7.2 PURSUITS EXTENDING INTO THIS JURISDICTION**

The agency that initiates a pursuit is responsible for conducting the pursuit. Units from this department should not join a pursuit unless specifically requested to do so by the pursuing

# Burbank Glendale Pasadena Airport Authority Police Department

### *Vehicle Pursuits*

---

agency and with approval from a supervisor. The exception to this is when a single unit from the initiating agency is in pursuit. Under this circumstance, a supervisor may authorize units from this department to join the pursuit until sufficient units from the initiating agency join the pursuit or until additional information is provided allowing withdrawal of the pursuit.

When a request is made for this department to assist or take over a pursuit that has entered the jurisdiction of Burbank Glendale Pasadena Airport Authority Police Department, the supervisor should consider:

- (a) The public's safety within this jurisdiction.
- (b) The safety of the pursuing officers.
- (c) Whether the circumstances are serious enough to continue the pursuit.
- (d) Whether there is adequate staffing to continue the pursuit.
- (e) The ability to maintain the pursuit.

As soon as practicable, a supervisor or the Watch Commander should review a request for assistance from another agency. The Watch Commander or supervisor, after considering the above factors, may decline to assist in, or assume the other agency's pursuit.

Assistance to a pursuing allied agency by officers of this department will terminate at the Airport Authority limits provided that the pursuing officers have sufficient assistance from other sources. Ongoing participation from this department may continue only until sufficient assistance is present.

In the event that a pursuit from another agency terminates within this jurisdiction, officers should provide appropriate assistance to officers from the allied agency including but not limited to scene control, coordination and completion of supplemental reports, and any other reasonable assistance requested or needed.

#### **307.7.3 TRAFFIC COLLISIONS - OTHER JURISDICTIONS**

If a pursuing unit becomes involved in a traffic collision, the collision should be investigated by the law enforcement agency where the collision occurred.

#### **307.8 WHEN PURSUIT INTERVENTION IS AUTHORIZED**

Whenever practicable, an officer shall seek approval from a supervisor before employing any intervention to stop the pursued vehicle. In deciding whether to use intervention tactics, officers/supervisors should balance the risks of allowing the pursuit to continue with the potential hazards to the public arising from the use of each tactic, the officers, and persons in or on the pursued vehicle to determine which, if any, intervention tactic may be reasonable.

##### **307.8.1 USE OF FIREARMS**

An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others.

### *Vehicle Pursuits*

---

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle (see the Use of Force Policy).

#### 307.8.2 INTERVENTION STANDARDS

Any intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to the officers, the public, or anyone in or on the vehicle being pursued. Certain applications of intervention tactics may be construed to be a use of force, including deadly force, and subject to the policies guiding such use. Officers should consider these facts and requirements prior to deciding how, when, where, and if an intervention tactic should be employed.

- (a) Blocking should only be used after giving consideration to the following:
  - 1. The technique should only be used by officers who have received training in the technique.
  - 2. The need to immediately stop the suspect vehicle or prevent it from leaving reasonably appears to outweigh the risks of injury or death to occupants of the suspect vehicle, officers, or other members of the public.
  - 3. It reasonably appears the technique will contain or prevent the pursuit.
- (b) The PIT should only be used after giving consideration to the following:
  - 1. The technique should only be used by officers who have received training in the technique, including speed restrictions.
  - 2. Supervisory approval should be obtained before using the technique.
  - 3. The need to immediately stop the suspect vehicle reasonably appears to outweigh the risks of injury or death to occupants of the suspect vehicle, officers, or other members of the public.
  - 4. It reasonably appears the technique will terminate or prevent the pursuit.
- (c) Ramming a fleeing vehicle should only be done after giving consideration to the following:
  - 1. Supervisory approval should be obtained before using the technique.
  - 2. The need to immediately stop the suspect vehicle reasonably appears to substantially outweigh the risks of injury or death to occupants of the suspect vehicle, officers, or other members of the public.
  - 3. It reasonably appears the technique will terminate or prevent the pursuit.
  - 4. Ramming may be used only under circumstances when deadly force would be authorized.
  - 5. Ramming may be used when all other reasonable alternatives have been exhausted or reasonably appear ineffective.
- (d) Before attempting to box a suspect vehicle during a pursuit the following should be considered:
  - 1. The technique should only be used by officers who have received training in the technique.

2. Supervisory approval should be obtained before using the technique.
  3. The need to immediately stop the suspect vehicle reasonably appears to outweigh the risks of injury or death to occupants of the suspect vehicle, officers, or other members of the public.
  4. It reasonably appears the technique will terminate or prevent the pursuit.
- (e) Tire deflation devices should only be used after considering the following:
1. Tire deflation devices should only be used by officers who have received training in their use.
  2. Supervisory approval should be obtained before using tire deflation devices.
  3. The need to immediately stop the suspect vehicle reasonably appears to outweigh the risks of injury or death to occupants of the suspect vehicle, officers, or other members of the public.
  4. It reasonably appears the use will terminate or prevent the pursuit.
  5. Tire deflation devices should not be used when the pursued vehicle is a motorcycle, a vehicle transporting hazardous materials, or a school bus transporting children, except in extraordinary circumstances.
  6. Due to the increased risk to officers deploying tire deflation devices, such deployment should be communicated to all involved personnel.
- (f) Roadblocks should only be used after considering the following:
1. Roadblocks should only be used by officers who have received training in their use.
  2. Supervisory approval should be obtained before using the technique.
  3. The need to immediately stop the suspect vehicle reasonably appears to substantially outweigh the risks of injury or death to occupants of the suspect vehicle, officers, or other members of the public.
  4. It reasonably appears the technique will terminate or prevent the pursuit. Roadblocks may be used only under circumstances when deadly force would be authorized.
  5. Roadblocks may be used when all other reasonable alternatives have been exhausted or reasonably appear ineffective.

#### 307.8.3 CAPTURE OF SUSPECTS

Proper self-discipline and sound professional judgment are the keys to a successful conclusion of a pursuit and apprehension of evading suspects. Officers shall use only that amount of force, which reasonably appears necessary under the circumstances, to accomplish a legitimate law enforcement purpose.

Unless relieved by a supervisor, the primary pursuing officer should coordinate efforts to apprehend the suspects following the pursuit. Officers should consider safety of the public and the

involved officers when formulating plans for setting up perimeters or for containing and capturing the suspects.

#### **307.9 REPORTING REQUIREMENTS**

All appropriate reports should be completed to comply with applicable laws, policies, and procedures.

- (a) The primary officer should complete appropriate crime/arrest reports.
- (b) The Watch Commander shall ensure that an Allied Agency Vehicle Pursuit Report (form CHP 187A) is filed with the CHP not later than 30 days following the pursuit (Vehicle Code § 14602.1). The primary officer should complete as much of the required information on the form as is known and forward the report to the Watch Commander for review and distribution.
- (c) After first obtaining the available information, the involved, or if unavailable on-duty, field supervisor shall promptly complete a Supervisor's Log or interoffice memorandum, briefly summarizing the pursuit to the Chief of Police or the authorized designee. This log or memorandum should include, at a minimum:
  - 1. Date and time of pursuit.
  - 2. Initial reason and circumstances surrounding the pursuit.
  - 3. Length of pursuit in distance and time, including the starting and termination points.
  - 4. Involved units and officers.
  - 5. Alleged offenses.
  - 6. Whether a suspect was apprehended, as well as the means and methods used.
  - 7. Any use of force that occurred during the vehicle pursuit.
    - (a) Any use of force by a member should be documented in the appropriate report (See the Use of Force Policy).
  - 8. Any injuries and/or medical treatment.
  - 9. Any property or equipment damage.
  - 10. Name of supervisor at scene or who handled the incident.
- (d) After receiving copies of reports, logs, and other pertinent information, the Chief of Police or the authorized designee should conduct or assign the completion of a post-pursuit review.

Annually, the Chief of Police should direct a documented review and analysis of department vehicle pursuit reports to minimally include policy suitability, policy compliance, and training or equipment needs.

### *Vehicle Pursuits*

#### **307.9.1 REGULAR AND PERIODIC PURSUIT TRAINING**

The Training Sergeant shall make available to all officers initial and supplementary Police Officer Standard Training (POST) training on pursuits required by Penal Code § 13519.8, Vehicle Code § 17004.7(d), and 11 CCR 1081, and no less than annual training addressing:

- (a) This policy.
- (b) The importance of vehicle safety and protecting the public.
- (c) The need to balance the known offense and the need for immediate capture against the risks to officers and others.

#### **307.9.2 POLICY REVIEW**

Officers of this department shall certify in writing that they have received, read, and understand this policy initially, upon any amendments, and whenever training on this policy is provided. The POST attestation form, or an equivalent form, may be used to document the compliance and should be retained in the member's training file.

#### **307.10 APPLICATION OF VEHICLE PURSUIT POLICY**

This policy is expressly written and adopted pursuant to the provisions of Vehicle Code § 17004.7, with additional input from the POST Vehicle Pursuit Guidelines.

## Code-3 Operations

### 308.1 PURPOSE AND SCOPE

This policy provides for the safe and appropriate response to emergency and non-emergency situations whether dispatched or self-initiated.

### 308.2 RESPONSE TO CALLS

Officers dispatched "Code-3" shall consider the call an emergency response and proceed immediately. Officers responding Code-3 shall continuously operate emergency lighting equipment, including at minimum a steady forward facing red light, and shall sound the siren as reasonably necessary pursuant to Vehicle Code § 21055.

Responding with emergency light(s) and siren does not relieve the officer of the duty to continue to drive with due regard for the safety of all persons. The use of any other warning equipment without a red light and siren does not provide any exemption from the Vehicle Code.

Officers should only respond Code-3 when so dispatched or when circumstances reasonably indicate an emergency response is required. Officers not authorized to respond Code-3 shall observe all traffic laws and proceed without the use of emergency lights and siren.

### 308.3 REQUESTING EMERGENCY ASSISTANCE

Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an immediate threat to the safety of officers, or assistance is needed to prevent imminent serious harm to a citizen. In any event, where a situation has stabilized and emergency response is not required, the requesting officer shall immediately notify the Communications Center.

If circumstances permit, the requesting officer should give the following information:

- The unit number
- The location
- The reason for the request and type of emergency
- The number of units required
- Where a situation has stabilized and an emergency response is no longer required, the requesting officer shall immediately notify the Communications Center that the situation is stable or resolved (Code 4). Communications staff shall repeat the Code 4 condition and broadcast the termination of any further Code 3 responses.

#### 308.3.1 NUMBER OF UNITS ASSIGNED

Normally, only one unit should respond to an emergency call Code-3 unless the Watch Commander or the field supervisor authorizes an additional unit(s).

### *Code-3 Operations*

---

#### **308.4 INITIATING CODE 3 RESPONSE**

If an officer believes a Code-3 response to any call is appropriate, the officer shall immediately notify the Communications Center. Generally, only one unit should respond Code-3 to any situation. Should another officer believe a Code-3 response is appropriate, the Communications Center shall be notified and the Watch Commander or field supervisor will make a determination as to whether one or more officers driving Code-3 is appropriate.

#### **308.5 RESPONSIBILITIES OF RESPONDING OFFICERS**

Officers shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. Officers shall reduce speed at all street intersections to such a degree that they shall have complete control of the vehicle.

The decision to continue a Code-3 response is at the discretion of the officer. If, in the officer's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of red lights and siren at the legal speed limit. In such an event, the officer should immediately notify the Communications Center. An officer shall also discontinue the Code-3 response when directed by a supervisor.

Upon receiving authorization or determining a Code-3 response is appropriate, an officer shall immediately give the location from which he/she is responding.

#### **308.6 COMMUNICATIONS RESPONSIBILITIES**

A dispatcher shall assign a Code-3 response when an officer requests emergency assistance or available information reasonably indicates that the public is threatened with serious injury or death and immediate police response is needed. In all other circumstances, the dispatcher shall obtain authorization from the Watch Commander or a field supervisor prior to assigning units Code-3 . The dispatcher shall:

- (a) Attempt to assign the closest available unit to the location requiring assistance
- (b) Immediately notify the Watch Commander
- (c) Confirm the location from which the unit is responding
- (d) Notify and coordinate allied emergency services (e.g., fire and ambulance)
- (e) Continue to obtain and broadcast information as necessary concerning the response and monitor the situation until it is stabilized or terminated
- (f) Control all radio communications during the emergency and coordinate assistance under the direction of the Watch Commander or field supervisor

#### **308.7 SUPERVISORY RESPONSIBILITIES**

Upon being notified that a Code-3 response has been initiated, the Watch Commander or the field supervisor shall verify the following:

- (a) The proper response has been initiated

### *Code-3 Operations*

---

- (b) No more than those units reasonably necessary under the circumstances are involved in the response
- (c) Affected outside jurisdictions are being notified as practical

The field supervisor shall monitor the response until it has been stabilized or terminated and assert control by directing units into or out of the response if necessary. If, in the supervisor's judgment, the circumstances require additional units to be assigned a Code-3 response, the supervisor may do so.

It is the supervisor's responsibility to terminate a Code-3 response that, in his/her judgment is inappropriate due to the circumstances.

When making the decision to authorize a Code-3 response, the Watch Commander or the field supervisor should consider the following:

- The type of call
- The necessity of a timely response
- Traffic and roadway conditions
- The location of the responding units

#### **308.8 FAILURE OF EMERGENCY EQUIPMENT**

If the emergency equipment on the vehicle should fail to operate, the officer must terminate the Code-3 response and respond accordingly. In all cases, the officer shall notify the Watch Commander, field supervisor, or the Communications Center of the equipment failure so that another unit may be assigned to the emergency response.

# Domestic Violence

## 309.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The policy specifically addresses the commitment of this department to take enforcement action when appropriate, to provide assistance to victims and to guide officers in the investigation of domestic violence.

### 309.1.1 DEFINITIONS

Definitions related to this policy include:

**Abuse** - Intentionally or recklessly causing or attempting to cause bodily injury, or placing another person in reasonable apprehension of imminent serious bodily injury to self or another.

**Cohabitant** - Two unrelated adult persons living together for a substantial period of time, resulting in some permanency of relationship. Factors that may determine whether persons are cohabitating include, but are not limited to:

- (a) Sexual relations between the parties while sharing the same living quarters;
- (b) Sharing of income or expenses;
- (c) Joint use or ownership of property;
- (d) Whether the parties hold themselves out as husband and wife;
- (e) The continuity of the relationship; and
- (f) The length of the relationship.

**Court order** - All forms of orders related to domestic violence, that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.

**Domestic violence** - Abuse committed against an adult or a minor who is a spouse, former spouse, cohabitant, former cohabitant, or person with whom the suspect had a child or is having or has had a dating or engagement relationship.

## 309.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department's response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic violence is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

## 309.3 OFFICER SAFETY

The investigation of domestic violence cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede

### *Domestic Violence*

---

the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

#### **309.4 INVESTIGATIONS**

The following guidelines should be followed by officers when investigating domestic violence cases:

- (a) Calls of reported, threatened, imminent or ongoing domestic violence and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, officers should obtain and document statements from the victim, the suspect and any witnesses, including children, in or around the location of occurrence.
- (c) Officers should list the full name and date of birth (and school if available) of each child who was present in the location at the time of the offense. The names of other children who may not have been in the location at that particular time should also be obtained for follow-up.
- (d) When practicable and legally permitted, video or audio record all significant statements and observations.
- (e) All injuries (or areas of claimed injuries) should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Burbank Police Department Investigation Division in the event that the injuries later become visible.
- (f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement and make an arrest or seek an arrest warrant if appropriate.
- (h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence. If the domestic violence involved threats of bodily harm, any firearm discovered in plain view or pursuant to consent or other lawful search must be taken into temporary custody (Penal Code § 18250).
- (i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.
- (j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
  - 1. Marital status of suspect and victim.

### *Domestic Violence*

---

2. Whether the suspect lives on the premises with the victim.
3. Claims by the suspect that the victim provoked or perpetuated the violence.
4. The potential financial or child custody consequences of arrest.
5. The physical or emotional state of either party.
6. Use of drugs or alcohol by either party.
7. Denial that the abuse occurred where evidence indicates otherwise.
8. A request by the victim not to arrest the suspect.
9. Location of the incident (public/private).
10. Speculation that the complainant may not follow through with the prosecution.
11. The racial, cultural, social, professional position or sexual orientation of the victim or suspect.

#### **309.4.1 IF A SUSPECT IS ARRESTED**

If a suspect is arrested, officers should:

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.
- (b) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail.
- (c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

#### **309.4.2 IF NO ARREST IS MADE**

If no arrest is made, the officer should:

- (a) Advise the parties of any options, including but not limited to:
  1. Voluntary separation of the parties.
  2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).
- (b) Document the resolution in a report.

#### **309.5 VICTIM ASSISTANCE**

Because victims may be traumatized or confused, officers should be aware that a victim's behavior and actions may be affected:

- (a) Victims should be provided with the department's domestic violence information handout, even if the incident may not rise to the level of a crime.
- (b) Victims should also be alerted to any available victim advocates, shelters, and community resources.
- (c) When an involved person requests law enforcement assistance while removing essential items of personal property, officers should stand by for a reasonable amount of time.

### *Domestic Violence*

---

- (d) If the victim has sustained injury or complaints of pain, officers should seek medical assistance as soon as practicable.
- (e) Officers should ask the victim whether the victim has a safe place to stay and assist in arranging transportation to an alternate shelter if the victim expresses a concern for the victim's safety or if the officer determines that a need exists.
- (f) Officers should make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (g) If appropriate, officers should seek or assist the victim in obtaining an emergency order if appropriate.

An officer shall advise an individual protected by a Canadian domestic violence protection order of available local victim services (Family Code § 6452).

#### **309.6 DISPATCH ASSISTANCE**

All calls of domestic violence, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.

Dispatchers are not required to verify the validity of a court order before responding to a request for assistance. Officers should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

#### **309.7 FOREIGN COURT ORDERS**

Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe, or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court or foreign order shall be enforced, regardless of whether the order has been properly registered with this state (Family Code § 6403).

Canadian domestic violence protection orders shall also be enforced in the same manner as if issued in this state (Family Code § 6452).

#### **309.8 VERIFICATION OF COURT ORDERS**

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
  - 1. If a determination is made that a valid foreign order cannot be enforced because the subject has not been notified or served the order, the officer shall inform the subject of the order, make a reasonable effort to serve the order upon the subject, and allow the subject a reasonable opportunity to comply with the order

before enforcing the order. Verbal notice of the terms of the order is sufficient notice (Family Code § 6403).

- (b) Check available records or databases that may show the status or conditions of the order.
  - 1. Registration or filing of an order in California is not required for the enforcement of a valid foreign order (Family Code § 6403).
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

#### **309.8.1 POLICE EMPLOYEE DOMESTIC VIOLENCE PROCEDURES**

Domestic violence is a universal problem that affects people from all walks of life. Police officers are not immune. No person, because of his or her occupation, should be exempt from the application of laws concerning domestic violence. This department takes a zero-tolerance position regarding incidents of domestic violence. Any person who becomes aware of alleged domestic violence involving another department employee shall immediately notify the on-duty Watch Commander.

In situations involving off-duty personnel, where the incident takes place inside within this department's jurisdiction, the department shall comply with all the procedures as previously outlined in this domestic violence section.

All cases involving outside agencies shall be handled in the same manner as all other domestic violence cases, except that a supervisor shall respond.

#### **309.9 STANDARDS FOR ARRESTS**

Officers investigating a domestic violence report should consider the following:

- (a) An arrest should be made when there is probable cause to believe that a felony or misdemeanor domestic violence offense has been committed (Penal Code § 13701). Any decision to not arrest an adult when there is probable cause to do so requires supervisor approval.
  - 1. Officers are only authorized to make an arrest without a warrant for a misdemeanor domestic violence offense if the officer makes the arrest as soon as probable cause arises (Penal Code § 836).
- (b) An officer responding to a domestic violence call who cannot make an arrest will advise the victim of the victim's right to make a private person's arrest. The advisement should be made out of the presence of the suspect and shall include advising the victim how to safely execute the arrest. Officers shall not dissuade victims from making a lawful private person's arrest. Officers should refer to the provisions in the Private Persons

Arrests Policy for options regarding the disposition of private person's arrests (Penal Code § 836(b)).

- (c) Officers shall not cite and release a person for the following offenses (Penal Code § 853.6(a)(3)):
  - 1. Penal Code § 243(e)(1) (battery against spouse, cohabitant)
  - 2. Penal Code § 273.5 (corporal injury on spouse, cohabitant, fiancé/fiancée, person of a previous dating or engagement relationship, mother/father of the offender's child)
  - 3. Penal Code § 273.6 (violation of protective order) if violence or threats of violence have occurred or the suspect has gone to the workplace or residence of the protected party
  - 4. Penal Code § 646.9 (stalking)
  - 5. Other serious or violent felonies specified in Penal Code § 1270.1
- (d) In responding to domestic violence incidents, including mutual protective order violations, officers should generally be reluctant to make dual arrests. Officers shall make reasonable efforts to identify the dominant aggressor in any incident. The dominant aggressor is the person who has been determined to be the most significant, rather than the first, aggressor (Penal Code § 13701). In identifying the dominant aggressor, an officer shall consider:
  - 1. The intent of the law to protect victims of domestic violence from continuing abuse.
  - 2. The threats creating fear of physical injury.
  - 3. The history of domestic violence between the persons involved.
  - 4. Whether either person acted in self-defense.
- (e) An arrest shall be made when there is probable cause to believe that a violation of a domestic violence court order has been committed (Penal Code § 13701; Penal Code § 836), regardless of whether the offense was committed in the officer's presence. After arrest, the officer shall confirm that a copy of the order has been registered, unless the victim provides a copy (Penal Code § 836).

### **309.10 REPORTS AND RECORDS**

- (a) A written report shall be completed on all incidents of domestic violence. All such reports should be documented on the appropriate form, which includes information and notations specific to domestic violence incidents as required by Penal Code § 13730.
- (b) Reporting officers should provide the victim with the case number of the report. The case number may be placed in the space provided on the domestic violence victim information handout provided to the victim. If the case number is not immediately available, an explanation should be given regarding how the victim can obtain the information at a later time.

### *Domestic Violence*

---

- (c) Officers who seize any firearm, ammunition, or other deadly weapon in a domestic violence incident shall issue the individual possessing such weapon a receipt that includes the name and residential mailing address of the owner or person who possessed the weapon and notice of where the weapon may be recovered, along with the applicable time limit for recovery (Penal Code § 18250; Penal Code § 18255; Penal Code § 33800; Family Code § 6389(c)).

#### **309.11 RECORD-KEEPING AND DATA COLLECTION**

This department shall maintain records of court orders related to domestic violence and the service status of each (Penal Code § 13710), as well as records on the number of domestic violence related calls reported to the Department, including whether weapons were used in the incident or whether the incident involved strangulation or suffocation (Penal Code § 13730). This information is to be reported to the Attorney General monthly. It shall be the responsibility of the Administrative Commander to maintain and report this information as required.

#### **309.12 SERVICE OF COURT ORDERS**

- (a) An officer who obtains an emergency protective order from the court shall serve it on the restrained person if the person can be reasonably located and shall provide the person protected or the person's parent/guardian with a copy of the order. The officer shall file a copy with the court as soon as practicable and shall have the order entered into the computer database system for protective and restraining orders maintained by the Department of Justice (Family Code § 6271; Penal Code § 646.91).
- (b) A temporary restraining order, emergency protective order, or an order issued after a hearing shall, at the request of the petitioner, be served on the restrained person by an officer who is present at the scene of a reported domestic violence incident or when the officer receives a request from the petitioner to provide service of the order (Family Code § 6383; Penal Code § 13710).
- (c) Any officer serving a protective order that indicates that the respondent possesses weapons or ammunition shall request that the firearm/ammunition be immediately surrendered (Family Code § 6389(c)).
- (d) During the service of a protective order any firearm discovered in plain view or pursuant to consent or other lawful search shall be taken into temporary custody (Penal Code § 18250).
  - 1. An officer should ensure that the XXXXXRecordsBureauXXXXX is notified of any firearm obtained for entry into the Automated Firearms System (Family Code § 6383) (see the XXXXXRecordsBureauXXXXX Policy for additional guidance).
- (e) If a valid Canadian order cannot be enforced because the person subject to the order has not been notified or served with the order, the officer shall notify the protected individual that reasonable efforts shall be made to contact the person subject to the order. The officer shall make a reasonable effort to inform the person subject to the order of the existence and terms of the order and provide the person with a record of the order, if available, and shall allow the person a reasonable opportunity to comply with the order before taking enforcement action (Family Code § 6452).

#### **309.13 PUBLIC ACCESS TO POLICY**

A copy of this domestic violence policy will be provided to members of the public upon request (Penal Code § 13701).

#### **309.14 DECLARATION IN SUPPORT OF BAIL INCREASE**

Any officer who makes a warrantless arrest for a felony or misdemeanor violation of a domestic violence restraining order shall evaluate the totality of the circumstances to determine whether reasonable cause exists to seek an increased bail amount. If there is reasonable cause to believe that the scheduled bail amount is insufficient to assure the arrestee's appearance or to protect the victim or family member of a victim, the officer shall prepare a declaration in support of increased bail (Penal Code § 1269c).

#### **309.15 DOMESTIC VIOLENCE DEATH REVIEW TEAM**

This department should cooperate with any interagency domestic violence death review team investigation. Written and oral information relating to a domestic violence death that would otherwise be subject to release restrictions may be disclosed to the domestic violence death review team upon written request and approval of a supervisor (Penal Code § 11163.3).

# Search and Seizure

## 310.1 PURPOSE AND SCOPE

Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Burbank Glendale Pasadena Airport Authority Police Department personnel to consider when dealing with search and seizure issues.

## 310.2 POLICY

It is the policy of the Burbank Glendale Pasadena Airport Authority Police Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

## 310.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful (custodial) arrest
- Legitimate community caretaking interests
- Officer safety and custody searches (pat-down search; custody searches, including strip searches)
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

### *Search and Seizure*

---

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

#### **310.4 SEIZURES**

Only items that are criminally possessed or that may tend to prove commission of a crime are subject to seizure. The four categories of property that may be seized include:

- (a) Contraband - Certain designated objects that are illegal to possess
- (b) Evidence - Objects that establish some link in the chain of proof that a crime occurred or that a particular person was involved in criminal activity.
- (c) Fruits of the crime - Property that is directly or indirectly obtained through the commission of a crime
- (d) Instrumentalities of the crime - Devices or implements used to facilitate the commission of a crime.

#### **310.5 SEARCH PROTOCOL**

Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, the following guidelines should be followed:
  - 1. Another officer or a supervisor should witness the search.
  - 2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

#### **310.6 CONSENT**

A search that is not justified by other exceptions may be justified by obtaining consent. For example, entry into a location for the purpose of conducting a search for any item reasonably believed relevant to any investigation is permitted once consent has been obtained. A search by consent is only valid, however, if the following criteria are met:

- (a) Voluntary (i.e., clear, specific, and unequivocal).

### *Search and Seizure*

---

- (b) Obtained from a person with authority to give the consent.
- (c) Does not exceed the scope of the consent given.

When seeking consent, officers should, whenever possible, audio record the party giving consent to search and document the consent in related reports.

Officers should use the department's Consent to Search form to obtain written consent to search any structure, such as, a business or residence. Officers should ensure that the person with authority reads and understands the form and receives a copy. If the Consent to Search form is not used for investigative reasons, officers should audio record the party giving consent to search and shall document the consent in related reports.

Consent must be obtained as the product of a free will. It cannot be obtained through submission to authority, expressed or implied.

A person with authority to consent to a search should be present or otherwise in a position to communicate a withdrawal of consent should they so desire. If the person giving consent is in custody, that person does not need to be present as absence of the person giving consent does not invalidate a consent search. Officers shall never deliberately remove a person for the purpose of preventing a revocation of consent, however. Absent other legal justification, any related search should be discontinued at any point that consent is revoked.

Officers of this department are encouraged to obtain consent as an alternative, independent justification for a search that is believed to be justified by another exception (e.g., probable cause or warrant).

#### **310.7 DOCUMENTATION**

Officers are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)

# Temporary Custody of Juveniles

## 311.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Burbank Glendale Pasadena Airport Authority Police Department (34 USC § 11133).

Guidance regarding contacting juveniles at schools or who may be victims is provided in the Child Abuse Policy.

### 311.1.1 DEFINITIONS

Definitions related to this policy include:

**Juvenile non-offender** - An abused, neglected, dependent, or alien juvenile who may be legally held for the juvenile's own safety or welfare. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for the juvenile's protection or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person. Juveniles 11 years of age or younger are considered juvenile non-offenders even if they have committed an offense that would subject an adult to arrest.

**Juvenile offender** - A juvenile 12 to 17 years of age who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense) (Welfare and Institutions Code § 602). It also includes an offense under Penal Code § 29610 for underage possession of a handgun or concealable firearm (28 CFR 31.303).

**Non-secure custody** - When a juvenile is held in the presence of an officer or other custody employee at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation (Welfare and Institutions Code § 207.1; 15 CCR 1150).

**Safety checks** - Direct, visual observation personally by a member of this department performed at random intervals within time frames prescribed in this policy to provide for the health and welfare of juveniles in temporary custody.

**Secure custody** - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Secure custody also includes being physically secured to a stationary object (15 CCR 1146).

Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile handcuffed to a rail.

- (c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.
- (d) A juvenile being processed in a secure booking area when a non-secure booking area is available.
- (e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.
- (f) A juvenile placed in a cell within the adult temporary holding area, whether or not the cell door is locked.
- (g) A juvenile placed in a room that is capable of being locked or contains a fixed object designed for cuffing or restricting movement.

**Sight and sound separation** - Located or arranged to prevent physical, visual, or auditory contact that is more than brief or inadvertent.

**Status offender** - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession of tobacco, curfew violation, and truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender. This includes the habitually disobedient or truant juvenile under Welfare and Institutions Code § 601 and any juvenile suspected of an offense that would not subject an adult to arrest (e.g., fine-only offense).

### **311.2 POLICY**

The Burbank Glendale Pasadena Airport Authority Police Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Burbank Glendale Pasadena Airport Authority Police Department. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer, or release.

### **311.3 JUVENILES WHO SHOULD NOT BE HELD**

Juveniles who exhibit any of the following conditions should not be held at the Burbank Glendale Pasadena Airport Authority Police Department:

- (a) Unconscious
- (b) Seriously injured
- (c) A known suicide risk or obviously severely emotionally disturbed
- (d) Significantly intoxicated except when approved by the Watch Commander. A medical clearance shall be obtained for minors who are under the influence of drugs, alcohol, or any other intoxicating substance to the extent that they are unable to care for themselves (15 CCR 1151).
- (e) Extremely violent or continuously violent

Officers taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation (15 CCR 1142; 15 CCR 1151).

### *Temporary Custody of Juveniles*

---

These juveniles should not be held at the Burbank Glendale Pasadena Airport Authority Police Department unless they have been evaluated by a qualified medical and/or mental health professional (15 CCR 1142).

If the officer taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release, or a transfer is completed (15 CCR 1142).

#### **311.3.1 EMERGENCY MEDICAL CARE OF JUVENILES IN CUSTODY**

When emergency medical attention is required for a juvenile, medical assistance will be called immediately. The Watch Commander shall be notified of the need for medical attention for the juvenile. Department members should administer first aid as applicable (15 CCR 1142).

#### **311.3.2 SUICIDE PREVENTION OF JUVENILES IN CUSTODY**

Department members should be alert to potential symptoms based upon exhibited behavior that may indicate the juvenile is a suicide risk. These symptoms may include depression, refusal to communicate, verbally threatening to kill themselves, or any unusual behavior which may indicate the juvenile may harm themselves while in either secure or non-secure custody (15 CCR 1142).

#### **311.4 CUSTODY OF JUVENILES**

Officers should take custody of a juvenile and temporarily hold the juvenile at the Burbank Glendale Pasadena Airport Authority Police Department when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the Burbank Glendale Pasadena Airport Authority Police Department without authorization of the arresting officer's supervisor or the Watch Commander. Juveniles taken into custody shall be held in non-secure custody unless otherwise authorized by this policy. Once the detained juvenile has been placed in non-secure custody, the handling officer shall complete the Juvenile Detention Log located in the detention area.

Any juvenile taken into custody shall be released to the care of the juvenile's parent or other responsible adult or transferred to a juvenile custody facility or to other authority as soon as practicable and in no event shall a juvenile be held beyond six hours from the time of the juvenile's entry into the Burbank Glendale Pasadena Airport Authority Police Department (34 USC § 11133; Welfare and Institutions Code § 207.1).

#### **311.4.1 CUSTODY OF JUVENILE NON-OFFENDERS**

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Burbank Glendale Pasadena Airport Authority Police Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders shall not be held in secure custody (34 USC § 11133; Welfare and Institutions Code § 206).

## BGPAAPD Policy Manual

### *Temporary Custody of Juveniles*

---

Juveniles 11 years of age or younger who have committed an offense that would subject an adult to arrest may be held in non-secure custody for the offenses listed in Welfare and Institutions Code § 602(b) (murder and the sexual assault offenses) and should be referred to a probation officer for a placement determination (Welfare and Institutions Code § 602.1).

#### 311.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS

Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However, officers may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders shall not be held in secure custody (34 USC § 11133).

#### 311.4.3 CUSTODY OF JUVENILE OFFENDERS

Juvenile offenders should be held in non-secure custody while at the Burbank Glendale Pasadena Airport Authority Police Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally, a juvenile offender may be taken into custody when authorized by a court order or when there is probable cause to believe the juvenile has committed an offense that would subject an adult to arrest (Welfare and Institutions Code § 625).

A juvenile offender who is 14 years of age or older and taken into custody for committing or attempting to commit a felony with a firearm shall not be released and be transported to a juvenile facility (Welfare and Institutions Code § 625.3).

A juvenile offender suspected of committing murder, a sex offense described in Welfare and Institutions Code § 602(b) that may subject the juvenile to criminal jurisdiction under Welfare and Institutions Code § 707, or a serious or violent felony should be referred to a probation officer for a decision on further detention.

In all other cases the juvenile offender may be:

- (a) Released upon warning or citation.
- (b) Released to a parent or other responsible adult after processing at the Department.
- (c) Referred to a probation officer for a decision regarding whether to transport the juvenile offender to a juvenile facility.
- (d) Transported to the juvenile offender's home or to the place where the juvenile offender was taken into custody (Welfare and Institutions Code § 207.2).

In determining which disposition is appropriate, the investigating officer or supervisor shall prefer the alternative that least restricts the juvenile's freedom of movement, provided that alternative is compatible with the best interests of the juvenile and the community (Welfare and Institutions Code § 626).

### *Temporary Custody of Juveniles*

---

Whenever a juvenile offender under the age of 14 is taken into custody, the officer should take reasonable steps to verify and document the child's ability to differentiate between right and wrong, particularly in relation to the alleged offense (Penal Code § 26).

#### **311.5 ADVISEMENTS**

Officers shall take immediate steps to notify the juvenile's parent, guardian, or a responsible relative that the juvenile is in custody, the location where the juvenile is being held, and the intended disposition (Welfare and Institutions Code § 627).

Whenever a juvenile is taken into temporary custody, the juvenile shall be given the *Miranda* rights advisement regardless of whether questioning is intended. This does not apply to juvenile non-offenders taken into temporary custody for their safety or welfare (Welfare and Institutions Code § 625).

Anytime a juvenile offender is placed in secure custody, the juvenile offender shall be informed of the purpose of the secure custody, the length of time the secure custody is expected to last, and of the maximum six-hour limitation (Welfare and Institutions Code § 207.1).

Juveniles taken into custody for an offense shall immediately be advised (or at least within one hour from being taken into custody, if possible) that they may make three telephone calls: one call completed to their parent or guardian; one to a responsible relative or their employer; and another call completed to an attorney. The calls shall be at no expense to the juvenile when completed to telephone numbers within the local calling area. Juveniles should be asked whether they are a caregiver and provided two more phone calls in the same manner as provided to adults in the Temporary Custody of Adults Policy (Welfare and Institutions Code § 627; Penal Code § 851.5).

#### **311.6 JUVENILE CUSTODY LOGS**

Any time a juvenile is held in custody at the Department, the custody shall be promptly and properly documented in the juvenile custody log, including:

- (a) Identifying information about the juvenile.
- (b) Date and time of arrival and release from the Burbank Glendale Pasadena Airport Authority Police Department (15 CCR 1150).

- (f) Time of all safety checks.
- (g) Any medical and other screening requested and completed (15 CCR 1142).

There should also be sight and sound separation between non-offenders and juvenile and status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the Burbank Glendale Pasadena Airport Authority Police Department (trained in the supervision of persons in custody) shall maintain a constant, immediate, side-by-side presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact (15 CCR 1144).

This will enable the Watch Commander to ensure no juvenile is held at the Burbank Glendale Pasadena Airport Authority Police Department more than six hours.

The consultation may not be waived by the juvenile (Welfare and Institutions Code § 625.6).

Threats, physical harm, deception, or psychologically manipulative interrogation tactics shall not be used by an officer during a custodial interrogation of a juvenile (Welfare and Institutions Code § 625.7).

This recording is not mandatory when (Penal Code § 859.5):

- (a) Recording is not feasible because of exigent circumstances that are later documented in a report.

For all other acts defined as crimes, juveniles may be booked, fingerprinted, or photographed upon the approval from the Watch Commander, giving due consideration to the following:

- (a) The gravity of the offense
- (b) The past record of the offender
- (c) The age of the offender

#### **311.15 RELEASE OF INFORMATION CONCERNING JUVENILES**

Court decisions and legislation have combined to carefully specify situations in which information may be given out or exchanged when a case involves a juvenile. Members of this department shall not divulge any information regarding juveniles unless they are certain of the legal authority to do so.

# Discriminatory Harassment

## 313.1 PURPOSE AND SCOPE

The purpose of this policy is to prevent department members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

## 313.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation (Government Code § 12940(k); 2 CCR 11023). The Department will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The nondiscrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

## 313.3 DEFINITIONS

Definitions related to this policy include:

### 313.3.1 DISCRIMINATION

The Department prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment can include making derogatory comments; making crude and offensive statements or remarks; making slurs or off-color jokes, stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters, or material; making inappropriate physical contact; or using written material or department equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to department policy and to a work environment that is free of discrimination.

#### 313.3.2 RETALIATION

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because the person has engaged in protected activity, filed a charge of discrimination, participated in an investigation, or opposed a discriminatory practice. Retaliation will not be tolerated.

#### 313.3.3 SEXUAL HARASSMENT

The Department prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly a term or condition of employment, position, or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

#### 313.3.4 ADDITIONAL CONSIDERATIONS

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles, or standards, including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission (EEOC) and the California Civil Rights Council guidelines.
- (b) Bona fide requests or demands by a supervisor that the member improve the member's work quality or output, that the member report to the job site on time, that the member comply with Airport Authority or department rules or regulations, or any other appropriate work-related communication between supervisor and member.

#### 313.4 RESPONSIBILITIES

This policy applies to all department personnel. All members shall follow the intent of these guidelines in a manner that reflects department policy, professional standards, and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to the member's immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief of Police, a Commander, or the Executive Director.

Any member who believes, in good faith, that the member has been discriminated against, harassed, or subjected to retaliation, or who has observed harassment, discrimination, or

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with resolution as stated below.

#### **313.4.1 QUESTIONS OR CLARIFICATION**

Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Chief of Police, the Administrative Division Commander, the Executive Director, or the California Civil Rights Department for further information, direction, or clarification (Government Code § 12950).

#### **313.4.2 SUPERVISOR RESPONSIBILITIES**

The responsibilities of each supervisor and manager shall include, but are not limited to:

- (a) Continually monitoring the work environment and striving to ensure that it is free from all types of unlawful discrimination, including harassment or retaliation.
- (b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment or retaliation.

#### **313.4.3 SUPERVISOR'S ROLE**

Supervisors and managers shall be aware of the following:

- (a) Behavior of supervisors and managers should represent the values of the Department and professional standards.
- (b) False or mistaken accusations of discrimination, harassment, or retaliation can have negative effects on the careers of innocent members.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members, or issuing discipline, in a manner that is consistent with established procedures.

### **313.5 INVESTIGATION OF COMPLAINTS**

Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved member should take prompt and reasonable steps to mitigate or eliminate

any continuing abusive or hostile work environment. It is the policy of the Department that all complaints of discrimination, retaliation, or harassment shall be fully documented and promptly and thoroughly investigated.

#### **313.5.1 SUPERVISORY RESOLUTION**

Employees who believe they are experiencing discrimination, harassment or retaliation should be encouraged to inform the individual that the behavior is unwelcome, offensive, unprofessional or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing the member's concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

#### **313.5.2 FORMAL INVESTIGATION**

If the complaint cannot be satisfactorily resolved through the supervisory resolution process, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in an investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include but is not limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed, or retaliated against because of their protected status, are encouraged to follow the chain of command but may also file a complaint directly with the Chief of Police, the Administrative Division Commander, or the Executive Director.

#### **313.5.3 ALTERNATIVE COMPLAINT PROCESS**

No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Department. Members who believe that they have been harassed, discriminated against, or retaliated against are entitled to bring complaints of employment discrimination to federal, state, and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

#### **313.6 DOCUMENTATION OF COMPLAINTS**

All complaints or allegations shall be thoroughly documented on forms and in a manner designated by the Chief of Police. The outcome of all reports shall be:

- (a) Approved by the Chief of Police, the Executive Director, or the Administrative Division Commander, depending on the ranks of the involved parties.

# Child Abuse

## 314.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation of suspected child abuse. This policy also addresses when Burbank Glendale Pasadena Airport Authority Police Department members are required to notify the county Child Protective Services (CPS) of suspected child abuse.

### 314.1.1 DEFINITIONS

Definitions related to this policy include:

**Child** - Unless otherwise specified by a cited statute, a child is any person under the age of 18 years.

**Child abuse** - Any offense or attempted offense involving violence or neglect with a child victim when committed by a person responsible for the child's care or any other act that would mandate notification to a social service agency or law enforcement (Penal Code § 11165.9; Penal Code § 11166).

## 314.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department will investigate all reported incidents of alleged criminal child abuse occurring on Burbank Glendale Pasadena Airport Authority property and ensure CPS is notified as required by law. If the alleged criminal child abuse occurred in a jurisdiction other than the Burbank Glendale Pasadena Airport Authority, the Burbank Glendale Pasadena Airport Authority Police Department shall ensure the proper jurisdiction is notified and an investigation is conducted.

## 314.3 MANDATORY NOTIFICATION

The child protection agency shall be notified when (Penal Code § 11166):

- (a) There is a known or suspected instance of child abuse or neglect reported, which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or
- (b) A person responsible for the child's welfare fails to adequately protect the child from abuse when the person knew or reasonably should have known that the child was in danger of abuse.

The District Attorney's office shall be notified in all instances of known or suspected child abuse or neglect reported to this department. Notification of the District Attorney is not required for reports only involving neglect by a person, who has the care or custody of a child, to provide adequate food, clothing, shelter, medical care, or supervision where no physical injury to the child has occurred (Penal Code § 11166).

When the abuse or neglect occurs at a licensed facility or is alleged to have resulted from the actions of a person who is required to have a state license (e.g., foster homes, group homes, day care), notification shall also be made to the California Department of Social Services or other

applicable licensing authority. When the alleged abuse or neglect involves a child of a minor parent or a dependent adult, notification shall also be made to the attorney of the minor or the dependent adult within 36 hours (Penal Code 11166.1; Penal Code 11166.2).

For purposes of notification, the abuse or neglect includes physical injury or death inflicted by other than accidental means upon a child by another person; sexual abuse (Penal Code § 11165.1); neglect (Penal Code § 11165.2); the willful harming or injuring of a child or the endangering of the person or health of a child (Penal Code § 11165.3); and unlawful corporal punishment or injury (Penal Code § 11165.4). Child abuse or neglect does not include a mutual affray between minors, nor does it include an injury caused by the reasonable and necessary force used by a peace officer acting within the course and scope of the peace officer's employment as a peace officer.

#### **314.3.1 NOTIFICATION PROCEDURE**

Notification to DCFS should occur as follows (Penal Code § 11166):

- (b) A written follow-up report should be forwarded within 36 hours of receiving the information concerning the incident.

Qualified investigators should be available for child abuse investigations. These investigators should:

- (a) Conduct interviews in child appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to child abuse investigations.
- (c) Present all cases of alleged child abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and school administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the child and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable (Welfare and Institutions Code § 18961.7).

#### **314.5 INVESTIGATIONS AND REPORTING**

In all reported or suspected cases of child abuse, a report will be written. Officers shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected child abuse victim was contacted.

- (d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.

- (i) Previous addresses of the victim and suspect.
- (j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

#### 314.5.1 EXTRA JURISDICTIONAL REPORTS

If a report of known or suspected child abuse or neglect that is alleged to have occurred outside this jurisdiction is received, department members shall ensure that the caller is immediately transferred to the agency with proper jurisdiction for the investigation of the case. If the caller cannot be successfully transferred to the appropriate agency, a report shall be taken and immediately referred by telephone, fax, or electronic transfer to the agency with proper jurisdiction (Penal Code § 11165.9).

- (a) Name and telephone number
- (b) Information and the source of information that gives rise to the knowledge or reasonable suspicion of child abuse or neglect

If the reporter refuses to provide their name and telephone number, the member should make a reasonable effort to determine the basis for the refusal and inform them that their information will remain confidential.

#### **314.6 PROTECTIVE CUSTODY**

Before taking any child into protective custody, the officer should make reasonable attempts to contact CPS. Generally, removal of a child from the child's family, guardian, or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a child from the child's parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the officer should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the officer shall ensure that the child is delivered to CPS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations when a court order cannot reasonably be obtained in a timely manner (Welfare and Institutions Code § 305):

- (a) The officer reasonably believes the child is a person described in Welfare and Institutions Code § 300, and further has good cause to believe that any of the following conditions exist:
  - 1. The child has an immediate need for medical care.
  - 2. The child is in immediate danger of physical or sexual abuse.
  - 3. The physical environment or the fact that the child is left unattended poses an immediate threat to the child's health or safety. In the case of a child left unattended, the officer shall first attempt to locate and determine if a responsible parent or guardian is available and capable of assuming custody before taking the child into protective custody.
- (b) The officer reasonably believes the child requires protective custody under the provisions of Penal Code § 279.6, in one of the following circumstances:
  - 1. It reasonably appears to the officer that a person is likely to conceal the child, flee the jurisdiction with the child or, by flight or concealment, evade the authority of the court.
  - 2. There is no lawful custodian available to take custody of the child.
  - 3. There are conflicting custody orders or conflicting claims to custody and the parties cannot agree which party should take custody of the child.
  - 4. The child is an abducted child.
- (c) The child is in the company of, or under the control of, a person arrested for Penal Code § 278 (Detainment or concealment of child from legal custodian) or Penal Code § 278.5 (Deprivation of custody of a child or right to visitation) (Penal Code § 279.6).

### *Child Abuse*

---

A child taken into protective custody shall be delivered to CPS unless otherwise directed by court order.

#### **314.6.1 CALIFORNIA SAFELY SURRENDERED BABY LAW**

An individual having lawful custody of an infant less than 72 hours old is not guilty of abandonment if the individual voluntarily surrenders physical custody of the infant to personnel on-duty at a safe-surrender site, such as a hospital or fire department (Penal Code § 271.5). The law requires the surrender site to notify CPS.

#### **314.6.2 NEWBORNS TESTING POSITIVE FOR DRUGS**

Under certain circumstances, officers can be prohibited from taking a newborn who is the subject of a proposed adoption into protective custody, even when the newborn has tested positive for illegal drugs or the birth mother tested positive for illegal drugs.

Officers shall instead follow the provisions of Welfare and Institutions Code § 305.6 to ensure that the newborn is placed with the adoptive parents when it is appropriate.

### **314.7 INTERVIEWS**

#### **314.7.1 PRELIMINARY INTERVIEWS**

Absent extenuating circumstances or impracticality, officers should record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

#### **314.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW**

An officer should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
  - 1. A reasonable belief that medical issues of the child need to be addressed immediately.
  - 2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
  - 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

### *Child Abuse*

---

#### **314.7.3 INTERVIEWS AT A SCHOOL**

Any student at school who is a suspected victim of child abuse shall be afforded the option of being interviewed in private or selecting any qualified available adult member of the school staff to be present. The purpose of the staff member's presence is to provide comfort and support. The staff member shall not participate in the interview. The selection of a staff member should be such that it does not burden the school with costs or hardship (Penal Code § 11174.3).

#### **314.8 MEDICAL EXAMINATIONS**

If the child has been the victim of abuse that requires a medical examination, the investigating officer should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The officer should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

#### **314.9 DRUG-ENDANGERED CHILDREN**

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

##### **314.9.1 WATCH COMMANDER RESPONSIBILITIES**

The Watch Commander should:

- (a) Work with professionals from the appropriate agencies, including CPS, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are children endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an officer notifies the Watch Commander that the officer has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives there.
- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the child.

##### **314.9.2 OFFICER RESPONSIBILITIES**

Officers responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

- (a) Document the environmental, medical, social and other conditions of the child using photography as appropriate and the checklist or form developed for this purpose.

*Child Abuse*

---

- (b) Notify the Watch Commander so an interagency response can begin.

**314.10 STATE MANDATES AND OTHER RELEVANT LAWS**

California requires or permits the following:

**314.10.1 RELEASE OF REPORTS**

Information related to incidents of child abuse or suspected child abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (Penal Code § 841.5; Penal Code § 11167.5).

**314.10.2 REQUESTS FOR REMOVAL FROM THE CHILD ABUSECENTRAL INDEX (CACI)**

Any person whose name has been forwarded to the California Department of Justice (DOJ) for placement in California's CACI, as a result of an investigation, may request that his/her name be removed from the CACI list. Requests shall not qualify for consideration if there is an active case, ongoing investigation or pending prosecution that precipitated the entry to CACI (Penal Code § 11169). All requests for removal shall be submitted in writing by the requesting person and promptly routed to the CACI hearing officer.

**314.10.3 CACI HEARING OFFICER**

The Burbank Police Department Investigations Bureau Lieutenant will normally serve as the hearing officer but must not be actively connected with the case that resulted in the person's name being submitted to CACI. Upon receiving a qualified request for removal, the hearing officer shall promptly schedule a hearing to take place during normal business hours and provide written notification of the time and place of the hearing to the requesting party.

**314.10.4 CACI HEARING PROCEDURES**

The hearing is an informal process where the person requesting removal from the CACI list will be permitted to present relevant evidence (e.g., certified copy of an acquittal, factual finding of innocence) as to why his/her name should be removed. The person requesting the hearing may record the hearing at his/her own expense.

Formal rules of evidence will not apply and the hearing officer may consider, in addition to evidence submitted by the person requesting the hearing, any relevant information including, but not limited to, the following:

- (a) Case reports including any supplemental reports
- (b) Statements by investigators
- (c) Statements from representatives of the District Attorney's Office
- (d) Statements by representatives of a child protective agency who may be familiar with the case

After considering all information presented, the hearing officer shall make a determination as to whether the requesting party's name should be removed from the CACI list. Such determination

### *Child Abuse*

---

shall be based on a finding that the allegations in the investigation are not substantiated (Penal Code § 11169).

If, after considering the evidence, the hearing officer finds that the allegations are not substantiated, he/she shall cause a request to be completed and forwarded to the DOJ that the person's name be removed from the CACI list. A copy of the hearing results and the request for removal will be attached to the case reports.

The findings of the hearing officer shall be considered final and binding.

#### **314.10.5 CHILD DEATH REVIEW TEAM**

This department should cooperate with any interagency child death review team investigation. Written and oral information relating to the death of a child that would otherwise be subject to release restrictions may be disclosed to the child death review team upon written request and approval of a supervisor (Penal Code § 11174.32).

#### **314.11 TRAINING**

The Department should provide training on best practices in child abuse investigations to members tasked with investigating these cases. The training should include:

- (a) Participating in multidisciplinary investigations, as appropriate.
- (b) Conducting forensic interviews.
- (c) Availability of therapy services for children and families.
- (d) Availability of specialized forensic medical exams.
- (e) Cultural competence (including interpretive services) related to child abuse investigations.

These include the National Crime Information Center (NCIC), the California Law Enforcement Telecommunications System (CLETS), Missing Person System (MPS) and the Unidentified Persons System (UPS).

## 315.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department does not consider any report of a missing person to be routine and assumes that the missing person is in need of immediate assistance until an investigation reveals otherwise. The Burbank Glendale Pasadena Airport Authority Police Department gives missing person cases priority over property-related cases and will not require any time frame to pass before beginning a missing person investigation (Penal Code § 14211). It is the policy of this department that the Burbank Police Department should be notified immediately of missing persons investigations.

## 315.3 REQUIRED FORMS AND BIOLOGICAL SAMPLE COLLECTION KITS

The Patrol Division Commander should ensure the forms and kits are developed and available in accordance with this policy, state law, federal law and the California Peace Officer Standards and Training (POST) Missing Persons Investigations guidelines, including:

Those members who do not take such reports or who are unable to render immediate assistance shall promptly dispatch or alert a member who can take the report.

A report shall be accepted in all cases and regardless of where the person was last seen, where the person resides or any other question of jurisdiction (Penal Code § 14211).

#### **315.5 INITIAL INVESTIGATION**

Officers or other members conducting the initial investigation of a missing person should take the following investigative actions, as applicable:

- (b) Interview the reporting party and any witnesses to determine whether the person qualifies as a missing person and, if so, whether the person may be at risk.
- (c) Notify a supervisor immediately if there is evidence that a missing person is either at risk or may qualify for a public alert, or both (see the Public Alerts Policy).
- (d) Broadcast a "Be on the Look-Out" (BOLO) bulletin if the person is under 21 years of age or there is evidence that the missing person is at risk. - (e) Ensure that entries are made into the appropriate missing person networks as follows:

- (i) Contact the appropriate agency if the report relates to a previously made missing person report and another agency is actively investigating that report. When this is not practical, the information should be documented in an appropriate report for transmission to the appropriate agency. If the information relates to an at-risk missing person, the member should notify a supervisor and proceed with reasonable steps to locate the missing person.

#### **315.6 REPORT PROCEDURES AND ROUTING**

Employees should complete all missing person reports and forms promptly and advise the appropriate supervisor as soon as a missing person report is ready for review.

##### **315.6.1 SUPERVISOR RESPONSIBILITIES**

When any person reported missing is found, the assigned investigator shall document the location of the missing person in the appropriate report, notify the relatives and/or reporting party, as appropriate, and other involved agencies and refer the case for additional investigation if warranted.

### *Missing Persons*

---

- (b) If the missing person is a resident of Burbank-Glendale-Pasadena Airport Authority or this department is the lead agency, the case should be kept under active investigation for as long as the person may still be alive. Exhaustion of leads in the investigation should not be a reason for closing a case.
- (c) If this department is not the lead agency, the case can be made inactive if all investigative leads have been exhausted, the lead agency has been notified and entries are made in the applicable missing person networks as appropriate.
- (d) A missing person case should not be closed or reclassified because the person would have reached a certain age or adulthood or because the person is now the subject of a criminal or civil warrant.

### **315.9 TRAINING**

## Hate Crimes

### 318.1 PURPOSE AND SCOPE

This policy is designed to assist in identifying and handling crimes motivated by hate or other bias toward individuals and groups with legally defined protected characteristics, to define appropriate steps for assisting victims, and to provide a guide to conducting related investigations. It outlines the general policy framework for prevention, response, accessing assistance, victim assistance and follow-up, and reporting as related to law enforcement's role in handling hate crimes. It also serves as a declaration that hate crimes are taken seriously and demonstrates how the Burbank Glendale Pasadena Airport Authority Police Department may best use its resources to investigate and solve an offense, in addition to building community trust and increasing police legitimacy (Penal Code § 13519.6; Penal Code § 422.87).

#### 318.1.1 DEFINITION AND LAWS

In accordance with Penal Code § 422.55; Penal Code § 422.56; Penal Code § 422.6; and Penal Code § 422.87, for purposes of all other state law, unless an explicit provision of law or the context clearly requires a different meaning, the following shall apply:

**Bias motivation** - Bias motivation is a pre-existing negative attitude toward actual or perceived characteristics referenced in Penal Code § 422.55. Depending on the circumstances of each case, bias motivation may include but is not limited to hatred, animosity, discriminatory selection of victims, resentment, revulsion, contempt, unreasonable fear, paranoia, callousness, thrill-seeking, desire for social dominance, desire for social bonding with those of one's "own kind," or a perception of the vulnerability of the victim due to the victim being perceived as being weak, worthless, or fair game because of a protected characteristic, including but not limited to disability or gender.

**Disability** - Disability includes mental disability and physical disability as defined in Government Code § 12926, regardless of whether those disabilities are temporary, permanent, congenital, or acquired by heredity, accident, injury, advanced age, or illness.

**Disability bias** - In recognizing suspected disability-bias hate crimes, officers should consider whether there is any indication that the perpetrator was motivated by hostility or other bias, occasioned by factors such as but not limited to dislike of persons who arouse fear or guilt, a perception that persons with disabilities are inferior and therefore "deserving victims," a fear of persons whose visible traits are perceived as being disturbing to others, or resentment of those who need, demand, or receive alternative educational, physical, or social accommodations.

In recognizing suspected disability-bias hate crimes, officers should consider whether there is any indication that the perpetrator perceived the victim to be vulnerable and, if so, if this perception is grounded, in whole or in part, in anti-disability bias. This includes but is not limited to situations where a perpetrator targets a person with a particular perceived disability while avoiding other vulnerable-appearing persons, such as inebriated persons or persons with perceived disabilities different from those of the victim. Such circumstances could be evidence that the perpetrator's

motivations included bias against persons with the perceived disability of the victim and that the crime must be reported as a suspected hate crime and not a mere crime of opportunity.

**Gender** - Gender means sex and includes a person's gender identity and gender expression.

**Gender expression** - Gender expression means a person's gender-related appearance and behavior, regardless of whether it is stereotypically associated with the person's assigned sex at birth.

**Gender identity** - Gender identity means each person's internal understanding of their gender, or the perception of a person's gender identity, which may include male, female, a combination of male and female, neither male nor female, a gender different from the person's sex assigned at birth, or transgender (2 CCR § 11030).

**Hate crime** - "Hate crime" includes but is not limited to a violation of Penal Code § 422.6, and means a criminal act committed, in whole or in part, because of one or more of the following actual or perceived characteristics of the victim:

- (a) Disability
- (b) Gender
- (c) Nationality
- (d) Race or ethnicity

Note: A "hate crime" need not be motivated by hate but may be motivated by any bias against a protected characteristic.

**Hate incident** - A hate incident is an action or behavior motivated by hate or bias but legally protected by the First Amendment right to freedom of expression. Examples of hate incidents include:

- True threats
- Perjury
- Blackmail
- Incitement to lawless action
- Conspiracy
- Solicitation to commit any crime

**In whole or in part** - "In whole or in part because of" means that the bias motivation must be a cause in fact of the offense whether or not other causes also exist. When multiple concurrent motives exist, the prohibited bias must be a substantial factor in bringing about the particular result. There is no requirement that the bias be a main factor, or that a crime would not have been committed but for the actual or perceived characteristic.

**Nationality** - Nationality means country of origin, immigration status, including citizenship, and national origin.

**Race or ethnicity** - Race or ethnicity includes ancestry, color, and ethnic background.

**Religion** - Religion includes all aspects of religious belief, observance, and practice and includes agnosticism and atheism.

**Religious bias** - In recognizing suspected religion-bias hate crimes, officers should consider whether there were targeted attacks on, or biased references to, symbols of importance to a particular religion or articles considered of spiritual significance in a particular religion (e.g., crosses, hijabs, Stars of David, turbans, head coverings, statues of the Buddha).

**Sexual orientation** - Sexual orientation means heterosexuality, homosexuality, or bisexuality.

# Standards of Conduct

## 319.1 PURPOSE AND SCOPE

This policy establishes standards of conduct that are consistent with the values and mission of the Burbank Glendale Pasadena Airport Authority Police Department and are expected of all department members. The standards contained in this policy are not intended to be an exhaustive list of requirements and prohibitions but they do identify many of the important matters concerning conduct. In addition to the provisions of this policy, members are subject to all other provisions contained in this manual, as well as any additional guidance on conduct that may be disseminated by this department or a member's supervisors.

## 319.2 POLICY

Every employee of this Department shall be held accountable to conduct that reasonably conforms to the requirements set forth in Airport Authority policies, Memorandums of Understanding (MOUs), and Department policies and procedures. Failure of any employee to meet these requirements, whether on- or off-duty, may be cause for disciplinary action.

An employee's off-duty conduct shall be governed to the extent that it is related to acts that may materially affect or arise from the employee's ability to perform official duties or to the extent that it may be indicative or unfitness for his/her position.

## 319.3 DIRECTIVES AND ORDERS

Members shall comply with lawful directives and orders from any department supervisor or person in a position of authority, absent a reasonable and bona fide justification.

### 319.3.1 UNLAWFUL OR CONFLICTING ORDERS

Supervisors shall not knowingly issue orders or directives that, if carried out, would result in a violation of any law or department policy. Supervisors should not issue orders that conflict with any previous order without making reasonable clarification that the new order is intended to countermand the earlier order.

No member is required to obey any order that appears to be in direct conflict with any federal law, state law or local ordinance. Following a known unlawful order is not a defense and does not relieve the member from criminal or civil prosecution or administrative discipline. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that is in conflict with a previous lawful order, department policy or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the

opportunity to correct the conflict, will not be held accountable for disobedience of the lawful order or directive that was initially issued.

The person countermanding the original order shall notify, in writing, the person issuing the original order, indicating the action taken and the reason.

- (a) Failure to be reasonably aware of the performance of their subordinates or to provide appropriate guidance and control.
- (b) Failure to promptly and fully report any known misconduct of a member to his/her immediate supervisor or to document such misconduct appropriately or as required by policy.
- (c) Directing a subordinate to violate a policy or directive, acquiesce to such a violation, or are indifferent to any such violation by a subordinate.
- (d) The unequal or disparate exercise of authority on the part of a supervisor toward any member for malicious or other improper purpose.

#### **319.4 GENERAL STANDARDS**

Members shall conduct themselves, whether on- or off-duty, in accordance with the United States and California constitutions and all applicable laws, ordinances, and rules enacted or established pursuant to legal authority.

Members shall familiarize themselves with policies and procedures and are responsible for compliance with each. Members should seek clarification and guidance from supervisors in the event of any perceived ambiguity or uncertainty.

Discipline may be initiated for any good cause. It is not mandatory that a specific policy or rule violation be cited to sustain discipline. This policy is not intended to cover every possible type of misconduct.

#### **319.5 CAUSES FOR DISCIPLINE**

The following are illustrative of causes for disciplinary action. #### 322.1.1 REPORT PREPARATION

Employees should ensure that reports are sufficiently detailed for their purpose and free from errors prior to submission. Generally, reports requiring prompt follow-up action on active leads, or arrest reports where the suspect remains in custody should not be held.

Handwritten reports must be prepared legibly. If the report is not legible, the submitting employee will be required by the reviewing supervisor to promptly make corrections and resubmit the report. Employees who generate reports on computers are subject to all requirements of this policy.

### 323.3 RESPONSIBILITIES

- (c) No member of this department who is under investigation shall be subjected to media visits or interviews without the consent of the involved member (Government Code § 3303(e)).

#### **323.4.2 TEMPORARY FLIGHT RESTRICTIONS**

Whenever the presence of media or other aircraft pose a threat to public or member safety or significantly hamper incident operations, the field supervisor should consider requesting a Temporary Flight Restriction (TFR). All requests for a TFR should be routed through the Watch Commander. The TFR request should include specific information regarding the perimeter and altitude necessary for the incident and should be requested through the appropriate control tower. If the control tower is not known, the Federal Aviation Administration (FAA) should be contacted (14 CFR 91.137).

#### **323.5 PROVIDING ADVANCE INFORMATION**

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. Prior to approving any exception, the Chief of Police will consider, at a minimum, whether the release of information or presence of the media would unreasonably endanger any individual, prejudice the rights of any person, or is otherwise prohibited by law.

#### **323.6 MEDIA REQUESTS**

Any media request for information or access to a law enforcement incident shall be referred to the PIO, or if unavailable, to the first available supervisor. Prior to releasing any information to the media, members shall consider the following:

Any requests for copies of related reports or additional information not contained in the information log (see the Information Log section in this policy), including the identity of officers involved in shootings or other critical incidents, shall be referred to the PIO.

### 324.3 SUBPOENAS

The party that issues a civil subpoena to an officer to testify as a witness must tender the statutory fee of \$275 with the subpoena for each day that an appearance is required before service is accepted of the subpoena (Government Code § 68097.2).

If, after initially accepting service of a criminal subpoena, a supervisor or other authorized individual determines that he/she is unable to deliver a copy of the subpoena to the named officer within sufficient time for the named officer to comply with the subpoena, the supervisor or the subpoena clerk shall notify the server or the attorney named on the subpoena of such not less than 48 hours prior to the date listed for the appearance (Penal Code § 1328(f)).

The supervisor will then notify the Chief of Police and the appropriate prosecuting attorney as may be indicated by the case. The Chief of Police should determine if additional legal support is necessary.

No member shall be retaliated against for testifying in any matter.

#### **324.3.2 CIVIL SUBPOENA**

The Department will compensate members who appear in their official capacities on civil matters arising out of their official duties, as directed by the current memorandum of understanding or collective bargaining agreement.

The Department shall seek reimbursement for the member's compensation through the civil attorney of record who subpoenaed the member.

#### **324.3.3 OFF-DUTY RELATED SUBPOENAS**

Members receiving valid subpoenas for off-duty actions not related to their employment or appointment will not be compensated for their appearance. Arrangements for time off shall be coordinated through their immediate supervisors.

#### **324.4 FAILURE TO APPEAR**

Any member who fails to comply with the terms of any properly served subpoena or court-ordered appearance may be subject to discipline. This includes properly served orders to appear that were issued by a state administrative agency.

#### **324.5 STANDBY**

#### 324.6.1 TESTIMONY

Before the date of testifying, the subpoenaed member shall request a copy of relevant reports and become familiar with the content in order to be prepared for court.

When a member appears in court on his/her off-duty time, he/she will be compensated in accordance with the current memorandum of understanding or collective bargaining agreement.

#### 324.8 REQUEST TO BE EXCUSED FROM SUBPOENA

The Department recognizes that subpoenas may, at times, conflict with an officer's scheduled vacation or with training courses. While every effort should be made to attend court, the below listed procedure shall be used by employees requesting to be excused from a subpoena. It is the employee's responsibility to make the required contacts and notifications. Leaving voicemail or email messages for the prosecuting attorney, subpoenaing attorney, and the investigating officer without an affirmative response to the requesting officer is not sufficient notification for the purposes of this subsection.

- (a) Officers shall first attempt to contact the prosecuting attorney to request to be excused.
- (b) If the actual prosecuting attorney is not available by phone, the officer should contact the witness coordinator. Current witness coordinator telephone numbers are maintained in PEN by the Subpoena Control Office at the Burbank Police Department.
- (c) Officers shall then notify the investigating officer assigned to the case.
- (d) Once an excuse is granted by the prosecuting attorney (either in person, by phone, or by email) and the investigating officer has been notified and has acknowledged receipt of notification, officers are required to submit a memorandum to their Division Commander explaining the reason they cannot appear in court, whether release was obtained from the case prosecutor, and if they notified the assigned investigator.

Only the Division Commander may excuse an employee from a subpoena. Burbank Police Detectives may not excuse employees from subpoenas or change the employee's status from "Be-there" or "On-Call" unless doing so on behalf and at the request of the prosecutor.

#### 324.8.1 REQUEST TO BE EXCUSED FROM TRAFFIC COURT

Officers requesting to be excused from Traffic Court shall submit a memorandum to their Division Commander for approval as soon as possible. If approved, the Division Commander will forward the approved memorandum to the Burbank Police Department Subpoena Control Office for processing and City Attorney notification.

Requests for a traffic case to be continued must be submitted at least 15 days prior to the court date.

Members are reminded that their actions when rendering assistance must conform with applicable laws and be consistent with the policies of this department.

Officers may respond to a request for emergency assistance, however, they shall notify a supervisor of their activity as soon as practicable.

Arrestees may be temporarily detained by this department until arrangements for transportation are made by the outside agency. Probation violators who are temporarily detained by this department will not ordinarily be booked at this department. Only in exceptional circumstances, and subject to supervisor approval, will this department provide transportation of arrestees to other facilities on behalf of another agency.

When transportation assistance is rendered, a report shall be prepared and submitted by the handling member unless otherwise directed by a supervisor.

Any on-duty officer who engages in law enforcement activities of any type that are not part of a mutual aid request and take place outside the jurisdiction of the Burbank Glendale Pasadena Airport Authority Police Department shall notify his/her supervisor or the Watch Commander and the Communications Center as soon as practicable. This requirement does not apply to special enforcement details or multi-agency units that regularly work in multiple jurisdictions.

### 325.4 REQUESTING OUTSIDE ASSISTANCE

If assistance is needed from another agency, the member requesting assistance should, if practicable, first notify a supervisor. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

### *Outside Agency Assistance*

---

The requesting member should arrange for appropriate radio communication capabilities, if necessary and available, so that communication can be coordinated between assisting personnel.

#### **325.5 REPORTING REQUIREMENTS**

Incidents of outside assistance or law enforcement activities that are not documented in a crime report shall be documented in a general case report or as directed by the Watch Commander.

#### **325.6 MANDATORY SHARING**

# Death Investigation

## 327.1 PURPOSE AND SCOPE

## 327.2 INVESTIGATION CONSIDERATIONS

Death investigation cases require certain actions be taken. Paramedics shall be called in all suspected death cases unless the death is obvious (e.g., decapitated, decomposed). A supervisor shall be notified in all death investigations.

### 327.2.1 CORONER REQUEST

Government Code § 27491 and Health & Safety Code § 102850 direct the Coroner to inquire into and determine the circumstances, manner and cause of certain deaths. The Coroner shall be called in any of the following cases:

- (a) Unattended deaths (No physician in attendance or during the continued absence of the attending physician. Also, includes all deaths outside hospitals and nursing care facilities).
- (b) Deaths where the deceased has not been attended by either a physician or a registered nurse, who is a member of a hospice care interdisciplinary team, as defined by Health and Safety Code § 1746 in the 20 days prior to death.
- (c) Physician unable to state the cause of death. Unwillingness does not apply. Includes all sudden, unexpected and unusual deaths and fetal deaths when the underlying cause is unknown.
- (d) Known or suspected homicide.
- (e) Known or suspected suicide.
- (f) Involving any criminal action or suspicion of a criminal act. Includes child and dependent adult negligence and abuse.
- (g) Related to or following known or suspected self-induced or criminal abortion.
- (h) Associated with a known or alleged rape or crime against nature.
- (i) Following an accident or injury (primary or contributory). Deaths known or suspected as resulting (in whole or in part) from or related to accident or injury, either old or recent.
- (j) Drowning, fire, hanging, gunshot, stabbing, cutting, starvation, exposure, alcoholism, drug addiction, strangulation or aspiration.

#### 327.2.2 INVESTIGATION

The Airport Police Department shall assist the Burbank Police Department.

# Identity Theft

## 328.1 PURPOSE AND SCOPE

Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

## 328.2 REPORTING

- (a) In an effort to maintain uniformity in reporting, officers presented with the crime of identity theft (Penal Code § 530.6) shall initiate a report for victims when the crime occurred within the jurisdiction. For incidents of identity theft occurring outside this jurisdiction, officers should observe the following:
  - 1. For any victim where the crime did not occur within this jurisdiction, the officer may either take a courtesy report to be forwarded to the victim's residence agency or the victim should be encouraged to promptly report the identity theft to the law enforcement agency where he or she resides.
- (b) While the crime of identity theft should be reported to the law enforcement agency where the victim resides, officers of this department should investigate and report crimes occurring within this jurisdiction which have resulted from the original identity theft (e.g., the identity theft occurred elsewhere, but the credit card fraud occurred and is reported in this jurisdiction).
- (c) Officers should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).
- (d) Officers should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and DMV) with all known report numbers.
- (e) The reporting officer should inform victims of identity theft that the California Identity Theft Registry is available to help those who are wrongly linked to crimes. The registry can be checked by law enforcement and other authorized persons to investigate whether a criminal history or want was created in the victim's name (Penal Code § 530.7). Information regarding the California Identity Theft Registry can be obtained by calling toll free (888) 880-0240.
- (f) Following supervisory review and departmental processing, the initial report should be forwarded to the appropriate detective for follow up investigation, coordination with other agencies and prosecution as circumstances dictate.

# Communications with Persons with Disabilities

## 329.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

### 329.1.1 DEFINITIONS

Definitions related to this policy include:

**Auxiliary aids** - Tools used to communicate with people who have a disability or impairment. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

**Disability or impairment** - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

**Qualified interpreter** - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, translators, sign language interpreters and intermediary interpreters.

## 329.2 POLICY

It is the policy of the Burbank Glendale Pasadena Airport Authority Police Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

## 329.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Chief of Police shall delegate certain responsibilities to an ADA Coordinator (28 CFR 35.107). The ADA Coordinator shall be appointed by, and directly responsible, to the Patrol Commander or the authorized designee.

The responsibilities of the ADA Coordinator shall include, but not be limited to:

- (a) Working with the Airport Authority ADA coordinator regarding the Burbank Glendale Pasadena Airport Authority Police Department's efforts to ensure equal access to services, programs and activities.
- (b) Developing reports, new procedures, or recommending modifications to this policy.

### *Communications with Persons with Disabilities*

---

- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs and activities.
- (d) Ensuring that a list of qualified interpreter services is maintained and available to each Watch Commander and Communications Supervisor. The list should include information regarding the following:
  - 1. Contact information
  - 2. Availability
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

#### **329.4 FACTORS TO CONSIDER**

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

#### **329.5 INITIAL AND IMMEDIATE CONSIDERATIONS**

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Communications with Persons with Disabilities*

---

Members should exercise special care in the use of all gestures, and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the Burbank Glendale Pasadena Airport Authority Police Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

#### **329.6 TYPES OF ASSISTANCE AVAILABLE**

Burbank Glendale Pasadena Airport Authority Police Department members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

### *Communications with Persons with Disabilities*

---

#### **329.7 AUDIO RECORDINGS AND ENLARGED PRINT**

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form, for example a personnel complaint form, or provide forms with enlarged print.

#### **329.8 QUALIFIED INTERPRETERS**

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or investigation involving the disabled individual. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to law enforcement matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

#### **329.9 TTY AND RELAY SERVICES**

In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

### *Communications with Persons with Disabilities*

---

#### **329.10 COMMUNITY VOLUNTEERS**

Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

#### **329.11 FAMILY AND FRIENDS**

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

#### **329.12 REPORTING**

Whenever any member of this department is required to complete a report or other documentation, and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

#### **329.13 FIELD ENFORCEMENT**

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

### *Communications with Persons with Disabilities*

---

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

#### **329.13.1 FIELD RESOURCES**

Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, may, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

#### **329.14 CUSTODIAL INTERROGATIONS**

In an effort to ensure that the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that he/she understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written *Miranda* warning card.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Communications with Persons with Disabilities*

---

In order to ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

#### **329.15 ARREST AND BOOKINGS**

If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the officer reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

#### **329.16 COMPLAINTS**

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the Administrative Commander.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.

#### **329.17 TRAINING**

To ensure that all members who may have contact with individuals who are disabled are properly trained, the Department will provide periodic training that should include:

- (a) Awareness and understanding of this policy and related procedures, related forms and available resources.
- (b) Procedures for accessing qualified interpreters and other available resources.
- (c) Working with in-person and telephone interpreters and related equipment.

The Training Sergeant shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including individuals who are deaf, hard of hearing, who have impaired speech or vision, or are blind. Those who may have contact with such

individuals should receive refresher training at least once every two years thereafter. The Training Sergeant shall maintain records of all training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

## Private Persons Arrests

### 330.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the handling of private person's arrests made pursuant to Penal Code § 837.

### 330.2 ADVISING PRIVATE PERSONS OF THE ARREST PROCESS

Penal Code § 836(b) expressly mandates that all officers shall advise victims of domestic violence of the right to make a private person's arrest, including advice on how to safely execute such an arrest. In all other situations, officers should use sound discretion in determining whether or not to advise an individual of the arrest process.

- (a) When advising any individual regarding the right to make a private person's arrest, officers should refrain from encouraging or dissuading any individual from making such an arrest and should instead limit advice to the legal requirements for such an arrest as listed below.
- (b) Private individuals should be discouraged from using force to effect a private person's arrest, and absent immediate threat to their own safety or the safety of others, private individuals should be encouraged to refer matters to law enforcement officials for further investigation or arrest.

### 330.3 ARRESTS BY PRIVATE PERSONS

Penal Code § 837 provides that a private person may arrest another:

- (a) For a public offense committed or attempted in his or her presence;
- (b) When the person arrested has committed a felony, although not in his or her presence;
- (c) When a felony has been in fact committed, and he or she has reasonable cause for believing the person arrested has committed it.

Unlike peace officers, private persons may not make an arrest on suspicion that a felony has been committed - the felony must in fact have taken place.

### 330.4 OFFICER RESPONSIBILITIES

Any officer presented with a private person wishing to make an arrest must determine whether or not there is reasonable cause to believe that such an arrest would be lawful (Penal Code § 847).

- (a) Should any officer determine that there is no reasonable cause to believe that a private person's arrest is lawful, the officer should take no action to further detain or restrain the individual beyond that which reasonably appears necessary to investigate the matter, determine the lawfulness of the arrest and protect the public safety.
  - 1. Any officer who determines that a private person's arrest appears to be unlawful should promptly release the arrested individual pursuant to Penal Code § 849(b)(1). The officer must include the basis of such a determination in a related report.

### *Private Persons Arrests*

---

2. Absent reasonable cause to support a private person's arrest or other lawful grounds to support an independent arrest by the officer, the officer should advise the parties that no arrest will be made and that the circumstances will be documented in a related report.
- (b) Whenever an officer determines that there is reasonable cause to believe that a private person's arrest is lawful, the officer may exercise any of the following options:
  1. Take the individual into physical custody for booking
  2. Release the individual pursuant to a Notice to Appear
  3. Release the individual pursuant to Penal Code § 849

### **330.5 REPORTING REQUIREMENTS**

In all circumstances in which a private person is claiming to have made an arrest, the individual must complete and sign a department Private Person's Arrest form under penalty of perjury.

In addition to the Private Person's Arrest Form (and any other related documents such as citations, booking forms, etc.), officers shall complete a narrative report regarding the circumstances and disposition of the incident.

## Limited English Proficiency Services

### 331.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

#### 331.1.1 DEFINITIONS

Definitions related to this policy include:

**Authorized interpreter** - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

**Interpret or interpretation** - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

**Limited English proficient (LEP)** - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations.

**Qualified bilingual member** - A member of the Burbank Glendale Pasadena Airport Authority Police Department, designated by the Department, who has the ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

**Translate or translation** - The replacement of written text from one language (source language) into an equivalent written text (target language).

### 331.2 POLICY

It is the policy of the Burbank Glendale Pasadena Airport Authority Police Department to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

### 331.3 LEP COORDINATOR

The Chief of Police shall delegate certain responsibilities to an LEP Coordinator. The LEP Coordinator shall be appointed by, and directly responsible to, the Patrol Commander or the authorized designee.

The responsibilities of the LEP Coordinator include, but are not limited to:

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Limited English Proficiency Services*

---

- (a) Coordinating and implementing all aspects of the Burbank Glendale Pasadena Airport Authority Police Department's LEP services to LEP individuals.
- (b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.
- (c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Watch Commander and Communications Supervisor. The list should include information regarding the following:
  - 1. Languages spoken
  - 2. Contact information
  - 3. Availability
- (d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.
- (e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.
- (f) Annually assessing demographic data and other resources, including contracted language services utilization data and community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.
- (g) Identifying standards and assessments to be used by the Department to qualify individuals as qualified bilingual members or authorized interpreters.
- (h) Periodically reviewing efforts of the Department in providing meaningful access to LEP individuals, and, as appropriate, developing reports, new procedures or recommending modifications to this policy.
- (i) Receiving and responding to complaints regarding department LEP services.
- (j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

#### **331.4 FOUR-FACTOR ANALYSIS**

Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Limited English Proficiency Services*

---

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.
- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.
- (c) The nature and importance of the contact, program, information or service provided.
- (d) The cost of providing LEP assistance and the resources available.

#### **331.5 TYPES OF LEP ASSISTANCE AVAILABLE**

Burbank Glendale Pasadena Airport Authority Police Department members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

#### **331.6 WRITTEN FORMS AND GUIDELINES**

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP Coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

#### **331.7 AUDIO RECORDINGS**

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

#### **331.8 QUALIFIED BILINGUAL MEMBERS**

Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Limited English Proficiency Services*

---

When a qualified bilingual member from this department is not available, personnel from other Airport Authority departments, who have been identified by the Department as having the requisite skills and competence, may be requested.

#### **331.9 AUTHORIZED INTERPRETERS**

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP Coordinator which demonstrates that their skills and abilities include:

- (a) The competence and ability to communicate information accurately in both English and in the target language.
- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.
- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

##### **331.9.1 SOURCES OF AUTHORIZED INTERPRETERS**

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other Airport Authority departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

#### **331.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE**

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

#### **331.10 CONTACT AND REPORTING**

While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation, and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

#### **331.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE**

The Burbank Glendale Pasadena Airport Authority Police Department will take reasonable steps and will work with the Administration to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

#### **331.12 FIELD ENFORCEMENT**

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning

---

or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

#### **331.13 INVESTIGATIVE FIELD INTERVIEWS**

In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

#### **331.14 CUSTODIAL INTERROGATIONS**

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

#### **331.15 BOOKINGS**

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance

of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

#### **331.16 COMPLAINTS**

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

#### **331.17 COMMUNITY OUTREACH**

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

#### **331.18 TRAINING**

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

The Training Sergeant shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training Sergeant shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

##### **331.18.1 TRAINING FOR AUTHORIZED INTERPRETERS**

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

# Biological Samples

## 333.1 PURPOSE AND SCOPE

This policy provides guidelines for the collection of biological samples from those individuals required to provide samples upon conviction or arrest for certain offenses. This policy does not apply to biological samples collected at a crime scene or taken from a person in conjunction with a criminal investigation. Nor does it apply to biological samples from those required to register, for example, sex offenders.

## 333.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department will assist in the expeditious collection of required biological samples from offenders in accordance with the laws of this state and with as little reliance on force as practicable.

## 333.3 PERSONS SUBJECT TO DNA COLLECTION

Those who must submit a biological sample include (Penal Code § 296):

- (a) A person, including a juvenile, upon conviction or other adjudication of any felony offense.
- (b) A person, including a juvenile, upon conviction or other adjudication of any offense if the person has a prior felony on record.
- (c) An adult arrested or charged with any felony.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Biological Samples*

---

The withdrawal of blood may only be performed in a medically approved manner by health care providers trained and qualified to draw blood. A California DOJ collection kit shall be used for this purpose (Penal Code § 298(a); Penal Code § 298(b)(2)).

Should a blood sample be required for an individual arrested and booked by the Burbank Glendale Pasadena Airport Authority Police Department, and the Burbank Police Department Watch Commander requests that our agency transport the subject, the Watch Commander will make arrangements to transport the subject to either St. Joseph's Medical Center or a Los Angeles County facility with the resources for the blood withdrawal.

#### 333.5.3 LITIGATION

The Chief of Police or authorized designee should notify the California DOJ's DNA Legal Unit in the event this department is named in a lawsuit involving the DNA Data Bank sample collection, sample use or any aspect of the state's DNA Data Bank Program.

## Child and Dependent Adult Safety

### 334.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department (Penal Code § 833.2(a)).

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse and Senior and Disability Victimization policies.

### 334.2 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Burbank Glendale Pasadena Airport Authority Police Department will endeavor to create a strong, cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected.

### 334.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken (Penal Code § 13517.7(b)(1)):

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Officers should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult unless doing so will endanger personnel. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be non-productive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

### *Child and Dependent Adult Safety*

---

#### 334.3.1 AFTER AN ARREST

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
  - 1. Officers should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
  - 1. Except when an existing court order limits contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify Child Protective Services or the Division of Aging and Adult Services, if appropriate.
- (e) Notify the Watch Commander of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

#### 334.3.2 DURING THE BOOKING PROCESS

During the booking process the arrestee shall be allowed to make additional telephone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any child or dependent adult. These telephone calls should be given as soon as practicable and are in addition to any other telephone calls allowed by law (Penal Code § 851.5(c)).

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Child and Dependent Adult Safety*

---

If an arrestee is unable to resolve the care of any child or dependent adult through this process, a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

#### 334.3.3 REPORTING

- (a) For all arrests where children are present or living in the household, the reporting member will document the following information:
  - 1. Name
  - 2. Sex
  - 3. Age
  - 4. Special needs (e.g., medical, mental health)
  - 5. How, where and with whom or which agency the child was placed
  - 6. Identities and contact information for other potential caregivers
  - 7. Notifications made to other adults (e.g., schools, relatives)
- (b) For all arrests where dependent adults are present or living in the household, the reporting member will document the following information:
  - 1. Name
  - 2. Sex
  - 3. Age
  - 4. Whether he/she reasonably appears able to care for him/herself
  - 5. Disposition or placement information if he/she is unable to care for him/herself

#### 334.3.4 SUPPORT AND COUNSELING REFERRAL

If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

#### 334.4 DEPENDENT WELFARE SERVICES

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service to determine whether protective custody is appropriate (Welfare and Institutions Code § 305).

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked patrol car, or taken into formal protective custody.

### *Child and Dependent Adult Safety*

---

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

#### **334.5 TRAINING**

The Training Sergeant is responsible to ensure that all personnel of this department who may be involved in arrests affecting children or dependent adults receive approved POST-approved training on effective safety measures when a parent, guardian or caregiver is arrested (Penal Code § 13517.7).

## Service Animals

### 335.1 PURPOSE AND SCOPE

Service animals play an important role in helping to overcome the limitations often faced by people with disabilities. The purpose of this policy is to provide the guidelines necessary to ensure the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act of 1990 (ADA).

#### 335.1.1 DEFINITIONS

Definitions related to this policy include:

**Service animal** - A dog that is trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104; Health and Safety Code § 113903).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

### 335.2 POLICY

It is the policy of the Burbank Glendale Pasadena Airport Authority Police Department to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

### 335.3 IDENTIFICATION AND USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities or psychiatric disabilities, such as reminding a person with depression to take medication.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Service Animals*

---

- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

#### **335.4 MEMBER RESPONSIBILITIES**

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Burbank Glendale Pasadena Airport Authority Police Department affords to all members of the public (28 CFR 35.136).

##### **335.4.1 INQUIRY**

If it is apparent or if a member is aware that an animal is a service animal, the individual generally should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the member should ask the individual only the following questions (28 CFR 35.136(f)):

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal's status should be asked. The individual should not be questioned about his/her disability nor should the person be asked to provide any license, certification or identification card for the service animal.

##### **335.4.2 CONTACT**

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

##### **335.4.3 REMOVAL**

If a service animal is not housebroken or exhibits vicious behavior, poses a direct threat to the health of others, or unreasonably disrupts or interferes with normal business operations, an officer may direct the handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the service animal (28 CFR 35.136(b)).

Each incident must be considered individually and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services as are reasonably available to an individual with a disability, with or without a service animal.

### *Service Animals*

---

#### 335.4.4 COMPLAINTS

When handling calls of a complaint regarding a service animal, members of this department should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to allow service animals to accompany their handlers into the same areas that other customers or members of the public are allowed (28 CFR 36.302).

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice (DOJ).

## Off-Duty Law Enforcement Actions

### 336.1 PURPOSE AND SCOPE

The decision to become involved in a law enforcement action when off-duty can place an officer as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for officers of the Burbank Glendale Pasadena Airport Authority Police Department with respect to taking law enforcement action while off-duty.

#### 336.1.1 DEFINITIONS

An off-duty incident may include, but not be limited to, any circumstance in which an off-duty employee:

- Is detained or arrested for a crime, other than a minor traffic violation.
- Becomes involved in a physical confrontation and may be known to be an employee of the Department
- Identifies himself or herself, either verbally or by displaying a badge, ID, or other items, as a police officer for purposes of utilizing peace officer powers or represents himself or herself as an employee in an official capacity.
- Is involved in the pursuit, detention, or arrest of a suspect in any crime.
- Discharges a firearm, other than intentionally doing so at a range, or when engaged in a lawful sporting use of the firearm.
- Uses or displays a firearm to gain compliance from a person in any situation.

### 336.2 POLICY

Initiating law enforcement action while off-duty is generally discouraged. Officers should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

Officers are not expected to place themselves in unreasonable peril. However, any sworn member of this department who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage may take reasonable action to minimize the threat.

When public safety or the prevention of major property damage requires immediate action, officers should first consider reporting and monitoring the activity and only take direct action as a last resort.

Since the employee may be considered a representative of the Burbank Glendale Pasadena Airport Authority Police Department, and may subject the Burbank Glendale Pasadena Airport Authority to liability, it is policy that all such actions will be reported and reviewed.

### *Off-Duty Law Enforcement Actions*

---

Nothing in this policy is intended to interfere with an officer exercising their rights afforded by the United States Constitution or the Peace Officers' Procedural Bill of Rights when facing administrative or criminal investigation.

#### **336.3 FIREARMS**

Officers of this department may carry firearms while off-duty in accordance with federal regulations and department policy. All firearms and ammunition must meet guidelines as described in the department Firearms Policy. When carrying firearms while off-duty officers shall also carry their department-issued badge and identification.

Officers should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any officer who has consumed an amount of an alcoholic beverage or taken any drugs or medications or any combination thereof that would tend to adversely affect the officer's senses or judgment.

#### **336.4 DECISION TO INTERVENE**

There is no legal requirement for off-duty officers to take law enforcement action. However, should officers decide to intervene, they must evaluate whether the action is necessary or desirable, and should take into consideration the following:

- (a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.
- (b) The inability to communicate with responding units.
- (c) The lack of equipment, such as handcuffs, OC or baton.
- (d) The lack of cover.
- (e) The potential for increased risk to bystanders if the off-duty officer were to intervene.
- (f) Unfamiliarity with the surroundings.
- (g) The potential for the off-duty officer to be misidentified by other peace officers or members of the public.

Officers should consider waiting for on-duty uniformed officers to arrive, and gather as much accurate intelligence as possible instead of immediately intervening.

##### **336.4.1 INTERVENTION PROCEDURE**

If involvement is reasonably necessary the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance. The dispatcher should be informed that an off-duty officer is on-scene and should be provided a description of the officer if possible.

Whenever practicable, the officer should loudly and repeatedly identify him/herself as an Burbank Glendale Pasadena Airport Authority Police Department officer until acknowledged. Official identification should also be displayed.

## BGPAAPD Policy Manual

### *Off-Duty Law Enforcement Actions*

---

#### **336.4.2 INCIDENTS OF PERSONAL INTEREST**

Officers should refrain from handling incidents of personal interest, (e.g., family or neighbor disputes) and should remain neutral. In such circumstances officers should call the responsible agency to handle the matter.

#### **336.4.3 CIVILIAN RESPONSIBILITIES**

Civilian personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

#### **336.4.4 OTHER CONSIDERATIONS**

When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case he/she needs to maintain an undercover capability.

### **336.5 REPORTING**

Any off-duty officer who engages in any law enforcement activity, regardless of jurisdiction, shall notify the Watch Commander as soon as practicable.

- The Watch Commander shall document the incident in the form of a memorandum to a Division Commander.
- The Watch Commander shall direct the employee to prepare a memorandum to a Division Commander explaining the circumstances and action taken.
- The employee shall complete the memorandum and submit it upon his or her next regular work shift. If immediate documentation is necessary, the Watch Commander will direct the employee to complete the memorandum at a time that is appropriate.
- If the off-duty incident involving the employee results in the employee's arrest or could result in disciplinary action, all provisions of the Peace Officers' Bill of Rights and Burbank Glendale Pasadena Airport Authority Police Department policy shall be followed.

Officers should cooperate fully with the agency having jurisdiction in providing statements or reports as requested or as appropriate.

# Gun Violence Restraining Orders

## 337.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for petitioning and serving gun violence restraining orders and accounting for the firearms obtained pursuant to those orders (Penal Code § 18108).

### 337.1.1 DEFINITIONS

Definitions related to this policy include:

**Gun violence restraining order** - Civil restraining order prohibiting a named person from controlling, owning, purchasing, possessing, receiving, or otherwise having custody of any firearms or ammunition, including an ammunition magazine (Penal Code § 18100).

## 337.2 POLICY

It is the policy of the Burbank Glendale Pasadena Airport Authority Police Department to petition for and serve gun violence restraining orders in compliance with state law and to properly account for firearms and ammunition obtained by the Department pursuant to such orders.

## 337.3 GUN VIOLENCE RESTRAINING ORDERS

An officer who reasonably believes a person is a present danger to self or another person by controlling, owning, purchasing, possessing, receiving, or otherwise having custody of a firearm may request permission from the officer's supervisor to petition the court for a gun violence restraining order.

Officers petitioning the court should use the forms established by the Judicial Council (Penal Code § 18105). ### 400.3 INFORMATION SHARING

To the extent feasible, all information relevant to the mission of the Department should be shared among all divisions and specialized units on a timely basis. Members should be provided with opportunities on a regular basis to share information during the daily roll calls and to attend roll calls of other divisions or specialized units.

Additionally, information should be shared with outside agencies and the public in conformance with department policies and applicable laws. Members are encouraged to share information with other units and divisions.

A patrol supervisor should be notified when it becomes reasonably foreseeable that such an event may require increased monitoring, contact or intervention.

Officers responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action.

Generally, officers should consider seeking compliance through advisements and warnings for minor violations and should reserve greater enforcement options for more serious violations or when voluntary compliance with the law is not achieved.

Officers are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety/order concerns.

### *Patrol Function*

---

Officers should consider enforcement of applicable state and local laws, such as Penal Code 602.1 (obstructing or intimidating business operators), when the activity blocks the entrance or egress of a facility or location and when voluntary compliance with the law is not achieved.

The stop data report should be completed by the end of the officer's shift or as soon as practicable (11 CCR 999.227).

##### **401.4.3 DISCLOSURE AND DOCUMENTATION OF TRAFFIC OR PEDESTRIAN STOP**

An officer conducting a traffic or pedestrian stop shall state the reason for the stop prior to questioning the individual related to a criminal investigation or traffic violation unless the officer reasonably believes that withholding the reason for the stop is necessary to protect life or property from imminent threat, including but not limited to cases of terrorism or kidnapping (Vehicle Code § 2806.5).

Officers shall document the reason for the stop on any citation or report (Vehicle Code § 2806.5).

Roll Call training materials and a curriculum or summary shall be forwarded to the Training Sergeant for inclusion in training records, as appropriate.

## Crime and Disaster Scene Integrity

### 403.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance in handling a major crime or disaster.

### 403.2 POLICY

It is the policy of the Burbank Glendale Pasadena Airport Authority Police Department to secure crime or disaster scenes so that evidence is preserved, and to identify and mitigate the dangers associated with a major crime or disaster scene for the safety of the community and those required to enter or work near the scene.

### 403.3 SCENE RESPONSIBILITY

The first officer at the scene of a crime or major incident is generally responsible for the immediate safety of the public and preservation of the scene. Officers shall also consider officer safety and the safety of those persons entering or exiting the area, including those rendering medical aid to any injured parties. Once an officer has assumed or been assigned to maintain the integrity and security of the crime or disaster scene, the officer shall maintain the crime or disaster scene until he/she is properly relieved by a supervisor or other designated person.

### 403.4 FIRST RESPONDER CONSIDERATIONS

The following list generally describes the first responder's function at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation:

- (a) Broadcast emergency information, including requests for additional assistance and resources.
- (b) Provide for the general safety of those within the immediate area by mitigating, reducing or eliminating threats or dangers.

---

log, the assigned officer shall prepare a supplemental report documenting his/her actions. The Major Incident Entry Log shall be attached to the original or supplemental report and submitted to the Watch Commander for approval.

#### **403.5 SEARCHES**

Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims, and to determine if suspects are present and continue to pose a threat. Once officers are satisfied that no additional suspects are present and/or there are no injured persons to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until additional or alternate authority for the search is obtained, such as consent or a search warrant.

##### **403.5.1 CONSENT**

When possible, officers should seek written consent to search from authorized individuals. However, in the case of serious crimes or major investigations, it may be prudent to also obtain a search warrant. Consent as an additional authorization may be sought, even in cases where a search warrant has been granted.

#### **403.6 EXECUTION OF HEALTH ORDERS**

Any sworn member of this department is authorized to enforce all orders of the local health officer that have been issued for the purpose of preventing the spread of any contagious, infectious or communicable disease (Health and Safety Code § 120155).

#### **403.7 TEMPORARY FLIGHT RESTRICTIONS**

Crime and disaster scenes can sometimes attract news helicopters and other sightseeing aircraft. Whenever such aircraft pose a threat to public safety, the field supervisor should consider requesting a Temporary Flight Restriction (TFR) through the Federal Aviation Administration (Federal Aviation Regulations § 91.137). All requests implementing a TFR should be directed through Airport Operations and to BUR FAA Control Tower.

## Ride-Along Policy

### 404.1 PURPOSE AND SCOPE

#### 404.1.1 ELIGIBILITY

The Airport Authority Police Department will actively recruit candidates for the position of Police Officer, and in so doing will need a fair and impartial process that is intended to identify, assess and authorize individuals who meet the following acceptable criteria to be considered as guest riders/ride along observers.

As a general rule, guest riders/ride along observers will NOT be permitted or allowed. Members of the Burbank Airport Police Department are entrusted with providing police services to a high security facility with areas frequented that are not accessible to the general public without first receiving security clearances.

Exceptions:

- The person requesting to be a guest rider/ride along, must be actively pursuing a career in law enforcement as a Burbank Airport Police Officer or employee.
- Ride Along Guest Riders must be verifiable adults, and only, with the expressed permission of the Chief of Police, shall a minor be permitted to be a guest rider or ride along observer.

### *Ride-Along Policy*

---

- (f) Ride-along guests must be verifiable adults, and only, with the expressed permission of the Chief of Police, or his designate, shall a juvenile/minor be permitted to be a guest rider. In such a circumstance, the juvenile must have his/her parent or legal guardian sign the waiver form in the presence and witnessed by the on-duty Watch Commander. Failure to witness this waiver signing by a parent or legal guardian will invalidate any permission for a minor/juvenile to be a guest observer.

All ride-alongs are documented upon the Watch Commander's Log and Shift Report.

#### **404.2.1 SUITABLE ATTIRE**

Any person approved to ride along is required to be suitably dressed in clean attire such as a collared shirt, blouse or jacket, slacks and shoes. Sandals, T-shirts, tank tops, shorts, halter or low-cut tops, and ripped or torn blue jeans are not permitted. Hats and ball caps will not be worn in the police vehicle. The Watch Commander or field supervisor may refuse a ride along to anyone not properly dressed.

#### **404.2.2 PEACE OFFICER RIDE-ALONGS**

Off-duty members of this Department or any other law enforcement agency will not be permitted to ride-along with on-duty officers without the expressed consent of the Watch Commander. In the event that such a ride-along is permitted, the off-duty employee shall not be considered on-duty and shall not represent themselves as a peace officer or participate in any law enforcement activity except as emergency circumstances may require.

#### **404.3 HOST OFFICER'S RESPONSIBILITY**

The host officer shall not allow or facilitate ride-alongs unless they have been officially authorized by the Department. Prior to accepting a ride-along, it is the responsibility of the host officer to ensure that the proper screening of the ride-along has been conducted and that the ride-along has signed the required liability waivers. The waiver forms shall be forwarded to the Watch Commander prior to the ride-along. The officer shall advise the dispatcher that a ride-along is present in the vehicle before going into service. The host officer should conduct a building tour.

The host officer is responsible to advise the ride-along of the requirements of this policy.

Officers shall consider the safety of the ride-along at all times. In the event of a dangerous or potentially dangerous encounter, the host officer shall make every reasonable effort to keep the ride-along a safe distance from the scene. The ride-along should be dropped off at a safe, well-lighted location prior to responding. When selecting a suitable location, host officers will evaluate the time of day, the location where the ride-along is being left, and the relative safety of the location.

The host officer shall notify the desk of the location of the ride-along and shall make arrangements to reunite with the ride-along as soon as possible after the incident. The ride-along may be continued or terminated at this time.

A host officer with a ride-along shall not become involved in a pursuit except in exigent circumstances where no viable alternative exists.

### *Ride-Along Policy*

---

#### **404.4 CONTROL OF RIDE-ALONG**

The assigned employee shall maintain control over the ride-along at all times and instruct him/her in the conditions that necessarily limit their participation. These instructions should include:

- (a) The ride-along will follow the directions of the officer
- (b) The ride-along will not become involved in any investigation, handling of evidence, discussions with victims or suspects, or handling any police equipment
- (c) The ride-along may terminate the ride at any time and the officer may return the observer to their home or to the station if the ride-along interferes with the performance of the officer's duties
- (d) Ride-alongs may be allowed to continue riding during the transportation and booking process provided this does not jeopardize their safety
- (e) Ride-alongs should be escorted to the control room of the jail and shall not be permitted to enter the area of the jail which arrestees are processed or housed.
- (f) Officers will not allow any ride-alongs to be present in any residences or situations that would jeopardize their safety or cause undue stress or embarrassment to a victim or any other citizen
- (g) Under no circumstance shall a civilian ride along be permitted to enter a private residence with an officer without the expressed consent of the resident or other authorized person

#### **404.5 TERMINATION OF RIDE-ALONG**

Host officers should report any ride-along conduct which violates this policy to a supervisor. A supervisor may terminate a ride-along for conduct:

- (a) Which violates this policy; or
- (b) Endangers the ride-along, the officer, or the public; or

# Hazardous Material Response

## 405.1 PURPOSE AND SCOPE

Exposure to hazardous materials presents potential harm to department members and the public. This policy outlines the responsibilities of members who respond to these events and the factors that should be considered while on-scene, including the reporting of exposures and supervisor responsibilities. To comply with 8 CCR § 5194, the following is to be the policy of this department.

### 405.1.1 DEFINITIONS

Definitions related to this policy include:

**Hazardous material** – A substance which, by its nature, containment, or reactivity, has the capability of inflicting harm during exposure; characterized as being toxic, corrosive, flammable, reactive, an irritant or strong sensitizer and thereby posing a threat to health when improperly managed.

## 405.2 HAZARDOUS MATERIAL RESPONSE

Members may encounter situations involving suspected hazardous materials, such as at the scene of a traffic accident, chemical spill, or fire. When members come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and citizens.

The following steps should be considered at any scene involving suspected hazardous materials:

- (a) Attempt to identify the type of hazardous substance. (Identification can be determined by placard, driver's manifest, or statements from the person transporting).
- (b) Notify the fire department.
- (c) Provide first-aid for injured parties if it can be done safely and without contamination.
- (d) Begin evacuation of the immediate area and surrounding areas, depending on the substance. Voluntary evacuation should be considered; however, depending on the substance, mandatory evacuation may be necessary.
- (e) Notify the local health authority. Such notification is mandatory when a spilled or released item is a pesticide (Health and Safety Code § 105215).
- (f) Notify the Department of Toxic Substances Control. This is mandatory when an officer comes in contact with, or is aware of, the presence of a suspected hazardous substance at a site where an illegal controlled substance is or was manufactured (Health and Safety Code § 79355).

## 405.3 REPORTING EXPOSURE

Department members who believe that they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the member in an employee memorandum that shall be forwarded via chain of command to the Watch Commander as soon as practicable. Should the affected member be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the report.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Hazardous Material Response*

---

Injury or illness caused or believed to be caused from exposure to hazardous materials shall be reported the same as any other on-duty injury or illness in addition to a crime report or incident report as applicable.

#### 405.3.1 SUPERVISOR RESPONSIBILITY

When a supervisor has been informed that a member has been exposed to a hazardous material, the supervisor shall ensure that immediate medical treatment is obtained and appropriate action is taken to lessen the exposure.

To ensure the safety of members, safety equipment is available through supervisory personnel. Safety items not maintained by the Department will be obtained through the fire department.

#### 405.3.2 POST-INCIDENT RESPONSE

A Police Department supervisory/management representative shall participate in any debriefing or post-incident analysis. Any conclusions or critique shall be brought to the attention of the Training Sergeant to assess future training needs.

#### 405.3.3 AWARENESS TRAINING

All officers shall receive hazardous materials training to recognize a hazardous situation and immediately implement basic procedures to secure the scene and prevent unauthorized or unknowing persons from entering into a possible contamination until personnel with the technical ability can assess the situation. Officers also need to understand basic self-protection measures for themselves and others.

# Hostage and Barricade Incidents

## 406.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

### 406.1.1 DEFINITIONS

Definitions related to this policy include:

**Barricade situation** - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

**Hostage situation** - An incident where it is reasonable to believe a person is:

- (a) Unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.
- (b) Unlawfully held against his/her will under threat or actual use of force.

## 406.2 POLICY

It is the policy of the Burbank Glendale Pasadena Airport Authority Police Department to address hostage and barricade situations with the highest regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

## 406.3 COMMUNICATION

When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Officers should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

When available, department-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands and the available resources.

#### 406.3.1 EMERGENCY COMMUNICATIONS

Only an officer who has been designated by the District Attorney or Attorney General may use or authorize the use of an electronic amplifying or recording device to eavesdrop on or record, or both, oral communication in response to an emergency situation involving a hostage or the barricading of a location, and only when (Penal Code § 633.8(b)):

- (a) The officer reasonably determines an emergency situation exists that involves the immediate danger of death or serious physical injury to any person within the meaning of 18 USC § 2518(7)(a)(i),
- (b) The officer reasonably determines that the emergency situation requires that eavesdropping on oral communication occur immediately, and
- (c) There are grounds upon which an order could be obtained pursuant to 18 USC § 2516(2).
- (d) An application for an order approving the eavesdropping and complying with the requirements of Penal Code § 629.50 is made within 48 hours of the beginning of the eavesdropping.
- (e) The contents of any oral communications overheard are recorded on tape or other comparable device.

#### 406.4 FIRST RESPONDER CONSIDERATIONS

First responding officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding officer should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

The handling officer should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

#### 406.4.1 BARRICADE SITUATION

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. During the interim, on scene personnel should continually collect information or intelligence related to the incident and should consider the following options, while not all-inclusive or in any particular order:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.

# Burbank Glendale Pasadena Airport Authority Police Department

- (g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.
- (h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (i) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Public Information Officer (PIO).
- (j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.
- (k) Establish a command post.

#### 406.4.2 HOSTAGE SITUATION

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats. The following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).
- (d) Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.
- (e) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).

### *Hostage and Barricade Incidents*

---

- (f) Provide responding emergency personnel with a safe arrival route to the location.
- (g) Evacuate uninjured persons in the immediate threat area if it is reasonably safe to do so.
- (h) Coordinate pursuit or surveillance vehicles and control of travel routes.
- (i) Attempt to obtain a line of communication and gather as much information about the suspect as possible, including any weapons, victims and their injuries, additional hazards, other involved parties and any other relevant intelligence information.
- (j) Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.
- (k) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (l) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the PIO.
- (m) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

#### **406.5 SUPERVISOR RESPONSIBILITIES**

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander until properly relieved. This includes requesting a SWAT response if appropriate and apprising the SWAT Commander of the circumstances. In addition, the following options should be considered:

- (a) Ensure injured persons are evacuated and treated by medical personnel.
  - (b) Ensure the completion of necessary first responder responsibilities or assignments.
  - (c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.
  - (d) Establish a command post location as resources and circumstances permit.
  - (e) Designate assistants who can help with intelligence information and documentation of the incident.
  - (f) If it is practicable to do so, arrange for video documentation of the operation.
  - (g) Consider contacting utility and communication providers to restrict such services (e.g., restricting electric power, gas, telephone service).
1. When considering restricting communication services, a supervisor should make the determination that there is reason to believe an emergency situation exists involving immediate danger of death or great bodily harm and that an interruption to communication services is necessary to protect public safety (Penal Code § 11471). The supervisor must ensure the Department obtains a court order, in accordance with Penal Code § 11472, prior to requesting the interruption. In the case of an extreme emergency when there is insufficient time to obtain an order

### *Hostage and Barricade Incidents*

---

prior to the request, application for the order must be submitted within six hours after initiating the interruption. If six hours is not possible, then the application for the court order shall be made at the first reasonably available opportunity, but no later than 24 hours in accordance with Penal Code § 11475.

- (h) Ensure adequate law enforcement coverage for the remainder of the Airport Authority during the incident. The supervisor should direct non-essential personnel away from the scene unless they have been summoned by the supervisor or the Communications Center.
- (i) Identify a media staging area outside the outer perimeter and have the department Public Information Officer or a designated temporary media representative provide media access in accordance with the Media Relations Policy.
- (j) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.
- (k) Debrief personnel and review documentation as appropriate.

#### **406.6 REPORTING**

The Incident Commander shall be responsible for assigning reporting responsibilities and/or coordinating the completion of incident reports.

## Response to Bomb Calls

### 407.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to assist members of the Burbank Glendale Pasadena Airport Authority Police Department in their initial response to incidents involving explosives, explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

### 407.2 POLICY

It is the policy of the Burbank Glendale Pasadena Airport Authority Police Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

### 407.3 RECEIPT OF BOMB THREAT

Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement and alleged detonation time of the device.

The following questions should be asked if a call of a bomb threat is received at the Police Department:

- (a) When is the bomb going to explode?
- (b) Where is the bomb?
- (c) What kind of bomb is it?
- (d) What does it look like?
- (e) Why did you place the bomb?
- (f) Who are you? (to avoid possible termination of the call this should be the last question asked)

Attempt to keep the caller on the line as long as possible and obtain expanded answers to these five basic questions. During this time, document the following:

- (a) Time of the call.
- (b) Exact words of the person as accurately as possible.
- (c) Estimated age and gender of the caller.
- (d) Speech patterns and/or accents.
- (e) Background noises.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Response to Bomb Calls*

---

The member receiving the bomb threat should ensure that the Watch Commander is immediately advised and informed of the details. This will enable the Watch Commander to ensure that the appropriate personnel are dispatched, and, as appropriate, the threatened location is given an advance warning.

#### **407.4 GOVERNMENT FACILITY OR PROPERTY**

A bomb threat targeting a government facility may require a different response based on the government agency.

##### **407.4.1 BURBANK GLENDALE PASADENA AIRPORT AUTHORITY POLICE DEPARTMENT FACILITY**

If the bomb threat is against the Burbank Glendale Pasadena Airport Authority Police Department facility, the Watch Commander will direct and assign officers as required for coordinating a general building search or evacuation of the terminal, as he/she deems appropriate.

#### **407.5 PRIVATE FACILITY OR PROPERTY**

When a member of this department receives notification of a bomb threat at a location in the Airport Authority of Burbank-Glendale-Pasadena Airport Authority, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.
- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.
- (d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting police assistance at the facility.
- (f) Whether there are any internal facility procedures regarding bomb threats in place, such as:
  - 1. No evacuation of personnel and no search for a device.
  - 2. Search for a device without evacuation of personnel.
  - 3. Evacuation of personnel without a search for a device.
  - 4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that the Watch Commander is immediately notified so that he/she can communicate with the person in charge of the threatened facility.

##### **407.5.1 ASSISTANCE**

The Watch Commander should be notified when police assistance is requested. The Watch Commander will make the decision whether the Department will render assistance and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including police control over the facility.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Response to Bomb Calls*

---

Should the Watch Commander determine that the Department will assist or control such an incident, he/she will determine:

- (a) The appropriate level of assistance.
- (b) The plan for assistance.
- (c) Whether to evacuate and/or search the facility.
- (d) Whether to involve facility staff in the search or evacuation of the building.
  - 1. The person in charge of the facility should be made aware of the possibility of damage to the facility as a result of a search.
  - 2. The safety of all participants is the paramount concern.
- (e) The need for additional resources, including:
  - 1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request police assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

#### **407.6 FOUND EXPLOSIVES/SUSPECT DEVICES**

When handling an incident involving a suspected explosive device, the following guidelines, while not all inclusive, should be followed:

- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Search the area for secondary devices as appropriate and based upon available resources.

### *Response to Bomb Calls*

---

- (h) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (i) Promptly relay available information to the Watch Commander including:
  - 1. The time of discovery.
  - 2. The exact location of the device.
  - 3. A full description of the device (e.g., size, shape, markings, construction).
  - 4. The anticipated danger zone and perimeter.
  - 5. The areas to be evacuated or cleared.

#### **407.7 EXPLOSION/BOMBING INCIDENTS**

When an explosion has occurred, there are multitudes of considerations that may confront the responding officers. As in other catastrophic events, a rapid response may help to minimize injury to victims, minimize contamination of the scene by gathering crowds, or minimize any additional damage from fires or unstable structures. Whether the explosion was the result of an accident or a criminal act, the responding officers should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and the extent of injuries.
- (b) Be vigilant to the possibility of secondary devices, specifically around likely evacuation sites.
- (c) Request additional resources as needed.
- (d) Identify and take appropriate precautions to mitigate scene hazards such as collapsed structures, blood-borne pathogens, hazardous materials, and secondary explosive devices.
- (e) Establish a Command Post and staging area.
- (f) Identify witnesses.
- (g) Assist with first aid when appropriate (Fire Department has primary responsibility).
- (h) Assist with evacuation of victims when appropriate (Fire Department has primary responsibility).
- (i) Preserve evidence.

##### **407.7.1 CONSIDERATIONS**

Officers responding to explosions, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries.
- (b) Request additional personnel and resources, as appropriate.

#### 407.7.3 CROWD CONTROL

Only authorized members with a legitimate need should be permitted access to the scene. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

#### 407.7.4 PRESERVATION OF EVIDENCE

As in any other crime scene, steps should immediately be taken to preserve the scene. The Watch Commander should assign officers to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact that evidence may be imbedded in nearby structures or hanging in trees and bushes.

## Crisis Intervention Incidents

### 408.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

#### 408.1.1 DEFINITIONS

Definitions related to this policy include:

**Person in crisis** - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage his/her behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; non-compliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive or dangerous behavior that may be accompanied by impaired judgment.

### 408.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

### 408.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility or paranoia

### *Crisis Intervention Incidents*

---

Members should be aware that this list is not exhaustive. The presence or absence of any of these should not be treated as proof of the presence or absence of a mental health issue or crisis.

#### **408.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS**

The Chief of Police should designate an appropriate Commander to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources, to guide department interaction with those who may be suffering from mental illness or who appear to be in a mental health crisis.

#### **408.5 FIRST RESPONDERS**

Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to officers; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer's authority to use reasonable force when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises and unusual behavior alone are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer responding to a call involving a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request available backup officers and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.
- (d) Attempt to determine if weapons are present or available.
  - 1. Prior to making contact, and whenever possible and reasonable, conduct a search of the Department of Justice Automated Firearms System via the California Law Enforcement Telecommunications System (CLETS) to determine whether the person is the registered owner of a firearm (Penal Code § 11106.4).
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the officer.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime.
- (i) Request a supervisor, as warranted.
- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.

### *Crisis Intervention Incidents*

---

- (k) If circumstances reasonably permit, consider and employ alternatives to force.

#### **408.6 DE-ESCALATION**

Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm, courteous and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (e.g., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding officers generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

#### **408.7 INCIDENT ORIENTATION**

When responding to an incident that may involve mental illness or a mental health crisis, the officer should request that the dispatcher provide critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.
- (b) Whether there have been prior incidents, suicide threats/attempts, and whether there has been previous police response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

#### **408.8 SUPERVISOR RESPONSIBILITIES**

A supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

### *Crisis Intervention Incidents*

---

- (a) Attempt to secure appropriate and sufficient resources.
- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).
- (c) Consider strategic disengagement. Absent an imminent threat to the public and, as circumstances dictate, this may include removing or reducing law enforcement resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing, and prepare an after-action evaluation of the incident to be forwarded to the Commander.

Evaluate whether a critical incident stress management debriefing for involved members is warranted.

#### **408.9 INCIDENT REPORTING**

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

##### **408.9.1 DIVERSION**

Individuals who are not being arrested should be processed in accordance with the Mental Illness Commitments Policy.

#### **408.10 CIVILIAN INTERACTION WITH PEOPLE IN CRISIS**

Civilian members may be required to interact with persons in crisis in an administrative capacity, such as dispatching, records request, and animal control issues.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may be harmful to him/herself or others, an officer should be promptly summoned to provide assistance.

### *Crisis Intervention Incidents*

---

#### **408.11 EVALUATION**

The Commander designated to coordinate the crisis intervention strategy for this department should ensure that a thorough review and analysis of the department response to these incidents is conducted annually. The report will not include identifying information pertaining to any involved individuals, officers or incidents and will be submitted to the Chief of Police through the chain of command.

#### **408.12 TRAINING**

In coordination with the mental health community and appropriate stakeholders, the Department will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

This department will endeavor to provide Peace Officer Standards and Training (POST)-approved advanced officer training on interaction with persons with mental disabilities, welfare checks and crisis intervention (Penal Code § 11106.4; Penal Code § 13515.25; Penal Code § 13515.27; Penal Code § 13515.30).

# Mental Illness Commitments

## 409.1 PURPOSE AND SCOPE

This policy provides guidelines for when officers may take a person into custody for psychiatric evaluation and treatment (5150 commitment) (Welfare and Institutions Code § 5150). The commitment of a person under §5150 does not constitute an arrest. If an officer believes that a person falls within the provisions of Welfare and Institutions Code §5150, He or she shall transport that person to the designated facility for evaluation and commitment.

## 409.2 POLICY

It is the policy of the Burbank Glendale Pasadena Airport Authority Police Department to protect the public and individuals through legal and appropriate use of the 72-hour treatment and evaluation commitment (5150 commitment) process.

## 409.3 AUTHORITY

An officer having probable cause may take a person into custody and place the person in an approved mental health facility for 72-hour treatment and evaluation when the officer believes that, as a result of a mental disorder, the person is a danger to him/herself or others or the person is gravely disabled (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5585.50).

When determining whether to take a person into custody, officers are not limited to determining the person is an imminent danger and shall consider reasonably available information about the historical course of the person's mental disorder, which may include evidence presented from any of the following (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05):

- (a) An individual who is providing or has provided mental health treatment or related support services to the person
- (b) A family member
- (c) The person subject to the determination or anyone designated by the person

### 409.3.1 VOLUNTARY EVALUATION

If an officer encounters an individual who may qualify for a 5150 commitment, he/she may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the person so desires, the officers should:

- (a) Transport the person to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to a 5150 commitment.
- (b) If at any point the person changes his/her mind regarding voluntary evaluation, officers should proceed with the 5150 commitment, if appropriate.
- (c) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

### *Mental Illness Commitments*

---

#### **409.4 CONSIDERATIONS AND RESPONSIBILITIES**

Any officer handling a call involving an individual who may qualify for a 5150 commitment should consider, as time and circumstances reasonably permit:

- (a) Available information that might assist in determining the cause and nature of the person's action or stated intentions.
- (b) Community or neighborhood mediation services.
- (c) Conflict resolution and de-escalation techniques.
- (d) Community or other resources available to assist in dealing with mental health issues.
- (e) Utilization of the Burbank Police Department Mental Health Evaluation Team (MHET), when available, or any available community resources that can assist with a mentally disabled person.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others.

Officers should consider a 5150 commitment over arrest when mental health issues appear to be a mitigating factor for people who are suspected of committing minor crimes or creating other public safety issues.

Non-emergency cases are not normally handled by the police, however officers may advise a relative or guardian of the proper procedure as follows:

- (a) Persons requesting information relative to filing an application for petition on behalf of the mentally ill person, drug addict, or inebriate, shall be referred to the Los Angeles County Mental Health PET Team of the USC Medical Center in Los Angeles.
- (b) Non-emergency cases include mentally ill persons who are desirous of committing themselves to a facility.
- (c) If a court order is issued to commit a mentally ill person, this "order of Apprehension" must be signed by a superior court judge and will be served by the Mental Health Detail of the Los Angeles County Sheriff's Department.

If a mentally ill person of a non-emergency nature is to be admitted, the relative, guardian, or physical must make their own arrangements for transportation.

When an alleged mentally ill person does not meet the requirements for an emergency admission to a hospital of psychiatric unit, the patient or responsible party should be referred to the Los Angeles County Department of Mental Health.

#### **409.4.1 SECURING OF PROPERTY**

When a person is taken into custody for evaluation, or within a reasonable time thereafter, and unless a responsible relative, guardian or conservator is in possession of the person's personal property, the officer shall take reasonable precautions to safeguard the individual's personal property in his/her possession or on the premises occupied by the person (Welfare and Institutions Code § 5150).

### *Mental Illness Commitments*

---

The officer taking the person into custody shall provide a report to the court that describes the person's property and its disposition in the format provided in Welfare and Institutions Code § 5211, unless a responsible person took possession of the property, in which case the officer shall only include the name of the responsible person and the location of the property (Welfare and Institutions Code § 5150).

#### **409.5 TRANSPORTATION**

When transporting any individual for a 5150 commitment, the transporting officer should have the Communications Center notify the receiving facility of the estimated time of arrival, the level of cooperation of the individual and whether any special medical care is needed.

Officers may transport individuals in a patrol unit and shall secure them in accordance with the Handcuffing and Restraints Policy. Should the detainee require transport in a medical transport vehicle and the safety of any person, including the detainee, requires the presence of an officer during the transport, Watch Commander approval is required before transport commences.

#### **409.6 TRANSFER TO APPROPRIATE FACILITY**

Upon arrival at the facility, the officer will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking treatment voluntarily, the officer should provide the staff member with the written application for a 5150 commitment and remain present to provide clarification of the grounds for detention, upon request.

Absent exigent circumstances, the transporting officer should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported and delivered while restrained, the officer may assist with transferring the individual to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, officers will not apply facility-ordered restraints.

#### **409.7 DOCUMENTATION**

The officer shall complete an application for a 72-Hour detention for evaluation and treatment, provide it to the facility staff member assigned to that patient and retain a copy of the application for inclusion in the case report.

The application shall include the circumstances for officer involvement; the probable cause to believe the person is, as a result of a mental health disorder, a danger to others or him/herself or gravely disabled; and all information used for the determination of probable cause (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05).

The officer should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

##### **409.7.1 ADVISEMENT**

The officer taking a person into custody for evaluation shall advise the person of:

- (a) The officer's name and agency.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Mental Illness Commitments*

---

- (b) The fact that the person is not under criminal arrest but is being taken for examination by mental health professionals and the mental health staff will advise him/her of their rights.
- (c) The name of the facility to which the person is being taken.
- (d) If the person is being taken into custody at his/her residence, he/she should also be advised that he/she may take a few personal items, which the officer must approve, and may make a telephone call or leave a note indicating where he/she is being taken. The officer should also ask if the person needs assistance turning off any appliance or water.

The advisement shall be given in a language the person understands. If the person cannot understand an oral advisement, the information shall be provided in writing (Welfare and Institutions Code § 5150).

#### **409.8 CRIMINAL OFFENSES**

Officers investigating an individual who is suspected of committing a minor criminal offense and who is being taken on a 5150 commitment should resolve the criminal matter by issuing a warning or a Notice to Appear as appropriate.

When an individual who may qualify for a 5150 commitment has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the officer should:

- (a) Arrest the individual when there is probable cause to do so.
- (b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the 5150 commitment.
- (c) Facilitate the individual's transfer to jail.
- (d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for a 5150 commitment.

In the supervisor's judgment, the individual may instead be arrested or booked and transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this department to regain custody of the individual, department resources (e.g., posting a guard) and other relevant factors in making this decision.

#### **409.9 FIREARMS AND OTHER WEAPONS**

Whenever a person is taken into custody for a 5150 commitment, the handling officers should seek to determine if the person owns or has access to any firearm or other deadly weapon defined in Welfare and Institutions Code § 8100. Officers should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent).

Officers are cautioned that a search warrant may be needed before entering a residence or other place to search, unless lawful, warrantless entry has already been made (e.g., exigent

circumstances, consent). A search warrant may also be needed before searching for or seizing weapons.

For purposes of this section, deadly weapon means any weapon, the possession of which or carrying while concealed, is prohibited by Penal Code § 16590.

The handling officers shall issue a receipt describing the deadly weapon or any firearm seized, and list any serial number or other identification that is on the firearm. Officers shall advise the person of the procedure for the return of any firearm or other weapon that has been taken into custody (Welfare and Institutions Code § 8102 (b)) (see Property and Evidence Policy).

#### **409.9.1 PETITION FOR RETURN OF FIREARMS AND OTHER WEAPONS**

Whenever the handling officer has cause to believe that the future return of any confiscated weapon might endanger the person or others, the officer shall detail those facts and circumstances in a report. The report shall be forwarded to the Burbank Police Department, which shall be responsible for initiating a petition to the Superior Court for a hearing in accordance with Welfare and Institutions Code § 8102(c), to determine whether the weapon will be returned.

#### **409.10 TRAINING**

This department will endeavor to provide Peace Officer Standards and Training (POST)-approved advanced officer training on interaction with persons with mental disabilities, 5150 commitments and crisis intervention.

## Cite and Release Policy

### 410.1 PURPOSE AND SCOPE

This policy provides guidance on when to release adults who are arrested for a criminal misdemeanor offense on a written notice to appear (citation) and when to hold for court or bail.

### 410.2 POLICY

It is the policy of the Burbank Glendale Pasadena Airport Authority Police Department to release all persons arrested on misdemeanor or other qualifying charges on a citation with certain exceptions (Penal Code § 853.6).

If there is a reason for non-release, the Department's mission to protect the community will be the primary consideration when determining whether to release any individual in lieu of holding for court or bail.

### 410.3 RELEASE BY CITATION

Except in cases where a reason for non-release as described below exists, adults arrested for a misdemeanor offense, including a private person's arrest, shall be released from custody on a citation (Penal Code § 853.6).

The citing officers shall, at the time the defendant signs the notice to appear, call attention to the time and place for appearance and take any other steps they deem necessary to ensure that the defendant understands their written promise to appear.

#### 410.3.1 FIELD CITATIONS

In most cases an adult arrested for a misdemeanor offense may be released in the field on a citation in lieu of physical arrest when booking and fingerprinting is not practicable or immediately required provided the individual can be satisfactorily identified, there is no outstanding arrest warrant for the individual and none of the below described disqualifying circumstances are present (Penal Code § 853.6; Penal Code § 1270.1). In such cases the arresting officer should check the booking required box on the citation form to indicate that the person will be photographed and fingerprinted at a later time when ordered by the court.

When a booking photo or fingerprints are needed for the furtherance of any investigation, the person should be released on citation after booking instead of on a field citation.

#### 410.3.2 RELEASE AFTER BOOKING

In some cases it may not be feasible or desirable to release a person arrested for misdemeanor offenses in the field. The person should instead be released on citation after booking at the jail. All bookings shall be approved by the Watch Commander.

Any person arrested for a misdemeanor offense shall be released on his/her written promise to appear after the booking procedure is completed, unless disqualified for reasons listed below.

### 410.4 NON-RELEASE

### *Cite and Release Policy*

---

#### 410.4.1 DISQUALIFYING OFFENSES

An adult arrested on any of the following disqualifying charges shall not be released on citation and shall be transported to the appropriate detention facility or held for court or bail after booking (Penal Code § 1270.1):

- (a) Misdemeanor domestic battery (Penal Code § 243(e)(1))
- (b) Felony domestic battery (Penal Code § 273.5)
- (c) Serious or violent felonies (Penal Code § 1270.1(a)(1))
- (d) Felony intimidation of witnesses and victims (Penal Code § 136.1)
- (e) Violation of a protective order and the arrested person has made threats, used violence, or has gone to the protected person's workplace or residence (Penal Code § 273.6)
- (f) Stalking (Penal Code § 646.9)
- (g) Misdemeanor violations of a protective order relating to domestic violence if there is a reasonable likelihood the offense will continue or the safety of the individuals or property would be endangered (Penal Code § 853.6)

#### 410.4.2 REASONS FOR NON-RELEASE

A person arrested for a misdemeanor shall be released on a citation unless there is a reason for non-release. The Watch Commander may authorize a release on citation regardless of whether a reason for non-release exists when it is determined to be in the best interest of the Department and does not present an unreasonable risk to the community (e.g., release of an intoxicated or ill person to a responsible adult).

Reasons for non-release include (Penal Code § 853.6(i)):

- (a) The person arrested is so intoxicated that they could be a danger to themselves or to others. Release may occur as soon as this condition no longer exists.
- (b) The person arrested requires medical examination or medical care or is otherwise unable to care for their own safety.
- (c) The person is arrested for one or more of the offenses listed in Vehicle Code § 40302, Vehicle Code § 40303, and Vehicle Code § 40305.
- (d) There are one or more outstanding arrest warrants for the person (see Misdemeanor Warrants elsewhere in this policy).
- (e) The person could not provide satisfactory evidence of personal identification.
  - 1. If a person released on citation does not have satisfactory identification in their possession, a right thumbprint or fingerprint should be obtained on the citation form.
- (f) The prosecution of the offense or offenses for which the person was arrested or the prosecution of any other offense or offenses would be jeopardized by the immediate release of the person arrested.

- (g) There is a reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be imminently endangered by the release of the person arrested.
- (h) The person arrested demands to be taken before a magistrate or has refused to sign the notice to appear.
- (i) There is reason to believe that the person would not appear at the time and place specified in the notice to appear. The basis for this determination shall be specifically documented. Reasons may include:
  - 1. Previous failure to appear is on record
  - 2. The person lacks ties to the area, such as a residence, job, or family
  - 3. Unusual circumstances lead the officer responsible for the release of arrested persons to conclude that the suspect should be held for further investigation
- (j) A previous conviction, citation, or arrest for misdemeanor or felony retail theft from a store in the previous six months.
- (k) There is probable cause to believe that the person arrested is guilty of committing organized retail theft.

When a person is arrested on a misdemeanor offense and is not released by criminal citation, the reason for non-release shall be noted on the booking form. This form shall be submitted to the Watch Commander for approval and included with the case file in the XXXXXRecordsBureauXXXXX.

#### **410.5 MISDEMEANOR WARRANTS**

Adults arrested on a misdemeanor warrant may be released, subject to Watch Commander approval, unless any of the following conditions exist:

- (a) The misdemeanor cited in the warrant involves violence.
- (b) The misdemeanor cited in the warrant involves a firearm.
- (c) The misdemeanor cited in the warrant involves resisting arrest.
- (d) The misdemeanor cited in the warrant involves giving false information to a peace officer.
- (e) The persons arrested area danger to themselves or others due to intoxication or being under the influence of drugs or narcotics.
- (f) The persons require medical examination or medical care or were otherwise unable to care for their own safety.
- (g) The persons have other ineligible charges pending against themselves.
- (h) There is reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be immediately endangered by the release of the person.
- (i) The person refuses to sign the notice to appear.

### *Cite and Release Policy*

---

- (j) The person cannot provide satisfactory evidence of personal identification.
- (k) The warrant of arrest indicates that the person is not eligible to be released on a notice to appear.

Release under this section shall be done in accordance with the provisions of this policy.

#### **410.6 JUVENILE CITATIONS**

Completion of criminal citations for juveniles is generally not appropriate with the following exceptions:

- Misdemeanor traffic violations of the Vehicle Code
- Violations of Burbank Municipal Code

All other misdemeanor violations for juveniles shall be documented with a case number and the case should be referred to the Burbank Police Department for further action including diversion.

#### **410.7 REQUESTING CASE NUMBERS**

Many cases involving a criminal citation release can be handled without requesting a case number. Traffic situations and local code violations can be documented on the reverse side of the records copy of the citation. Most Penal Code sections will require a case number to document the incident properly in a report. This section does not preclude an officer from requesting a case number if he/she feels the situation should be documented more thoroughly in a case report.

# Foreign Diplomatic and Consular Representatives

## 411.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that members of the Burbank Glendale Pasadena Airport Authority Police Department extend appropriate privileges and immunities to foreign diplomatic and consular representatives in accordance with international law.

## 411.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department respects international laws related to the special privileges and immunities afforded foreign diplomatic and consular representatives assigned to the United States.

All foreign diplomatic and consular representatives shall be treated with respect and courtesy, regardless of any privileges or immunities afforded them.

## 411.3 CLAIMS OF IMMUNITY

If a member comes into contact with a person where law enforcement action may be warranted and the person claims diplomatic or consular privileges and immunities, the member should, without delay:

- (a) Notify a supervisor.
- (b) Advise the person that his/her claim will be investigated and he/she may be released in accordance with the law upon confirmation of the person's status.
- (c) Request the person's identification card, either issued by the U.S. Department of State (DOS), Office of the Chief of Protocol, or in the case of persons accredited to the United Nations, by the U.S. Mission to the United Nations. These are the only reliable documents for purposes of determining privileges and immunities. The following types of identification cards are issued: Diplomatic (blue bordered), Consular (red bordered), and Official (green bordered). The Department of State identification cards are 3-3/4 inch by 1-1/2 inch and contain a photograph of the bearer.

- (e) Verify the immunity status with DOS and follow any instructions regarding further detention, arrest, prosecution and/or release, as indicated by the DOS representative. This may require immediate release, even if a crime has been committed.

Identity or immunity status should not be presumed from the type of license plates displayed on a vehicle. If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state.

#### **411.4 ENFORCEMENT**

.If the DOS is not immediately available for consultation regarding law enforcement action, members shall be aware of the following:

- (a) Generally, all persons with diplomatic and consular privileges and immunities may be issued a citation or notice to appear. The issuance of a citation is not considered an arrest or detention under current Department of State guidelines. However, the person may not be compelled to sign the citation. The claimant shall be requested to sign the Notice to Appear. If the claimant refuses, the identity and immunity status of the individual shall be conclusively established. The word "Refused" shall be entered in the signature box, and the violator shall be released.
- (b) All persons, even those with a valid privilege or immunity, may be reasonably restrained in exigent circumstances for purposes of self-defense, public safety or the prevention of serious criminal acts.
- (c) An impaired foreign diplomatic or consular representative may be prevented from driving a vehicle, even if the person may not be arrested due to privileges and immunities.
  - 1. Investigations, including the request for field sobriety tests, chemical tests and any other tests regarding impaired driving may proceed but they shall not be compelled.
- (d) The following persons may not be detained or arrested, and any property or vehicle owned by these persons may not be searched or seized:
  - 1. Diplomatic-level staff of missions to international organizations and recognized family members
  - 2. Diplomatic agents and recognized family members
  - 3. Members of administrative and technical staff of a diplomatic mission and recognized family members
  - 4. Career consular officers, unless the person is the subject of a felony warrant

  - 1. International organization staff; however, some senior officers are entitled to the same treatment as diplomatic agents.
  - 2. Support staff of missions to international organizations
  - 3. Diplomatic service staff and consular employees; however, special bilateral agreements may exclude employees of certain foreign countries.
  - 4. Honorary consular officers
  - 5. Whenever an officer arrests and incarcerates, or detains for investigation for over two hours, a person with diplomatic and consular privileges and immunities, the officer shall promptly advise the person that he/she is entitled to have his/her government notified of the arrest or detention (Penal Code § 834c). If the individual wants his/her government notified, the officer shall begin the notification process.

# Rapid Response and Deployment

## 412.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist responding officers in situations that call for rapid response and deployment.

## 412.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those that are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Department in protecting themselves or others from death or serious injury.

## 412.3 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to reduce, prevent or eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, officers should take immediate action, if reasonably practicable, while requesting additional assistance.

Officers should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to other incidents at other locations.

When deciding on a course of action officers should consider:

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advance or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual officer from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.
- (e) Whether the officers have the ability to effectively communicate with other personnel or resources.
- (f) Whether planned tactics can be effectively deployed.

### *Rapid Response and Deployment*

---

- (g) The availability of rifles, shotguns, shields, breaching tools, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In a case of a barricaded suspect with no hostages and no immediate threat to others, officers should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).

#### **412.3.1 RESPONSE TO SCHOOL THREATS**

Upon receiving a threat or perceived threat from a school official that involves grades 6 to 12, officers shall immediately investigate and conduct a threat assessment. The investigation shall include a review of the firearm registry of the California Department of Justice. A reasonable search of the school at issue shall be conducted when the search is justified by reasonable suspicion that it would produce evidence related to the threat or perceived threat (Education Code § 49394).

For purposes of this subsection a "threat" or "perceived threat" means any writing or action of a pupil that creates a reasonable suspicion that the pupil is preparing to commit a homicidal act related to school or a school activity. This may include possession, use, or depictions of firearms, ammunition, shootings, or targets in association with infliction of physical harm, destruction, or death in a social media post, journal, class note, or other media associated with the pupil. It may also include a warning by a parent, pupil, or other individual (Education Code § 49390).

## 413.2 POLICY

It is the policy of the Burbank Glendale Pasadena Airport Authority Police Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

## 413.3 VICTIMS AND WITNESSES

To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or California constitutions.

## 413.4 IMMIGRATION INQUIRIES PROHIBITED

Officers shall not inquire into an individual's immigration status for immigration enforcement purposes (Government Code § 7284.6).

An officer who has a reasonable suspicion that an individual already lawfully contacted or detained has committed a criminal violation of 8 USC § 1326(a) (unlawful reentry) that may be subject to an enhancement due to a previous conviction of an aggravated felony under 8 USC § 1326(b) (2), may detain the person for a reasonable period of time to contact federal immigration officials to verify whether the United States Attorney General has granted the individual permission for reentry and whether the violation is subject to enhancement (Government Code § 7284.6). No individual who is otherwise ready to be released should continue to be detained only because questions about the individual's status are unresolved.

If the officer has facts that establish probable cause to believe that a person already lawfully detained has violated 8 USC § 1326(a) and the penalty may be subject to enhancement due to prior conviction for specified aggravated felonies, he/she may arrest the individual for that offense (Government Code § 7284.6).

An officer shall not detain any individual, for any length of time, for any other criminal immigration violation of federal immigration laws (Government Code § 7284.6).

## Emergency Utility Service

### 414.1 PURPOSE AND SCOPE

The Airport Authority Maintenance Department has personnel available to handle emergency calls 24 hours per day. Calls for service during non-business hours are frequently directed to the Police Department. Requests for such service received by this department should be handled pursuant to this policy.

#### 414.1.1 BROKEN WATER LINES

The Airport Authority's responsibility ends at the water meter; any break or malfunction in the water system from the water meter to a business is the customer's (citizen's) responsibility. Public Works can only turn off the valve at the meter. The citizen can normally accomplish this if the citizen knows the location of the meter.

If a break occurs on the Burbank Water and Power side of the meter, emergency personnel should be called as soon as practical by the Communications Center. The Burbank Fire Department has tools necessary to locate and shut off City water valves, including damaged fire hydrants. On-scene police employees may call out the Fire Department in cases where other City crews may have an extended arrival estimate.

#### 414.1.2 ELECTRICAL LINES

When a power line poses a hazard, an officer should be dispatched to contain the hazard and protect against personal injury or property damage that might be caused by power lines. Officers should maintain a safe distance of at least 50 feet. The Electric Company or Public Works should be promptly notified, as appropriate.

The Burbank Fire Department has tools and training necessary to safely provide temporary relief from the hazard. On-scene police employees may call out the Fire Department in cases where other City crews may have an extended arrival estimate. BWP should be promptly notified, as appropriate.

#### 414.1.3 RESERVOIRS, PUMPS, WELLS, ETC.

Public Works maintains the reservoirs and public water equipment, as well as several underpass and other street drainage pumps. In the event of flooding or equipment malfunctions, emergency personnel should be contacted as soon as possible.

#### 414.1.4 EMERGENCY NUMBERS

A current list of emergency personnel who are to be called for municipal utility emergencies is maintained by the Communications Center.

### 414.2 TRAFFIC SIGNAL MAINTENANCE

The Airport Authority contracts with a private maintenance company to furnish maintenance for all traffic signals the Airport Authority property. The City of Burbank Public Works is responsible for the maintenance of all traffic signals within the City.

### *Emergency Utility Service*

---

#### 414.2.1 OFFICER'S RESPONSIBILITY

Upon observing a damaged or malfunctioning signal, the officer will advise the Communications Center of the location and problem with the signal. The dispatcher should make the necessary notification to the proper maintenance agency.

# Aircraft Accidents

- (g) Consider implementation of an Incident Command System (ICS).

## 415.4 INJURIES AND CASUALTIES

Members should address emergency medical issues and provide care as a first priority.

Those tasked with the supervision of the scene should coordinate with the National Transportation Safety Board (NTSB) before the removal of bodies. If that is not possible, the scene supervisor should ensure documentation of what was disturbed, including switch/control positions and instrument/gauge readings.

### *Aircraft Accidents*

---

The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. When an aircraft accident has occurred, it is generally necessary to notify the following:

- (a) Fire department

The NTSB has primary responsibility for investigating accidents involving civil aircraft. In the case of a military aircraft accident, the appropriate branch of the military will have primary investigation responsibility.

After the NTSB or military representative arrives on-scene, the efforts of this department will shift to a support role for those agencies.

If NTSB or a military representative determines that an aircraft or accident does not qualify under its jurisdiction, the on-scene department supervisor should ensure the accident is still appropriately investigated and documented.

# Obtaining Air Support

## 417.1 PURPOSE AND SCOPE

The use of a police helicopter can be invaluable in certain situations. This policy specifies potential situations where the use of a helicopter may be requested and the responsibilities for making a request.

## 417.2 REQUEST FOR HELICOPTER ASSISTANCE

If a supervisor or officer in charge of an incident determines that the use of a helicopter would be beneficial, a request to obtain helicopter assistance may be made.

### 417.2.1 REQUEST FOR ASSISTANCE FROM ANOTHER AGENCY

After consideration and approval of the request for a helicopter, the Watch Commander, or his/her designee, will call the closest agency having helicopter support available. The Watch Commander on duty will apprise that agency of the specific details of the incident prompting the request.

### 417.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED

Police helicopters may be requested under any of the following conditions:

- (a) When the helicopter is activated under existing mutual aid agreements
- (b) For crimes in progress or which have just occurred

# Field Contacts, Pat-Down Searches and Temporary Detentions

## 418.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for temporarily detaining but not arresting persons in the field, conducting field interviews (FI) and pat-down searches, and the taking and disposition of photographs.

### 418.1.1 DEFINITIONS

Definitions related to this policy include:

**Consensual encounter** - When an officer contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the officer is voluntary.

**Field interview** - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purpose of determining the individual's identity and resolving the officer's suspicions.

**Field photographs** - Posed photographs taken of a person during a contact, temporary detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Audio Video (MAV) system, body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

**Pat-down search** - A type of search used by officers in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the officer, the detainee, or others.

**Reasonable suspicion** - When, under the totality of the circumstances, an officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

**Temporary detention** - When an officer intentionally, through words, actions, or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when an officer actually restrains a person's freedom of movement.

## 418.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the officer, the decision to temporarily detain a person and complete a field interview (FI), pat-down search, or field photograph shall be left to the officer based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.

### *Field Contacts, Pat-Down Searches and Temporary Detentions*

---

#### **418.3 FIELD INTERVIEWS**

Based on observance of suspicious circumstances or upon information from investigation, an officer may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the officer's suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Burbank Glendale Pasadena Airport Authority Police Department to strengthen community involvement, community awareness, and problem identification.

##### **418.3.1 INITIATING A FIELD INTERVIEW**

When initiating the stop, the officer should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual's:

- (a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act
- (b) Actions suggesting that he/she is engaged in a criminal activity
- (c) Presence in an area at an inappropriate hour of the day or night
- (d) Presence in a particular area is suspicious
- (e) Carrying of suspicious objects or items
- (f) Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon
- (g) Location in proximate time and place to an alleged crime
- (h) Physical description or clothing worn that matches a suspect in a recent crime
- (i) Prior criminal record or involvement in criminal activity as known by the officer

#### **418.4 PAT-DOWN SEARCHES**

Once a valid stop has been made, and consistent with the officer's training and experience, an officer may pat a suspect's outer clothing for weapons if the officer has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the officer to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of deadly weapons is involved.
- (b) Where more than one suspect must be handled by a single officer. However, conducting pat-down searches without a backup is discouraged as it is generally not tactically advantageous to the officer. Whenever practical and safe, officers should attempt to stabilize the situation through verbal engagement and await backup prior to conducting pat-down searches

## BGPAAPD Policy Manual

### *Field Contacts, Pat-Down Searches and Temporary Detentions*

---

- (c) The hour of the day and the location or neighborhood where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry weapons.
- (e) The actions and demeanor of the suspect.
- (f) Visual indications which suggest that the suspect is carrying a firearm or other weapon.

Whenever practicable, a pat-down search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.

#### **418.5 FIELD PHOTOGRAPHS**

All available databases should be searched before photographing any field detainee. If a photograph is not located, or if an existing photograph no longer resembles the detainee, the officer shall carefully consider, among other things, the factors listed below.

##### **418.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT**

Field photographs may be taken when the subject being photographed knowingly and voluntarily gives consent. When taking a consensual photograph, the officer should have the individual read and sign the appropriate form accompanying the photograph.

##### **418.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT**

Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The officer must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the officer's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

##### **418.5.3 DISPOSITION OF PHOTOGRAPHS**

All detainee photographs must be adequately labeled and submitted to the Watch Commander with either an associated FI card or other documentation explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the Watch Commander should review and forward the photograph to one of the following locations:

- (a) If the photograph and associated FI or documentation is relevant to criminal organization/enterprise enforcement, the Watch Commander will forward the photograph and documents to the Burbank Police Department Gang Supervisor.

## BGPAAPD Policy Manual

### *Field Contacts, Pat-Down Searches and Temporary Detentions*

---

- (b) Photographs that do not qualify for retention in a criminal intelligence system or temporary information file shall be forwarded to the Administration Commander.

When a photograph is taken in association with a particular case, the investigator may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file.

#### **418.5.4 SUPERVISOR RESPONSIBILITIES**

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken.

Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

#### **418.6 WITNESS IDENTIFICATION AND INTERVIEWS**

Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available members for the following:

- (a) Identifying all persons present at the scene and in the immediate area.
  - 1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
  - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by Burbank Glendale Pasadena Airport Authority Police Department members.
  - 1. A written, verbal, or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transport.

#### **418.6.1 FIELD (FI) INTERVIEW CARDS**

Field interviews of persons not documented in a report or of persons detained in the field but not arrested should be documented on an FI card, including sufficient facts to support the authority for the detention if applicable. Any searches of the person or personal property, including the authority for the search, should be documented on the FI card.

If the field interview is consensual, officers should not infer or suggest, whether verbally or through actions, that a reasonable person would conclude compliance with the information request is mandatory or required.

# Criminal Organizations

## 419.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that the Burbank Glendale Pasadena Airport Authority Police Department appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

### 419.1.1 DEFINITIONS

Definitions related to this policy include:

**Criminal intelligence system** - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

## 419.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this department to collect and share relevant information while respecting the privacy and legal rights of the public.

## 419.3 CRIMINAL INTELLIGENCE SYSTEMS

No department member may create, submit to or obtain information from a criminal intelligence system unless the Chief of Police has approved the system for department use.

Any criminal intelligence system approved for department use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for department use. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained.
- (b) Use of every criminal intelligence system is appropriately reviewed and audited.
- (c) Any system security issues are reasonably addressed.

### 419.3.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, field interview (FI), photo or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this department, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained in the records room.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Criminal Organizations*

---

Any supporting documentation for an entry shall be retained in the records room in accordance with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained in the records room are appropriately marked as intelligence information. The Administrative Commander may not purge such documents without the approval of the designated supervisor.

#### 419.3.2 GANG DATABASES

The Chief of Police may approve participation by the gang unit in a shared criminal gang intelligence database, such as CALGANG®. Members must obtain the requisite training before accessing any such database (11 CCR 751.6).

It is the gang unit supervisor's responsibility to determine whether any report or FI contains information that would qualify for entry into the database. Prior to designating any person as a suspected gang member, associate or affiliate in a shared gang database; or submitting a document to the Attorney General's office for the purpose of designating a person in a shared gang database; or otherwise identifying the person in a shared gang database, the gang unit supervisor shall provide written notice to the person and, if the person is under the age of 18, to his/her parent or guardian of the designation and the basis for the designation, unless providing that notification would compromise an active criminal investigation or compromise the health or safety of a minor. Notice shall also describe the process to contest the designation (Penal Code § 186.34).

The person, an attorney working on his/her behalf or his/her parent or guardian (if the person is under 18 years of age) may request, in writing, information as to whether the person is designated as a suspected gang member, associate or affiliate in a shared gang database accessible by the department, the basis for that designation and the name of the agency that made the designation. The department shall respond to a valid request in writing within 30 days, and shall provide the information requested unless doing so would compromise an active investigation or compromise the health and safety of the person if he/she is under 18 years of age (Penal Code § 186.34).

The person, or his/her parent or guardian if the person is under 18 years of age, may contest the designation by submitting written documentation which shall be reviewed by the gang unit supervisor. If it is determined that the person is not a suspected gang member, associate or affiliate, the person shall be removed from the database. The person and the parent or guardian shall be provided written verification of the department's decision within 30 days of receipt of the written documentation contesting the designation and shall include the reason for a denial when applicable (Penal Code § 186.34).

The gang unit supervisor should forward reports or FIs to the records room after appropriate database entries are made. The supervisor should clearly mark the report/FI as gang intelligence information.

It is the responsibility of the records room supervisor to retain reports and FIs in compliance with the database rules and any applicable end user agreement.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Criminal Organizations*

---

Records contained in a shared gang database shall not be disclosed for employment or military screening purposes, and shall not be disclosed for the purpose of enforcing federal immigration law unless required by state or federal statute or regulation (Penal Code § 186.36).

#### **419.4 TEMPORARY INFORMATION FILE**

This Department does not maintain local temporary information files. All information on members and associates of criminal street gangs is maintained in CalGang.

#### **419.5 INFORMATION RECOGNITION**

Department members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

- (a) Gang indicia associated with a person or residence.
- (b) Information related to a drug-trafficking operation.
- (c) Vandalism indicating an animus for a particular group.
- (d) Information related to an illegal gambling operation.

Department supervisors who utilize an authorized criminal intelligence system should work with the Training Sergeant to train members to identify information that may be particularly relevant for inclusion.

#### **419.6 RELEASE OF INFORMATION**

Department members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Criminal organization information may only be furnished to department members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile's name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

#### **419.7 CRIMINAL STREET GANGS**

The Patrol Division Commander should ensure that there are an appropriate number of department members who can:

- (a) Testify as experts on matters related to criminal street gangs, and maintain an above average familiarity with:
  - 1. Any organization, associate or group of three or more persons that meets the definition of a criminal street gang under Penal Code § 186.22(f).
  - 2. Identification of a person as a criminal street gang member and criminal street gang-related crimes.

### *Criminal Organizations*

---

3. The California Street Terrorism Enforcement and Prevention Act (Penal Code § 186.21 et seq.), associated crimes and what defines a criminal street gang (Penal Code § 186.22).
- (b) Coordinate with other agencies in the region regarding criminal street gang-related crimes and information.
- (c) Train other members to identify gang indicia and investigate criminal street gang-related crimes.

#### **419.8 TRAINING**

The Training Sergeant should provide training on best practices in the use of each authorized criminal intelligence system to those tasked with investigating criminal organizations and enterprises. Training should include:

- (a) The protection of civil liberties.
- (b) Participation in a multiagency criminal intelligence system.
- (c) Submission of information into a multiagency criminal intelligence system or the receipt of information from such a system, including any governing federal and state rules and statutes.
- (d) The type of information appropriate for entry into a criminal intelligence system or temporary information file.
- (e) The review and purging of temporary information files.

##### **419.8.1 SHARED GANG DATABASE TRAINING**

The Training Sergeant should ensure that members who are authorized users of a shared gang database receive the required training from the California Department of Justice (DOJ) or an instructor certified by the DOJ that includes comprehensive and standardized training on the use of shared gang databases, and any other associated training required by the Department (Penal Code § 186.36; 11 CCR 751.6).

The completed Watch Commander's Log shall be emailed to the Airport Police Department group.

## Portable Audio/Video Recorders

### 421.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of portable audio/video recording devices by members of this department while in the performance of their duties. Portable audio/video recording devices include all recording systems whether body-worn, hand held or integrated into portable equipment.

This policy does not apply to mobile audio/video recordings, interviews or interrogations conducted at any Burbank Glendale Pasadena Airport Authority Police Department facility, authorized undercover operations, wiretaps or eavesdropping (concealed listening devices).

### 421.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department may provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Department by accurately capturing contacts between members of the Department and the public.

### 421.3 COORDINATOR

The Chief of Police or the authorized designee shall appoint a member of the Department to coordinate the use and maintenance of portable audio/video recording devices and the storage of recordings, including (Penal Code § 832.18):

- (a) Establishing a system for downloading, storing and security of recordings.
- (b) Designating persons responsible for downloading recorded data.
- (c) Establishing a maintenance system to ensure availability of operable portable audio/video recording devices.
- (d) Establishing a system for tagging and categorizing data according to the type of incident captured.
- (e) Establishing a system to prevent tampering, deleting and copying recordings and ensure chain of custody integrity.
- (f) Working with counsel to ensure an appropriate retention schedule is being applied to recordings and associated documentation.
- (g) Maintaining logs of access and deletions of recordings.

### 421.4 MEMBER PRIVACY EXPECTATION

All recordings made by members on any department-issued device at any time, and any recording made while acting in an official capacity for this department, regardless of ownership of the device it was made on, shall remain the property of the Department. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

### 421.5 MEMBER RESPONSIBILITIES

Prior to going into service, each uniformed member will be responsible for making sure that he/she is equipped with a portable recorder issued by the Department, and that the recorder is in

good working order. If the recorder is not in working order or the member becomes aware of a malfunction at any time, the member shall promptly report the failure to his/her supervisor and obtain a functioning device as soon as reasonably practicable. Uniformed members should wear the recorder in a conspicuous manner or otherwise notify persons that they are being recorded, whenever reasonably practicable.

Any member assigned to a non-uniformed position may carry an approved portable recorder at any time the member believes that such a device may be useful. Unless conducting a lawful recording in an authorized undercover capacity, non-uniformed members should wear the recorder in a conspicuous manner when in use or otherwise notify persons that they are being recorded, whenever reasonably practicable.

When using a portable recorder, the assigned member shall record his/her name, BGPAAPD identification number and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not required when the recording device and related software captures the user's unique identification and the date and time of each recording.

Members should document the existence of a recording in any report or other official record of the contact, including any instance where the recorder malfunctioned or the member deactivated the recording. Members should include the reason for deactivation.

#### **421.5.1 SUPERVISOR RESPONSIBILITIES**

Supervisors should take custody of a portable audio/video recording device as soon as practicable when the device may have captured an incident involving the use of force, an officer-involved shooting or death or other serious incident, and ensure the data is downloaded (Penal Code § 832.18).

#### **421.6 ACTIVATION OF THE PORTABLE RECORDER**

This policy is not intended to describe every possible situation in which the portable recorder should be used, although there are many situations where its use is appropriate. Members should activate the recorder any time the member believes it would be appropriate or valuable to record an incident.

The portable recorder shall be activated in any of the following situations:

- (a) All enforcement and investigative contacts including stops and field interview (FI) situations
- (b) Traffic stops including, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops
- (c) Self-initiated activity in which a member would normally notify the Communications Center
- (d) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Portable Audio/Video Recorders*

---

Members should remain sensitive to the dignity of all individuals being recorded and exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the member that such privacy may outweigh any legitimate law enforcement interest in recording. Requests by members of the public to stop recording should be considered using this same criterion. Recording should resume when privacy is no longer at issue unless the circumstances no longer fit the criteria for recording.

At no time is a member expected to jeopardize his/her safety in order to activate a portable recorder or change the recording media. However, the recorder should be activated in situations described above as soon as reasonably practicable.

#### **421.6.1 CESSATION OF RECORDING**

Once activated, the portable recorder should remain on continuously until the member reasonably believes that his/her direct participation in the incident is complete or the situation no longer fits the criteria for activation. Recording may be stopped during significant periods of inactivity such as report writing or other breaks from direct participation in the incident.

Members shall cease audio recording whenever necessary to ensure conversations are not recorded between a person in custody and the person's attorney, religious advisor or physician, unless there is explicit consent from all parties to the conversation (Penal Code § 636).

#### **421.6.2 SURREPTITIOUS USE OF THE PORTABLE RECORDER**

Members of the Department may surreptitiously record any conversation during the course of a criminal investigation in which the member reasonably believes that such a recording will be lawful and beneficial to the investigation (Penal Code § 633).

Members shall not surreptitiously record another department member without a court order unless lawfully authorized by the Chief of Police or the authorized designee.

#### **421.6.3 EXPLOSIVE DEVICE**

Many portable recorders, including body-worn cameras and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

#### **421.7 PROHIBITED USE OF PORTABLE RECORDERS**

Members are prohibited from using department-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in their official capacity.

Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with department-issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized legitimate department business purposes. All such recordings shall be retained at the Department.

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Watch Commander. Any member who uses a personally owned recorder

for department-related activities shall comply with the provisions of this policy, including retention and release requirements, and should notify the on-duty supervisor of such use as soon as reasonably practicable.

Recordings shall not be used by any member for the purpose of embarrassment, harassment or ridicule.

#### **421.8 IDENTIFICATION AND PRESERVATION OF RECORDINGS**

To assist with identifying and preserving data and recordings, members should download, tag or mark these in accordance with procedure and document the existence of the recording in any related case report.

A member should transfer, tag or mark recordings when the member reasonably believes:

- (a) The recording contains evidence relevant to potential criminal, civil or administrative matters.
- (b) A complainant, victim or witness has requested non-disclosure.
- (c) A complainant, victim or witness has not requested non-disclosure but the disclosure of the recording may endanger the person.
- (d) Disclosure may be an unreasonable violation of someone's privacy.
- (e) Medical or mental health information is contained.
- (f) Disclosure may compromise an undercover officer or confidential informant.

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

##### **421.8.1 RETENTION REQUIREMENTS**

All recordings shall be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 180 days.

#### **421.9 REVIEW OF RECORDED MEDIA FILES**

When preparing written reports, members should review their recordings as a resource (see the Officer-Involved Shootings and Deaths Policy for guidance in those cases). However, members shall not retain personal copies of recordings. Members should not use the fact that a recording was made as a reason to write a less detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct or whenever such recordings would be beneficial in reviewing the member's performance.

Recorded files may also be reviewed:

- (a) Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation or criminal investigation.

- (b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
- (c) By media personnel with permission of the Chief of Police or the authorized designee.
- (d) In compliance with a public records request, if permitted, and in accordance with the Records Maintenance and Release Policy.

All recordings should be reviewed by the Custodian of Records prior to public release (see the Records Maintenance and Release Policy). Recordings that unreasonably violate a person's privacy or sense of dignity should not be publicly released unless disclosure is required by law or order of the court.

#### **421.10 RETENTION OF RECORDINGS**

Recordings of the following should be retained for a minimum of two years (Penal Code § 832.18):

- (a) Incidents involving use of force by an officer
- (b) Officer-involved shootings
- (c) Incidents that lead to the detention or arrest of an individual
- (d) Recordings relevant to a formal or informal complaint against an officer or the Burbank Glendale Pasadena Airport Authority Police Department

Recordings containing evidence that may be relevant to a criminal prosecution should be retained for any additional period required by law for other evidence relevant to a criminal prosecution (Penal Code § 832.18).

All other recordings should be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 180 days.

Records or logs of access and deletion of recordings should be retained permanently (Penal Code § 832.18).

#### **421.10.1 RELEASE OF AUDIO/VIDEO RECORDINGS**

Requests for the release of audio/video recordings shall be processed in accordance with the Records Maintenance and Release Policy.

## Public Recording of Law Enforcement Activity

### 422.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

### 422.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Officers should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

### 422.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present (Penal Code § 69; Penal Code § 148).
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:
  - 1. Tampering with a witness or suspect.
  - 2. Inciting others to violate the law.
  - 3. Being so close to the activity as to present a clear safety hazard to the officers.
  - 4. Being so close to the activity as to interfere with an officer's effective communication with a suspect or witness.
- (c) The individual may not present an undue safety risk to the officers, him/herself or others.

### 422.4 OFFICER RESPONSE

Officers should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or

behavior to be unlawful. Accompanying the warnings should be clear directions on what an individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, an officer could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

#### **422.5 SUPERVISOR RESPONSIBILITIES**

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of Department members, such as how and where to file a complaint.

#### **422.6 SEIZING RECORDINGS AS EVIDENCE**

Officers should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
  - 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
  - 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
  - 2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the

evidence is to transmit a copy of the recording from a device to a department-owned device.

Recording devices and media that are seized will be submitted within the guidelines of the Property and Evidence Policy.

# Medical Marijuana

## 423.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of this department with guidelines for investigating the acquisition, possession, transportation, delivery, production or use of marijuana under California's medical marijuana laws.

### 423.1.1 DEFINITIONS

Definitions related to this policy include:

**Cardholder** - A person issued a current identification card.

**Compassionate Use Act (CUA)** (Health and Safety Code § 11362.5) - California law intended to provide protection from prosecution to those who are seriously ill and whose health would benefit from the use of marijuana in the treatment of illness for which marijuana provides relief. The CUA does not grant immunity from arrest but rather provides an affirmative defense from prosecution for possession of medical marijuana.

**Identification card** - A valid document issued by the California Department of Public Health to both persons authorized to engage in the medical use of marijuana and also to designated primary caregivers.

**Medical marijuana** - Marijuana possessed by a patient or primary caregiver for legitimate medical purposes.

**Medical Marijuana Program (MMP)** (Health and Safety Code § 11362.7 et seq.) - California laws passed following the CUA to facilitate the prompt identification of patients and their designated primary caregivers in order to avoid unnecessary arrests and provide needed guidance to law enforcement officers. MMP prohibits arrest for possession of medical marijuana in certain circumstances and provides a defense in others.

**Patient** - A person who is entitled to the protections of the CUA because he/she has received a written or oral recommendation or approval from a physician to use marijuana for medical purposes or any person issued a valid identification card.

**Primary caregiver** - A person designated by the patient, who has consistently assumed responsibility for the patient's housing, health or safety, who may assist the patient with the medical use of marijuana under the CUA or the MMP (Health and Safety Code § 11362.5; Health and Safety Code § 11362.7).

**Statutory amount** - No more than 8 ounces of dried, mature, processed female marijuana flowers ("bud") or the plant conversion (e.g., kief, hash, hash oil), and no more than six mature or 12 immature marijuana plants (roots, stems and stem fibers should not be considered) (Health and Safety Code § 11362.77).

### *Medical Marijuana*

---

#### **423.2 POLICY**

It is the policy of the Burbank Glendale Pasadena Airport Authority Police Department to prioritize resources to forgo making arrests related to marijuana that the arresting officer reasonably believes would not be prosecuted by state or federal authorities.

California's medical marijuana laws are intended to provide protection to those who are seriously ill and whose health would benefit from the use of medical marijuana.

However, California medical marijuana laws do not affect federal laws and there is no medical exception under federal law for the possession or distribution of marijuana. The Burbank Glendale Pasadena Airport Authority Police Department will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under California law and public resources.

#### **423.3 INVESTIGATION**

Investigations involving the possession, delivery, production or use of marijuana generally fall into one of several categories:

- (a) Investigations when no person makes a medicinal claim.
- (b) Investigations when a medicinal claim is made by a cardholder.
- (c) Investigations when a medicinal claim is made by a non-cardholder.

##### **423.3.1 INVESTIGATIONS WITH NO MEDICINAL CLAIM**

In any investigation involving the possession, delivery, production or use of marijuana or drug paraphernalia where no person claims that the marijuana is used for medicinal purposes, the officer should proceed with a criminal investigation if the amount is greater than permitted for personal use under the Control, Regulate and Tax Adult Use of Marijuana Act (Health and Safety Code § 11362.1; Health and Safety Code § 11362.2). A medicinal defense may be raised at any time, so officers should document any statements and observations that may be relevant to whether the marijuana was possessed or produced for medicinal purposes.

##### **423.3.2 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A CARDHOLDER**

A cardholder or designated primary caregiver in possession of an identification card shall not be arrested for possession, transportation, delivery or cultivation of medical marijuana at or below the statutory amount unless there is probable cause to believe that (Health and Safety Code § 11362.71; Health and Safety Code § 11362.78):

- (a) The information contained in the card is false or falsified.
- (b) The card has been obtained or used by means of fraud.
- (c) The person is otherwise in violation of the provisions of the MMP.
- (d) The person possesses marijuana but not for personal medical purposes.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Medical Marijuana*

---

Officers who reasonably believe that a person who does not have an identification card in his/her possession has been issued an identification card may treat the investigation as if the person had the card in his/her possession.

MMIC Cardholders may possess, transport, deliver or cultivate medical marijuana in amounts above the statutory amount if their doctor has concluded that the statutory amount does not meet the patient's medical needs (Health and Safety Code § 11362.71; Health and Safety Code § 11362.77). Investigations involving cardholders with more than the statutory amount of marijuana should be addressed as provided in this policy for a case involving a medicinal claim made by a non-cardholder.

#### 423.3.3 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A NON-CARDHOLDER

No patient or primary caregiver should be arrested for possession or cultivation of an amount of medical marijuana if the officer reasonably believes that marijuana is in a form and amount reasonably related to the qualified patient's current medical needs (Health and Safety Code § 11362.5). This arrest guidance also applies to sales, transportation or delivery of medical marijuana, or maintaining/renting a drug house or building that may be a nuisance if otherwise in compliance with MMP (Health and Safety Code § 11362.765).

Officers are not obligated to accept a person's claim of having a physician's recommendation when the claim cannot be readily verified with the physician but are expected to use their judgment to assess the validity of the person's medical-use claim.

Officers should review any available written documentation for validity and whether it contains the recommending physician's name, telephone number, address and medical license number for verification.

Officers should generally accept verified recommendations by a physician that statutory amounts do not meet the patient's needs (Health and Safety Code § 11362.77).

#### 423.3.4 INVESTIGATIONS INVOLVING A STATE LICENSEE

No person issued a state license under the Business and Professions Code shall be arrested or cited for cultivation, possession, manufacture, processing, storing, laboratory testing, labeling, transporting, distribution or sale of medical cannabis or a medical cannabis product related to qualifying patients and primary caregivers when conducted lawfully. Whether conduct is lawful may involve questions of license classifications, local ordinances, specific requirements of the Business and Professions Code and adopted regulations. Officers should consider conferring with a supervisor, the applicable state agency or other member with special knowledge in this area and/or appropriate legal counsel before taking enforcement action against a licensee or an employee or agent (Business and Professions Code § 26032).

#### 423.3.5 ADDITIONAL CONSIDERATIONS

Officers should consider the following when investigating an incident involving marijuana possession, delivery, production, or use:

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Medical Marijuana*

---

- (a) Because enforcement of medical marijuana laws can be complex, time consuming, and call for resources unavailable at the time of initial investigation, officers may consider submitting a report to the prosecutor for review, in lieu of making an arrest. This can be particularly appropriate when:
  - 1. The suspect has been identified and can be easily located at a later time.
  - 2. The case would benefit from review by a person with expertise in medical marijuana investigations.
  - 3. Sufficient evidence, such as photographs or samples, has been lawfully obtained.
  - 4. Other relevant factors, such as available department resources and time constraints prohibit making an immediate arrest.
- (b) Whenever the initial investigation reveals an amount of marijuana greater than the statutory amount, officers should consider the following when determining whether the form and amount is reasonably related to the patient's needs:
  - 1. The amount of marijuana recommended by a medical professional to be ingested.
  - 2. The quality of the marijuana.
  - 3. The method of ingestion (e.g., smoking, eating, nebulizer).
  - 4. The timing of the possession in relation to a harvest (patient may be storing marijuana).
  - 5. Whether the marijuana is being cultivated indoors or outdoors.
- (c) Before proceeding with enforcement related to collective gardens or dispensaries, officers should consider conferring with a supervisor, an applicable state regulatory agency or other member with special knowledge in this area, and/or appropriate legal counsel (Business and Professions Code § 26010; Business and Professions Code § 26060). Licensing, zoning, and other related issues can be complex. Patients, primary caregivers, and cardholders who collectively or cooperatively cultivate marijuana for medical purposes may be licensed or may have a defense in certain circumstances (Business and Professions Code § 26032; Business and Professions Code § 26033).
- (d) Investigating members should not order a patient to destroy marijuana plants under threat of arrest.

#### 423.3.6 EXCEPTIONS

This policy does not apply to, and officers should consider taking enforcement action for the following:

- (a) Persons who engage in illegal conduct that endangers others, such as driving under the influence of marijuana in violation of the Vehicle Code (Health and Safety Code § 11362.5).
- (b) Marijuana possession in jails or other correctional facilities that prohibit such possession (Health and Safety Code § 11362.785).

### *Medical Marijuana*

---

- (c) Smoking marijuana (Health and Safety Code § 11362.79):
  - 1. In any place where smoking is prohibited by law.
  - 2. In or within 1,000 feet of the grounds of a school, recreation center or youth center, unless the medical use occurs within a residence.
  - 3. On a school bus.
  - 4. While in a motor vehicle that is being operated.
  - 5. While operating a boat.
- (d) Use of marijuana by a person on probation or parole, or on bail and use is prohibited by the terms of release (Health and Safety Code § 11362.795).

#### **423.4 FEDERAL LAW ENFORCEMENT**

Officers should provide information regarding a marijuana investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the officer believes those authorities would have a particular interest in the information.

## Foot Pursuits

### 424.1 PURPOSE AND SCOPE

This policy provides guidelines to assist officers in making the decision to initiate or continue the pursuit of suspects on foot.

#### 424.1.1 DEFINITIONS

**Foot Pursuit** – A situation in which an officer chases a suspect on foot in an effort to detain or arrest that individual, whom he or she has reasonable suspicion to believe is about to commit, is committing, or has committed a crime and is avoiding apprehension by fleeing from the officer on foot.

### 424.2 POLICY

It is the policy of this department that officers, when deciding to initiate or continue a foot pursuit, continuously balance the objective of apprehending the suspect with the risk and potential for injury to department members, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances.

### 424.3 DECISION TO PURSUE

The safety of department members and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department members.

Officers may be justified in initiating a foot pursuit of any individual the officer reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously re-evaluated in light of the circumstances presented at the time.

Mere flight by a person who is not suspected of criminal activity shall not serve as justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity or being wanted by law enforcement.

Deciding to initiate or continue a foot pursuit is a decision that an officer must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits may place department members and the public at significant risk. Therefore, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

Officers should not engage in a foot pursuit alone if a physical confrontation with the suspect is reasonably likely. Only under the most compelling circumstances should a lone officer pursue a suspect on foot and only for the purpose of maintaining visual contact from a safe distance to coordinate assisting personnel to contain and apprehend the suspect. The officer will be responsible for fully justifying his or her actions in each situation.

### *Foot Pursuits*

---

If circumstances permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, an officer should continuously consider reasonable alternatives to a foot pursuit based upon the circumstances and resources available, such as:

- (a) Containment of the area.
- (b) Saturation of the area with law enforcement personnel, including assistance from other agencies.
- (c) A canine search.
- (d) Thermal imaging or other sensing technology.
- (e) Air support.
- (f) Apprehension at another time when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the foot pursuit.

#### **424.4 GENERAL GUIDELINES**

When reasonably practicable, officers should consider alternatives to engaging in or continuing a foot pursuit when:

- (a) Directed by a supervisor to terminate the foot pursuit; such an order shall be considered mandatory
- (b) The officer is acting alone.
- (c) Two or more officers become separated, lose visual contact with one another, or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single officer keep the suspect in sight from a safe distance and coordinate the containment effort.
- (d) The officer is unsure of his/her location and direction of travel.
- (e) The officer is pursuing multiple suspects and it is not reasonable to believe that the officer would be able to control the suspect should a confrontation occur.
- (f) The physical condition of the officer renders him/her incapable of controlling the suspect if apprehended.
- (g) The officer loses radio contact with the dispatcher or with assisting or backup officers.
- (h) The suspect enters a building, structure, confined space, isolated area or dense or difficult terrain, and there are insufficient officers to provide backup and containment. The primary officer should consider discontinuing the foot pursuit and coordinating containment pending the arrival of sufficient resources.

### *Foot Pursuits*

---

- (i) The officer becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to officers or the public.
- (j) The officer reasonably believes that the danger to the pursuing officers or public outweighs the objective of immediate apprehension.
- (k) The officer loses possession of his/her firearm or other essential equipment.
- (l) The officer or a third party is injured during the pursuit, requiring immediate assistance, and there are no other emergency personnel available to render assistance.
- (m) The suspect's location is no longer definitely known.
- (n) The identity of the suspect is established or other information exists that will allow for the suspect's apprehension at a later time, and it reasonably appears that there is no immediate threat to department members or the public if the suspect is not immediately apprehended.
- (o) The officer's ability to safely continue the pursuit is impaired by inclement weather, darkness or other environmental conditions.

#### **424.5 RESPONSIBILITIES IN FOOT PURSUITS**

##### **424.5.1 INITIATING OFFICER RESPONSIBILITIES**

Unless relieved by another officer or a supervisor, the initiating officer shall be responsible for coordinating the progress of the pursuit. When acting alone and when practicable, the initiating officer should not attempt to overtake and confront the suspect but should attempt to keep the suspect in sight until sufficient officers are present to safely apprehend the suspect.

Early communication of available information from the involved officers is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Officers initiating a foot pursuit should, at a minimum, broadcast the following information as soon as it becomes practicable and available:

- (a) Location and direction of travel
- (b) Call sign identifier
- (c) Reason for the foot pursuit, such as the crime classification
- (d) Number of suspects and description, to include name if known
- (e) Whether the suspect is known or believed to be armed with a dangerous weapon

Officers should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any officer unable to promptly and effectively broadcast this information should terminate the foot pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

### *Foot Pursuits*

---

When a foot pursuit terminates, the officer will notify the dispatcher of his/her location and the status of the pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary, to include requesting medical aid as needed for officers, suspects or members of the public.

Pursuing and assisting officers shall comply with the Use of Force Policy if force is required to apprehend and control the suspect.

#### 424.5.2 ASSISTING OFFICER RESPONSIBILITIES

Whenever any officer announces that he/she is engaged in a foot pursuit, all other officers should minimize non-essential radio traffic to permit the involved officers maximum access to the radio frequency.

The closest unit is authorized to respond Code-3 but shall immediately notify the Communications Center via radio of his or her response and location. Any officer who is in a position to intercept a fleeing suspect or who can assist the primary officer with the apprehension of the suspect shall act reasonably and in accordance with Department policy, based upon available information and his or her own observations.

#### 424.5.3 SUPERVISOR RESPONSIBILITIES

Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever possible; the supervisor does not, however, need not be physically present to exercise control over the foot pursuit. The supervisor shall continuously assess the situation in order to ensure the foot pursuit is conducted within established department guidelines.

The supervisor shall terminate the foot pursuit when the danger to pursuing officers or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, the supervisor shall promptly proceed to the termination point to direct the post-foot pursuit activity.

#### 424.5.4 THE COMMUNICATIONS CENTER RESPONSIBILITIES

Upon notification or becoming aware that a foot pursuit is in progress, the dispatcher is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved officers.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that a field supervisor is notified of the foot pursuit.
- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Notifying the Watch Commander as soon as practicable.

### *Foot Pursuits*

---

- (g) Assigning an incident number and logging all pursuit activities.

#### **424.6 REPORTING REQUIREMENTS**

The initiating officer shall complete appropriate crime/arrest reports documenting, at minimum:

- (a) Date and time of the foot pursuit.
- (b) Initial reason and circumstances surrounding the foot pursuit.
- (c) Course and approximate distance of the foot pursuit.
- (d) Alleged offenses.
- (e) Involved vehicles and officers.
- (f) Whether a suspect was apprehended as well as the means and methods used.
  - 1. Any use of force shall be reported and documented in compliance with the Use of Force Policy.
- (g) Arrestee information, if applicable.
- (h) Any injuries and/or medical treatment.
- (i) Any property or equipment damage.
- (j) Name of the supervisor at the scene or who handled the incident.

Assisting officers taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

The supervisor reviewing the report will make a preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.

In any case in which a suspect is not apprehended and there is insufficient information to support further investigation, a supervisor may authorize that the initiating officer need not complete a formal report.

In any case in which a suspect is not apprehended and there is insufficient information to warrant further investigation, a supervisor's log entry may be made instead of a formal report.

## Automated License Plate Readers (ALPRs)

### 425.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the capture, storage and use of digital data obtained through the use of Automated License Plate Reader (ALPR) technology.

### 425.2 POLICY

The policy of the Burbank Glendale Pasadena Airport Authority Police Department is to utilize ALPR technology to capture and store digital license plate data and images while recognizing the established privacy rights of the public.

All data and images gathered by the ALPR are for the official use of this department. Because such data may contain confidential information, it is not open to public review.

### 425.3 ADMINISTRATION

The ALPR technology, also known as License Plate Recognition (LPR), allows for the automated detection of license plates. It is used by the Burbank Glendale Pasadena Airport Authority Police Department to convert data associated with vehicle license plates for official law enforcement purposes, including identifying stolen or wanted vehicles, stolen license plates and missing persons. It may also be used to gather information related to active warrants, homeland security, electronic surveillance, suspect interdiction and stolen property recovery.

All installation and maintenance of ALPR equipment, as well as ALPR data retention and access, shall be managed by the Administration Commander. The Administration Commander will assign members under his/her command to administer the day-to-day operation of the ALPR equipment and data.

#### 425.3.1 ALPR ADMINISTRATOR

The Administration Commander shall be responsible for developing guidelines and procedures to comply with the requirements of Civil Code § 1798.90.5 et seq. This includes, but is not limited to (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

- (a) A description of the job title or other designation of the members and independent contractors who are authorized to use or access the ALPR system or to collect ALPR information.
- (b) Training requirements for authorized users.
- (c) A description of how the ALPR system will be monitored to ensure the security of the information and compliance with applicable privacy laws.
- (d) Procedures for system operators to maintain records of access in compliance with Civil Code § 1798.90.52.
- (e) The title and name of the current designee in overseeing the ALPR operation.
- (f) Working with the Custodian of Records on the retention and destruction of ALPR data.

### *Automated License Plate Readers (ALPRs)*

---

- (g) Ensuring this policy and related procedures are conspicuously posted on the department's website.

#### **425.4 OPERATIONS**

Use of an ALPR is restricted to the purposes outlined below. Department members shall not use, or allow others to use the equipment or database records for any unauthorized purpose (Civil Code § 1798.90.51; Civil Code § 1798.90.53).

- (a) An ALPR shall only be used for official law enforcement business.
- (b) An ALPR may be used in conjunction with any routine patrol operation or criminal investigation. Reasonable suspicion or probable cause is not required before using an ALPR.
- (c) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped cars to canvass areas around homicides, shootings and other major incidents. Partial license plates reported during major crimes should be entered into the ALPR system in an attempt to identify suspect vehicles.
- (d) No member of this department shall operate ALPR equipment or access ALPR data without first completing department-approved training.
- (e) No ALPR operator may access department, state or federal data unless otherwise authorized to do so.
- (f) If practicable, the officer should verify an ALPR response through the California Law Enforcement Telecommunications System (CLETS) before taking enforcement action that is based solely on an ALPR alert.

##### **425.4.1 .1 MANUAL ENTRY OF WANTED OR "HOT" LISTS**

Officers may manually enter license plates or "Hot List" into the ALPRS. Hot lists entered directly into the server will remain in the system until the list is manually purged at the end of the shift or as otherwise provided in this section.

Unless the license plate is associated with an active incident, all manual entries shall be approved by a supervisor. The approving supervisor shall ensure the following:

- (a) The entry is for a legitimate law enforcement purpose (e.g.; wanted person or vehicle, missing person).
- (b) Officers are informed about what action to take if the system triggers an alert on a manually entered license plate. This information should be entered into the notes section when making a manual entry.
- (c) The entry is deleted at the end of the shift. If the entry is not deleted at the end of the shift, the supervisor shall make an entry in the Watch Commander's log to document the need for the hot list and a date and time when the list should be deleted from the system.

### *Automated License Plate Readers (ALPRs)*

---

Watch Commanders are responsible for ensuring that hot lists are removed from the system as required. No law enforcement action concerning a license plate listed on a Hot List not deleted at the end of the applicable shift, or not containing the Watch Commander's current documentation of the need to retain the license plate information, shall be taken unless the need for the license plate information is verified as current and valid.

#### **425.5 GENERAL OPERATING REQUIREMENTS**

- (a) An ALPR may be used in conjunction with any routine patrol operation or criminal investigation. Reasonable suspicion or probable cause is not required before using an ALPR.
- (b) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped cars to canvass areas around homicides, shootings and other major incidents. Partial license plates reported during major crimes should be entered into the ALPR system in an attempt to identify suspect vehicles.
- (c) No member of this department shall operate ALPR equipment or access ALPR data without first completing department-approved training.
- (d) No ALPR operator may access department, state or federal data unless otherwise authorized to do so.
- (e) If practicable, the officer should verify an ALPR response through the California Law Enforcement Telecommunications System (CLETS) before taking enforcement action that is based solely on an ALPR alert.

#### **425.6 DATA COLLECTION AND RETENTION**

The Administration Commander is responsible for ensuring systems and processes are in place for the proper collection and retention of ALPR data. Data will be transferred from vehicles to the designated storage in accordance with department procedures.

All ALPR data downloaded to the server should be stored for a minimum of one year and in accordance with the established records retention schedule. Thereafter, ALPR data should be purged unless it has become, or it is reasonable to believe it will become, evidence in a criminal or civil action or is subject to a discovery request or other lawful action to produce records. In those circumstances the applicable data should be downloaded from the server onto portable media and booked into evidence.

#### **425.7 ACCOUNTABILITY**

All data will be closely safeguarded and protected by both procedural and technological means. The Burbank Glendale Pasadena Airport Authority Police Department will observe the following safeguards regarding access to and use of stored data (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

### *Automated License Plate Readers (ALPRs)*

---

- (a) All ALPR data downloaded to the mobile workstation and in storage shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date and time (Civil Code § 1798.90.52).
- (b) Members approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relate to a specific criminal investigation or department-related civil or administrative action.
- (c) ALPR system audits should be conducted on a regular basis.

For security or data breaches, see the Records Release and Maintenance Policy.

#### **425.8 RELEASING ALPR DATA**

The ALPR data may be shared only with other law enforcement or prosecutorial agencies for official law enforcement purposes or as otherwise permitted by law, using the following procedures:

- (a) The agency makes a written request for the ALPR data that includes:
  - 1. The name of the agency.
  - 2. The name of the person requesting.
  - 3. The intended purpose of obtaining the information.
- (b) The request is reviewed by the Administration Commander or the authorized designee and approved before the request is fulfilled.
- (c) The approved request is retained on file.

Requests for ALPR data by non-law enforcement or non-prosecutorial agencies will be processed as provided in the Records Maintenance and Release Policy (Civil Code § 1798.90.55).

#### **425.9 TRAINING**

The Training Sergeant should ensure that members receive department-approved training for those authorized to use or access the ALPR system (Civil Code § 1798.90.51; Civil Code § 1798.90.53).

#### **425.10 NON-COMPLIANCE**

Any failure to comply with the requirements of this Policy may result in discipline up to and including termination for knowing and willful violation.

# Homeless Persons

## 426.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that personnel understand the needs and rights of the homeless and to establish procedures to guide officers during all contacts with the homeless, whether consensual or for enforcement purposes. The Burbank Glendale Pasadena Airport Authority Police Department recognizes that members of the homeless community are often in need of special protection and services. The Burbank Glendale Pasadena Airport Authority Police Department will address these needs in balance with the overall mission of this department. Therefore, officers will consider the following when serving the homeless community.

### 426.1.1 POLICY

It is the policy of the Burbank Glendale Pasadena Airport Authority Police Department to provide law enforcement services to all members of the community, while protecting the rights, dignity and private property of the homeless. Homelessness is not a crime and members of this department will not use homelessness solely as a basis for detention or law enforcement action.

## 426.2 HOMELESS COMMUNITY LIAISON

The Chief of Police will designate a member of this department to act as the Homeless Liaison Officer. The responsibilities of the Homeless Liaison Officer include the following:

- (a) Maintain and make available to all department employees a list of assistance programs and other resources that are available to the homeless.
- (b) Meet with social services and representatives of other organizations that render assistance to the homeless.
- (c) Maintain a list of the areas within and near this jurisdiction that are used as frequent homeless encampments.
- (d) Remain abreast of laws dealing with the removal and/or destruction of the personal property of the homeless. This will include:
  - 1. Proper posting of notices of trespass and clean-up operations.
  - 2. Proper retention of property after clean-up, to include procedures for owners to reclaim their property in accordance with the Property and Evidence Policy and other established procedures.
- (e) Be present during any clean-up operation conducted by this department involving the removal of personal property of the homeless to ensure that the rights of the homeless are not violated.
- (f) Develop training to assist officers in understanding current legal and social issues relating to the homeless.

### *Homeless Persons*

#### **426.3 FIELD CONTACTS**

Officers are encouraged to contact the homeless for purposes of rendering aid, support and for community-oriented policing purposes. Nothing in this policy is meant to dissuade an officer from taking reasonable enforcement action when facts support a reasonable suspicion of criminal activity. However, when encountering a homeless person who has committed a non-violent misdemeanor and continued freedom is not likely to result in a continuation of the offense or a breach of the peace, officers are encouraged to consider long-term solutions to problems that may relate to the homeless, such as shelter referrals and counseling in lieu of physical arrest.

Officers should provide homeless persons with resource and assistance information whenever it is reasonably apparent that such services may be appropriate.

##### **426.3.1 OTHER CONSIDERATIONS**

Homeless members of the community will receive the same level and quality of service provided to other members of the community. The fact that a victim or witness is homeless can, however, require special considerations for a successful investigation and prosecution. Officers should consider the following when handling investigations involving homeless victims, witnesses or suspects:

- (a) Document alternate contact information. This may include obtaining addresses and phone numbers of relatives and friends.
- (b) Document places the homeless person may frequent.
- (c) Provide homeless victims with victim/witness resources when appropriate.
- (d) Obtain statements from all available witnesses in the event that a homeless victim is unavailable for a court appearance.
- (e) Consider whether the person may be a dependent adult or elder, and if so, proceed in accordance with the Senior and Disability Victimization Policy.
- (f) Arrange for transportation for investigation-related matters, such as medical exams and court appearances.
- (g) Consider whether a crime should be reported and submitted for prosecution, even when a homeless victim indicates that he/she does not desire prosecution.

#### **426.4 PERSONAL PROPERTY**

The personal property of homeless persons must not be treated differently than the property of other members of the public. Officers should use reasonable care when handling, collecting and retaining the personal property of homeless persons and should not destroy or discard the personal property of a homeless person.

When a homeless person is arrested or otherwise removed from a public place, officers should make reasonable accommodations to permit the person to lawfully secure his/her personal property. Otherwise, the personal property should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the officer, a supervisor should be consulted. The property should be photographed and measures should be

### *Homeless Persons*

---

taken to remove or secure the property. It will be the supervisor's responsibility to coordinate the removal and safekeeping of the property.

Officers should not conduct or assist in clean-up operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor or the department Homeless Liaison Officer. When practicable, requests by the public for clean-up of a homeless encampment should be referred to the Homeless Liaison Officer.

Officers who encounter unattended encampments, bedding or other personal property in public areas that reasonably appears to belong to a homeless person should not remove or destroy such property and should inform the department Homeless Liaison Officer if such property appears to involve a trespass, blight to the community or is the subject of a complaint. It will be the responsibility of the Homeless Liaison Officer to address the matter in a timely fashion.

#### **426.5 MENTAL ILLNESS AND MENTAL IMPAIRMENT**

Some homeless persons may suffer from a mental illness or a mental impairment. Officers shall not detain a homeless person under a mental illness commitment unless facts and circumstances warrant such a detention (see the Crisis Intervention Incidents Policy).

When a mental illness hold is not warranted, the contacting officer should provide the homeless person with contact information for mental health assistance as appropriate. In these circumstances, officers may provide transportation to a mental health specialist if requested by the person and approved by a supervisor.

#### **426.6 ECOLOGICAL ISSUES**

Sometimes homeless encampments can impact the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Officers are encouraged to notify other appropriate agencies or departments when a significant impact to the environment has or is likely to occur. Significant impacts to the environment may warrant a crime report, investigation, supporting photographs and supervisor notification.

# First Amendment Assemblies

## 427.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

## 427.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department respects the rights of people to peaceably assemble. It is the policy of this department not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

## 427.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills and leafleting, and loitering. However, officers shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors officers may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Officers should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless an officer is placing a person under lawful arrest.

Supervisors should continually observe department members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

### *First Amendment Assemblies*

---

#### **427.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS**

Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating department performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious, or social views of associations, or the activities of any individual, group, association, organization, corporation, business, or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

#### **427.4 UNPLANNED EVENTS**

When responding to an unplanned or spontaneous public gathering, the first responding officer should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to the Communications Center, the on-duty PIO, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

#### **427.5 PLANNED EVENT PREPARATION**

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

##### **427.5.1 INFORMATION GATHERING AND ASSESSMENT**

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.
- Information about past and potential unlawful conduct associated with the event or similar events.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *First Amendment Assemblies*

---

- The potential time, duration, scope, and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

#### 427.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for:

- (a) Command assignments, chain of command structure, roles and responsibilities.
- (b) Staffing and resource allocation.
- (c) Management of criminal investigations.
- (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields).
- (e) Deployment of specialized resources.
- (f) Event communications and interoperability in a multijurisdictional event.
- (g) Liaison with demonstration leaders and external agencies.
- (h) Liaison with Airport Authority and legal staff.
- (i) Media relations.
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief and transportation.
- (k) Traffic management plans.
- (l) First aid and emergency medical service provider availability.
- (m) Prisoner transport and detention.
- (n) Review of policies regarding public assemblies and use of force in crowd control.
- (o) Parameters for declaring an unlawful assembly.
- (p) Arrest protocol, including management of mass arrests.
- (q) Protocol for recording information flow and decisions.
- (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force.
- (s) Protocol for handling complaints during the event.

### *First Amendment Assemblies*

---

- (t) Parameters for the use of body-worn cameras and other portable recording devices.

#### **427.5.3 MUTUAL AID AND EXTERNAL RESOURCES**

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Outside Agency Assistance Policy).

#### **427.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS**

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

#### **427.7 USE OF FORCE**

Use of force is governed by current department policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and conducted energy devices should be considered only when the participants' conduct reasonably appears to present the potential to harm officers, themselves or others, or will result in substantial property loss or damage (see the Control Devices and Techniques and the Conducted Energy Device policies).

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *First Amendment Assemblies*

---

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

#### **427.8 ARRESTS**

The Burbank Glendale Pasadena Airport Authority Police Department should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

- (a) Reasonable measures to address the safety of officers and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Cite and Release Policy).

#### **427.9 MEDIA RELATIONS**

The Public Information Officer should use all available avenues of communication, including press releases, briefings, press conferences, and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

##### **427.9.1 MEDIA ACCESS**

If officers close the immediate area surrounding any emergency field command post or any other command post, or establish a police line, or rolling closure at a demonstration, march, protest, or rally where individuals are engaged in a protected activity pursuant to the First Amendment, officers shall comply with the requirements of Penal Code § 409.7 relating to media access (i.e., access to closed areas, obtaining information) (Penal Code § 409.7).

#### **427.10 DEMOBILIZATION**

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

#### **427.11 POST EVENT**

The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

- (a) Operational plan
- (b) Any incident logs
- (c) Any assignment logs
- (d) Vehicle, fuel, equipment and supply records
- (e) Incident, arrest, use of force, injury and property damage reports
- (f) Photographs, audio/video recordings, the Communications Center records/tapes
- (g) Media accounts (print and broadcast media)

##### **427.11.1 AFTER-ACTION REPORTING**

The Incident Commander should work with Airport Authority legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

- (a) Date, time and description of the event
- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
- (c) Problems identified
- (d) Significant events
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

#### **427.12 TRAINING**

Department members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management (Penal Code § 13514.5). The Department should, when practicable, train with its external and mutual aid partners.

Officers should also receive periodic training on the standards for the use of kinetic energy projectiles and chemical agents for crowd control purposes as identified in Penal Code § 13652.

#### **427.13 USE OF KINETIC ENERGY PROJECTILES AND CHEMICAL AGENTS FOR CROWD CONTROL**

Kinetic energy projectiles and chemical agents for crowd control purposes shall only be deployed by officers who have received POST training for crowd control if the use is objectively reasonable

to defend against a threat to life or serious bodily injury to any individual, including an officer, or to bring an objectively dangerous and unlawful situation safely and effectively under control and in accordance with the following requirements of Penal Code § 13652.

- (a) De-escalation techniques or other alternatives to force have been attempted, when objectively reasonable, and have failed.
- (b) Repeated, audible announcements are made announcing the intent to use kinetic energy projectiles and chemical agents and the type to be used, when objectively reasonable to do so. The announcements shall be made from various locations, if necessary, and delivered in multiple languages, if appropriate.
- (c) Individuals are given an objectively reasonable opportunity to disperse and leave the scene.
- (d) An objectively reasonable effort has been made to identify individuals engaged in violent acts and those who are not, and kinetic energy projectiles or chemical agents are targeted toward those individuals engaged in violent acts. Projectiles shall not be aimed indiscriminately into a crowd or group of individuals.
- (e) Kinetic energy projectiles and chemical agents are used only with the frequency, intensity, and in a manner that is proportional to the threat and objectively reasonable.
- (f) Officers shall minimize the possible incidental impact of their use of kinetic energy projectiles and chemical agents on bystanders, medical personnel, journalists, or other unintended targets.
- (g) An objectively reasonable effort has been made to extract individuals in distress.
- (h) Medical assistance is promptly provided, if properly trained personnel are present, or procured, for injured persons, when it is reasonable and safe to do so.
- (i) Kinetic energy projectiles shall not be aimed at the head, neck, or any other vital organs.
- (j) Kinetic energy projectiles or chemical agents shall not be used solely due to any of the following:
  - 1. A violation of an imposed curfew.
  - 2. A verbal threat.
  - 3. Noncompliance with a law enforcement directive.
- (k) If the chemical agent to be deployed is tear gas, only an Incident Commander at the scene of the assembly, protest, or demonstration may authorize its use.

#### 427.13.1 USE SUMMARY

The Patrol Commander or the authorized designee should ensure that a summary of each deployment of kinetic energy projectiles or chemical agents for crowd control purposes is prepared and published on the department website within 60 days of each incident. The time frame may be extended for another 30 days where just cause is demonstrated, but no longer than 90 days from the time of the incident. The summary shall be limited to the information known to the Department at the time of the report and include the information required in Penal Code § 13652.1.

#### **427.14 ANTI-REPRODUCTIVE RIGHTS CALLS**

Officer response to public assemblies or demonstrations relating to anti-reproductive rights should be consistent with this policy (Penal Code § 13778.1).

## Civil Disputes

### 428.1 PURPOSE AND SCOPE

This policy provides members of the Burbank Glendale Pasadena Airport Authority Police Department with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Domestic Violence Policy will address specific legal mandates related to domestic violence court orders. References in this policy to “court orders” apply to any order of a court that does not require arrest or enforcement by the terms of the order or by California law.

### 428.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this department will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides and refrain from giving legal or inappropriate advice.

### 428.3 GENERAL CONSIDERATIONS

When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While not intended to be an exhaustive list, members should give considerations to the following when handling civil disputes:

- (a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.
- (b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.
- (c) Members shall not provide legal advice, however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.
- (d) Members are reminded that they shall not enter a residence or other non-public location without legal authority including valid consent.
- (e) Members should not take an unreasonable amount of time assisting in these matters and generally should contact a supervisor if it appears that peacekeeping efforts longer than 30 minutes are warranted.

### *Civil Disputes*

---

#### **428.4 COURT ORDERS**

Disputes involving court orders can be complex. Where no mandate exists for an officer to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent court order violation in a report. If there appears to be a more immediate need for enforcement action, the investigating officer should consult a supervisor prior to making any arrest.

If a person appears to be violating the terms of a court order but is disputing the validity of the order or its applicability, the investigating officer should document the following:

- (a) The person's knowledge of the court order or whether proof of service exists.
- (b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be attached to the report when available. The report should be forwarded to the appropriate prosecutor. The report should also be forwarded to the court issuing the order with a notice that the report was also forwarded to the prosecutor for review.

##### **428.4.1 STANDBY REQUESTS**

Officer responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items. Officers should not order the other party to allow entry or the removal of any items. If there is a restraining or similar order against the person requesting standby assistance, that person should be asked to leave the scene or they may be subject to arrest for violation of the order.

If the other party is not present at the location, the member will not allow entry into the location or the removal of property from the location.

#### **428.5 VEHICLES AND PERSONAL PROPERTY**

Officers may be faced with disputes regarding possession or ownership of vehicles or other personal property. Officers may review documents provided by parties or available databases (e.g., vehicle registration), but should be aware that legal possession of vehicles or personal property can be complex. Generally, officers should not take any enforcement action unless a crime is apparent. The people and the vehicle or personal property involved should be identified and the incident documented.

#### **428.6 REAL PROPERTY**

Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.

# Suspicious Activity Reporting

## 429.1 PURPOSE AND SCOPE

This policy provides guidelines for reporting and investigating suspicious and criminal activity.

### 429.1.1 DEFINITIONS

Definitions related to this policy include:

**Involved party** - An individual who has been observed engaging in suspicious activity, as defined in this policy, when no definitive criminal activity can be identified, thus precluding the person's identification as a suspect.

**Suspicious activity** - Any reported or observed activity that a member reasonably believes may have a nexus to any criminal act or attempted criminal act, or to foreign or domestic terrorism. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability should not be considered as factors that create suspicion (although these factors may be used as specific suspect descriptions). Examples of suspicious activity may include but are not limited to:

- Suspected pre-operational surveillance or intelligence gathering (e.g., photographing security features, asking questions about sensitive security-related subjects).
- Tests of security measures and response to incidents (e.g., "dry run," creating false alarms, attempts to enter secure areas without authorization).
- Suspicious purchases (e.g., purchasing large quantities of otherwise legal items, such as fertilizer, that could be used to create an explosive or other dangerous device).
- An individual in possession of such things as a hoax explosive or dispersal device, sensitive materials (e.g., passwords, access codes, classified government information), or coded or ciphered literature or correspondence.

**Suspicious Activity Report (SAR)** - An incident report used to document suspicious activity.

## 429.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department recognizes the need to protect the public from criminal conduct and acts of terrorism and shall lawfully collect, maintain and disseminate information regarding suspicious activities, while safeguarding civil liberties and privacy protections.

## 429.3 RESPONSIBILITIES

The Patrol Division Commander and authorized designees will manage SAR activities. Authorized designees should include supervisors who are responsible for department participation in criminal intelligence systems as outlined in the Criminal Organizations Policy.

The responsibilities of the Patrol Division Commander include, but are not limited to:

- (a) Remaining familiar with those databases available to the Department that would facilitate the purpose of this policy.

### *Suspicious Activity Reporting*

---

- (b) Maintaining adequate training in the area of intelligence gathering to ensure no information is being maintained that would violate the law or civil rights of any individual.
- (c) Ensuring a process is available that would allow members to report relevant information. The process should be designed to promote efficient and quick reporting, and should not be cumbersome, duplicative or complicated.
- (d) Ensuring that members are made aware of the purpose and value of documenting information regarding suspicious activity, as well as the databases and other information resources that are available to the Department.
- (e) Ensuring that SAR information is appropriately disseminated to members in accordance with their job responsibilities.
- (f) Coordinating investigative follow-up, if appropriate.
- (g) Coordinating with any appropriate agency or fusion center.
- (h) Ensuring that, as resources are available, the Department conducts outreach that is designed to encourage members of the community to report suspicious activity and that outlines what they should look for and how they should report it (e.g., website, public service announcements).

#### **429.4 REPORTING AND INVESTIGATION**

Any department member receiving information regarding suspicious activity should take any necessary immediate and appropriate action, including a request for tactical response or immediate notification of specialized entities, when applicable. Any civilian member who receives such information should ensure that it is passed on to an officer in a timely manner.

If the suspicious activity is not directly related to a reportable crime, the member should prepare a SAR and include information about involved parties and the circumstances of the incident. If, during any investigation, an officer becomes aware of suspicious activity that is unrelated to the current investigation, the information should be documented separately in a SAR and not included in the original incident report. The report number of the original incident should be included in the SAR as a cross reference. A SAR should be processed as any other incident report.

# Medical Aid and Response

## 430.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons in need of medical aid and establishes a law enforcement response to such situations.

## 430.2 POLICY

It is the policy of the Burbank Glendale Pasadena Airport Authority Police Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

## 430.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact the Communications Center and request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide the Communications Center with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
  - 1. Signs and symptoms as observed by the member.
  - 2. Changes in apparent condition.
  - 3. Number of patients, sex, and age, if known.
  - 4. Whether the person is conscious, breathing, and alert, or is believed to have consumed drugs or alcohol.
  - 5. Whether the person is showing signs or symptoms of extreme agitation or is engaging in violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

### *Medical Aid and Response*

---

#### **430.4 TRANSPORTING ILL AND INJURED PERSONS**

Except in extraordinary cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Officers should search any person who is in custody before releasing that person to EMS for transport.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

#### **430.5 PERSONS REFUSING EMS CARE**

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive care or be transported. However, members may assist EMS personnel when EMS personnel determine the person lacks mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with a 72-hour treatment and evaluation commitment (5150 commitment) process in accordance with the Mental Illness Commitments Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person who is in custody still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

#### **430.6 MEDICAL ATTENTION RELATED TO USE OF FORCE**

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies.

A member may use an AED only after receiving appropriate training from an approved public safety first aid and CPR course (22 CCR 100014; 22 CCR 100017; 22 CCR 100018).

##### **430.8.1 AED USER RESPONSIBILITY**

Members who are issued AEDs for use in department vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Training Sergeant who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED should contact the Communications Center as soon as possible and request response by EMS.

##### **430.8.2 AED REPORTING**

Any member using an AED will complete an incident report detailing its use.

##### **430.8.3 AED TRAINING AND MAINTENANCE**

The Airport Fire Department should ensure appropriate training and refresher training is provided to members authorized to use an AED. A list of authorized members and training records shall be made available for inspection by the local EMS agency (LEMSA) or EMS authority upon request (22 CCR 100021; 22 CCR 100022; 22 CCR 100029).

The Airport Fire Department is responsible for ensuring AED devices are appropriately maintained and will retain records of all maintenance in accordance with the established records retention schedule (22 CCR 100021).

#### 430.9.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES

Members who are qualified to administer opioid overdose medication, such as Narcan, should handle, store and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Sergeant.

Any member who administers an opioid overdose medication should contact the Communications Center as soon as possible and request response by EMS.

#### 430.9.2 OPIOID OVERDOSE MEDICATION REPORTING

Any member administering opioid overdose medication should detail its use in an appropriate report.

The Training Sergeant will ensure that the Administrative Commander is provided enough information to meet applicable state reporting requirements.

#### 430.9.3 OPIOID OVERDOSE MEDICATION TRAINING

The Training Sergeant should ensure initial and refresher training is provided to members authorized to administer opioid overdose medication. Training should be coordinated with the local health department and comply with the requirements in 22 CCR 100019 and any applicable POST standards (Civil Code § 1714.22).

#### 430.9.4 DESTRUCTION OF OPIOID OVERDOSE MEDICATION

The Training Sergeant shall ensure the destruction of any expired opioid overdose medication (Business and Professions Code § 4119.9).

#### 430.9.5 OPIOID OVERDOSE MEDICATION RECORD MANAGEMENT

Records regarding acquisition and disposition of opioid overdose medications shall be maintained and retained in accordance with the established records retention schedule and at a minimum of three years from the date the record was created (Business and Professions Code § 4119.9).

### **430.10 SICK OR INJURED ARRESTEE**

If an arrestee appears ill or injured, or claims illness or injury, he/she should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Arrestees who appear to have a serious medical issue should be transported by ambulance. Officers shall not transport an arrestee to a hospital without a supervisor's approval.

---

Nothing in this section should delay an officer from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the officer's training.

#### **430.11 FIRST AID TRAINING**

The Training Sergeant should ensure officers receive initial first aid training within one year of employment and refresher training every two years thereafter (22 CCR 100016; 22 CCR 100022).

## Body-Worn Cameras

### 431.1 PURPOSE AND SCOPE

Body worn cameras (BWC) provide additional documentation of police/public encounters and may be an important tool for collecting evidence and maintaining public trust. Persons reviewing recordings must be cautious before conclusions are reached about what the video shows.

It is the policy of the BGPAAPD Police Department to equip sworn personnel, and a select number of civilian employees, with BWCs. The cameras are intended to:

- Capture crimes in progress, whether perpetrated against the officer or the community and to maintain this evidence for presentation in court.
- Document initial police response, the discovery of evidentiary items, and the actions of the police pursuant to an investigation including calls for service or self-initiated police contacts.
- Mitigate potentially confrontational interactions with members of the public through the presence of the BWC.
- Prevent and investigate complaints made against officers during their police duties.
- Serve in training and performance feedback - ensuring the professionalism, accountability, and transparency of members of the BGPAAPD Police Department.

Officers shall utilize BWCs in accordance with the provisions in this policy and state and federal law to complement the performance of patrol personnel, investigators, and detention officers.

While recordings obtained from BWCs provide an objective record of events, it is understood that video recordings do not necessarily reflect the experience or state of mind of the individual member(s) in a given incident. Moreover, the recordings, especially video, have limitations and may depict events differently than the events recalled by the involved member. Video captures 2-dimensional images, which may be different from a member's 3-dimensional observations. Lighting and angles may also contribute to different perceptions. Specifically, it is understood that the recording device will capture information that may not have been heard and/or observed by the involved member and that the involved member may see and hear information that may not be captured on video.

### 431.2 POLICY

This policy provides guidelines for the use of BWCs by members of this department while in the performance of their duties, including all recording systems whether body-worn, hand-held or integrated into portable equipment. The use of recorders is intended to enhance the mission of the Department by accurately capturing contacts between members of the Department and the public.

This policy does not apply to lawful surreptitious audio-video recording, interception of communications for authorized investigative purposes, or to mobile audio/video recordings (see the Investigation and Prosecution and Mobile Audio/Video policies).

#### **431.3 MEMBER PRIVACY**

Members should avoid using their personal devices to make recordings, but if they use their personal device to make a recording, they are required to provide that recording to the Department at the earliest opportunity and no later than by the end of their shift.

All recordings made by members acting in their official capacity shall remain the property of the BGPAAPD regardless of whether those recordings were made with department-issued or personally owned recorders. Members shall have no expectation of privacy or ownership interest in the content of these recordings. Members shall maintain full privacy and ownership interest in the unrelated content stored on personally owned recorders, including cellular telephones.

#### **431.4 MEMBER RESPONSIBILITY**

Each uniformed member shall be responsible for making sure that he/she is equipped with a BWC issued by the Department, and that the recorder is in good working order prior to each shift. If the recorder is not in working order or malfunctions at any time, the member shall promptly report the failure to his/her supervisor and obtain a functioning device as soon as practicable. Uniformed members shall wear the BWC in a conspicuous manner and the cameras shall be forward facing on the uniform to facilitate optimal recording field of view.

Any member assigned to a non-uniformed position (Detectives and Special Investigative Units) shall carry an approved BWC any time the member believes that such a device may be useful. Non-uniformed members wearing a BWC shall wear the device in a conspicuous manner and forward facing to facilitate optimal recording field of view. This section does not apply to members acting in an undercover capacity.

When using a BWC, the assigned member shall record his/her name, BGPAAPD identification number and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not required when the recording device and related software captures the user's unique identification and the date and time of each recording.

Members shall document the use of a BWC and the existence of a recording in any report or other official record of the contact, including any instance where the recorder malfunctioned or the member deactivated the recording prior to the conclusion of the contact. Members shall include the reason for deactivation.

When a member reasonably believes a recorded contact may lead to a review by a subsequent supervisor, the member should promptly notify their supervisor of the existence of the recording.

Members shall not tamper with or dismantle any hardware or software component of the body worn camera.

All Department members using BWCs shall be trained and provided a copy of the policy prior to use of equipment. Supervisors with Department members assigned BWCs shall conduct section training twice a year on the policy expectations and use and maintenance of the BWC equipment. Employees will also be tested yearly via the Department's web-based policy review.

### *Body-Worn Cameras*

#### **431.4.1 TRANSFER PROCEDURES**

Members shall dock their issued body-worn camera for automated upload of data files daily or when directed by a supervisor to ensure the timely transfer of data. This procedure will ensure that storage capacity is not exceeded within the device and to view uploaded audio/video files for report writing.

Members uploading audio/video files into storage shall include incident information (metadata) for any recording which has the likelihood of resulting in a criminal, civil, or administrative review or investigation. These incidents shall include those in which a member may only be a secondary or peripheral responder. All associated recordings for these events, whether evidence or not, shall include general offense and case number.

Personnel assigned a BWC should allow sufficient time to upload files at the end of their shift to avoid incurring unnecessary overtime expenditures. All Department policies and MOUs regarding the use of overtime will apply.

#### **431.5 SUPERVISOR RESPONSIBILITIES**

Supervisors shall not use BWCs or online storage system until they have successfully completed the required training.

Supervisors shall ensure members assigned a BWC are utilizing the equipment according to policy guidelines. Supervisors may also conduct random or directed review of recordings to assess performance related to its use and note videos that may be appropriate for training and/or administrative review. Supervisors completing an audit should memorialize in the Notes field the purpose for each video audited. When an incident arises that requires the immediate retrieval of BWC media for chain of custody purposes (including, but not limited to, officer involved shootings, in-custody deaths, critical incidents involving great bodily injury, or other incidents as determined by policy/supervision), a supervisor will respond to the scene, ensure the position/location of the BWC is documented and photographed, retrieve and take custody of the BWC, and ensure the data is uploaded and access is restricted (Penal Code § 832.18). Supervisors shall review relevant video recordings prior to submitting any administrative reports.

#### **431.6 ACTIVATION OF THE BODY WORN CAMERA**

This policy is not intended to describe every possible circumstance where the activation of the BWC is required. Not all situations will clearly start out necessitating documentation by the BWC nor will all recorded events have a clear ending for when the BWC is no longer required.

The BWC shall be activated in:

- (a) All enforcement and investigative contacts, including but not limited to:
  - 1. Calls for service
  - 2. Traffic stops
  - 3. Pedestrian stops (including member-initiated consensual encounters)
  - 4. Field interviews

5. Witness and victim interviews (except as noted below in Section 450.8)
  6. Detentions • Arrests (Including Miranda advisements)
  7. Searches (service of warrants, warrantless or consensual searches)
  8. Crowd management and control
  9. Canine deployments
  10. Use of force investigations
  11. Suspicion of crime occurring (narcotic investigations, problem locations, etc.)
  12. Any activity the member believes may be criminal in nature
- (b) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording.

If the immediate activation of the BWC is not feasible due to an imminent risk to the safety of the officer or others, the officer will activate the BWC at the first available opportunity after the immediate threat has been addressed. Members assigned a BWC should consider initiating a recording prior to contacting or detaining people in the course of their duties.

Once a recording is initiated, a continuous recording of the event must take place until the completion of the incident or contact.

Members should remain sensitive to the dignity of all individuals being recorded and exercise sound discretion to respect privacy by discontinuing video recording whenever it reasonably appears to the member that such privacy may outweigh any legitimate law enforcement interest in video recording. When video recording is discontinued, officers should utilize other means of capturing the audio. Video recording should resume when privacy is no longer an issue unless the circumstances no longer fit the criteria for recording.

Members shall not use BWC devices to record communications or discussions with co-workers or supervisors, non-work-related activities or non-law enforcement contacts. Members shall not use BWC devices to record discussions pertaining to tactical operations, such as those by SWAT personnel.

#### 431.6.1 FIRST AMENDMENT ACTIVITY

Members shall not use BWC devices to record individuals who are engaged in peaceful protest or First Amendment protected speech or activities, unless the officer believes a violation of criminal law is occurring, may occur, or if the officer has direct interaction with a participant or third party to the event.

#### 431.6.2 SURREPTITIOUS USE OF THE PORTABLE RECORDER

Penal Code § 632 prohibits an individual from surreptitiously recording a "confidential" conversation if there is a reasonable expectation of privacy or confidentiality. However, Penal Code § 633 expressly exempts law enforcement from this prohibition during a criminal investigation. Members of the Department may surreptitiously record any conversation during a

### *Body-Worn Cameras*

---

criminal investigation in which the member reasonably believes that such a recording will be lawful and beneficial to the investigation (Penal Code § 633).

#### **431.7 ADVISEMENT ABOUT RECORDING**

Private citizens do not have a reasonable expectation of privacy when talking with police personnel during the scope of an officer's official duties. Private citizens may have a reasonable expectation of privacy in their homes or place of business except when officers are lawfully present during official duties (warrant, consent, exigent circumstances). Therefore, members are not required to give notice they are recording and/or obtain consent.

#### **431.8 TERMINATION OF RECORDING**

Once activated, the BWC should remain on continuously until the member's direct participation in the incident is complete, the situation no longer fits the criteria for activation, or unless tactical or practical reasons dictate otherwise. Recording may be stopped during significant periods of inactivity, such as report writing or other breaks from direct participation in the incident. If the BWC is used during an enforcement situation and it becomes necessary to discuss issues or concerns related to privacy or officer safety with another employee or supervisor, the device may be turned off. The intention to stop the recording should be noted by the officer verbally such that it is recorded by the BWC before the deactivation. When the aforementioned conversation has ended, the member should reactivate the camera promptly and the member shall note verbally that the recording has continued.

Members shall cease recording whenever necessary to ensure conversations are not recorded between a person in custody and the person's attorney, religious advisor or physician, unless there is explicit consent from all parties to the conversation (Penal Code § 636). Circumstances when a member is not required to activate the BWC or may cease recording include, but are not limited to:

- (a) Officer and citizen safety would be compromised (e.g., a confidential informant, citizen informant, or undercover member);
- (b) A health care provider is discussing medical issues with a patient;
- (c) While in a hospital for an extended security detail with a subject or an arrestee. However, the BWC should be turned on in the hospital if a situation arises which requires police action or to garner investigative statements;
- (d) On a primary school campus, unless officers are responding to an imminent threat to public safety, such as assault in progress, or effecting an arrest;
- (e) Non-enforcement contacts in restrooms, dressing rooms, and locker rooms;
- (f) A witness or victim refuses to provide a statement if recorded and the encounter is nonconfrontational;
- (g) In the member's judgment, a recording would interfere with his or her ability to conduct an investigation, or may be inappropriate because of the victim or witness's physical condition, emotional state, age, or other sensitive circumstance (e.g. sexual assault victim);

### *Body-Worn Cameras*

---

- (h) If a member is on a perimeter post or assigned to a static post where he/she is not in contact with citizens, involved in an enforcement action, or actively part of the investigation;
- (i) Other examples as covered in instructional training sessions.

#### **431.8.1 EXPLOSIVE DEVICE**

Many portable recorders, including BWCs and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

#### **431.9 PROHIBITED USE OF BODY WORN CAMERAS**

Members are prohibited from personally retaining recordings of activities or information obtained while acting in their official capacity, whether the recording was created with department-issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized Department purposes. All such recordings shall be retained at the Department.

Members are prohibited from using personally owned BWCs while acting in their official capacity. Any member who uses a personally owned recorder for department-related activities shall comply with the provisions of this policy, including retention and release requirements.

Recordings shall not be used by any member for the purpose of embarrassment, intimidation or ridicule.

Generally, BWCs shall not be used as a surveillance tool to record members of the public engaged in lawful activity (see section 450.6 for exceptions).

#### **431.10 RETENTION REQUIREMENTS**

All recordings of evidentiary value shall be retained for a period consistent with the requirements of the organization's records retention schedule, but no less than 1 year pursuant to Government Code § 34090.6.

In the event of an accidental recording of a department member where the resulting recording is of no investigative or evidentiary value, the member who made the recording shall notify a supervisor and the recorded employee of the footage as soon as he/she becomes aware of its existence. An employee may request, via the chain of command, that the video be isolated. The supervisor shall email his/her Division Commander with sufficient information to locate the video and an explanation for the request. The Division Commander shall review the video, approve, or deny the request, and forward to the Administrative Division Commander for action through the System Administrator. All requests to isolate video shall be maintained by the Administrative Services Division Commander.

#### **431.11 REVIEW OF RECORDINGS**

Except for those situations otherwise contained within this policy, Department members will be allowed to review recordings for the following reasons:

- (a) To test the device to ensure it is operating properly;

### *Body-Worn Cameras*

- (b) When preparing written reports. Members should review recordings to assist with their investigation prior to the completion of their report. Recorded statements shall be summarized and documented in the narrative of the report;
- (c) Follow-up to an assigned criminal investigation;
- (d) Prior to courtroom testimony or for courtroom presentation;
- (e) By an authorized supervisor/investigator participating in an investigation or inquiry of meritorious conduct, personnel complaint, or administrative or criminal investigation;
- (f) Pursuant to lawful process or by court order.

In the event video files are utilized for training purposes and the involved employee(s) object to the use of the video, such objection shall be submitted to the employee's section Commander. The value of the video for training will be weighed against the employee's objections and basis for the objection.

Anytime a Department member reviews a recording pursuant to a criminal investigation, or in authoring a report or memorandum, the viewing person shall document in the report the fact that the recording was viewed.

BWC recordings shall not replace employees' investigative notes taken at the scene and members shall not use the fact that a recording was made as a reason to write a less detailed report.

Whenever a BWC is present during a critical incident, such as an officer-involved shooting or in-custody death, the involved officer or witness officer shall notify an on-duty supervisor as soon as practical. The supervisor shall secure the device until turned over to the BGPAAPD Police Department supervisor assigned to the investigation. The BWC recording shall be uploaded to the storage system as soon as practical and access to the recording shall be restricted.

A Department member involved in an officer-involved shooting, in-custody death, incident resulting in great bodily injury, or suspected of criminal activity shall be given the opportunity to review his/her own BWC video recording of the incident prior to providing a statement to criminal investigators. In the event the involved member does not provide a voluntary statement to criminal investigators, the member will not be allowed to view any recordings until the administrative investigation. If deemed necessary and appropriate by the assigned investigative supervisor, the involved Department member shall be given the opportunity to review other relevant BWC recordings that memorialized the encounter from a similar vantage point. The member may have his/her representative present during the viewing of the video recordings and will be afforded the opportunity to privately consult with his/her representative before providing a statement.

Members are not authorized to playback BWC recordings to allow members of the public to review the recordings without approval from a Commander.

#### 431.11.1 ADMINISTRATIVE INVESTIGATION

As part of the administrative investigation, the member shall be given the opportunity to view the video recordings of the incident from his/her own BWC immediately prior to his/her interview. The member may have his/her representative present during the viewing of the video recordings and

### *Body-Worn Cameras*

---

will be afforded the opportunity to privately consult with his/her representative before providing a statement.

#### **431.12 RECORDS REQUEST**

The BGPAAPD Police Department will endeavor to release BWC recordings to the greatest extent possible unless disclosure would:

- (a) endanger the safety of a witness or another person involved in the investigation,
- (b) jeopardize the successful completion of an investigation or
- (c) violate local, state, and/or federal laws, including but not limited to, the right to privacy, or
- (d) involves other mitigating circumstances such as potential civil litigation.

All recordings released by the Department by virtue of the California Public Records Act, court order, or subpoena shall be handled by the Custodian of Records and documented (see the Records Maintenance and Release Policy). All recordings should be reviewed by the Custodian of Records prior to public release.

Although the data contained within audio/video systems are not considered Criminal Offender Record Information (CORI), it shall be treated in the same manner as CORI data. All access to the systems is logged and subject to audit at any time. Access to the data from the systems is permitted on a right-to-know, need-to-know basis.

Pursuant to discovery requests in preparation for criminal trials or civil discovery requests, the investigator can make a copy of an audio/video file for release to the District Attorney's Office, City Attorney's Office, and/or other Judicial Department. The release shall be memorialized in a report by the investigator and signed as received by the prosecuting attorney, in compliance with current Department practice.

Prior to the public release of a recording containing the image of a readily identifiable Department member, that member shall be notified of the pending release as soon as practicable.

#### **431.13 COORDINATOR**

The Chief of Police or the authorized designee shall appoint a member of the Department to coordinate the use, maintenance, and training of BWC recording devices and the storage of recordings, including:

- (a) Establishing a system for downloading, storing, and security of recordings;
- (b) Designating persons responsible for downloading recorded data;
- (c) Establishing a maintenance system to ensure availability of operable BWC devices;
- (d) Establishing a system for tagging and categorizing data according to the type of incident captured;
- (e) Establishing a system to prevent tampering, deleting, and copying recordings and ensure chain of custody integrity;

### *Body-Worn Cameras*

- (f) Working with the General Counsel to ensure an appropriate retention schedule for recordings and associated documentation;
- (g) Isolating accidental recordings upon request of the applicable Division Commander;
- (h) Maintaining logs of access and isolations of recordings (Penal Code § 832.18).

#### **431.14 AUDITING**

For the purpose of ensuring incidents are being recorded per this Policy, a supervisor may randomly audit the system to evaluate policy compliance and performance.

Generally, minor infractions regarding the use of the BWC and related equipment may be viewed as training opportunities and documented rather than means to take disciplinary action, especially in the implementation stage of the project.

The Policy and Risk Management Unit will be responsible for routinely reviewing and updating applicable policies to meet state and federal law and industry best practices.

#### **431.15 PROHIBITION AGAINST MODIFICATION OF RECORDINGS**

Members shall not copy, edit, alter, erase, or otherwise modify in any manner audio/video recordings except as authorized by law or Department policy. Audio/video recordings shall not be disseminated via electronic mail.

## **Chapter 5 - Traffic Operations**

## Traffic Function and Responsibility

### 500.1 PURPOSE AND SCOPE

The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventive patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on accident data, enforcement activity records, traffic volume, and traffic conditions. This department provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in accident situations, but also in terms of traffic-related needs.

### 500.2 TRAFFIC OFFICER DEPLOYMENT

Several factors are considered in the development of deployment schedules for officers of the Burbank Glendale Pasadena Airport Authority Police Department. Information provided by the California Statewide Integrated Traffic Reporting System (SWITRS) is a valuable resource for traffic accident occurrences and therefore officer deployment. Some of the factors for analysis include:

- Location
- Time
- Day
- Violation factors

All officers assigned to patrol or traffic enforcement functions will emphasize enforcement of accident causing violations during high accident hours and at locations of frequent occurrence. All officers will take directed enforcement action on request, and random enforcement action when appropriate against violators as a matter of routine. All officers shall maintain high visibility while working general enforcement, especially at high accident locations.

Other factors to be considered for deployment are requests from the public, construction zones or special events.

### 500.3 ENFORCEMENT

Enforcement actions are commensurate with applicable laws and should take into account the degree and severity of the violation committed. This department does not establish ticket quotas and the number of arrests or citations issued by any officer shall not be used as the sole criterion for evaluating officer overall performance (Vehicle Code § 41603). The visibility and quality of an officer's work effort will be commensurate with the philosophy of this policy. Several methods are effective in the reduction of collisions:

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Traffic Function and Responsibility*

---

#### 500.3.1 WARNINGS

Warnings or other non-punitive enforcement actions should be considered in each situation and substituted for arrests or citations when circumstances warrant, especially in the case of inadvertent violations.

In deciding whether to issue a warning, officers may consider:

- (a) Accident or violation history at the location of the violation.
- (b) Active Directed Patrol Responses for traffic problems at the location of the violation.
- (c) Citizen complaints of violations at the location.
- (d) Driving record of the violator.
- (e) The potential hazards created by the violation.

#### 500.3.2 CITATIONS

Citations may be issued when an officer believes it is appropriate. It is essential that officers fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Officers should provide the following information at a minimum:

- (a) Explanation of the violation or charge
- (b) Court appearance procedure including the optional or mandatory appearance by the motorist
- (c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court

#### 500.3.3 PHYSICAL ARREST

Physical arrest can be made on a number of criminal traffic offenses outlined in the Vehicle Code or Penal Code. These physical arrest cases usually deal with, but are not limited to:

- (a) Vehicular manslaughter
- (b) Felony and misdemeanor driving under the influence of alcohol/drugs
- (c) Felony or misdemeanor hit-and-run
- (d) Refusal to sign notice to appear
- (e) Any other misdemeanor at the discretion of the officer, such as reckless driving with extenuating circumstances

#### **500.4 HANDLING SPECIAL CIRCUMSTANCES INVOLVING TRAFFIC VIOLATIONS**

Foreign diplomats or consular officials shall be handled in accordance with the Arrest and Detention of Foreign Nationals Policy. Legislators, government officials, military personnel, and juveniles shall be handled in the same manner as other citizens.

### *Traffic Function and Responsibility*

---

#### **500.5 UNIFORM ENFORCEMENT GUIDELINES**

While officers have discretion to determine the appropriate enforcement action based on the circumstances, officers should take the highest level of enforcement action for serious violations such as:

- (a) Violations involving drug or alcohol impairment.
- (b) Drivers with a suspended or revoked license.
- (c) Serious speed violations resulting in increased danger to the public.
- (d) Violations resulting in traffic collisions.
- (e) Hazardous violations (e.g., reckless driving or speed contests).
- (f) Multiple violations.

Officers should use greater discretion when determining the appropriate enforcement action for less serious violations such as:

- (a) Off-road vehicle violations.
- (b) Equipment violations.
- (c) Public carrier and commercial violations.
- (d) Non-hazardous violations (e.g., equipment).
- (e) Newly enacted laws and/or regulations.
- (f) Pedestrian and bicycle violations.

#### **500.6 TRAFFIC STOP PROCEDURES**

No policy can address all situations officers may encounter when making traffic stops. Officers should use their training and experience to make particular decisions to ensure their safety and the safety of the public. With all stops, officers should consider the location of the stop, traffic conditions and hazards, vehicle positioning, cover and concealment, approach, lighting, and the need for backup.

When making high-risk stops, officers shall communicate their intention to make a high-risk stop using the police radio and should initiate the stop only when adequate units are available and in position. Officers shall broadcast as much of the following information as circumstances permit:

- (a) Reason for the stop.
- (b) Location and direction of travel.
- (c) Vehicle description, including license plate.
- (d) Number of occupants and their brief descriptions.

Responding officers should consider blocking traffic in both directions during a high-risk stop to ensure everyone's safety. If available, a supervisor, air support, and a K-9 unit should be requested to respond to all high-risk stops.

### *Traffic Function and Responsibility*

---

In addition to safety considerations, officers should attempt to minimize conflicts with violators and strive to achieve a balance between an appropriate amount of command presence to maintain control of the stop and a professional attitude. The ultimate goal of the interaction should be to favorably alter the violator's future driving habits. Officers should greet all violators and answer reasonable questions.

#### **500.7 REQUEST FOR RE-EXAMINATION OF A DRIVER**

Traffic enforcement and collision investigation activities frequently lead to the discovery of drivers who have suspected incompetency, physical or mental disabilities, or other conditions that might interfere with their ability to safely operate a motor vehicle. Drivers who exhibit driving behavior that presents a clear or potential danger of risk to the driver or others should be issued a Notice of Re-Examination of Driver (DMV Form DS-427). The form shall be completed in accordance with the form instructions and shall be submitted to the Watch Commander prior to the end of the issuing officer's shift.

If in the officer's judgment the driver should not continue to drive prior to the re-examination, the officers should request a supervisor to respond and encourage the driver to make other arrangements to reach his or her destination. Absent other authority, officers cannot lawfully seize a vehicle in these circumstances. The final determination shall be made by the on-scene supervisor.

#### **500.8 SUSPENDED OR REVOKED DRIVERS LICENSES**

If an officer contacts a traffic violator for driving on a suspended or revoked license, the officer may issue a traffic citation pursuant to Vehicle Code § 14601.

If a computer check of a traffic violator's license status reveals a suspended or revoked driver license and the traffic violator still has his or her license in possession, the license shall be seized by the officer. The officer shall verbally advise the traffic violator of the suspension or revocation and issue the citation. The officer will be responsible for filling out the Verbal Notice form (DMV form DL-310) and causing that form and license to be sent to the Burbank Police Department Records Bureau for forwarding to the Department of Motor Vehicles.

#### **500.9 HIGH-VISIBILITY VESTS**

The Department has provided American National Standards Institute (ANSI) Class II high-visibility vests to increase the visibility of department members who may be exposed to hazards presented by passing traffic, maneuvering or operating vehicles, machinery and equipment (23 CFR 655.601; 8 CCR 1598).

Although intended primarily for use while performing traffic related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the member.

##### **500.9.1 REQUIRED USE**

Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be

### *Traffic Function and Responsibility*

---

exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, accident investigations, lane closures and while at disaster scenes, or anytime high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, officers should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used any time a plainclothes officer might benefit from being readily identified as a member of law enforcement.

#### 500.9.2 CARE AND STORAGE OF HIGH-VISIBILITY VESTS

High-visibility vests shall be maintained in the trunk of each patrol unit. Each vest should be stored inside the re-sealable plastic bag provided to protect and maintain the vest in a serviceable condition. Before going into service each employee shall ensure a serviceable high-visibility vest is properly stored.

A supply of high-visibility vests will be maintained in the equipment room for replacement of damaged or unserviceable vests. The Training Sergeant should be promptly notified whenever the supply of vests in the equipment room needs replenishing.

# Traffic Collision Reporting

### *Traffic Collision Reporting*

---

The officer first to arrive at the scene of a collision shall be the officer in charge of the scene unless or until the arrival of the assigned officer or traffic investigator or as directed by a supervisor.

#### **501.4 REPORTING SITUATIONS**

##### **501.4.1 TRAFFIC COLLISIONS INVOLVING AIRPORT AUTHORITY VEHICLES**

Traffic collision investigation reports shall be taken when an Airport Authority-owned vehicle is involved in a traffic collision upon a roadway or highway wherein any damage or injury results. A general information report may be taken in lieu of a traffic collision report (CHP 555 form) at the direction of a supervisor when the collision occurs on airport or private property or does not involve another vehicle. Whenever there is damage to an Airport Authority vehicle, a Vehicle Damage Report shall be completed and forwarded to the appropriate Commander.

Photographs of the collision scene and vehicle damage shall be taken at the discretion of the traffic investigator or any supervisor.

Department employees involved in traffic collisions while driving an authority vehicle are required, except when incapacitated, to immediately notify their supervisor. If their immediate supervisor is unavailable, the employee shall notify the Watch Commander. The Watch Commander shall then notify the Patrol Division Commander.

##### **501.4.2 TRAFFIC COLLISIONS WITH POLICE DEPARTMENT EMPLOYEES**

When an employee of this department, either on-duty or off-duty, is involved in a traffic collision within the jurisdiction of the Burbank Glendale Pasadena Airport Authority Police Department resulting in a serious injury or fatality, the Watch Commander or the Watch Commander, may notify the California Highway Patrol for assistance.

The term serious injury is defined as any injury that may result in a fatality.

##### **501.4.3 TRAFFIC COLLISIONS WITH OTHER AIRPORT AUTHORITY EMPLOYEES OR OFFICIALS**

The Watch Commander or on-duty Watch Commander may request assistance from the California Highway Patrol for the investigation of any traffic collision involving any Airport Authority official or employee where a serious injury or fatality has occurred.

##### **501.4.4 TRAFFIC COLLISIONS ON PRIVATE PROPERTY**

In compliance with the Collision Investigation Manual, traffic collision reports shall not be taken for traffic collisions occurring on private property unless there is a death or injury to any person involved, a hit-and-run violation, or Vehicle Code violation. An Incident Report may be taken at the discretion of any supervisor.

##### **501.4.5 TRAFFIC COLLISIONS ON ROADWAYS OR HIGHWAYS**

Traffic collision reports shall be taken when they occur on a roadway or highway within the jurisdiction of this department under any of the following circumstances:

- (a) When there is a death or injury to any persons involved in the collision

#### **501.5 NOTIFICATION OF TRAFFIC BUREAU SUPERVISION**

In the event of a serious injury or death related traffic collision, the Watch Commander shall notify the Burbank Police Department Traffic Bureau to relate the circumstances of the traffic collision and seek assistance.

## Vehicle Towing and Release

### 502.1 PURPOSE AND SCOPE

This policy provides the procedures for towing a vehicle by or at the direction of the Burbank Glendale Pasadena Airport Authority Police Department. Nothing in this policy shall require the Department to tow a vehicle.

### 502.2 STORAGE AND IMPOUNDS

When circumstances permit, for example when towing a vehicle for parking or registration violations, the handling employee should, prior to having the vehicle towed, make a good faith effort to notify the owner of the vehicle that it is subject to removal. This may be accomplished by personal contact, telephone or by leaving a notice attached to the vehicle at least 24 hours prior to removal. If a vehicle presents a hazard, such as being abandoned on the roadway, it may be towed immediately.

The responsibilities of those employees towing, storing or impounding a vehicle are listed below.

#### 502.2.1 VEHICLE STORAGE REPORT

Department members requesting towing, storage or impound of a vehicle shall complete CHP Form 180 and accurately record the mileage and a description of property within the vehicle (Vehicle Code § 22850). A copy of the storage report should be given to the tow truck operator and the original shall be submitted to the Burbank Police Department Records Bureau as soon as practicable after the vehicle is stored.

#### 502.2.2 REMOVAL FROM TRAFFIC COLLISION SCENES

When a vehicle has been involved in a traffic collision and must be removed from the scene, the officer shall have the driver select a towing company, if possible, and shall relay the request for the specified towing company to the dispatcher. When there is no preferred company requested, a company will be selected from the rotational list of towing companies in the Communications Center.

If the owner is incapacitated, or for any reason it is necessary for the Department to assume responsibility for a vehicle involved in a collision, the officer shall request the dispatcher to call the official towing garage for the Airport Authority of Burbank-Glendale-Pasadena Airport Authority. The officer will then store the vehicle using a CHP Form 180.

#### 502.2.3 STORAGE AT ARREST SCENES

Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this department to provide reasonable safekeeping by storing the arrestee's vehicle subject to the exceptions described below. The vehicle, however, shall be stored whenever it is needed for the furtherance of the investigation or prosecution of the case, or when the community caretaker doctrine would reasonably suggest that the vehicle should be stored (e.g., traffic hazard, high-crime area).

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Vehicle Towing and Release*

---

The following are examples of situations where consideration should be given to leaving a vehicle at the scene in lieu of storing, provided the vehicle can be lawfully parked and left in a reasonably secured and safe condition:

- Traffic-related warrant arrest.
- Situations where the vehicle was not used to further the offense for which the driver was arrested.
- Whenever the licensed owner of the vehicle is present, willing, and able to take control of any vehicle not involved in criminal activity.
- Whenever the vehicle otherwise does not need to be stored and the owner requests that it be left at the scene. In such cases, the owner shall be informed that the Department will not be responsible for theft or damages.

#### **502.2.4 DRIVING A NON-AIRPORT AUTHORITY VEHICLE**

Vehicles which have been towed by or at the direction of the Department should not be driven by police personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or to comply with posted signs.

#### **502.2.5 DISPATCHER'S RESPONSIBILITIES**

Upon receiving a request for towing, the dispatcher shall promptly telephone the specified authorized towing service. The officer shall be advised when the request has been made and the towing service has been dispatched.

When there is no preferred company requested, the dispatcher shall call the next firm in rotation from the list of approved towing companies and shall make appropriate entries on that form to ensure the following firm is called on the next request.

#### **502.3 TOWING SERVICES**

The Airport Authority of Burbank-Glendale-Pasadena Airport Authority periodically selects a firm to act as the official tow service and awards a contract to that firm. This firm will be used in the following situations:

- (a) When it is necessary to safeguard a vehicle due to the inability of the owner or operator to take the required action.
- (b) When a vehicle is being held as evidence in connection with an investigation.
- (c) When it is otherwise necessary to store a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles, and the removal of vehicles obstructing traffic in violation of state or local regulations.

#### **502.4 VEHICLE INVENTORY**

All property in a stored or impounded vehicle shall be inventoried and listed (itemized) on the vehicle storage form. This inventory shall include the trunk and any compartments or containers, even if closed and/or locked. A reasonable effort shall be made to inventory the contents of closed or locked containers and any unsuccessful attempts shall be documented on the Vehicle Report.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Vehicle Towing and Release*

---

Members conducting inventory searches should be as thorough and accurate as practical in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner's property while in police custody, to provide for the safety of officers, and to protect the Department against fraudulent claims of lost, stolen, or damaged property.

#### **502.5 SECURITY OF VEHICLES AND PROPERTY**

Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, officers should make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g., cash, jewelry, cell phone, prescriptions) that are not considered evidence or contraband.

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft, or damage, personnel conducting the search shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property from such hazards.

#### **502.6 TOWING FOR EXPIRED REGISTRATION**

Prior to a member removing a vehicle that is found to have expired registration for more than six months, the member shall verify that no current registration exists with the Department of Motor Vehicles (DMV). If current registration exists with the DMV, the vehicle shall not be removed (Vehicle Code § 22651(o)(1)(A)).

# Impaired Driving

## 503.1 PURPOSE AND SCOPE

This policy provides guidance to those department members who play a role in the detection and investigation of driving under the influence (DUI) of drugs, alcohol or both.

## 503.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of California's impaired driving laws.

## 503.3 INVESTIGATIONS

Officers should not enforce DUI laws to the exclusion of their other duties unless specifically assigned to DUI enforcement. All officers are expected to enforce these laws with due diligence.

The Watch Commander will develop and maintain, in consultation with the prosecuting attorney, report forms with appropriate checklists to assist investigating officers in documenting relevant information and maximizing efficiency. Any DUI investigation will be documented using these forms. Information documented elsewhere on the form does not need to be duplicated in the report narrative. Information that should be documented includes, at a minimum:

- (a) The field sobriety tests (FSTs) administered and the results.
- (b) The officer's observations that indicate impairment on the part of the individual, and the officer's health-related inquiries that may help to identify any serious health concerns (e.g., diabetic shock).
- (c) Sources of additional information (e.g., reporting party, witnesses) and their observations.
- (d) Information about any audio and/or video recording of the individual's driving or subsequent actions.
- (e) The location and time frame of the individual's vehicle operation and how this was determined.
- (f) Any prior related convictions in California or another jurisdiction.

## 503.4 FIELD TESTS

The Watch Commander should identify standardized FSTs and any approved alternate tests for officers to use when investigating violations of DUI laws.

## 503.5 CHEMICAL TESTS

A person implies consent to a chemical test or tests, and to providing the associated chemical sample, under any of the following (Vehicle Code § 23612):

- (a) The person is arrested for driving a vehicle while under the influence, pursuant to Vehicle Code § 23152.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Impaired Driving*

---

- (b) The person is under 21 years of age and is arrested by an officer having reasonable cause to believe that the person's blood alcohol content is 0.05 or more (Vehicle Code § 23140).
- (c) The person is under 21 years of age and detained by an officer having reasonable cause to believe that the person was driving a vehicle while having a blood alcohol content of 0.01 or more (Vehicle Code § 23136).
- (d) The person was operating a vehicle while under the influence and proximately caused bodily injury to another person (Vehicle Code § 23153).

If a person withdraws this implied consent, or is unable to withdraw consent (e.g., the person is unconscious), the officer should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

#### 503.5.1 STATUTORY NOTIFICATIONS

Officers requesting that a person submit to chemical testing shall provide the person with the mandatory warning pursuant to Vehicle Code § 23612(a)(1)(D) and Vehicle Code § 23612(a)(4).

#### 503.5.2 PRELIMINARY ALCOHOL SCREENING

Officers may use a preliminary alcohol screening (PAS) test to assist in establishing reasonable cause to believe a person is DUI. The officer shall advise the person that the PAS test is being requested to assist in determining whether the person is under the influence of alcohol or drugs, or a combination of the two. Unless the person is under the age of 21, the person shall be advised that the PAS test is voluntary. The officer shall also advise the person that submitting to a PAS test does not satisfy the person's obligation to submit to a chemical test as otherwise required by law (Vehicle Code § 23612).

#### 503.5.3 PRELIMINARY ALCOHOL SCREENING FOR A PERSON UNDER AGE 21

If an officer lawfully detains a person under 21 years of age who is driving a motor vehicle and the officer has reasonable cause to believe that the person has a blood alcohol content of 0.01 or more, the officer shall request that the person take a PAS test to determine the presence of alcohol in the person, if a PAS test device is immediately available. If a PAS test device is not immediately available, the officer may request the person to submit to chemical testing of the person's blood, breath, or urine, conducted pursuant to Vehicle Code § 23612 (Vehicle Code § 13388).

If the person refuses to take or fails to complete the PAS test or other chemical test, or if the result of either test reveals a blood alcohol content of 0.01 or more, the officer shall proceed to serve the person with a notice of order of suspension pursuant to this policy (Vehicle Code § 13388).

#### 503.5.4 CHOICE OF TESTS

Officers shall respect a viable choice of chemical test made by an arrestee, as provided for by law (e.g., breath will not be acceptable for suspected narcotics influence).

A person arrested for DUI has the choice of whether the test is of the person's blood or breath, and the officer shall advise the person that the person has that choice. If the person arrested either is

### *Impaired Driving*

---

incapable, or states that the person is incapable, of completing the chosen test, the person shall submit to the remaining test.

If the person chooses to submit to a breath test and there is reasonable cause to believe that the person is under the influence of a drug or the combined influence of alcohol and any drug, the officer may also request that the person submit to a blood test. If the person is incapable of completing a blood test, the person shall submit to and complete a urine test (Vehicle Code § 23612(a)(2)(C)).

#### 503.5.5 BREATH SAMPLES

The Watch Commander should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested, and that a record of such service and testing is properly maintained.

Officers obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Watch Commander.

When the arrested person chooses a breath test, the handling officer shall advise the person that the breath-testing equipment does not retain a sample, and the person may, if desired, provide a blood or urine specimen, which will be retained to facilitate subsequent verification testing (Vehicle Code § 23614).

The officer should also require the person to submit to a blood test if the officer has a clear indication that a blood test will reveal evidence of any drug or the combined influence of an alcoholic beverage and any drug. Evidence of the officer's belief shall be included in the officer's report (Vehicle Code § 23612(a)(2)(C)).

#### 503.5.6 BLOOD SAMPLES

Only persons authorized by law to draw blood shall collect blood samples (Vehicle Code § 23158). The blood draw should be witnessed by the assigned officer. No officer, even if properly certified, should perform this task.

Officers should inform an arrestee that if the arrestee chooses to provide a blood sample, a separate sample can be collected for alternate testing. Unless medical personnel object, two samples should be collected and retained as evidence, so long as only one puncture is required.

The blood sample shall be packaged, marked, handled, stored, and transported as required by the testing facility.

If an arrestee cannot submit to a blood draw because the arrestee has a bleeding disorder or has taken medication that inhibits coagulation, the arrestee shall not be required to take a blood test. Such inability to take a blood test should not be considered a refusal. However, that arrestee may be required to complete another available and viable test.

### *Impaired Driving*

---

#### 503.5.7 URINE SAMPLES

If a urine test will be performed, the arrestee should be promptly transported to the appropriate testing site. The officer shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by an officer or jail staff member of the same sex as the individual giving the sample. The arrestee should be allowed sufficient privacy to maintain the arrestee's dignity, to the extent possible, while still ensuring the accuracy of the sample (Vehicle Code § 23158(i)).

The sample shall be packaged, marked, handled, stored, and transported as required by the testing facility.

#### 503.6 REFUSALS

When an arrestee refuses to provide a viable chemical sample, officers should:

- (a) Advise the arrestee of the requirement to provide a sample (Vehicle Code § 23612).
- (b) Audio- and/or video-record the admonishment when it is practicable.
- (c) Document the refusal in the appropriate report.

##### 503.6.1 STATUTORY NOTIFICATIONS UPON REFUSAL

Upon refusal to submit to a chemical test as required by law, officers shall personally serve the notice of order of suspension upon the arrestee and take possession of any state-issued license to operate a motor vehicle that is held by that individual (Vehicle Code § 23612(e); Vehicle Code § 23612(f)).

##### 503.6.2 BLOOD SAMPLE WITHOUT CONSENT

A blood sample may be obtained from a person who refuses a chemical test when any of the following conditions exist:

- (a) A search warrant has been obtained (Penal Code § 1524).
- (b) The officer can articulate that exigent circumstances exist. Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person's bloodstream. Exigency can be established by the existence of special facts such as a lengthy time delay in obtaining a blood sample due to an accident investigation or medical treatment of the person.

#### 503.7 ARREST AND INVESTIGATION

##### 503.7.1 WARRANTLESS ARREST

In addition to the arrest authority granted to officers pursuant to Penal Code § 836, an officer may make a warrantless arrest of a person that the officer has reasonable cause to believe has been driving under the influence of an alcoholic beverage or any drug, or under the combined influence of the same when (Vehicle Code § 40300.5):

- (a) The person is involved in a traffic crash.

### *Impaired Driving*

---

- (b) The person is observed in or about a vehicle that is obstructing the roadway.
- (c) The person will not be apprehended unless immediately arrested.
- (d) The person may cause injury to themselves or damage property unless immediately arrested.
- (e) The person may destroy or conceal evidence of a crime unless immediately arrested.

#### **503.7.2 OFFICER RESPONSIBILITIES**

The officer serving the arrested person with a notice of an order of suspension shall immediately (Vehicle Code § 23612):

- (a) Forward a copy of the completed notice of suspension or revocation form and any confiscated driver's license to the Department of Motor Vehicles (DMV).
- (b) Forward a sworn report to DMV that contains the required information in Vehicle Code § 13380.
- (c) Forward the results to the appropriate forensic laboratory if the person submitted to a blood or urine test.

#### **503.8 ADMINISTRATIVE HEARINGS**

The Administrative Commander will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to DMV.

Any officer who receives notice of required attendance to an administrative license suspension hearing should promptly notify the prosecuting attorney.

An officer called to testify at an administrative hearing should document the hearing date and DMV file number in a supplemental report. Specific details of the hearing generally should not be included in the report unless errors, additional evidence or witnesses are identified.

#### **503.8 TRAINING**

The Training Sergeant should ensure that officers participating in the enforcement of DUI laws receive regular training. Training should include, at minimum, current laws on impaired driving, investigative techniques and rules of evidence pertaining to DUI investigations. The Training Sergeant should confer with the prosecuting attorney's office and update training topics as needed.

## Traffic Citations

### 504.1 PURPOSE AND SCOPE

This policy outlines the responsibility for traffic citations, the procedure for dismissal, correction, and voiding of traffic citations.

### 504.2 RESPONSIBILITIES

The Burbank Police Traffic Bureau Lieutenant shall be responsible for the development and design of all Department traffic citations in compliance with state law and the Judicial Council.

The Burbank Glendale Pasadena Airport Police Department will obtain traffic citation from the Burbank Police Records Bureau.

### 504.3 DISMISSAL OF TRAFFIC CITATIONS

Employees of this department do not have the authority to dismiss a citation once it has been issued. Only the court has the authority to dismiss a citation that has been issued (Vehicle Code § 40500(d)). Any request from a recipient to dismiss a citation shall be referred to the Burbank Police Department Traffic Bureau Manager. If approved, the citation will be forwarded to the appropriate court with a request for dismissal. All recipients of traffic citations whose request for the dismissal of a traffic citation has been denied shall be referred to the appropriate court.

Should an officer determine during a court proceeding that a traffic citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate the officer may request the court to dismiss the citation. Upon dismissal of the traffic citation by the court, the officer shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required. The citation dismissal shall then be forwarded to the Patrol Commander for review.

### 504.4 VOIDING TRAFFIC CITATIONS

Voiding a traffic citation may occur when a traffic citation has not been completed or where it is completed, but not issued. All copies of the citation shall be presented to a supervisor attached to a memorandum explaining the reasons for voiding of the citation. The citation and copies shall then be forwarded to the Burbank Police Department Traffic Bureau.

### 504.5 CORRECTION OF TRAFFIC CITATIONS

When a traffic citation is issued and in need of correction, the officer issuing the citation shall submit the citation and a letter requesting a specific correction to his/her immediate supervisor. The citation and letter shall then be forwarded to the Burbank Police Department Traffic Bureau which will prepare a letter of correction to the court having jurisdiction and to the recipient of the citation.

### 504.6 DISPOSITION OF TRAFFIC CITATIONS

Prior to their end of shift, officers shall place the Department and court copies of issued citations in the designated collection box. The Burbank Police Records Bureau is responsible for the data

entry and the processing of all citations (including forwarding the court copies to the appropriate courts). The Department copies of misdemeanor and traffic citations shall be archived in the Records Bureau and the Traffic Bureau, respectively.

Upon separation from employment with this department, all employees issued traffic citation books shall return any unused citations to their Watch Commander.

#### **504.7 NOTICE OF PARKING VIOLATION APPEAL PROCEDURE**

Disposition of notice of parking violation appeals is conducted pursuant to Vehicle Code § 40215.

##### **504.7.1 APPEAL STAGES**

Appeals may be pursued sequentially at three different levels (Vehicle Code § 40215; Vehicle Code § 40230):

- (a) Administrative reviews are conducted by the Burbank Police Department Traffic Bureau who will review written/documentary data. Requests for administrative reviews are available at the front desk front desk or Traffic Bureau of the Burbank Police Department. These requests are informal written statements outlining why the notice of parking violation should be dismissed. Copies of documentation relating to the notice of parking violation and the request for dismissal must be mailed to the current mailing address of the processing agency.
- (b) If the appellant wishes to pursue the matter beyond administrative review, an administrative hearing may be conducted in person or by written application, at the election of the appellant. Independent referees review the existent administrative file, amendments, and/or testimonial material provided by the appellant and may conduct further investigation or follow-up on their own.
- (c) If the appellant wishes to pursue the matter beyond an administrative hearing, a Superior Court review may be presented in person by the appellant after an application for review and designated filing fees have been paid to the Superior Court of California.

##### **504.7.2 TIME REQUIREMENTS**

Administrative review or appearance before a hearing examiner will not be provided if the mandated time limits are not adhered to by the violator.

- (a) Requests for an administrative review must be postmarked within 21 calendar days of issuance of the notice of parking violation, or within 14 calendar days of the mailing of the Notice of Delinquent Parking Violation (Vehicle Code § 40215(a)).
- (b) Requests for administrative hearings must be made no later than 21 calendar days following the notification mailing of the results of the administrative review (Vehicle Code § 40215(b)).
- (c) An administrative hearing shall be held within 90 calendar days following the receipt of a request for an administrative hearing, excluding time tolled pursuant to Vehicle Code § 40200 - 40225. The person requesting the hearing may request one continuance, not to exceed 21 calendar days (Vehicle Code § 40215).

### *Traffic Citations*

---

- (d) Registered owners of vehicles may transfer responsibility for the violation via timely affidavit of non-liability when the vehicle has been transferred, rented or under certain other circumstances (Vehicle Code § 40209; Vehicle Code § 40210).

#### **504.7.3 COSTS**

- (a) There is no cost for an administrative review.
- (b) Appellants must deposit the full amount due for the citation before receiving an administrative hearing, unless the person is indigent, as defined in Vehicle Code § 40220, and provides satisfactory proof of inability to pay (Vehicle Code § 40215).
- (c) An appeal through Superior Court requires prior payment of filing costs, including applicable court charges and fees. These costs will be reimbursed to the appellant in addition to any previously paid fines if appellant's liability is overruled by the Superior Court.

#### **504.8 JUVENILE CITATIONS**

Completion of traffic citation forms for juveniles may vary slightly from the procedure for adults. The juvenile's age, place of residency, and the type of offense should be considered before issuing the juvenile a citation.

#### **504.9 REFUSAL TO SIGN A WRITTEN PROMISE TO APPEAR**

If a traffic violator refuses to sign a Notice to Appear, a supervisor shall be requested. The supervisor should verify the violator has been properly advised and that he or she understands the Vehicle Code requirement for mandatory appearance. If the violator persists in their refusal to sign the citation, the supervisor shall approve taking the violator before a magistrate or the transportation and booking of the violator if a magistrate is not immediately available. The violator shall be booked for the original violation, not Vehicle Code §40302(b). At the time of booking, the violator shall be given the opportunity to post appropriate bail or sign the citation. The arresting officer shall prepare a report documenting the arrest.

## Disabled Vehicles

### 505.1 PURPOSE AND SCOPE

Vehicle Code § 20018 provides that all law enforcement agencies having responsibility for traffic enforcement may develop and adopt a written policy to provide assistance to motorists in disabled vehicles within their primary jurisdiction.

### 505.2 OFFICER RESPONSIBILITY

When an on-duty officer observes a disabled vehicle on the roadway, the officer should make a reasonable effort to provide assistance. If that officer is assigned to a call of higher priority, the dispatcher should be advised of the location of the disabled vehicle and the need for assistance. The dispatcher should then assign another available officer to respond for assistance as soon as practical.

### 505.3 EXTENT OF ASSISTANCE

In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by department personnel will be contingent on the time of day, the location, the availability of departmental resources, and the vulnerability of the disabled motorist.

#### 505.3.1 MECHANICAL REPAIRS

Department personnel shall not make mechanical repairs to a disabled vehicle. The use of push bumpers to relocate vehicles to a position of safety is not considered a mechanical repair. Officers should assist in calling a tow service if requested by the motorist or if the vehicle is blocking the roadway.

#### 505.3.2 RELOCATION OF DISABLED VEHICLES

The relocation of disabled vehicles by members of this department by pushing or pulling a vehicle should only occur when the conditions reasonably indicate that immediate movement is necessary to reduce a hazard presented by the disabled vehicle.

#### 505.3.3 RELOCATION OF DISABLED MOTORIST

The relocation of a disabled motorist should only occur with the person's consent and should be suggested when conditions reasonably indicate that immediate movement is necessary to mitigate a potential hazard. The department member may stay with the disabled motorist or transport him/her to a safe area to await pickup.

### 505.4 PUBLIC ACCESS TO THIS POLICY

This written policy is available upon request.

## 72-Hour Parking Violations

### 506.1 PURPOSE AND SCOPE

This policy provides procedures for the marking, recording, and storage of vehicles parked in violation of Burbank City Ordinance regulating 72-hour parking violations and abandoned vehicles under the authority of Vehicle Code § 22669.

### 506.2 MARKING VEHICLES

Vehicles suspected of being in violation of the City of Burbank 72-Hour Parking Ordinance or the California Vehicle Code shall be marked and noted on the Burbank Police Department Warning Notice Card. No case number is required at this time.

A visible chalk mark should be placed on the left rear tire tread at the fender level unless missing tires or other vehicle conditions prevent marking. Any deviation in markings shall be noted on the Warning Notice Card. The investigating employee should make a good faith effort to notify the owner of any vehicle subject to towing prior to having the vehicle removed. This may be accomplished by personal contact, telephone or by leaving notice attached to the vehicle at least 24 hours prior to removal.

All Warning Notice Cards shall be submitted to the Burbank Police Traffic Bureau for computer data entry.

If a marked vehicle has been moved or the markings have been removed during a 72-hour investigation period, the vehicle shall be marked again for the 72-hour parking violation and a Marked Vehicle Card completed and forwarded to the Traffic Bureau.

Parking citations for the 72-hour parking ordinance shall not be issued when the vehicle is stored for the 72-hour parking violation.

#### 506.2.1 VEHICLE STORAGE

Any vehicle in violation shall be stored by the authorized towing service and a vehicle storage report shall be completed by the officer authorizing the storage of the vehicle.

The storage report form shall be submitted to the Burbank Police Records Bureau immediately following the storage of the vehicle. It shall be the responsibility of the Burbank Police Records Bureau to immediately notify the Stolen Vehicle System (SVS) of the Department of Justice in Sacramento ( Vehicle Code § 22851.3(b)). Notification may also be made to the National Law Enforcement Telecommunications System (NLETS)(Vehicle Code § 22854.5).

Within 48 hours of the storage of any such vehicle, excluding weekends and holidays, it shall be the responsibility of the Burbank Police Records Bureau to determine the names and addresses of any individuals having an interest in the vehicle through DMV or CLETS computers. Notice to all such individuals shall be sent first-class or certified mail pursuant to Vehicle Code § 22851.3(d).

## 600.2 POLICY

## 600.3 INITIAL INVESTIGATION

### 600.3.1 OFFICER RESPONSIBILITIES

An officer responsible for an initial investigation shall complete no less than the following:

- (a) Make a preliminary determination of whether a crime has been committed by completing, at a minimum:
  - 1. An initial statement from any witnesses or complainants.
  - 2. A cursory examination for evidence.
- (b) If information indicates a crime has occurred, the officer shall:
  - 1. Preserve the scene and any evidence as required to complete the initial and follow-up investigation.
  - 2. Determine if additional investigative resources (e.g., investigators or scene processing) are necessary and request assistance as required.
  - 3. If assistance is warranted, or if the incident is not routine, notify a supervisor or the Watch Commander.
  - 4. Make reasonable attempts to locate, identify and interview all available victims, complainants, witnesses and suspects.
  - 5. Collect any evidence.
  - 6. Take any appropriate law enforcement action.
  - 7. Complete and submit the appropriate reports and documentation.

### *Investigation and Prosecution*

---

#### 600.4.1 AUDIO/VIDEO RECORDINGS

Any custodial interrogation of an individual who is suspected of having committed any violent felony offense should be recorded (audio or video with audio as available) in its entirety. Regardless of where the interrogation occurs, every reasonable effort should be made to secure functional recording equipment to accomplish such recordings.

Consideration should also be given to recording a custodial interrogation, or any investigative interview, for any other offense when it is reasonable to believe it would be appropriate and beneficial to the investigation and is otherwise allowed by law.

No recording of a custodial interrogation should be destroyed or altered. Copies of recorded interrogations or interviews may be made in the same or a different format as the original recording, provided the copies are true, accurate and complete and are made only for authorized and legitimate law enforcement purposes.

Recordings should not take the place of a thorough report and investigative interviews. Written statements from suspects should continue to be obtained when applicable.

#### 600.4.2 MANDATORY RECORDING OF ADULTS

Any custodial interrogation of an adult who is suspected of having committed any murder shall be recorded in its entirety. The recording should be video with audio if reasonably feasible (Penal Code § 859.5).

This recording is not mandatory when (Penal Code § 859.5):

- (a) Recording is not feasible because of exigent circumstances that are later documented in a report.
- (b) The suspect refuses to have the interrogation recorded, including a refusal any time during the interrogation, and the refusal is documented in a report. If feasible, the refusal shall be electronically recorded.
- (c) The custodial interrogation occurred in another state by law enforcement officers of that state, unless the interrogation was conducted with the intent to avoid the requirements of Penal Code § 859.5.
- (d) The interrogation occurs when no member conducting the interrogation has a reason to believe that the individual may have committed murder. Continued custodial interrogation concerning that offense shall be electronically recorded if the interrogating member develops a reason to believe the individual committed murder.
- (e) The interrogation would disclose the identity of a confidential informant or would jeopardize the safety of an officer, the individual being interrogated or another individual. Such circumstances shall be documented in a report.
- (f) A recording device fails despite reasonable maintenance and the timely repair or replacement is not feasible.
- (g) The questions are part of a routine processing or booking, and are not an interrogation.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Investigation and Prosecution*

---

- (h) The suspect is in custody for murder and the interrogation is unrelated to a murder. However, if any information concerning a murder is mentioned during the interrogation, the remainder of the interrogation shall be recorded.

The Department shall maintain an original or an exact copy of the recording until a conviction relating to the interrogation is final and all appeals are exhausted or prosecution is barred by law (Penal Code § 859.5).

#### **600.5 DISCONTINUATION OF INVESTIGATIONS**

The investigation of a criminal case or efforts to seek prosecution should only be discontinued if one of the following applies:

- (a) All reasonable investigative efforts have been exhausted, no reasonable belief that the person who committed the crime can be identified, and the incident has been documented appropriately.
- (b) The perpetrator of a misdemeanor has been identified and a warning is the most appropriate disposition.
  - 1. In these cases, the investigator shall document that the person was warned and why prosecution was not sought.
  - 2. Warnings shall not be given for felony offenses or other offenses identified in this policy or by law that require an arrest or submission of a case to a prosecutor.
- (c) The case has been submitted to the appropriate prosecutor but no charges have been filed. Further investigation is not reasonable nor has the prosecutor requested further investigation.
- (d) The case has been submitted to the appropriate prosecutor, charges have been filed, and further investigation is not reasonable, warranted, or requested, and there is no need to take the suspect into custody.
- (e) Suspects have been arrested, there are no other suspects, and further investigation is either not warranted, or requested.
- (f) Investigation has proven that a crime was not committed (see the Sexual Assault Investigations Policy for special considerations in these cases).

The Domestic Violence, Child Abuse, Sexual Assault Investigations, and Senior and Disability Victimization policies may also require an arrest or submittal of a case to a prosecutor.

#### **600.6 COMPUTERS AND DIGITAL EVIDENCE**

The collection, preservation, transportation and storage of computers, cell phones and other digital devices may require specialized handling to preserve the value of the related evidence. If it is anticipated that computers or similar equipment will be seized, officers should request that computer forensic examiners assist with seizing computers and related evidence. If a forensic examiner is unavailable, officers should take reasonable steps to prepare for such seizure and use the resources that are available.

### *Investigation and Prosecution*

#### **600.7 INVESTIGATIVE USE OF SOCIAL MEDIA AND INTERNET SOURCES**

Use of social media and any other internet source to access information for the purpose of criminal investigation shall comply with applicable laws and policies regarding privacy, civil rights, and civil liberties. Information gathered via the internet should only be accessed by members while on-duty and for purposes related to the mission of this department. If a member encounters information relevant to a criminal investigation while off-duty or while using the member's own equipment, the member should note the dates, times, and locations of the information and report the discovery to the member's supervisor as soon as practicable. The member, or others who have been assigned to do so, should attempt to replicate the finding when on-duty and using department equipment.

Information obtained via the internet should not be archived or stored in any manner other than department-established record keeping systems (see the Records Maintenance and Release and the Criminal Organizations policies).

##### **600.7.1 ACCESS RESTRICTIONS**

Information that can be accessed from any department computer, without the need of an account, password, email address, alias, or other identifier (unrestricted websites), may be accessed and used for legitimate investigative purposes without supervisory approval.

Accessing information from any internet source that requires the use or creation of an account, password, email address, alias or other identifier, or the use of nongovernment IP addresses, requires supervisor approval prior to access. The supervisor will review the justification for accessing the information and consult with legal counsel as necessary to identify any policy or legal restrictions. Any such access and the supervisor approval shall be documented in the related investigative report.

Accessing information that requires the use of a third party's account or online identifier requires supervisor approval and the consent of the third party. The consent must be voluntary and shall be documented in the related investigative report.

Information gathered from any internet source should be evaluated for its validity, authenticity, accuracy, and reliability. Corroborative evidence should be sought and documented in the related investigative report.

Any information collected in furtherance of an investigation through an internet source should be documented in the related report. Documentation should include the source of information and the dates and times that the information was gathered.

##### **600.7.2 INTERCEPTING ELECTRONIC COMMUNICATION**

Intercepting social media communications in real time may be subject to federal and state wiretap laws. Officers should seek legal counsel before any such interception.

#### **600.8 MODIFICATION OF CHARGES FILED**

Members are not authorized to recommend to the prosecutor or to any other official of the court that charges on a pending case be amended or dismissed without the authorization of a Commander

#### **600.9 USE OF CERTAIN DNA SAMPLES**

Known samples of DNA collected from a victim of a crime or alleged crime, and known reference samples of DNA from any individual that were voluntarily provided for the purpose of exclusion are to be used only for the purpose directly related to the incident being investigated and in compliance with the procedures identified in Penal Code § 679.12.

## Sexual Assault Investigations

### **601.1 MEMBER RESPONSIBILITIES**

Any member of this department who receives a report of a sexual assault shall ensure that potential victims are safe and that any potential crime scene is secured. ### 602.1.1 DEFINITIONS

Definitions related to this policy include:

**Fiscal agent** - The person designated by the Chief of Police to be responsible for securing and maintaining seized assets and distributing any proceeds realized from any forfeiture proceedings. This includes any time the Burbank Glendale Pasadena Airport Authority Police Department seizes property for forfeiture or when the Burbank Glendale Pasadena Airport Authority Police Department is acting as the fiscal agent pursuant to a multi-agency agreement.

**Forfeiture** - The process by which legal ownership of an asset is transferred to a government or other authority.

**Forfeiture reviewer** - The department member assigned by the Chief of Police who is responsible for reviewing all forfeiture cases and for acting as the liaison between the Department and the assigned attorney.

**Property subject to forfeiture** - The following may be subject to forfeiture:

- (a) Property related to a narcotics offense, which includes (Heath and Safety Code § 11470; Health and Safety Code § 11470.1):
  - 1. Property (not including real property or vehicles) used, or intended for use, as a container for controlled substances, materials to manufacture controlled substances, etc.
  - 2. Interest in a vehicle (car, boat, airplane, other vehicle) used to facilitate the manufacture, possession for sale or sale of specified quantities of controlled substances.

### *Asset Forfeiture*

---

- (b) Property related to criminal profiteering (may include gang crimes), to include (Penal Code § 186.2; Penal Code § 186.3):
  - 1. Any property interest, whether tangible or intangible, acquired through a pattern of criminal profiteering activity.
  - 2. All proceeds acquired through a pattern of criminal profiteering activity, including all things of value that may have been received in exchange for the proceeds immediately derived from the pattern of criminal profiteering activity.

**Seizure** - The act of law enforcement officials taking property, cash or assets that have been used in connection with or acquired by specified illegal activities.

#### **602.2 POLICY**

The Burbank Glendale Pasadena Airport Authority Police Department recognizes that appropriately applied forfeiture laws are helpful to enforce the law, deter crime and reduce the economic incentive of crime. However, the potential for revenue should never compromise the effective investigation of criminal offenses, officer safety or any person's due process rights.

It is the policy of the Burbank Glendale Pasadena Airport Authority Police Department that all members, including those assigned to internal or external law enforcement task force operations, shall comply with all state and federal laws pertaining to forfeiture.

#### **602.3 ASSET SEIZURE**

Property may be seized for forfeiture as provided in this policy. Personnel involved in asset forfeiture should be familiar with and should utilize the Asset Forfeiture Manual authored by the Los Angeles County District Attorney's Office for guidance.

  - 1. The property subject to forfeiture is legally seized incident to an arrest.
  - 2. There is probable cause to believe that the property was used or is intended to be used in a violation of the Uniform Controlled Substances Act and the seizing officer can articulate a nexus between the property and the controlled substance offense that would lead to the item being property subject for forfeiture.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Asset Forfeiture*

---

Officers aware of assets that may be forfeitable as a result of criminal profiteering or human trafficking should consider contacting the district attorney regarding a court order to protect the assets (Penal Code § 186.6; Penal Code § 236.6).

Whenever practicable, a search warrant or court order for seizure prior to making a seizure is the preferred method.

A large amount of money standing alone is insufficient to establish the probable cause required to make a seizure.

#### **602.3.2 PROPERTY NOT SUBJECT TO SEIZURE**

The following property should not be seized for forfeiture:

- (a) Cash and property that does not meet the forfeiture counsel's current minimum forfeiture thresholds should not be seized.
- (b) Real property is not subject to seizure, absent exigent circumstances, without a court order (Health and Safety Code § 11471).
- (c) A vehicle which may be lawfully driven on the highway if there is a community property interest in the vehicle by a person other than the suspect and the vehicle is the sole vehicle available to the suspect's immediate family (Health and Safety Code § 11470).
- (d) Vehicles, boats or airplanes owned by an "innocent owner," such as a common carrier with no knowledge of the suspected offense (Health and Safety Code § 11490).
- (e) Any property when the associated activity involves the possession of marijuana or related paraphernalia that is permissible under the Control, Regulate and Tax Adult Use of Marijuana Act (Health and Safety Code § 11362.1).

#### **602.4 PROCESSING SEIZED PROPERTY FOR FORFEITURE PROCEEDINGS**

When property or cash subject to this policy is seized, the officer making the seizure should ensure compliance with the following:

- (a) Complete applicable seizure forms and present the appropriate copy to the person from whom the property is seized. If cash or property is seized from more than one person, a separate copy must be provided to each person, specifying the items seized. When property is seized and no one claims an interest in the property, the officer must leave the copy in the place where the property was found, if it is reasonable to do so.
- (b) Complete and submit a report and original seizure forms within 24 hours of the seizure, if practicable.
- (c) Forward the original seizure forms and related reports to the forfeiture reviewer within two days of seizure.

The officer will book seized property as evidence with the notation in the comment section of the property form, "Seized Subject to Forfeiture." Property seized subject to forfeiture should be

### *Asset Forfeiture*

booked on a separate property form. No other evidence from the case should be booked on this form.

Photographs should be taken of items seized, particularly cash, jewelry and other valuable items.

Officers who suspect property may be subject to seizure but are not able to seize the property (e.g., the property is located elsewhere, the whereabouts of the property is unknown, it is real estate, bank accounts, non-tangible assets) should document and forward the information in the appropriate report to the forfeiture reviewer.

#### **602.5 MAINTAINING SEIZED PROPERTY**

The Burbank Police Department Property and Evidence Section Supervisor is responsible for ensuring compliance with the following:

- (a) All property received for forfeiture is reasonably secured and properly stored to prevent waste and preserve its condition.

The responsibilities of the forfeiture reviewer include:

- (a) Remaining familiar with forfeiture laws, particularly Health and Safety Code § 11469 et seq. and Penal Code § 186.2 et seq. and the forfeiture policies of the forfeiture counsel.
- (b) Serving as the liaison between the Department and the forfeiture counsel and ensuring prompt legal review of all seizures.
- (c) Making reasonable efforts to obtain annual training that includes best practices in pursuing, seizing and tracking forfeitures.
- (d) Ensuring that property seized under state law is not referred or otherwise transferred to a federal agency seeking the property for federal forfeiture as prohibited by Health and Safety Code § 11471.2.
- (e) Ensuring that responsibilities, including the designation of a fiscal agent, are clearly established whenever multiple agencies are cooperating in a forfeiture case.

### *Asset Forfeiture*

---

- (f) Ensuring that seizure forms are available and appropriate for department use. These should include notice forms, a receipt form and a checklist that provides relevant guidance to officers. The forms should be available in languages appropriate for the region and should contain spaces for:

- (g) Ensuring that officers who may be involved in asset forfeiture receive training in the proper use of the seizure forms and the forfeiture process. The training should be developed in consultation with the appropriate legal counsel and may be accomplished through traditional classroom education, electronic media, Daily Training Bulletins (DTBs) or Department Directives. The training should cover this policy and address any relevant statutory changes and court decisions.
- (h) Reviewing each asset forfeiture case to ensure that:
  - 1. Written documentation of the seizure and the items seized is in the case file.
  - 2. Independent legal review of the circumstances and propriety of the seizure is made in a timely manner.
  - 3. Notice of seizure has been given in a timely manner to those who hold an interest in the seized property (Health and Safety Code § 11488.4).
  - 4. Property is promptly released to those entitled to its return (Health and Safety Code § 11488.2).
  - 5. All changes to forfeiture status are forwarded to any supervisor who initiates a forfeiture case.
  - 6. Any cash received is deposited with the fiscal agent.
  - 7. Assistance with the resolution of ownership claims and the release of property to those entitled is provided.

9. This policy and any related policies are periodically reviewed and updated to reflect current federal and state statutes and case law.

Forfeiture reporting and expenditures should be completed in the manner prescribed by the law and Airport Authority financial directives (Health and Safety Code § 11495).

#### **602.7 DISPOSITION OF FORFEITED PROPERTY**

Forfeited funds distributed under Health and Safety Code § 11489 et seq. shall only be used for purposes allowed by law, but in no case shall a peace officer's employment or salary depend upon the level of seizures or forfeitures he/she achieves (Heath and Safety Code § 11469).

The Department may request a court order so that certain uncontaminated science equipment is relinquished to a school or school district for science classroom education in lieu of destruction (Health and Safety Code § 11473; Health and Safety Code § 11473.5).

##### **602.7.1 RECEIVING EQUITABLE SHARES**

When participating in a joint investigation with a federal agency, the Burbank Glendale Pasadena Airport Authority Police Department shall not receive an equitable share from the federal agency of all or a portion of the forfeiture proceeds absent either a required conviction under Health and Safety Code § 11471.2 or the flight, death or willful failure to appear of the defendant. #### **603.6 INFORMANT PAYMENTS**

No informant will be told in advance or given an exact amount or percentage for his/her service. The amount of funds to be paid to any informant will be evaluated against the following criteria:

  3. The statement shall be signed by the informant verifying the statement as a true summary of his/her actions in the case.

#### 603.6.2 REPORTING OF PAYMENTS

Each informant receiving a cash payment shall be advised of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed \$600 in any reporting year, the informant should be provided IRS Form 1099 (26 CFR 1.6041-1). If such documentation or reporting may reveal the identity of the informant and by doing so jeopardize any investigation, the safety of officers or the safety of the informant (26 CFR 1.6041-3), then IRS Form 1099 should not be issued.

In such cases, the informant shall be provided a letter identifying the amount he/she must report on a tax return as "other income" and shall be required to provide a signed acknowledgement of receipt of the letter. The completed acknowledgement form and a copy of the letter shall be retained in the informant's file.

The funds and related documents (e.g., buy/expense fund records, cash transfer forms, invoices, receipts and logs) will assist with the audit process.

# Eyewitness Identification

## 604.1 PURPOSE AND SCOPE

This policy sets forth guidelines to be used when members of this department employ eyewitness identification techniques (Penal Code § 859.7).

### 604.1.1 DEFINITIONS

Definitions related to the policy include:

**Eyewitness identification process** - Any field identification, live lineup or photographic identification.

**Field identification** - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

**Live lineup** - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

**Photographic lineup** - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

## 604.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

## 604.3 INTERPRETIVE SERVICES

Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating member should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

## 604.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM

The Operations Commander shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process should include appropriate forms or reports that provide (Penal Code § 859.7):

- (a) The date, time and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.

### *Eyewitness Identification*

---

- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all individuals present during the identification procedure.
- (e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
- (f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
- (g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
- (h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (i) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.
- (j) A statement from the witness in the witness's own words describing how certain he/she is of the identification or non-identification. This statement should be taken at the time of the identification procedure.
- (k) Any other direction to meet the requirements of Penal Code § 859.7, including direction regarding blind or blinded administrations and filler selection.

The process and related forms should be reviewed at least annually and modified when necessary.

#### **604.5 EYEWITNESS IDENTIFICATION**

Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case.

Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified or failed to identify the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Each witness should be admonished that he or she is not required to make an identification of any person shown during the eyewitness identification process.

The eyewitness identification procedure should be audio and video recorded and the recording should be retained according to current evidence procedures. When it is not feasible to make a recording with both audio and visual representations, an audio recording should be made (Penal Code § 859.7).

### *Eyewitness Identification*

---

#### **604.6 FIELD IDENTIFICATION CONSIDERATIONS**

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identifications. A field elimination show-up or one-on-one identification should not be used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

- (a) Obtain a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
  - 1. The length of time the witness observed the suspect.
  - 2. The distance between the witness and the suspect.
  - 3. Whether the witness could view the suspect's face.
  - 4. The quality of the lighting when the suspect was observed by the witness.
  - 5. Whether there were distracting noises or activity during the observation.
  - 6. Any other circumstances affecting the witness's opportunity to observe the suspect.
  - 7. The length of time that has elapsed since the witness observed the suspect.
- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
- (d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.
- (e) The person who is the subject of the show-up should not be shown to the same witness more than once.
- (f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.
- (g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.
- (h) If a witness positively identifies a subject of the show-up as the suspect, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.

#### **604.6 PHOTOGRAPHIC LINEUP AND LIVE LINEUP CONSIDERATIONS**

When practicable, the member presenting the lineup should not be involved in the investigation of the case or know the identity of the suspect. In no case should the member presenting a lineup to a witness know which photograph or person in the lineup is being viewed by the witness (Penal

---

Code § 859.7). Techniques to achieve this include randomly numbering photographs, shuffling folders, or using a computer program to order the persons in the lineup.

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup (Penal Code § 859.7).

The member presenting the lineup should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

The Burbank-Glendale-Pasadena Airport Authority Police Department does not have the capability to independently conduct live lineups. As such, live lineups will be conducted by the Los Angeles County Sheriff's Department or another agency when necessary. The agency conducting the live lineup on behalf of the Burbank-Glendale-Pasadena Airport Authority Police Department will be the lead agency for the procedure and will dictate the manner in which the live lineup is conducted.

The assigned investigator should ensure that witnesses do not discuss the case prior to or after the lineup is conducted. Whenever possible, multiple witnesses should be transported in separate vehicles by Department personnel. The assigned officers shall preserve all documentation generated during this process and shall fully document the lineup process and the results.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating officer should contact the appropriate prosecuting attorney before proceeding.

#### **604.6.1 OTHER SAFEGUARDS**

Witnesses should be asked for suspect descriptions as close in time to the incident as possible and before conducting an eyewitness identification. No information concerning a suspect should be given prior to obtaining a statement from the witness describing how certain he/she is of the identification or non-identification. Members should not say anything to a witness that may validate or invalidate an eyewitness' identification. In photographic lineups, writings or information concerning any previous arrest of a suspect shall not be visible to the witness (Penal Code § 859.7).

#### **604.6 DOCUMENTATION**

A thorough description of the eyewitness process and the result of any eyewitness identification should be documented in the case report.

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

#### 604.6.1 DOCUMENTATION RELATED TO RECORDINGS

The handling member shall document the reason that a video recording or any other recording of an identification was not obtained (Penal Code § 859.7).

#### 604.6.2 DOCUMENTATION RELATED TO BLIND ADMINISTRATION

If a presentation of a lineup is not conducted using blind administration, the handling member shall document the reason (Penal Code § 859.7).

## Brady Material Disclosure

### 605.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called “*Brady* information”) to a prosecuting attorney.

#### 605.1.1 DEFINITIONS

Definitions related to this policy include:

**Brady information** -Information known or possessed by the Burbank Glendale Pasadena Airport Authority Police Department that is both favorable and material to the current prosecution or defense of a criminal defendant.

### 605.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Burbank Glendale Pasadena Airport Authority Police Department will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

### 605.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Officers must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an officer learns of potentially incriminating or exculpatory information any time after submission of a case, the officer or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor’s office.

If information is believed to be privileged or confidential (e.g., confidential informant or attorney-client information, attorney work product), the officer should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure whether evidence or facts are material, the officer should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the Department case file.

### *Brady Material Disclosure*

#### **605.4 DISCLOSURE OF PERSONNEL INFORMATION**

In accordance with relevant court cases and Department of Justice or Los Angeles County District Attorney's Office guidelines, the Department may have an affirmative obligation to disclose possible impeachment information involving officers who may be witnesses in criminal proceedings. The following types of information may constitute potential impeachment information:

- (a) Sustained finding of misconduct related to truthfulness.
- (b) Finding of misconduct related to bias-based profiling.
- (c) Any criminal convictions involving acts of dishonesty.

Allegations made against witness officers that have not been substantiated, are not credible, or have resulted in the officer's exoneration are generally not considered to be potential impeachment information.

Whenever it is determined that *Brady* information is located in the personnel file of a member of this department who is a material witness in a criminal case, the following procedure shall apply:

- (a) In the event that a *Pitchess* motion has not already been filed by the criminal defendant or other party pursuant to Evidence Code § 1043, the prosecuting attorney shall be notified of the potential presence of *Brady* information in the officer's personnel file.
- (b) The prosecuting attorney should then be requested to file a *Pitchess* motion in order to initiate an in-camera review by the court.
- (c) Any member who is the subject of such a motion shall be notified in writing that a motion has been filed.
- (d) The Custodian of Records shall accompany all relevant files during any *in camera* inspection and address any issues or questions raised by the court in determining whether any information contained in the files is both material and favorable to the criminal defendant.
- (e) If the court determines that there is relevant *Brady* information contained in the files, only that information ordered released will be copied and released to the parties filing the motion.
  - 1. Prior to the release of any information pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use of such information to the involved case and requiring the return of all copies upon completion of the case.

#### **605.5 INVESTIGATING BRADY ISSUES**

If the Department receives information from any source that a member may have issues of credibility, dishonesty or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

#### **605.6 TRAINING**

Department members should receive periodic training on the requirements of this policy.

The supervisor shall direct a memo to the appropriate Commander, which shall include the results of his/her investigation and whether the employee followed proper procedures. The supervisor's report shall address whether reasonable care was taken to prevent the loss or damage.

Upon review by staff and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Chief of Police who will then forward the claim to the Finance Department.

The Department will not replace or repair luxurious or overly expensive items (jewelry, exotic equipment, etc.) that are not reasonably required as a part of work.

##### **700.5.1 REPORTING REQUIREMENT**

#### **700.6 LOSS OR DAMAGE OF PROPERTY OF ANOTHER**

The employee shall submit a written report before going off duty or as otherwise directed by the supervisor.

## Personal Communication Devices

### 701.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless capable tablets and similar wireless two-way communications and/or portable Internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games and accessing sites or services on the Internet.

### 701.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department allows members to utilize department-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on- or off-duty for business-related purposes, or reasonably associated with work-related misconduct, will be subject to monitoring and inspection consistent with applicable law and this policy.

Additionally, the use of a PCD either on-duty or after duty hours for business-related purposes, or reasonably associated with work-related misconduct, may subject the member and the member's PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory personnel.

### 701.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received, or reviewed on any PCD issued or funded by the Department and shall have no expectation of privacy in their location should the device be equipped with location-detection capabilities. This includes records of all keystrokes or web-browsing history made on the PCD. The fact that access to a database, service, or website requires a username or password will not create an expectation of privacy if it is accessed through department PCDs or networks (see the Information Technology Use Policy for additional guidance).

Members have no expectation of privacy regarding any communications while using a personally owned PCD for department-related business or when the use reasonably implicates work-related misconduct.

#### 701.3.1 CALIFORNIA ELECTRONIC COMMUNICATIONS PRIVACY ACT (CALECPA)

No member is authorized to be the sole possessor of a department-issued PCD. Department-issued PCDs can be retrieved, reassigned, accessed or used by any member as directed by a supervisor without notice. Member use of a department-issued PCD and use of a personal PCD at

work or for work-related business constitutes specific consent for access for department purposes. Prior to conducting an administrative search of a PCD, supervisors should consult legal counsel to ensure access is consistent with CalECPA (Penal Code § 1546; Penal Code § 1546.1).

#### **701.4 DEPARTMENT-ISSUED PCD**

Depending on a member's assignment and the needs of the position, the Department may, at its discretion, issue or fund a PCD for the member's use to facilitate on-duty performance. Department-issued or funded PCDs may not be used for personal business either on- or off-duty unless authorized by the Chief of Police or the authorized designee. Such devices and the associated telephone number, if any, shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Unless a member is expressly authorized by the Chief of Police or the authorized designee for off-duty use of the PCD, the PCD will be either secured in the workplace at the completion of the tour of duty or turned off when leaving the workplace.

#### **701.5 PERSONALLY OWNED PCD**

Members may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

- (a) Permission to carry a personally owned PCD may be revoked if it is used contrary to provisions of this policy.
- (b) The Department accepts no responsibility for loss of or damage to a personally owned PCD.
- (c) The PCD and any associated services shall be purchased, used, and maintained solely at the member's expense.
- (d) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of radio communications) or as otherwise authorized by department procedures.
  - 1. Use of a personally owned PCD for work-related business constitutes consent for the Department to access the PCD to inspect and copy the work-related data (e.g., for litigation purposes, public records retention and release obligations, internal investigations).
  - 2. Use of and data within a personally owned PCD may be discoverable in cases when there is reason to believe it is associated with work-related misconduct.
  - 3. Searches of a personally owned PCD by the Department should be limited to those matters reasonably associated with the work-related business or work-related misconduct.
- (e) The device shall not be utilized to record or disclose any department business-related information, including photographs, video, or the recording or transmittal of any information or material obtained or made accessible as a result of employment

or appointment with the Department, without the express authorization of the Chief of Police or the authorized designee.

- (f) If the PCD is carried on-duty, members will provide the Department with the telephone number of the device.
- (g) All work-related documents, emails, photographs, recordings, and other public records created or received on a member's personally owned PCD should be transferred to the Burbank Glendale Pasadena Airport Authority Police Department and deleted from the member's PCD as soon as reasonably practicable but no later than the end of the member's shift.

Except with prior express authorization from their supervisors, members are not obligated or required to carry, access, monitor, or respond to electronic communications using a personally owned PCD while off-duty. If a member is in an authorized status that allows for appropriate compensation consistent with policy or existing memorandum of understanding or collective bargaining agreements, or if the member has prior express authorization from their supervisor, the member may engage in department business-related communications. Should members engage in such approved off-duty communications or work, members entitled to compensation shall promptly document the time worked and communicate the information to their supervisors to ensure appropriate compensation. Members who independently document off-duty department-related business activities in any manner shall promptly provide the Department with a copy of such records to ensure accurate recordkeeping.

#### **701.6 USE OF PCD**

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

- (a) A PCD shall not be carried in a manner that allows it to be visible while in uniform unless it is in an approved carrier.
- (b) All PCDs in the workplace shall be set to silent or vibrate mode.
- (c) A PCD may not be used to conduct personal business while on-duty except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times unless an emergency exists.
- (d) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
- (e) Members are prohibited from taking pictures, audio or video recordings, or making copies of any such picture or recording media unless it is directly related to official department business. Disclosure of any such information to any third party through any means requires the express authorization of the Chief of Police or the authorized designee.

- (f) Members will not access social networking sites for any purpose that is not official department business. This restriction does not apply to a personally owned PCD used during authorized break times.
- (g) Using PCDs to harass, threaten, coerce, or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

#### **701.7 SUPERVISOR RESPONSIBILITIES**

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.
- (b) Monitoring, to the extent practicable, PCD use in the workplace and taking prompt corrective action if a member is observed or reported to be improperly using a PCD.
  - 1. An investigation into improper conduct should be promptly initiated when circumstances warrant.
  - 2. Before conducting any administrative search of a member's personally owned device, supervisors should consult with the Chief of Police or the authorized designee.

#### **701.8 OFFICIAL USE**

Members are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while utilizing PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, members shall conduct sensitive or private communications on a land-based or other department communications network.

#### **701.9 USE WHILE DRIVING**

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions and present a negative image to the public. Officers operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Members who are operating department vehicles that are not authorized emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use. In an emergency, a wireless phone may be used to place an emergency call to the Department or other emergency services agency (Vehicle Code § 23123; Vehicle Code § 23123.5). Hands-free use should be restricted to business-related calls or calls of an urgent nature.

# Vehicle Maintenance

## 702.1 PURPOSE AND SCOPE

Employees are responsible for assisting in maintaining Department vehicles so that they are properly equipped, properly maintained, properly refueled and present a clean appearance.

## 702.2 DEFECTIVE VEHICLES

When a department vehicle becomes inoperative, damaged, or in need of repair that affects the safety of the vehicle, that vehicle shall be removed from service for repair. Proper documentation shall be promptly completed by the employee who first becomes aware of the defective condition, describing the correction needed. The paperwork shall be promptly forwarded to vehicle maintenance for repair.

### 702.2.1 DAMAGE OR POOR PERFORMANCE

Vehicles that may have been damaged, or perform poorly shall be removed from service for inspections and repairs as soon as practicable.

### 702.2.2 SEVERE USE

Vehicles operated under severe-use conditions, which include operations for which the vehicle is not designed or that exceed the manufacturer's parameters, should be removed from service and subjected to a safety inspection as soon as practicable. Such conditions may include rough roadway or off-road driving, hard or extended braking, pursuits or prolonged high-speed operation.

### 702.2.3 REMOVAL OF WEAPONS

## Vehicle Use

### 703.1 PURPOSE AND SCOPE

The purpose of this policy is to establish a system of accountability to ensure department vehicles are used appropriately. This policy provides guidelines for on- and off-duty use of department vehicles and shall not be construed to create or imply any contractual obligation by the Airport Authority of Burbank-Glendale-Pasadena Airport Authority to provide assigned take-home vehicles.

### 703.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department provides vehicles for department-related business and may assign patrol and unmarked vehicles based on a determination of operational efficiency, economic impact to the Department, requirements for tactical deployments, and other considerations.

### 703.3 USE OF VEHICLES

#### 703.3.1 SHIFT ASSIGNED VEHICLES

The Watch Commander shall ensure a copy of the shift assignment roster indicating member assignments and vehicle numbers is completed for each shift and retained in accordance with the established records retention schedule. If a member exchanges vehicles during the member's shift, the new vehicle number shall be documented on the roster.

Employees shall be responsible for inspecting the interior and exterior of any assigned vehicle before taking the vehicle into service and at the conclusion of the shift. Any previously unreported damage, mechanical problems, unauthorized contents, or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

#### 703.3.2 OTHER USE OF VEHICLES

Members utilizing a vehicle for any purpose other than their normally assigned duties or normal vehicle assignment (e.g., transportation to training, community event) shall first notify the Watch Commander. A notation will be made on the shift assignment roster indicating the member's name and vehicle number.

This subsection does not apply to those who are assigned to vehicle transportation duties to and from the maintenance yard or carwash.

#### 703.3.3 INSPECTIONS

Members shall be responsible for inspecting the interior and exterior of any assigned vehicle before taking the vehicle into service and at the conclusion of their shifts. Any previously unreported damage, mechanical problems, unauthorized contents, or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

The interior of any vehicle that has been used to transport any person other than a member of this department should be inspected prior to placing another person in the vehicle and again after

the person is removed. This is to ensure that unauthorized or personal items have not been left in the vehicle.

When transporting any person in custody, the transporting member shall search all areas of the vehicle that are accessible by the person before and after that person is transported.

All department vehicles are subject to inspection and/or search at any time by a supervisor without notice and without cause. No member assigned to or operating such vehicle shall be entitled to any expectation of privacy with respect to the vehicle or its contents.

#### 703.3.4 SECURITY AND UNATTENDED VEHICLES

Unattended vehicles should be locked and secured at all times. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., continued activation of emergency lights, canine safety, equipment charging). Officers who exit a vehicle rapidly in an emergency situation or to engage in a foot pursuit must carefully balance the need to exit the vehicle quickly with the need to secure the vehicle.

Members shall ensure all weapons are secured while the vehicle is unattended.

#### 703.3.5 KEYS

Members approved to operate marked patrol vehicles should be issued a copy of the key as part of their initial equipment distribution. Members who are assigned a specific vehicle should be issued keys for that vehicle.

Members shall not duplicate keys. The loss of a key shall be promptly reported in writing through the member's chain of command.

#### 703.3.6 AUTHORIZED PASSENGERS

Members operating department vehicles shall not permit persons other than Airport Authority personnel or persons required to be conveyed in the performance of duty, or as otherwise authorized, to ride as passengers in the vehicle, except as stated in the Ride-Along Policy.

#### 703.3.7 ALCOHOL

Members who have consumed alcohol are prohibited from operating any department vehicle unless it is required by the duty assignment (e.g., task force, undercover work). Regardless of assignment, members may not violate state law regarding vehicle operation while intoxicated.

#### 703.3.8 PARKING

Except when responding to an emergency or when urgent department-related business requires otherwise, members driving department vehicles should obey all parking regulations at all times.

Department vehicles should be parked in assigned stalls. Members shall not park privately owned vehicles in stalls assigned to department vehicles or in other areas of the parking lot that are not so designated unless authorized by a supervisor. Privately owned motorcycles shall be parked in designated areas.

- (e) Vehicles will be locked when not attended.
- (f) All firearms, weapons and control devices will be removed from the interior of the vehicle and properly secured in the residence when the vehicle is not attended, unless the vehicle is parked in a locked garage.

#### 703.4.3 ASSIGNED VEHICLES

Assignment of take-home vehicles shall be based on the location of the member's residence, the nature of the member's duties, job description and essential functions, and employment or appointment status. Residence in the Airport Authority of Burbank-Glendale-Pasadena Airport Authority is a prime consideration for assignment of a take-home vehicle. Members who reside

- (d) While operating the vehicle, authorized members will carry and have accessible their duty firearms and be prepared to perform any function they would be expected to perform while on-duty.
- (e) The two-way communications radio, XXXXMDTXXXX and global positioning satellite device, if equipped, must be on and set to an audible volume when the vehicle is in operation.
- (f) Unattended vehicles are to be locked and secured at all times.

  2. If the member is unable to provide access to the vehicle, it shall be parked at the Department.
- (i) The member is responsible for the care and maintenance of the vehicle.

#### 703.4.4 ENFORCEMENT ACTIONS

When driving a take-home vehicle to and from work outside of the jurisdiction of the Burbank Glendale Pasadena Airport Authority Police Department or while off-duty, an officer shall not initiate enforcement actions except in those circumstances where a potential threat to life or serious property damage exists (see the Off-Duty Law Enforcement Actions and Law Enforcement Authority policies).

Officers may render public assistance when it is deemed prudent (e.g., to a stranded motorist).

Officers driving take-home vehicles shall be armed, appropriately attired and carry their department-issued identification. Officers should also ensure that department radio communication capabilities are maintained to the extent feasible.

#### 703.4.5 MAINTENANCE

Members are responsible for the cleanliness (exterior and interior) and overall maintenance of their assigned vehicles. Cleaning and maintenance supplies will be provided by the Department. Failure to adhere to these requirements may result in discipline and loss of vehicle assignment. The following should be performed as outlined below:

- (a) Members shall make daily inspections of their assigned vehicles for service/maintenance requirements and damage.
- (b) It is the member's responsibility to ensure that the assigned vehicle is maintained according to the established service and maintenance schedule.
- (c) All scheduled vehicle maintenance and car washes shall be performed as necessary at a facility approved by the department supervisor in charge of vehicle maintenance.
- (d) The Department shall be notified of problems with the vehicle and approve any major repairs before they are performed.

### *Vehicle Use*

- (f) All weapons shall be removed from any vehicle left for maintenance.
- (g) Supervisors shall make, at a minimum, monthly inspections of vehicles assigned to members under their command to ensure the vehicles are being maintained in accordance with this policy.

#### **703.5 UNMARKED VEHICLES**

Vehicles are assigned to various divisions and their use is restricted to the respective division and the assigned member, unless otherwise approved by a division supervisor. Any member operating an unmarked vehicle shall record vehicle usage on the sign-out log maintained in the division for that purpose. Any use of unmarked vehicles by those who are not assigned to the division to which the vehicle is assigned shall also record the use with the Watch Commander on the shift assignment roster.

#### **703.6 DAMAGE, ABUSE AND MISUSE**

When any department vehicle is involved in a traffic collision or otherwise incurs damage, the involved member shall promptly notify a supervisor. Any traffic collision report shall be filed with the agency having jurisdiction (see the Traffic Collision Reporting Policy).

Damage to any department vehicle that was not caused by a traffic collision shall be immediately reported during the shift in which the damage was discovered, documented in memorandum format and forwarded to the Watch Commander. An administrative investigation should be initiated to determine if there has been any vehicle abuse or misuse.

#### **703.7 ATTIRE AND APPEARANCE**

When operating any department vehicle while off-duty, members may dress in a manner appropriate for their intended activity. Whenever in view of or in contact with the public, attire and appearance, regardless of the activity, should be suitable to reflect positively upon the Department.

#### **703.7 TOLL ROAD USAGE**

Law enforcement vehicles are not routinely exempted from incurring toll road charges.

To avoid unnecessary toll road charges, all members operating department vehicles on a toll road shall adhere to the following:

- (a) Members operating department vehicles for any reason other than in response to an emergency shall pay the appropriate toll charge or utilize the appropriate toll way transponder. Members may submit a request for reimbursement from the Airport Authority for any toll fees incurred in the course of official business.

Crime analysis data is extracted from many sources including, but not limited to:

- Crime reports
- Field Interview cards
- Parole and Probation records
- Computer-Aided Dispatch data

- Temporal factors
- Victim and target descriptors
- Suspect descriptors
- Suspect vehicle descriptors
- Modus operandi factors

## 800.4 CRIME ANALYSIS DISSEMINATION

Information relevant to the development of the Department's strategic plans should be provided to the appropriate staff units. When information pertains to tactical and strategic plans, it should be provided to all affected units.

If more time is needed, an extension of up to 14 additional days may be authorized by the Custodian of Records or the authorized designee. If an extension is authorized, the Department shall provide the requester written notice that includes the reason for the extension and the anticipated date of the response.
  - 1. When the request does not reasonably describe the records sought, the Custodian of Records shall assist the requester in making the request focused and effective in a way to identify the records or information that would be responsive to the request including providing assistance for overcoming any practical basis for denying access to the records or information. The Custodian of Records shall also assist in describing the information technology and physical location in which the record exists (Government Code § 7922.600).

access to an online account, and no other personal information has been breached (Civil Code § 1798.29):

1. Notification may be provided electronically or in another form directing the person to promptly change either his/her password or security question and answer, as applicable, or to take other appropriate steps to protect the online account with the Department in addition to any other online accounts for which the person uses the same username or email address and password or security question and answer.
2. When the breach involves an email address that was furnished by the Burbank Glendale Pasadena Airport Authority Police Department, notification of the breach should not be sent to that email address but should instead be made by another appropriate medium as prescribed by Civil Code § 1798.29.

#### 804.7.2 MANNER OF NOTICE

- (a) Notice may be provided by one of the following methods (Civil Code § 1798.29):

#### **804.8 RELEASE OF AUDIO OR VIDEO RECORDINGS RELATED TO CRITICAL INCIDENTS**

Video and audio recordings related to critical incidents shall be released upon a proper public record request and subject to delayed release, redaction, and other release restrictions as provided by law (Government Code § 7923.625).

### *Records Maintenance and Release*

---

The Custodian of Records should work as appropriate with the Chief of Police or the Internal Affairs Office supervisor in determining what recordings may qualify for disclosure when a request for a recording is received and if the requested recording is subject to delay from disclosure, redaction, or other release restrictions.

#### 804.8.1 DELAY OF RELEASE

Disclosure of critical incident recordings during active criminal or administrative investigations may be delayed as follows if disclosure would substantially interfere with the investigation, such as by endangering the safety of a witness or a confidential source:

- (a) Disclosure may be delayed up to 45 days from the date the Department knew or reasonably should have known about the incident.
- (b) Delay of disclosure may continue after the initial 45 days and up to one year if the Department demonstrates that disclosure would substantially interfere with the investigation.
- (c) Any delay of disclosure longer than one year must be supported by clear and convincing evidence that disclosure would substantially interfere with the investigation (Government Code § 7923.625).

#### 804.8.2 NOTICE OF DELAY OF RELEASE

When there is justification to delay disclosure of a recording, the Custodian of Records shall provide written notice to the requester as follows (Government Code § 7923.625):

- (a) During the initial 45 days, the Custodian of Records shall provide the requester with written notice of the specific basis for the determination that disclosure would substantially interfere with the investigation. The notice shall also include the estimated date for the disclosure.
- (a) When delay is continued after the initial 45 days, the Custodian of Records shall promptly provide the requester with written notice of the specific basis for the determination that the interest in preventing interference with an active investigation outweighs the public interest in the disclosure, and the estimated date for the disclosure. The Custodian of Records should work with the Chief of Police in reassessing the decision to continue withholding a recording and notify the requester every 30 days.

Recordings withheld shall be disclosed promptly when the specific basis for withholding the recording is resolved.

#### 804.8.3 REDACTION

If the Custodian of Records, in consultation with the Chief of Police or the authorized designee, determines that specific portions of the recording may violate the reasonable expectation of privacy of a person depicted in the recording, the Department should use redaction technology to redact portions of recordings made available for release. The redaction should not interfere with the viewer's ability to fully, completely, and accurately comprehend the events captured in

the recording, and the recording should not otherwise be edited or altered (Government Code § 7923.625).

If any portions of a recording are withheld to protect the reasonable expectation of privacy of a person depicted in the recording, the Custodian of Records shall provide in writing to the requester the specific basis for the expectation of privacy and the public interest served (Government Code § 7923.625).

#### 804.8.4 RECORDINGS WITHHELD FROM PUBLIC DISCLOSURE

If the reasonable expectation of privacy of a person depicted in the recording cannot adequately be protected through redaction, and that interest outweighs the public interest in disclosure, the Department may withhold the recording from the public, except that the recording, either redacted or unredacted, shall be disclosed promptly, upon request, to any of the following (Government Code § 7923.625):

- (a) The person in the recording whose privacy is to be protected, or the person's authorized representative.
- (b) If the person is a minor, the parent or legal guardian of the person whose privacy is to be protected.
- (c) If the person whose privacy is to be protected is deceased, an heir, beneficiary, designated immediate family member, or authorized legal representative of the deceased person whose privacy is to be protected.

If the Department determines that this disclosure would substantially interfere with an active criminal or administrative investigation, the Custodian of Records shall provide the requester with written notice of the specific basis for the determination and the estimated date of disclosure (Government Code § 7923.625).

The Department may continue to delay release of the recording from the public for 45 days with extensions as provided in this policy (Government Code § 7923.625).

Only those members who have completed applicable training and met any applicable requirements, such as a background check, may access protected information, and only when the member has a legitimate work-related reason for such access.

Unauthorized access, including access for other than a legitimate work-related purpose, is prohibited and may subject a member to administrative action pursuant to the Personnel Complaints Policy and/or criminal prosecution.

##### **805.5.1 PENALTIES FOR MISUSE OF RECORDS**

It is a misdemeanor to furnish, buy, receive or possess Department of Justice criminal history information without authorization by law (Penal Code § 11143).

#### **805.6.2 TRANSMISSION GUIDELINES**

Protected information, such as restricted Criminal Justice Information (CJI), which includes Criminal History Record Information (CHRI), should not be transmitted via unencrypted radio. When circumstances reasonably indicate that the immediate safety of officers, other department members, or the public is at risk, only summary information may be transmitted.

In cases where the transmission of protected information, such as Personally Identifiable Information, is necessary to accomplish a legitimate law enforcement purpose, and utilization of an encrypted radio channel is infeasible, a department-issued cellular telephone should be utilized when practicable. If neither are available, unencrypted radio transmissions shall be subject to the following:

- Elements of protected information should be broken up into multiple transmissions, to minimally separate an individual's combined last name and any identifying number associated with the individual, from either first name or first initial.

# Computers and Digital Evidence

## 806.1 PURPOSE AND SCOPE

This policy establishes procedures for the seizure and storage of computers, personal communications devices (PCDs) digital cameras, digital recorders and other electronic devices that are capable of storing digital information; and for the preservation and storage of digital evidence. All evidence seized and/or processed pursuant to this policy shall be done so in compliance with clearly established Fourth Amendment and search and seizure provisions.

This policy shall apply only in those cases where data residing on a computer is being sought as evidence in an investigation. The term "computer" in this policy should be interpreted to include personal communications devices (PCDs) digital cameras, digital recorders and other electronic devices that are capable of storing digital information.

Computers seized by agency personnel as fruits of crimes, e.g., burglary, retail theft, etc. shall be handled in accordance with other evidence seizing and processing procedures, and will not normally require the services of the computer forensic investigator.

## 806.2 SEIZING COMPUTERS AND RELATED EVIDENCE

Computer equipment requires specialized training and handling to preserve its value as evidence. Officers should be aware of the potential to destroy information through careless or improper handling, and utilize the most knowledgeable available resources. When seizing a computer and accessories the following steps should be taken:

- (a) Photograph each item, front and back, specifically including cable connections to other items. Look for a phone line or cable to a modem for Internet access.
- (b) Do not overlook the possibility of the presence of physical evidence on and around the hardware relevant to the particular investigation such as fingerprints, biological or trace evidence, and/or documents.
- (c) If the computer is off, do not turn it on.
- (d) If the computer is on, do not shut it down normally and do not click on anything or examine any files.
  - 1. Photograph the screen, if possible, and note any programs or windows that appear to be open and running.
  - 2. Disconnect the power cable from the back of the computer box or if a portable notebook style, disconnect any power cable from the case and remove the battery).
- (e) Label each item with case number, evidence sheet number, and item number.
- (f) Handle and transport the computer and storage media (e.g., tape, discs, memory cards, flash memory, external drives) with care so that potential evidence is not lost.
- (g) Book all computer items in the Property Room. Do not store computers where normal room temperature and humidity is not maintained.

### *Computers and Digital Evidence*

---

- (h) At minimum, officers should document the following in related reports:
  - 1. Where the computer was located and whether or not it was in operation.
  - 2. Who was using it at the time.
  - 3. Who claimed ownership.
  - 4. If it can be determined, how it was being used.
- (i) In most cases when a computer is involved in criminal acts and is in the possession of the suspect, the computer itself and all storage devices (hard drives, tape drives, and disk drives) should be seized along with all media. Accessories (printers, monitors, mouse, scanner, keyboard, cables, software and manuals) should not be seized unless as a precursor to forfeiture.

#### **806.2.1 BUSINESS OR NETWORKED COMPUTERS**

If the computer belongs to a business or is part of a network, it may not be feasible to seize the entire computer. Cases involving networks require specialized handling. Officers should contact a certified forensic computer examiner for instructions or a response to the scene. It may be possible to perform an on-site inspection, or to image the hard drive only of the involved computer. This should only be done by someone specifically trained in processing computers for evidence.

#### **806.2.2 FORENSIC EXAMINATION OF COMPUTERS**

If an examination of the contents of the computer's hard drive, or floppy disks, compact discs, or any other storage media is required, forward the following items to a computer forensic examiner:

- (a) Copy of report(s) involving the computer, including the Evidence/Property sheet.
- (b) Copy of a consent to search form signed by the computer owner or the person in possession of the computer, or a copy of a search warrant authorizing the search of the computer hard drive for evidence relating to investigation.
- (c) A listing of the items to search for (e.g., photographs, financial records, e-mail, documents).
- (d) An exact duplicate of the hard drive or disk will be made using a forensic computer and a forensic software program by someone trained in the examination of computer storage devices for evidence.

#### **806.3 SEIZING DIGITAL STORAGE MEDIA**

Digital storage media including hard drives, floppy discs, CD's, DVD's, tapes, memory cards, or flash memory devices should be seized and stored in a manner that will protect them from damage.

- (a) If the media has a write-protection tab or switch, it should be activated.
- (b) Do not review, access or open digital files prior to submission. If the information is needed for immediate investigation request the Evidence Technicians from the Property Bureau/Burbank Police Department to copy the contents to an appropriate form of storage media.

### *Computers and Digital Evidence*

---

- (c) Many kinds of storage media can be erased or damaged by magnetic fields. Keep all media away from magnetic devices, electric motors, radio transmitters or other sources of magnetic fields.
- (d) Do not leave storage media where they would be subject to excessive heat such as in a parked vehicle on a hot day.
- (e) Use plastic cases designed to protect the media, or other protective packaging, to prevent damage.

#### **806.4 SEIZING PCDS**

Personal communication devices such as cell phones, PDAs or other hand-held devices connected to any communication network must be handled with care to preserve evidence that may be on the device including messages, stored data and/or images.

- (a) Officers should not attempt to access, review or search the contents of such devices prior to examination by a forensic expert. Unsent messages can be lost, data can be inadvertently deleted and incoming messages can override stored messages.
- (b) Do not turn the device on or off. The device should be placed in a solid metal container such as a paint can or in a faraday bag, to prevent the device from sending or receiving information from its host network.
- (c) When seizing the devices, also seize the charging units and keep them plugged in to the chargers until they can be examined. If the batteries go dead all the data may be lost.

#### **806.5 DIGITAL EVIDENCE RECORDED BY OFFICERS**

Officers handling and submitting recorded and digitally stored evidence from digital cameras and audio or video recorders will comply with these procedures to ensure the integrity and admissibility of such evidence.

##### **806.5.1 COLLECTION OF DIGITAL EVIDENCE**

Once evidence is recorded it shall not be erased, deleted or altered in any way prior to submission. All photographs taken will be preserved regardless of quality, composition or relevance. Video and audio files will not be altered in any way.

##### **806.5.2 SUBMISSION OF DIGITAL MEDIA**

The following are required procedures for the submission of digital media used by cameras or other recorders:

- (a) The recording media (smart card, compact flash card or any other media) shall be brought to the Property Bureau/Burbank Police Department as soon as possible for submission into evidence.
- (b) Officers are not authorized to review or copy memory cards. The evidence technicians are the only employees authorized to copy and/or distribute digital media made from the memory cards.

### *Computers and Digital Evidence*

---

- (c) As soon as possible following the collection of evidence, the camera operator is to remove the memory card from their digital camera and place the card into a plastic carrier. The card and carrier are then to be placed into a zip-lock type baggie. The camera operator shall write their name and the related case number on the outside of the baggie before placing in the film drop box along with the evidence form.
- (d) Evidence technicians will make a copy of the memory card using appropriate storage media. Once they have verified that the images properly transferred to the storage media, the technicians will erase the memory card for re-use. The storage media will be marked as the original.
- (e) Officers requiring a copy of the digital files must request a copy on the evidence form when submitted to evidence.

#### 806.5.3 DOWNLOADING OF DIGITAL FILES

Digital information such as video or audio files recorded on devices using internal memory must be downloaded to storage media. The following procedures are to be followed:

- (a) Files should not be opened or reviewed prior to downloading and storage.
- (b) Where possible, the device should be connected to a computer and the files accessed directly from the computer directory or downloaded to a folder on the host computer for copying to the storage media.

#### 806.5.4 PRESERVATION OF DIGITAL EVIDENCE

- (a) Only evidence technicians are authorized to copy original digital media that is held as evidence. The original digital media shall remain in evidence and shall remain unaltered.
- (b) Digital images that are enhanced to provide a better quality photograph for identification and investigative purposes must only be made from a copy of the original media.
- (c) If any enhancement is done to the copy of the original, it shall be noted in the corresponding incident report.

## **Chapter 9 - Custody**

# Custodial Searches

## 900.1 PURPOSE AND SCOPE

This policy provides guidance regarding searches of individuals in custody. All envelopes should clearly indicate the contents on the front. The department member sealing it should place the member's initials across the sealed flap. Should any money be withdrawn or added, the member making such change shall enter the amount below the original entry and initial it. The amount of money in the envelope should always be totaled and written on the outside of the envelope.

## **Chapter 10 - Personnel**

# Evaluation of Employees

## 1001.1 PURPOSE AND SCOPE

The Department's employee performance evaluation system is designed to record work performance for both the Department and the employee, providing recognition for good work and developing a guide for improvement.

## 1001.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department utilizes a performance evaluation report to measure performance and to use as a factor in making personnel decisions that relate to merit increases, promotion, reassignment, discipline, demotion, and termination. The evaluation report is intended to serve as a guide for work planning and review by the supervisor and employee. It gives supervisors a way to create an objective history of work performance based on job standards.

The Department evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee's position, without regard to actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

## 1001.3 EVALUATION PROCESS

Evaluation reports will cover a specific period of time and should be based on documented performance during that period. Evaluation reports will be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the immediate supervisor for their input.

All sworn and civilian supervisory personnel shall attend an approved supervisory course that includes training on the completion of performance evaluations within one year of the supervisory appointment.

Each supervisor should discuss the tasks of the position, standards of performance expected and the evaluation criteria with each employee at the beginning of the rating period. Supervisors should document this discussion in the prescribed manner.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise.

Non-probationary employees demonstrating substandard performance shall be notified in writing of such performance as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days written notice prior to the end of the evaluation period.

### *Evaluation of Employees*

---

Employees who disagree with their evaluation and who desire to provide a formal response or a rebuttal may do so in writing in the prescribed format and time period.

#### **1001.4 FULL TIME PROBATIONARY PERSONNEL**

Sworn personnel are on probation for 12 months before being eligible for certification as permanent employees. Probationary officers are evaluated daily, weekly and monthly during the probationary period.

#### **1001.5 FULL-TIME PERMANENT STATUS PERSONNEL**

Permanent employees are subject to three types of performance evaluations:

**Regular** - An Employee Performance Evaluation shall be completed once each year by the employee's immediate supervisor on the anniversary of the employee's date of hire except for employees who have been promoted in which case an Employee Performance Evaluation shall be completed on the anniversary of the employee's date of last promotion.

**Special** - A special evaluation may be completed any time the rater and the rater's supervisor feel one is necessary due to employee performance that is deemed less than standard. Generally, the special evaluation will be the tool used to demonstrate those areas of performance deemed less than standard when follow-up action is planned (action plan, remedial training, retraining, etc.). The evaluation form and the attached documentation shall be submitted as one package.

##### **1001.5.1 RATINGS**

When completing the Employee Performance Evaluation, the rater will place a check mark in the column that best describes the employee's performance. The definition of each rating category is as follows:

**Q - Meets or Exceeds Standards** - A Meets Standards rating indicates performance of a fully competent employee. It means satisfactory performance that meets the standards required of the position. An Exceeds Standards rating indicates performance that is better than expected of a fully competent employee. It is superior to what is expected, but is not of such rare nature to warrant outstanding.

**N - Needs Improvement** - Is a level of performance less than that expected of a fully competent employee and less than standards required of the position. A needs improvement rating must be thoroughly discussed with the employee.

**N/R - Not Rated** – is used for a rating category that was not observed or performed during the performance period.

Space for written comments is provided at the end of the evaluation in the rater comments section. This section allows the rater to document the employee's strengths, weaknesses, and suggestions for improvement. Any rating of Needs Improvement shall be substantiated in the rater comments section.

### *Evaluation of Employees*

---

#### **1001.6 EVALUATION INTERVIEW**

When the supervisor has completed the preliminary evaluation, arrangements shall be made for a private discussion of the evaluation with the employee. The supervisor should discuss the results of the just completed rating period and clarify any questions the employee may have. If the employee has valid and reasonable protests of any of the ratings, the supervisor may make appropriate changes to the evaluation. Areas needing improvement and goals for reaching the expected level of performance should be identified and discussed. The supervisor should also provide relevant counseling regarding advancement, specialty positions and training opportunities. The supervisor and employee will sign and date the evaluation. Permanent employees may also write comments in the Employee Comments section of the performance evaluation report.

##### **1001.6.1 DISCRIMINATORY HARASSMENT FORM**

At the time of each employee's annual evaluation, the reviewing supervisor shall require the employee to read the Airport Authority and Department harassment and discrimination policies. Following such policy review, the supervisor shall provide the employee a form to be completed and returned by the employee certifying the following:

- (a) That the employee understands the harassment and discrimination policies.
- (b) Whether any questions the employee has have been sufficiently addressed.
- (c) That the employee knows how and where to report harassment policy violations.
- (d) Whether the employee has been the subject of, or witness to, any conduct that violates the discrimination or harassment policy which has not been previously reported.

The completed form should be returned to the supervisor (or other authorized individual if the employee is uncomfortable returning the form to the presenting supervisor) within one week.

The employee's completed answers shall be attached to the evaluation. If the employee has expressed any questions or concerns, the receiving supervisor or other authorized individual shall insure that appropriate follow up action is taken.

#### **1001.7 EVALUATION REVIEW**

After the supervisor finishes the discussion with the employee, the signed performance evaluation is forwarded to the rater's supervisor (Commander). The Commander shall review the evaluation for fairness, impartiality, uniformity, and consistency. The Commander shall evaluate the supervisor on the quality of ratings given.

#### **1001.8 EVALUATION DISTRIBUTION**

The original performance evaluation shall be maintained in the employee's personnel file in the office of the Chief of Police for the tenure of the employee's employment. A copy will be given to the employee.

# Grievance Procedure

## 1003.1 PURPOSE AND SCOPE

It is the policy of this department that all grievances be handled quickly and fairly without discrimination against employees who file a grievance whether or not there is a basis for the grievance. Our Department's philosophy is to promote a free verbal communication between employees and supervisors.

### 1003.1.1 GRIEVANCE DEFINED

A grievance is any difference of opinion concerning terms or conditions of employment or the dispute involving the interpretation or application of any of the following documents by the person(s) affected:

- The employee bargaining agreement (Memorandum of Understanding)
- This Policy Manual
- Airport Authority rules and regulations covering personnel practices or working conditions

Grievances may be brought by an individual affected employee or by a group representative.

Specifically outside the category of grievance are complaints related to allegations of discrimination or harassment subject to the Discriminatory Harassment Policy. Also outside the category of grievances are personnel complaints regarding any allegation of misconduct or improper job performance against any department employee that, if true, would constitute a violation of department policy, federal, state, or local law as set forth in the Personnel Complaint Policy.

## 1003.2 PROCEDURE

Except as otherwise required under a collective bargaining agreement, if an employee believes that he or she has a grievance as defined above, then that employee shall observe the following procedure:

- (a) Attempt to resolve the issue through informal discussion with immediate supervisor.
- (b) If after a reasonable amount of time, generally seven days, the grievance cannot be settled by the immediate supervisor, the employee may request an interview with the Commander of the affected division or bureau.
- (c) If a successful resolution is not found with the Commander, the employee may request a meeting with the Chief of Police.
- (d) If the employee and the Chief of Police are unable to arrive at a mutual solution, then the employee shall proceed as follows:

### *Grievance Procedure*

---

1. Submit in writing a written statement of the grievance and deliver one copy to the Chief of Police and another copy to the immediate supervisor and include the following information:
  - (a) The basis for the grievance (i.e., what are the facts of the case?).
  - (b) Allegation of the specific wrongful act and the harm done.
  - (c) The specific policies, rules or regulations that were violated.
  - (d) What remedy or goal is being sought by this grievance.
- (e) The employee shall receive a copy of the acknowledgment signed by the supervisor including the date and time of receipt.
- (f) The Chief of Police will receive the grievance in writing. The Chief of Police and the Executive Director will review and analyze the facts or allegations and respond to the employee within 14 calendar days. The response will be in writing, and will affirm or deny the allegations. The response shall include any remedies if appropriate. The decision of the Executive Director is considered final.

#### **1003.3 EMPLOYEE REPRESENTATION**

Employees are entitled to have representation during the grievance process. The representative may be selected by the employee from the appropriate employee bargaining group.

#### **1003.4 GRIEVANCE RECORDS**

At the conclusion of the grievance process, all documents pertaining to the process shall be forwarded to Administration for inclusion into a secure file for all written grievances. A second copy of the written grievance will be maintained by the Executive Director's office to monitor the grievance process.

#### **1003.5 GRIEVANCE AUDITS**

The Training Sergeant shall perform an annual audit of all grievances filed the previous calendar year to evaluate whether or not any policy/procedure changes or training may be appropriate to avoid future filings of grievances. The Training Sergeant shall record these findings in a confidential and generic memorandum to the Chief of Police without including any identifying information from any individual grievance. If the audit identifies any recommended changes or content that may warrant a critical revision to this policy manual, the Training Sergeant should promptly notify the Chief of Police.

# Reporting of Employee Convictions

## **1004.1 PURPOSE AND SCOPE**

Convictions of certain offenses may restrict or prohibit an employee's ability to properly perform official duties. Therefore, all employees shall be required to promptly notify the Department of any past and current criminal convictions.

## **1004.2 DOMESTIC VIOLENCE CONVICTIONS, OUTSTANDING WARRANTS AND RESTRAINING ORDERS**

California and federal law prohibit individuals convicted of, or having an outstanding warrant for, certain offenses and individuals subject to certain court orders from lawfully possessing a firearm. Such convictions and court orders often involve allegations of the use or attempted use of force or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Penal Code § 29805).

All members are responsible for ensuring that they have not been disqualified from possessing a firearm by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

## **1004.3 OTHER CRIMINAL CONVICTIONS AND COURT ORDERS**

Government Code § 1029 prohibits any person convicted of a felony from being a peace officer in the State of California. This prohibition applies regardless of whether the guilt was established by way of a verdict, guilty, or nolo contendere plea.

Convictions of certain violations of the Vehicle Code and other provisions of law may also place restrictions on an employee's ability to fully perform the duties of the job.

Outstanding warrants as provided in Penal Code § 29805 also place restrictions on a member's ability to possess a firearm.

Moreover, while legal restrictions may or may not be imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by members of this department may be inherently in conflict with law enforcement duties and the public trust.

## **1004.4 REPORTING PROCEDURE**

All members of this department and all retired officers with an identification card issued by the Department shall promptly notify their immediate supervisor (or the Chief of Police in the case of retired officers) in writing of any past or current criminal arrest, outstanding warrant or conviction regardless of whether or not the matter is currently on appeal and regardless of the penalty or sentence, if any.

All members and all retired officers with an identification card issued by the Department shall further promptly notify their immediate supervisor (or the Chief of Police in the case of retired officers) in writing if the member or retiree becomes the subject of a domestic violence restraining order or similar court order or becomes the subject of an outstanding warrant.

### *Reporting of Employee Convictions*

---

Any member whose criminal conviction unduly restricts or prohibits that member from fully and properly performing his/her duties may be disciplined including, but not limited to, being placed on administrative leave, reassignment and/or termination. Any effort to remove such disqualification or restriction shall remain entirely the responsibility of the member on his/her own time and expense.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline.

#### **1004.5 PROCEDURE FOR RELIEF**

Pursuant to Penal Code § 29855, a peace officer may petition the court for permission to carry a firearm following a conviction under state law. Federal law, however, does not provide for any such similar judicial relief and the granting of a state court petition under Penal Code § 29855 will not relieve one of the restrictions imposed by federal law. Therefore, relief for any employee falling under the restrictions imposed by federal law may only be obtained by expungement of the conviction. Employees shall seek relief from firearm restrictions on their own time and through their own resources.

Pursuant to Family Code § 6389(h), an individual may petition the court for an exemption to any restraining order, which would thereafter permit the individual to carry a firearm or ammunition as a part of the individual's employment. Relief from any domestic violence or other restriction shall also be pursued through the employee's own resources and on the employee's own time.

Pending satisfactory proof of relief from any legal restriction imposed on an employee's duties, the employee may be placed on administrative leave, reassigned, or disciplined. The Department may, but is not required to return an employee to any assignment, reinstate any employee, or reverse any pending or imposed discipline upon presentation of satisfactory proof of relief from any legal restriction set forth in this policy.

##### **1004.5.1 NOTIFICATION REQUIREMENTS**

The Administration Commander shall submit within 10 days of final disposition a notice to the Commission on Peace Officer Standards and Training (POST) of a conviction or Government Code § 1029 reason that disqualifies any current peace officer employed by this department or any former peace officer if this department was responsible for the investigation (11 CCR 1003).

The Administration Commander shall submit within 10 days a notice to POST of any appointment, termination, reinstatement, name change, or status change regarding any peace officer, reserve peace officer, public safety dispatcher, and records supervisor employed by this department (11 CCR 1003).

## Drug- and Alcohol-Free Workplace

### **1005.1 PURPOSE AND SCOPE**

The purpose of this policy is to establish clear and uniform guidelines regarding drugs and alcohol in the workplace (41 USC § 8103).

### **1005.2 POLICY**

It is the policy of this department to provide a drug- and alcohol-free workplace for all members. This department follows the drug and alcohol policy set forth in the Memorandum of Understanding between the Burbank-Glendale-Pasadena Airport Authority and the Burbank Airport Police Officers Association.

## Sick Leave

### 1006.1 PURPOSE AND SCOPE

This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees are detailed Memorandum of Understanding between the Burbank-Glendale-Pasadena Airport Authority and the Burbank Airport Police Officers Association.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) (29 USC § 2601 et seq.), the California Family Rights Act, leave for victims of crime or abuse, or for organ or bone marrow donor procedures (29 CFR 825; Government Code § 12945.2; Labor Code § 230.1; Labor Code § 1510).

### 1006.2 POLICY

It is the policy of the Burbank Glendale Pasadena Airport Authority Police Department to provide eligible employees with a sick leave benefit.

### 1006.3 USE OF SICK LEAVE

Sick leave is intended to be used for qualified absences. Sick leave is not considered vacation. Abuse of sick leave may result in discipline, denial of sick leave benefits, or both.

Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational activity or other activity that may impede recovery from the injury or illness (see Outside Employment Policy).

Qualified appointments should be scheduled during a member's non-working hours when it is reasonable to do so.

#### 1006.3.1 NOTIFICATION

All members should notify the Watch Commander or appropriate supervisor as soon as they are aware that they will not be able to report to work and no less than one hour before the start of their scheduled shifts. If, due to an emergency, a member is unable to contact the supervisor, every effort should be made to have a representative for the member contact the supervisor (Labor Code § 246 ).

When the necessity to be absent from work is foreseeable, such as planned medical appointments or treatments, the member shall, whenever possible and practicable, provide the Department with no less than 30 days' notice of the impending absence (Labor Code § 246).

Upon return to work, members are responsible for ensuring their time off was appropriately accounted for, and for completing and submitting the required documentation describing the type of time off used and the specific amount of time taken.

### *Sick Leave*

---

#### **1006.4 EXTENDED ABSENCE**

Members absent from duty for more than five consecutive days may be required to furnish a statement from a health care provider supporting the need to be absent and/or the ability to return to work. Members on an extended absence shall, if possible, contact their supervisor at specified intervals to provide an update on their absence and expected date of return.

#### **1006.5 REQUIRED NOTICES**

The Administrative Division Commander shall ensure:

- (a) Written notice of the amount of paid sick leave available is provided to employees as provided in Labor Code § 246.
- (b) A poster is displayed in a conspicuous place for employees to review that contains information on paid sick leave as provided in Labor Code § 247.

#### **1006.6 SUPERVISOR RESPONSIBILITIES**

The responsibilities of supervisors include, but are not limited to:

- (a) Monitoring and regularly reviewing the attendance of those under their command to ensure that the use of sick leave and absences is consistent with this policy.
- (b) Attempting to determine whether an absence of four or more days may qualify as family medical leave and consulting with legal counsel or the Administration as appropriate.
- (c) Addressing absences and sick leave use in the member's performance evaluation when excessive or unusual use has:
  - 1. Negatively affected the member's performance or ability to complete assigned duties.
  - 2. Negatively affected department operations.
- (d) When appropriate, counseling members regarding excessive absences and/or inappropriate use of sick leave.
- (e) Referring eligible members to an available employee assistance program when appropriate.

# Communicable Diseases

## 1007.1 PURPOSE AND SCOPE

This policy provides general guidelines to assist in minimizing the risk of department members contracting and/or spreading communicable diseases.

### 1007.1.1 DEFINITIONS

Definitions related to this policy include:

**Communicable disease** - A human disease caused by microorganisms that are present in and transmissible through human blood, bodily fluid, tissue, or by breathing or coughing. These diseases commonly include, but are not limited to, hepatitis B virus (HBV), HIV and tuberculosis.

**Exposure** - When an eye, mouth, mucous membrane or non-intact skin comes into contact with blood or other potentially infectious materials, or when these substances are injected or infused under the skin; when an individual is exposed to a person who has a disease that can be passed through the air by talking, sneezing or coughing (e.g., tuberculosis), or the individual is in an area that was occupied by such a person. Exposure only includes those instances that occur due to a member's position at the Burbank Glendale Pasadena Airport Authority Police Department. (See the exposure control plan for further details to assist in identifying whether an exposure has occurred.)

## 1007.2 POLICY

The Burbank Glendale Pasadena Airport Authority Police Department is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

## 1007.3 EXPOSURE CONTROL OFFICER

The Chief of Police will assign a person as the Exposure Control Officer (ECO). The ECO shall develop an exposure control plan that includes:

- (a) Exposure-prevention and decontamination procedures.
- (b) Procedures for when and how to obtain medical attention in the event of an exposure or suspected exposure.
- (c) The provision that department members will have no-cost access to the appropriate personal protective equipment (PPE) (e.g., gloves, face masks, eye protection, pocket masks) for each member's position and risk of exposure.

#### **1007.5 POST EXPOSURE**

##### 1007.5.1 INITIAL POST-EXPOSURE STEPS

Members who experience an exposure or suspected exposure shall:

- (a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).
- (b) Obtain medical attention as appropriate.
- (c) Notify a supervisor as soon as practicable.

##### 1007.5.2 REPORTING REQUIREMENTS

The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Occupational Disease and Work-Related Injury Reporting Policy).

#### 1007.5.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT

Department members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary (8 CCR 5193).

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate (8 CCR 5193). Source testing is the responsibility of the ECO. Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) Complying with the statutory scheme of Health and Safety Code § 121060. This includes seeking consent from the person who was the source of the exposure and seeking a court order if consent is not given.

# Burbank Glendale Pasadena Airport Authority Police Department

## BGPAAPD Policy Manual

### *Communicable Diseases*

- (e) Under certain circumstances, a court may issue a search warrant for the purpose of HIV testing a person when the exposed member qualifies as a crime victim (Penal Code § 1524.1).

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the Airport Authority General Counsel to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

#### **1007.6 CONFIDENTIALITY OF REPORTS**

Medical information shall remain in confidential files and shall not be disclosed to anyone without the member's written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

Personnel complaints shall be classified in one of the following categories:

**Informal** - A matter in which the Watch Commander is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

**Formal** - A matter in which a supervisor determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member or referred to the Administrative Commander, depending on the seriousness and complexity of the investigation.

**Incomplete** - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Administrative Commander, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

### *Personnel Complaints*

---

#### **1009.5 DOCUMENTATION**

Supervisors shall ensure that all formal and informal complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint. On an annual basis, the Department should audit the log and send an audit report to the Chief of Police or the authorized designee.

#### **1009.6 ADMINISTRATIVE INVESTIGATIONS**

Allegations of misconduct will be administratively investigated as follows.

##### **1009.6.1 SUPERVISOR RESPONSIBILITIES**

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Chief of Police or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
  - 1. The original complaint form will be directed to the Watch Commander of the accused member, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.
  - 2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Commander or the Chief of Police, who will initiate appropriate action.
- (b) Responding to all complainants in a courteous and professional manner.
- (c) Resolving those personnel complaints that can be resolved immediately.
  - 1. Follow-up contact with the complainant should be made within 24 hours of the Department receiving the complaint.

the member has been given a *Lybarger* advisement. Administrative investigators should consider the impact that compelling a statement from the member may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).

2. No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.
- (h) The interviewer should record all interviews of members and witnesses. The member may also record the interview. If the member has been previously interviewed, a copy of that recorded interview shall be provided to the member prior to any subsequent interview.
- (i) All members subjected to interviews that could result in discipline have the right to have an uninvolved representative present during the interview. However, in order to maintain the integrity of each individual's statement, involved members shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
- (j) All members shall provide complete and truthful responses to questions posed during interviews.
- (k) No member may be requested or compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation (Government Code § 3307).

No investigation shall be undertaken against any officer solely because the officer has been placed on a prosecutor's *Brady* list or the name of the officer may otherwise be subject to disclosure pursuant to *Brady v. Maryland*. However, an investigation may be based on the underlying acts or omissions for which the officer has been placed on a *Brady* list or may otherwise be subject to disclosure pursuant to *Brady v. Maryland* (Government Code § 3305.5).

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

#### 1009.6.5 COMPLETION OF INVESTIGATIONS

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation (Government Code § 3304).

In the event that an investigation cannot be completed within one year of discovery, the assigned investigator or supervisor shall ensure that an extension or delay is warranted within the exceptions set forth in Government Code § 3304(d) or Government Code § 3508.1.

#### 1009.6.6 NOTICE TO COMPLAINANT OF INVESTIGATION STATUS

The member conducting the investigation should provide the complainant with periodic updates on the status of the investigation, as appropriate.

Any employee placed on administrative leave:

- (a) May be required to relinquish any department badge, identification, assigned weapons and any other department equipment.
- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.
- (c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The employee may be required to remain available for contact at all times during such shift, and will report as ordered.

#### **1009.9 CRIMINAL INVESTIGATION**

Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief of Police shall be notified as soon as practicable when a member is accused of criminal conduct. The Chief of Police may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be advised of his/her constitutional rights (Government Code § 3303(h)). The member should not be administratively ordered to provide any information in the criminal investigation.

The Burbank Glendale Pasadena Airport Authority Police Department may release information concerning the arrest or detention of any member, including an officer, that has not led to a conviction. No disciplinary action should be taken until an independent administrative investigation is conducted.

#### **1009.10 POST-ADMINISTRATIVE INVESTIGATION PROCEDURES**

Upon completion of a formal investigation, an investigation report should be forwarded to the Chief of Police through the chain of command. Each level of command should review the report and include his/her comments in writing before forwarding the report. The Chief of Police may accept or modify any classification or recommendation for disciplinary action.

##### **1009.10.1 DIVISION COMMANDER RESPONSIBILITIES**

Upon receipt of any completed personnel investigation, the Commander of the involved member shall review the entire investigative file, the member's personnel file and any other relevant materials.

The Commander may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Prior to forwarding recommendations to the Chief of Police, the Commander may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Chief of Police, the Commander shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

##### **1009.10.2 CHIEF OF POLICE RESPONSIBILITIES**

Once the Chief of Police is satisfied that no further investigation or action is required by staff, the Chief of Police shall determine the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the Chief of Police shall provide the member with a pre-disciplinary procedural due process hearing (*Skelly*) by providing written notice of the charges, proposed action and reasons for the proposed action. Written notice shall be provided within one year from the date of discovery of the misconduct (Government Code § 3304(d)). The Chief of Police shall also provide the member with:

#### **1009.10.3 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT**

The Chief of Police or the authorized designee shall ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint (Penal Code § 832.7(f)).

#### **1009.10.4 NOTICE REQUIREMENTS**

The disposition of any civilian's complaint shall be released to the complaining party within 30 days of the final disposition. This release shall not include what discipline, if any, was imposed (Penal Code § 832.7(f)).

#### **1009.11 PRE-DISCIPLINE EMPLOYEE RESPONSE**

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Chief of Police after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

- (a) The response is not intended to be an adversarial or formal hearing.
- (b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.
- (c) The employee may suggest that further investigation could be conducted or the employee may offer any additional information or mitigating factors for the Chief of Police to consider.
- (d) In the event that the Chief of Police elects to cause further investigation to be conducted, the employee shall be provided with the results prior to the imposition of any discipline.
- (e) The employee may thereafter have the opportunity to further respond orally or in writing to the Chief of Police on the limited issues of information raised in any subsequent materials.

#### **1009.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE**

In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline (Penal Code § 13510.8).

#### **1009.13 POST-DISCIPLINE APPEAL RIGHTS**

Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to

In the event of punitive action against an employee covered by the POBR, the appeal process shall be in compliance with Government Code § 3304 and Government Code § 3304.5.

During any administrative appeal, evidence that an officer has been placed on a *Brady* list or is otherwise subject to *Brady* restrictions may not be introduced unless the underlying allegations of misconduct have been independently established. Thereafter, such *Brady* evidence shall be limited to determining the appropriateness of the penalty (Government Code § 3305.5).

#### **1009.14 PROBATIONARY EMPLOYEES AND OTHER MEMBERS**

At-will and probationary employees and those members other than non-probationary employees may be released from employment for non-disciplinary reasons (e.g., failure to meet standards) without adherence to the procedures set forth in this policy or any right to appeal. However, any probationary officer subjected to an investigation into allegations of misconduct shall be entitled to those procedural rights, as applicable, set forth in the POBR (Government Code § 3303; Government Code § 3304).

At-will, probationary employees and those other than non-probationary employees subjected to discipline or termination as a result of allegations of misconduct shall not be deemed to have acquired a property interest in their position, but shall be given the opportunity to appear before the Chief of Police or authorized designee for a non-evidentiary hearing for the sole purpose of attempting to clear their name or liberty interest. There shall be no further opportunity for appeal beyond the liberty interest hearing and the decision of the Chief of Police shall be final.

#### **1009.15 RETENTION OF PERSONNEL INVESTIGATION FILES**

All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.

## Seat Belts

### 1010.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in department vehicles (Vehicle Code § 27315.5).

#### 1010.1.1 DEFINITIONS

Definitions related to this policy include:

**Child restraint system** - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213.

### 1010.2 POLICY

It is the policy of the Burbank Glendale Pasadena Airport Authority Police Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle collision.

### 1010.3 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this department while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including non-members, are also properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the member or the public. Members must be prepared to justify any deviation from this requirement.

### 1010.4 TRANSPORTING CHILDREN

Children under the age of 8 shall be transported in compliance with California's child restraint system requirements (Vehicle Code § 27360; Vehicle Code § 27363).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible. A child shall not be transported in a rear-facing child restraint system in the front seat in a vehicle that is equipped with an active frontal passenger airbag (Vehicle Code § 27363).

### 1010.5 TRANSPORTING PERSONS IN CUSTODY

Persons who are in custody should be in a seated position and secured in the rear seat of any department vehicle with a restraint system or, when a restraint system is not available, by seat

### *Seat Belts*

---

belts provided by the vehicle manufacturer. The restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

An incarcerated person in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

#### **1010.6 INOPERABLE SEAT BELTS**

Department vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Department vehicle seat belts shall not be modified, removed, deactivated or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief of Police.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

#### **1010.7 VEHICLES MANUFACTURED WITHOUT SEAT BELTS**

Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer's operator requirements for safe use.

#### **1010.8 VEHICLE AIRBAGS**

In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

# Body Armor

## 1011.1 PURPOSE AND SCOPE

The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

## 1011.2 POLICY

It is the policy of the Burbank Glendale Pasadena Airport Authority Police Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

## 1011.3 ISSUANCE OF BODY ARMOR

The Equipment Sergeant shall ensure that body armor is issued to all officers when the officer begins service at the Burbank Glendale Pasadena Airport Authority Police Department and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice. Body armor should be of type Level II or IIIA.

The Equipment Sergeant shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to the schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

Body armor issued to employees shall remain the property of the Burbank Glendale Pasadena Airport Authority Police Department, and upon separation of employment, or the issuance of a replacement, shall be returned to the department. Body armor that must be replaced due to negligent loss, misuse, or abuse by the officer shall be paid for by the officer.

### 1011.3.1 USE OF SOFT BODY ARMOR

Generally, the use of body armor is required subject to the following:

- (a) Officers shall only wear agency-approved body armor.
- (b) Officers shall wear body armor anytime they are in a situation where they could reasonably be expected to take enforcement action.
- (c) Officers may be excused from wearing body armor when they are functioning primarily in an administrative or support capacity and could not reasonably be expected to take enforcement action.
- (d) Body armor shall be worn when an officer is working in uniform or taking part in Department range training.
- (e) An officer may be excused from wearing body armor when he/she is involved in undercover or plainclothes work that his/her supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.

### *Body Armor*

---

#### 1011.3.2 INSPECTIONS OF BODY ARMOR

Supervisors should ensure that body armor is worn and maintained in accordance with this policy through routine observation and periodic documented inspections. Annual inspections of body armor should be conducted by an authorized designee for fit, cleanliness, and signs of damage, abuse and wear.

#### 1011.3.3 CARE AND MAINTENANCE OF SOFT BODY ARMOR

Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled (e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

Soft body armor should be replaced in accordance with the manufacturer's recommended replacement schedule.

#### 1011.4 ARMORER RESPONSIBILITIES

The Training Sergeant should:

- (a) Monitor technological advances in the body armor industry for any appropriate changes to Department approved body armor.
- (b) Assess weapons and ammunition currently in use and the suitability of approved body armor to protect against those threats.
- (c) Provide training that educates officers about the safety benefits of wearing body armor.

Any person who maliciously, and with the intent to obstruct justice or the due administration of the laws, publishes, disseminates, or otherwise discloses the residence address or telephone number of any member of this department may be guilty of a misdemeanor (Penal Code § 146e).

The Department may release any factual information concerning a disciplinary investigation if the member who is the subject of the investigation (or the member's representative) publicly makes a statement that is published in the media and that the member (or representative) knows to be false. #### **1012.8.3 RELEASE OF LAW ENFORCEMENT GANG INFORMATION**

Records relating to an officer for an investigation of a hate complaint described in Penal Code § 13682 with a sustained finding that the officer engaged in membership in a hate group, participated in a hate group activity, or advocacy of public expressions of hate are not confidential and shall be made available for public inspection through a public records request (Penal Code § 13683).

Records disclosed may be redacted as provided in Penal Code § 13683.

#### **1012.9 RELEASE OF PERSONNEL RECORDS AND RECORDS RELATED TO CERTAIN INCIDENTS, COMPLAINTS, AND INVESTIGATIONS OF OFFICERS**

Personnel records and records related to certain incidents, complaints, and investigations of officers shall be released pursuant to a proper request under the Public Records Act and subject to redaction and delayed release as provided by law.

The Custodian of Records should work as appropriate with the Chief of Police or the Internal Affairs Office supervisor in determining what records may qualify for disclosure when a request for records is received and if the requested record is subject to redaction or delay from disclosure.

For purposes of this section, a record includes (Penal Code § 832.7(b)(3):

- All materials compiled and presented for review to the District Attorney or to any person or body charged with determining whether to file criminal charges against an officer in connection with an incident, whether the officer's action was consistent with law and department policy for purposes of discipline or administrative action, or what discipline to impose or corrective action to take.

  - 1. An officer engaged in sexual assault of a member of the public (as defined by Penal Code § 832.7(b)).
  - 2. Dishonesty of an officer relating to the reporting, investigation, or prosecution of a crime, or directly relating to the reporting of, or investigation of misconduct by, another officer, including but not limited to any false statements, filing false reports, destruction, falsifying, or concealing of evidence, or perjury.
  - 3. An officer engaged in conduct including but not limited to verbal statements, writings, online posts, recordings, and gestures involving prejudice or discrimination against a person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status.
  - 4. An officer made an unlawful arrest or conducted an unlawful search.

---

Qualifying records will be made available regardless of whether the officer resigns before the Department or an oversight agency concludes its investigation (Penal Code § 832.7(b)(3)).

A record from a separate and prior investigation or assessment of a separate incident shall not be released unless it is independently subject to disclosure (Penal Code § 832.7(b)(4)).

When an investigation involves multiple officers, the Department shall not release information about allegations of misconduct or the analysis or disposition of an investigation of an officer unless it relates to a sustained finding of a qualified allegation as provided by Penal Code § 832.7(b)(5). However, factual information about the action of the officer during an incident or the statements of an officer shall be released if the statements are relevant to a finding of the qualified allegation against another officer that is subject to release (Penal Code § 832.7(b)(5)).

#### 1012.9.1 REDACTION

The Custodian of Records, in consultation with the Chief of Police or authorized designee, shall redact the following portions of qualifying records made available for release (Penal Code § 832.7(b)(6)):

- (a) Personal data or information (e.g., home address, telephone number, identities of family members) other than the names and work-related information of officers
- (b) Information that would compromise the anonymity of whistleblowers, complainants, victims, and witnesses
- (c) Confidential medical, financial, or other information where disclosure is prohibited by federal law or would cause an unwarranted invasion of personal privacy that clearly outweighs the strong public interest in records about possible misconduct and use of force
- (d) Where there is a specific, articulable, and particularized reason to believe that disclosure of the record would pose a significant danger to the physical safety of the officer or another person

Additionally, a record may be redacted, including redacting personal identifying information, where, on the facts of the particular case, the public interest served by not disclosing the information clearly outweighs the public interest served by disclosing it (Penal Code § 832.7(b)(7)).

#### 1012.9.2 DELAY OF RELEASE

Unless otherwise directed by the Chief of Police, the Custodian of Records should consult with a supervisor familiar with the underlying investigation to determine whether to delay disclosure of qualifying records due to any of the following conditions (Penal Code § 832.7):

- (a) Active criminal investigations
  - 1. Disclosure may be delayed 60 days from the date the misconduct or use of force occurred or until the District Attorney determines whether to file criminal charges, whichever occurs sooner.
  - 2. After the initial 60 days, delay of disclosure may be continued if the disclosure could reasonably be expected to interfere with a criminal enforcement

proceeding against an officer or against someone other than an officer who engaged in misconduct or used the force.

(b) Filed criminal charges

1. When charges are filed related to an incident in which misconduct occurred or force was used, disclosure may be delayed until a verdict on those charges is returned at trial or, if a plea of guilty or no contest is entered, the time to withdraw the plea has passed.

(c) Administrative investigations

1. Disclosure may be delayed until:
  - (a) There is a determination from the investigation whether the misconduct or use of force violated law or department policy, but no longer than 180 days after the date of the department's discovery of the misconduct or use of force or allegation of misconduct or use of force

#### 1012.9.3 NOTICE OF DELAY OF RECORDS

When there is justification for delay of disclosure of qualifying records, the Custodian of Records shall provide written notice of the reason for any delay to a requester as follows (Penal Code § 832.7):

- (a) Provide the specific basis for the determination that the interest in delaying disclosure clearly outweighs the public interest in disclosure. The notice shall also include the estimated date for the disclosure of the withheld information.
- (b) When delay is continued beyond the initial 60 days because of criminal enforcement proceedings against anyone, at 180-day intervals provide the specific basis that disclosure could reasonably be expected to interfere with a criminal enforcement proceeding and the estimated date for disclosure.
  1. Information withheld shall be disclosed when the specific basis for withholding the information is resolved, the investigation or proceeding is no longer active, or no later than 18 months after the date of the incident, whichever occurs sooner, unless:
    - (a) When the criminal proceeding is against someone other than an officer and there are extraordinary circumstances to warrant a continued delay due to the ongoing criminal investigation or proceeding, then the Department must show by clear and convincing evidence that the interest in preventing prejudice to the active and ongoing criminal investigation or proceeding outweighs the public interest for prompt disclosure of records about misconduct or use of force by officers.

In cases where an action to compel disclosure is brought pursuant to Government Code § 7923.000, the Department may justify delay by filing an application to seal the basis for withholding if disclosure of the written basis itself would impact a privilege or compromise a pending investigation (Penal Code § 832.7(b)(8)).

#### **1012.10 MEMBERS' ACCESS TO THEIR PERSONNEL RECORDS**

Any member may request access to the member's own personnel records during the normal business hours of those responsible for maintaining such files. Any member seeking the removal of any item from the member's personnel records shall file a written request to the Chief of Police through the chain of command. The Department shall remove any such item if appropriate, or within 30 days provide the member with a written explanation of why the contested item will not be removed. If the contested item is not removed from the file, the member's request and the written response from the Department shall be retained with the contested item in the member's corresponding personnel record (Government Code § 3306.5).

Members may be restricted from accessing files containing any of the following information:

- (a) An ongoing internal affairs investigation to the extent that it could jeopardize or compromise the investigation pending final disposition or notice to the member of the intent to discipline.
- (b) Confidential portions of internal affairs files that have not been sustained against the member.
- (c) Criminal investigations involving the member.
- (d) Letters of reference concerning employment/appointment, licensing, or issuance of permits regarding the member.

- (f) Materials used by the Department for staff management planning, including judgments or recommendations concerning future salary increases and other wage treatments, management bonus plans, promotions and job assignments, or other comments or ratings used for department planning purposes.
- (g) Information of a personal nature about a person other than the member if disclosure of the information would constitute a clearly unwarranted invasion of the other person's privacy.
- (h) Records relevant to any other pending claim between the Department and the member that may be discovered in a judicial proceeding.

#### **1012.11 RETENTION AND PURGING**

Unless provided otherwise in this policy, personnel records shall be maintained in accordance with the established records retention schedule.

- (a) During the preparation of each member's performance evaluation, all personnel complaints and disciplinary actions should be reviewed to determine the relevancy, if any, to progressive discipline, training and career development. Each supervisor responsible for completing the member's performance evaluation should determine whether any prior sustained disciplinary file should be retained beyond the required period for reasons other than pending litigation or other ongoing legal proceedings.

- (b) If a supervisor determines that records of prior discipline should be retained beyond the required period, approval for such retention should be obtained through the chain of command from the Chief of Police.
- (c) During the preparation of each employee's performance evaluation, all complaints and discipline should be reviewed to determine the relevancy, if any, to progressive discipline, training and career development. - (c) In the event the employee appears to be in need of immediate medical or psychiatric treatment, all reasonable efforts should be made to provide such care.
- (d) In conjunction with the Watch Commander or employee's available Commander, a determination should be made whether or not the employee should be temporarily relieved from his/her duties.

#### **1013.5 WORK RELATED CONDITIONS**

Any employee suffering from a work related condition which warrants a temporary relief from duty shall be required to comply with personnel rules and guidelines for processing such claims.

Upon the recommendation of the Watch Commander or unit supervisor and concurrence of a Commander, any employee whose actions or use of force in an official capacity result in death or serious injury to another may be temporarily removed from regularly assigned duties and/or placed on paid administrative leave for the wellbeing of the employee and until such time as the following may be completed:

The order shall indicate the date, time and place for the examination.
- (b) The examining physician or therapist will provide the Department with a report indicating that the employee is either fit for duty or, if not, listing any functional limitations which limit the employee's ability to perform job duties. examining physician or therapist may be deemed insubordination and shall be subject to discipline up to and including termination.

#### **1013.7 LIMITATION ON HOURS WORKED**

Absent emergency operations members should not work more than:

- 16 hours in one day (24 hour) period or
- 32 hours in any 2 day (48 hour) period or
- 112 hours in any 7 day (168 hour) period

Except in very limited circumstances members should have a minimum of 6 hours off between shifts. Supervisors should give consideration to reasonable rest periods and are authorized to deny overtime or relieve to off-duty status any member who has exceeded the above guidelines.

Limitations on the number of hours worked apply to shift changes, shift trades, rotation, holdover, training, general overtime and any other work assignments.

#### **1013.8 APPEALS**

An employee who is separated from paid employment or receives a reduction in salary resulting from a fitness for duty examination shall be entitled to an administrative appeal as outlined in the Personnel Complaints Policy.

## Meal Periods and Breaks

### 1014.1 PURPOSE AND SCOPE

This policy regarding meals and breaks, insofar as possible shall conform to the policy governing all Airport Authority employees that has been established by the Memorandum of Understanding between the Burbank-Glendale-Pasadena Airport Authority and the Burbank Airport Police Officers Association.

#### 1014.1.1 MEAL PERIODS

Sworn employees shall remain on duty subject to call during meal breaks.

Uniformed patrol and traffic officers shall notify the Communications Center prior to taking a meal period. Uniformed officers shall take their breaks within police department limits.

The time spent for the meal period shall not exceed the authorized time allowed.

#### 1014.1.2 15 MINUTE BREAKS

Each employee is entitled to a 15 minute break, near the midpoint, for each four-hour work period. Only one 15 minute break shall be taken during each four hours of duty.

Field officers will take their breaks in their assigned areas, subject to call and shall monitor their radios. When field officers take their breaks away from their vehicles, they shall do so only with the knowledge of the Communications Center.

# Lactation Break Policy

## 1015.1 PURPOSE AND SCOPE

The purpose of this policy is to provide reasonable accommodations to employees desiring to express breast milk for the employee's infant child (Labor Code § 1034).

## 1015.2 POLICY

It is the policy of this department to provide, in compliance with the Fair Labor Standards Act, reasonable break time and appropriate facilities to accommodate any employee desiring to express breast milk for her nursing infant child (29 USC § 207; Labor Code § 1030).

## 1015.3 LACTATION BREAK TIME

A rest period should be permitted each time the employee has the need to express breast milk (29 USC § 207; Labor Code § 1030). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time. Such breaks, if feasible, should be taken at the same time as the employee's regularly scheduled rest or meal periods.

While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid (Labor Code § 1030).

Employees desiring to take a lactation break shall notify the Communications Center or a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt department operations (Labor Code § 1032).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

## 1015.4 PRIVATE LOCATION

The Department will make reasonable efforts to accommodate employees with the use of an appropriate room or other location to express milk in private. Such room or place should be in close proximity to the employee's work area and shall be other than a bathroom or toilet stall. The location must be shielded from view and free from intrusion from co-workers and the public (29 USC § 207; Labor Code § 1031).

Employees occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other employees should avoid interrupting an employee during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for employees assigned to the field may be taken at the nearest appropriate private area.

### *Lactation Break Policy*

---

#### **1015.5 STORAGE OF EXPRESSED MILK**

Any employee storing expressed milk in any authorized refrigerated area within the Department shall clearly label it as such and shall remove it when the employee ends her shift.

##### **1015.5.1 STATE REQUIREMENTS**

Employees have the right to request lactation accommodations. If a break time or location accommodation cannot be provided, the supervisor shall provide the member with a written response regarding the reasons for the determination (Labor Code § 1034).

Lactation rooms or other locations should comply with the prescribed feature and access requirements of Labor Code § 1031.

Employees who believe that their rights have been violated under this policy or have been the subject of discrimination or retaliation for exercising or attempting to exercise their rights under this policy, are encouraged to follow the chain of command in reporting a violation, but may also file a complaint directly with the Labor Commissioner (Labor Code § 1033).

## Overtime Compensation Requests

### 1017.1 PURPOSE AND SCOPE

It is the policy of the Department to compensate non-exempt employees who work authorized overtime either by payment of wages as agreed and in effect through the Memorandum of Understanding (MOU), or by the allowance of accrual of compensatory time off. In order to qualify for either, the employee must complete and submit a Request for Overtime Payment as soon as practical after overtime is worked.

#### 1017.1.1 DEPARTMENT POLICY

Because of the nature of police work, and the specific needs of the Department, a degree of flexibility concerning overtime policies must be maintained.

Non-exempt employees are not authorized to volunteer work time to the Department. All requests to work overtime shall be approved in advance by a supervisor. If circumstances do not permit prior approval, then approval shall be sought as soon as practical during the overtime shift and in no case later than the end of shift in which the overtime is worked.

The individual employee may request compensatory time in lieu of receiving overtime payment, however, the employee may not exceed 180 hours of compensatory time. Please refer to the Police Officers' Memorandum of Understanding for specific rules regarding CETO accrual.

### 1017.2 ACCOUNTING FOR OVERTIME WORKED

Employees are to record the actual time worked in an overtime status. In some cases, the Memorandum of Understanding provides that a minimum number of hours will be paid, (e.g., two hours for Range). The supervisor will enter the actual time worked.

#### 1017.2.1 ACCOUNTING FOR PORTIONS OF AN HOUR

When accounting for less than a full hour, time worked shall be rounded up to the nearest quarter of an hour as indicated by the following chart:

<u>TIME WORKED</u>	<u>INDICATE ON CARD</u>
1 to 15 minutes	.25
16 to 30 minutes	.50
31 to 45 minutes	.75
46 to 60 minutes	1 hour

# Outside Employment

## 1018.1 PURPOSE AND SCOPE

In order to avoid actual or perceived conflicts of interest for departmental employees engaging in outside employment, all employees shall obtain written approval from the Chief of Police prior to engaging in any outside employment. Approval of outside employment shall be at the discretion of the Chief of Police in accordance with the provisions of this policy.

### 1018.1.1 DEFINITIONS

**Outside Employment** - Any member of this department who receives wages, compensation or other consideration of value from another employer, organization or individual not affiliated directly with this department for services, product(s) or benefits rendered. For purposes of this section, the definition of outside employment includes those employees who are self-employed and not affiliated directly with this department for services, product(s) or benefits rendered.

**Outside Overtime** - Any member of this department who performs duties or services on behalf of an outside organization, company, or individual within this jurisdiction. Such outside overtime shall be requested and scheduled directly through this department so that the Department may be reimbursed for the cost of wages and benefits.

## 1018.2 OBTAINING APPROVAL

No member of this department may engage in any outside employment without first obtaining prior written approval of the Chief of Police. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy may lead to disciplinary action.

In order to obtain approval for outside employment, the employee must complete an Outside Employment Application which shall be submitted to the employee's immediate supervisor. The application will then be forwarded through channels to the Chief of Police for consideration.

If approved, the employee will be provided with a copy of the approved permit. Unless otherwise indicated in writing on the approved permit, a permit will be valid through the end of the calendar year in which the permit is approved. Any employee seeking to renew a permit shall submit a new Outside Employment Application in a timely manner.

Any employee seeking approval of outside employment, whose request has been denied, shall be provided with a written reason for the denial of the application at the time of the denial (Penal Code § 70(e)(3)).

### 1018.2.1 APPEAL OF DENIAL OF OUTSIDE EMPLOYMENT

If an employee's Outside Employment Application is denied or withdrawn by the Department, the employee may file a written notice of appeal to the Chief of Police within ten days of the date of denial.

### *Outside Employment*

---

If the employee's appeal is denied, the employee may file a grievance pursuant to the procedure set forth in the current Memorandum of Understanding (MOU).

#### **1018.2.2 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT PERMITS**

Any outside employment permit may be revoked or suspended under the following circumstances:

- (a) Should an employee's performance at this department decline to a point where it is evaluated by a supervisor as needing improvement to reach an overall level of competency, the Chief of Police may, at his or her discretion, revoke any previously approved outside employment permit(s). That revocation will stand until the employee's performance has been reestablished at a satisfactory level and his/her supervisor recommends reinstatement of the outside employment permit
- (b) Suspension or revocation of a previously approved outside employment permit may be included as a term or condition of sustained discipline
- (c) If, at any time during the term of a valid outside employment permit, an employee's conduct or outside employment conflicts with the provisions of department policy, the permit may be suspended or revoked
- (d) When an employee is unable to perform at a full duty capacity due to an injury or other condition, any previously approved outside employment permit may be subject to similar restrictions as those applicable to the employee's full time duties until the employee has returned to a full duty status

#### **1018.3 PROHIBITED OUTSIDE EMPLOYMENT**

Consistent with the provisions of Government Code § 1126, the Department expressly reserves the right to deny any Outside Employment Application submitted by an employee seeking to engage in any activity which:

- (a) Involves the employee's use of departmental time, facilities, equipment or supplies, the use of the Department badge, uniform, prestige or influence for private gain or advantage
- (b) Involves the employee's receipt or acceptance of any money or other consideration from anyone other than this department for the performance of an act which the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee's duties as a member of this department
- (c) Involves the performance of an act in other than the employee's capacity as a member of this department that may later be subject directly or indirectly to the control, inspection, review, audit or enforcement of any other employee of this department
- (d) Involves time demands that would render performance of the employee's duties for this department less efficient

#### 1018.3.1 OUTSIDE SECURITY AND PEACE OFFICER EMPLOYMENT

The California Business and Professions Code requires active duty peace officers who work armed as security guards or as armed contract private investigators to possess a Guard Registration or a Private Investigator license in addition to an Exposed Firearm Permit issued by the Department of Consumer Affairs/Bureau of Security and Investigative Services. If the peace officer is contracting directly with a consumer or individual, they must possess a Private Patrol Operators license.

A member requesting work as a security guard or contract private investigator must supply both the required registration/license and exposed firearm permit number when completing the Glendale Police Department Supplemental Application for Additional Employment.

Department members interested in working off-duty in the security industry are greatly encouraged to visit the Bureau of Security and Investigative Services website for further information and current law.

#### 1018.3.2 OUTSIDE OVERTIME ARREST AND REPORTING PROCEDURE

Any employee making an arrest or taking other official police action while working in an approved outside overtime assignment shall be required to complete all related reports in a timely manner pursuant to department policy. Time spent on the completion of such reports shall be considered incidental to the outside overtime assignment.

#### 1018.3.3 SPECIAL RESTRICTIONS

Except for emergency situations or with prior authorization from the Division Commander, undercover officers or officers assigned to covert operations shall not be eligible to work overtime or other assignments in a uniformed or other capacity which might reasonably disclose the officer's law enforcement status.

### 1018.4 DEPARTMENT RESOURCES

Employees are prohibited from using any department equipment or resources in the course of or for the benefit of any outside employment. This shall include the prohibition of access to official records or databases of this department or other agencies through the use of the employee's position with this department.

#### 1018.4.1 REVIEW OF FINANCIAL RECORDS

Employees approved for outside employment expressly agree that their personal financial records may be requested and reviewed/audited for potential conflict of interest (Government Code § 3308; Government Code § 1126). Prior to providing written approval for an outside employment position, the Department may request that an employee provide his/her personal financial records for review/audit in order to determine whether a conflict of interest exists. Failure of the employee to provide the requested personal financial records could result in denial of the off-duty work permit. If, after approving a request for an outside employment position, the Department becomes concerned that a conflict of interest exists based on a financial reason, the Department may request that the employee provide his/her personal financial records for review/audit. If the

employee elects not to provide the requested records, his/her off-duty work permit may be revoked pursuant to the Revocation/Suspension of Outside Employment Permits section of this policy.

#### **1018.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS**

If an employee terminates his or her outside employment during the period of a valid permit, the employee shall promptly submit written notification of such termination to the Chief of Police through channels. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through normal procedures set forth in this policy.

Employees shall also promptly submit in writing to the Chief of Police any material changes in outside employment including any change in the number of hours, type of duties, or demands of any approved outside employment. Employees who are uncertain whether a change in outside employment is material are advised to report the change.

#### **1018.6 OUTSIDE EMPLOYMENT WHILE ON DISABILITY**

Department members engaged in outside employment who are placed on disability leave or modified/light-duty shall inform their immediate supervisor in writing within five days whether or not they intend to continue to engage in such outside employment while on such leave or light-duty status. This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, Airport Authority rules, current memorandums of understanding or collective bargaining agreements. For example, nothing in this policy affects the obligation of the Department to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability that is protected under federal or state law.

## 1024.2 POLICY

Subject to operational considerations, the Burbank Glendale Pasadena Airport Authority Police Department may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work, while providing the Department with a productive employee during the temporary period.

## 1024.3 GENERAL CONSIDERATIONS

Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA) or the California Fair Employment and Housing Act (Government Code § 12940 et seq.) shall be treated equally, without regard to any preference for a work-related injury.

No position in the Burbank Glendale Pasadena Airport Authority Police Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the Department. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Chief of Police or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle, engaging in outside employment, or being otherwise limited in employing their peace officer powers.

Temporary modified-duty assignments shall generally not exceed a cumulative total of 1,040 hours in any one-year period.

# Employee Speech, Expression and Social Networking

## 1026.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with employee use of social networking sites and to provide guidelines for the regulation and balancing of employee speech and expression with the needs of the Department.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit an employee from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, about matters of public concern, such as misconduct or corruption.

Employees are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

Additionally, social media provides a new and potentially valuable means of assisting the Department and its personnel in meeting community outreach, problem-solving, investigative, crime prevention, and related objectives. This policy establishes this Department's position on the utility of the use of social media for law enforcement objectives and provides guidance on its management, administration, and oversight.

### 1026.1.1 APPLICABILITY

This policy applies to all forms of communication including but not limited to film, video, print media, public or private speech, use of all internet services, including the World Wide Web, e-mail, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video, and other file-sharing sites.

#### **1026.2 POLICY**

Public employees occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of this department. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that employees of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Burbank Glendale Pasadena Airport Authority Police Department will carefully balance the individual employee's rights against the Department's needs and interests when exercising a reasonable degree of control over its employees' speech and expression.

#### **1026.3 SAFETY**

Employees should consider carefully the implications of their speech or any other form of expression when using the internet. Speech and expression that may negatively affect the safety of the Burbank Glendale Pasadena Airport Authority Police Department employees, such as posting personal information in a public forum, can result in compromising an employee's home address or family ties. Examples of the type of information that could reasonably be expected to compromise safety include:

Employees retain their right to vote as they choose, to support candidates of their choice and to express their opinions as private citizens, including as authorized members of a recognized bargaining unit or officer associations, on political subjects and candidates at all times while off-duty.

However, employees may not use their official authority or influence to interfere with or affect the result of an election or a nomination for office. Employees are also prohibited from directly or indirectly using their official authority to coerce, command or advise another employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes (5 USC § 1502).

### *Employee Speech, Expression and Social Networking*

#### **1026.5 PRIVACY EXPECTATION**

Employees forfeit any expectation of privacy with regard to e-mails, texts, or anything published or maintained through file-sharing software or any internet site (e.g., Facebook) that is accessed, transmitted, received, or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

The Department shall not require an employee to disclose a personal user name or password for accessing personal social media or to open a personal social website; however, the Department may request access when it is reasonably believed to be relevant to the investigation of allegations of work-related misconduct (Labor Code § 980).

#### **1026.6 CONSIDERATIONS**

## FOREWORD

Hate Crimes (i.e. crimes motivated by bias) convey a message of terror and exclusion, not just to the immediate victims but to entire communities. They often target victims who are least able to defend themselves. They cause trauma that is more extreme and longer lasting than similar crimes committed for other motivations. They can spark retaliatory crimes, escalating the cycle of crime and violence. If not addressed professionally and thoroughly they may undermine public confidence in law enforcement.

The 2018 California State Auditor's Report, titled "Hate Crimes in California," found that California law enforcement has not taken adequate action to identify, report, and respond to hate crimes. The report found that agencies did not properly identify some hate crimes, and underreported or misreported hate crimes as well. The report also noted that hate crimes are on the rise in California, increasing in both 2015 and 2016.

California Penal Code (CPC) 422.87 added new language and requirements to any newly created or updated agency hate crimes policy. Effective January 1, 2019, any local law enforcement agency that updates an existing hate crimes policy, or adopts a new one, shall include the content of the model policy framework provided in this document as well as any revisions or additions to the model policy in the future.

These guidelines are the primary elements that law enforcement executives are now required to incorporate into their hate crimes policy if an agency creates a new hate crimes policy or updates an existing one. The guidelines are designed for department-wide application and are intended to reflect a values-driven "top-down" process. They are intended to assist with the development and delivery of training and ensure proper identification, investigation, and reporting of hate crimes within each agency's jurisdiction.

The law enforcement executive is responsible for providing leadership, communicating organizational values to the department and the community, paying attention to hate crime trends and current events that could trigger hate incidents and/or hate crimes in the community, and providing education and training to establish the foundation for the agency's hate crimes policy. Employees' ability to respond appropriately to hate crimes and hate incidents is maximized when the executive effectively establishes and communicates the foundational values of the organization.

## GUIDELINE #2

*Develop a hate crimes policy for the agency.*

- I. An agency's hate crimes policy shall include the statutory definition of a hate crime, and its policy and programs should minimally include the following:
  - A. Response
  - B. Training
  - C. Planning and Prevention
  - D. Reporting

The law enforcement executive is responsible for the initial development of the policy and should be actively involved in its implementation. See the appendix for the exemplar "Message from the Agency Chief Executive".

## GUIDELINE #3

*Develop expertise to identify and investigate hate crimes.*

The law enforcement executive is responsible for ensuring that the agency possesses expertise to identify and investigate hate crimes, as well as ensuring compliance with state and federal

reporting and public information requirements. Agencies should assign identified personnel to appropriate training to develop expertise and knowledge to investigate hate crimes.

Hate crimes are low-frequency events with high-risk consequences for the agency and community. Agencies shall provide a checklist to first responders to provide direction for the investigation of all hate crimes as mandated by CPC 422.87.

## GUIDELINE #4

*Develop and implement cooperative hate crimes plans with other law enforcement agencies.*

- I. Coordinate cooperative efforts among regional, state, federal, and tribal law enforcement agencies to share information and training, and develop strategies to prevent hate crime activity.
- II. Develop and/or participate in law enforcement intelligence networks to enhance the agency's ability to anticipate potential hate crime targets. This interaction should include sharing intelligence information with other jurisdictions and cooperative investigations, arrests, and prosecutions if appropriate.

## GUIDELINE #5

*Develop and implement cooperative hate crime plans with the community and related governmental and non-governmental organizations, as appropriate.*

- I. Collaborate with the community, including human relations/civil rights organizations, advocacy groups, service organizations, neighborhood associations, religious institutions, local schools and colleges, to do the following:
  - Develop a network to build rapport with community groups

- 
- Develop a protocol for response to hate crimes
  - Obtain witness and victim cooperation
  - Provide support services to victims
  - Collect demographic information about specific communities
  - Identify hate crime trends based upon current events and activity (hate crimes and/or hate incidents)
  - Identify periods of increased vulnerability based on significant dates and events for affected communities
- II. Law enforcement should identify and seek out cultural diversity training and information from/about specific communities within its jurisdiction (immigrant, Muslim, Arab, LGBTQ, Black or African American, Jewish, Sikh, disability, etc.) to strengthen agency awareness.
- V. Annual outreach to the community including human relations/civil rights organizations, advocacy groups, service organizations, neighborhood associations, religious institutions, local schools, and colleges assessing the agency's responsiveness to hate crimes.

## **GUIDELINE #6**

### ***Conduct an annual assessment of the agency's hate crimes policy and its ongoing implementation.***

The assessment should include:

- I. A review to ensure compliance with the POST Hate Crimes Model Policy and California law.
- II. A review and analysis of the agency's data collection, policy, and annual mandated reporting of hate crimes.
- III. A review and updating of the agency's hate crimes brochure to ensure compliance with CPC 422.92.
- IV. A review of any existing or available data or reports, including the annual California Attorney General's report on hate crimes, in preparation for, and response to, future hate crime trends.

---

# MINIMUM LEGAL REQUIREMENTS FOR AN AGENCY'S HATE CRIMES POLICY

## **CPC 13519.6, effective January 1, 2005, minimally requires:**

1. A message from the law enforcement agency's chief executive officer to the agency's officers and staff concerning the importance of hate crime laws and the agency's commitment to enforcement.
2. The definition of "hate crime" in Penal Code section 422.55.
3. References to hate crime statutes including Penal Code section 422.6.
4. A title-by-title specific protocol that agency personnel are required to follow, including, but not limited to, the following:
  - a. Preventing and preparing for likely hate crimes by, among other things, establishing contact with persons and communities who are likely targets, and forming and cooperating with community hate crime prevention and response networks.
  - b. Responding to reports of hate crimes, including reports of hate crimes committed under the color of authority.
  - c. Accessing assistance, by, among other things, activating the Department of Justice hate crimes rapid response protocol when necessary.
  - d. Providing victim assistance and follow-up, including community follow-up.
  - e. Reporting

## **CPC 422.87, effective January 1, 2019, states and minimally requires:**

Each local law enforcement agency may adopt a hate crimes policy. Any local law enforcement agency that updates an existing hate crimes policy or adopts a new one shall include, but not limited to, the following:

1. The definitions in Penal Code sections 422.55 and 422.56.
2. The content of the model policy framework that the Commission on Peace Officer Standards and Training developed pursuant to Section 13519.6 (above) and any content that the commission may revise or add in the future, including any policy, definitions, response and reporting responsibilities, training resources, and planning and prevention methods.
3. Information regarding bias motivation
  - a. For the purposes of this paragraph, "bias motivation" is a preexisting negative attitude toward actual or perceived characteristics referenced in Section 422.55. Depending on the circumstances of each case, bias motivation may include, but is not limited to, hatred, animosity, resentment, revulsion, contempt, unreasonable fear, paranoia, callousness, thrill-seeking, desire for social dominance, desire for social bonding with those of one's "own kind," or a perception of the vulnerability of the victim due to the victim being perceived as being weak, worthless, or fair game because of a protected characteristic, including, but not limited to, disability or gender.
    - i. In recognizing suspected disability-bias hate crimes, the policy shall advise officers to consider whether there is any indication that the perpetrator was motivated by hostility or other bias, occasioned by factors such as, but not limited to, dislike of persons who arouse

---

fear or guilt, a perception that persons with disabilities are inferior and therefore “deserving victims,” a fear of persons whose visible traits are perceived as being disturbing to others, or resentment of those who need, demand, or receive alternative educational, physical, or social accommodations.

- ii. In recognizing suspected disability-bias hate crimes, the policy also shall advise officers to consider whether there is any indication that the perpetrator perceived the victim to be vulnerable and, if so, if this perception is grounded, in whole or in part, in anti-disability bias. This includes, but is not limited to, if a perpetrator targets a person with a particular perceived disability while avoiding other vulnerable-appearing persons such as inebriated persons or persons with perceived disabilities different than those of the victim, those circumstances could be evidence that the perpetrator’s motivations included bias against persons with the perceived disability of the victim and that the crime must be reported as a suspected hate crime and not a mere crime of opportunity.
- b. Information regarding the general underreporting of hate crimes and the more extreme underreporting of anti-disability and anti-gender hate crimes *and a plan for the agency to remedy this underreporting* (emphasis added).
- c. A protocol for reporting suspected hate crimes to the Department of Justice pursuant to Penal Code section 13023.
- d. A checklist of first responder responsibilities, including, but not limited to, being sensitive to effects of the crime on the victim, determining whether any additional resources are needed on the scene to assist the victim or whether to refer the victim to appropriate community and legal services, and giving the victims and any interested persons the agency’s hate crimes brochure, as required by Section 422.92.
- e. A specific procedure for transmitting and periodically retransmitting the policy and any related orders to all officers, including a simple and immediate way for officers to access the policy in the field when needed.
- f. The title or titles of the officer or officers responsible for assuring that the department has a hate crime brochure as required by Section 422.92 and ensuring that all officers are trained to distribute the brochure to all suspected hate crime victims and all other interested persons.
- g. A requirement that all officers be familiar with the policy and carry out the policy at all times unless directed by the chief, sheriff, director, or other chief executive of the law enforcement agency or other command-level officer to whom the chief executive officer formally delegates this responsibility.
- h. Any local law enforcement agency that updates an existing hate crimes policy or adopts a new hate crimes policy may include any of the provisions of a model hate crime policy and other relevant documents developed by the International Association of Chiefs of Police that are relevant to California and consistent with this chapter.

# MODEL POLICY FRAMEWORK

## Purpose

This model policy framework is designed to assist in identifying and handling crimes motivated by hate or other bias toward individuals and groups with legally defined protected characteristics, to define appropriate steps for assisting victims, and to provide a guide to conducting related investigations. It outlines the general policy framework for prevention, response, accessing assistance, victim assistance and follow up, and reporting as related to law enforcement's role in handling hate crimes. It also serves as a declaration that hate crimes are taken seriously and demonstrates how law enforcement agencies may best use its resources to investigate and solve an offense, in addition to building community trust and increasing police legitimacy.

## *Supervision*

The supervisor shall confer with the initial responding officer(s) and ensure that necessary preliminary actions have been taken. The supervisor shall request any appropriate personnel necessary to accomplish the following:

1. Provide immediate assistance to the crime victim by:
  - a. Expressing the law enforcement agency's official position on the importance of these cases and the measures that will be taken to apprehend the perpetrators.
  - b. Expressing the department's interest in protecting victims' anonymity (confidentiality forms GC 6254) to the extent possible. Allow the victim to convey his/her immediate concerns and feelings.
  - c. Identifying individuals or agencies that may provide victim assistance and support. Local victim assistance resources may include family members or close acquaintances, clergy or departmental chaplain, as well as community service agencies that provide shelter, food, clothing, child care, or other related services (per CPC 422.92).
2. Ensure that all relevant facts are documented on an incident and/ or arrest report and make an initial determination as to whether the incident should be classified as a hate crime for federal and state bias-crimes reporting purposes.
3. Notify other appropriate personnel in the chain of command, depending on the nature and seriousness of the offense and its potential inflammatory and related impact on the community.
4. In cases of large-scale hate crime waves, or in circumstances where the potential exists for subsequent hate crimes or incidents, consider directing resources to protect vulnerable sites (such as assigning an officer at specific locations that could become targets).

## Training

All staff, including dispatch, desk personnel, volunteers, records, support staff, officers, supervisors, and managers shall be properly trained on the department's hate crimes policy. The agency will follow all legislatively mandated training requirements.

POST offers training and video courses to assist law enforcement in the identification, investigation, documentation and reporting of hate crimes. These courses provide officers with information and skills necessary to effectively identify, investigate, document and report hate crimes. Various training programs include the history and definitions of hate crimes, recognition of hate groups, international terrorism, legal considerations, victims' considerations, initial response duties, victim interviewing and care, suspect identification and interrogation, evidence identification, report writing, the role of law enforcement, investigative strategies, intelligence collection, supervisory roles, community relations, media relations and local program training development, and other topics such as proper use of computer systems and methods for reporting. POST also maintains an extensive array of training videos on applicable topics such as working with those with mental illness and intellectual disabilities, hate crimes, and working with minority communities.

For more information on POST training opportunities and available videos, visit the POST website at [www.post.ca.gov](http://www.post.ca.gov). In conjunction with POST training opportunities, trainers may utilize other state and federal agencies that offer training courses, such as the U.S. Department of Justice.

## Planning and Prevention

The general underreporting of hate crimes is an identified issue in California. Underreporting is caused by victims not reporting hate crimes or hate incidents due to a number of factors, including fear of reprisal and the belief that law enforcement will not properly investigate them. A report by the State Auditor in 2018 determined that California law enforcement has not taken adequate action to identify, report and respond to hate crimes. There is also an extreme underreporting of anti-disability and anti-gender hate crimes. The agency's plan to remedy this underreporting *shall be inserted into the policy* (emphasis added).

In order to facilitate the recommendations contained within this policy, it is strongly recommended that agencies build and strengthen relationships with the community, engage in dialogue, and provide education to the community about this policy. Agency personnel are also encouraged to learn about the inherent issues concerning their communities in relation to hate crimes. Assigned personnel should perform the following:

1. Meet with residents in target communities to allay fears; emphasize the agency's concern over this and related incidents; reduce the potential for counter-violence; and provide safety, security, and crime prevention information. Cultural diversity education and immersion programs (if available) could facilitate this process.
2. Provide direct and referral assistance to the victim and his/her family.
3. Conduct public meetings on hate crime threats and violence in general.
4. Establish relationships with formal community-based organizations and leaders.
5. Expand, where appropriate, preventive programs such as hate, bias, and crime reduction seminars for school children.

- 
6. Review the Attorney General's latest opinion on hate crime statistics and targets in order to prepare and plan for future crimes, specifically for Arab/Middle Eastern and Islamic communities.<sup>2</sup>
  7. Provide orientation of and with communities of specific targeted victims such as immigrants, Muslims, Arabs, LGBTQ, Black or African-American, Jewish, Sikh, disabled persons, etc.

Hate crimes are not only a crime against the targeted victim(s) but also have impacts on the victim's family and community. Working constructively with segments of this larger community after such crimes is essential to help reduce fears, stem possible retaliation, prevent additional hate crimes, and encourage any other previously victimized individuals to step forward and report such crimes. This is particularly important if an upward trend has been identified in these crimes.

Although hate incidents are not criminal events, they can be indicators of, or precursors to, hate crimes. Most California law enforcement agencies do not track hate incidents. It is recommended that hate incidents be investigated and documented, if directed by policy, as part of the overall planning to prevent hate crime.

Tracking social media is also another identified area to find indicators of, or precursors to, hate crimes. It is recommended that agencies assign personnel to find, evaluate and monitor public social media sources to identify possible suspects in reported hate crimes, or to determine suspects or suspect groups in future hate crimes or hate incidents affecting the identified individuals, groups or communities that may be victimized, and planned hate-based events.

### ***Release of Information***

Agencies should have procedure and/or policy on public disclosure of hate crimes. Establishing a relationship with stakeholders, before any incident occurs, to develop a network and protocol for disclosure would assist greatly in any disclosure.

The benefit of public disclosure of hate crime incidents includes:

1. Dissemination of correct information.
2. Assurance to affected communities or groups that the matter is being properly and promptly investigated.
3. The ability to request information regarding the commission of the crime(s) from the victimized community.

Agencies should provide the supervisor, public information officer, or designee with information that can be responsibly reported to the media. When appropriate, the law enforcement media spokesperson should reiterate that the hate crimes will not be tolerated, will be taken seriously, and will be prosecuted to the full extent of the law.

Agencies are encouraged to consider the following when releasing information to the public regarding hate crimes and hate incidents that have been reported within the jurisdiction:

---

<sup>2</sup>As described in CPC 13519.6(b)(8)

- 
1. Informing community organizations in a timely manner when a community group has been the target of a hate crime.
  2. Informing the community of the impact of these crimes on the victim, the victim's family, and the community, and the assistance and compensation available to victims.
  3. Informing the community regarding hate crime law and the legal rights of, and the remedies available to, victims of hate crimes.
  4. Providing the community with on-going information regarding hate crime and/or hate incidents (if policy requires it).

## Reporting

The agency policy shall require development of a procedure for data collection, documentation, and mandated reporting requirements. The agency shall:

1. Ensure that hate crimes are properly investigated, documented and reported.
2. During documentation, ensure hate crimes are flagged properly to allow for required reporting to the California Department of Justice. This is typically indicated by the title/penal code section identifying the report as a hate crime. Some agencies have added a check box specifically indicating a hate crime that could, if required by the agency policy, require a secondary review by an investigator/detective, supervisor or other identified party. It is the agency executive's responsibility to determine the form of documentation and type of indicators on crime reports.
3. The agency head or their designee (identified in the agency policy) should make a final determination as to whether the incident should be classified as a hate crime by the agency.
4. Agencies shall develop procedures to comply with legally mandated reporting, including the California Department of Justice, pursuant to CPC 13023.

# APPENDIX

## Definitions and Laws

In accordance with CPC sections 422.55, 422.56, 422.6, and 422.87, for purposes of all other state law unless an explicit provision of law or the context clearly requires a different meaning, the following shall apply:

### *Hate crime*

“Hate crime” means a criminal act committed, in whole or in part, because of one or more of the following actual or perceived characteristics of the victim:

- (1) Disability.
- (2) Gender.
- (3) Nationality.
- (4) Race or ethnicity.
- (5) Religion.
- (6) Sexual orientation.
- (7) Association with a person or group with one or more of these actual or perceived characteristics.

(b) “Hate crime” includes, but is not limited to, a violation of Section 422.6.

“Association with a person or group with these actual or perceived characteristics” Includes advocacy for, identification with, or being on the ground owned or rented by, or adjacent to, any of the following: a community center, educational facility, family, individual, office, meeting hall, place of worship, private institution, public agency, library, or other entity, group, or person that has, or is identified with people who have, one or more of those characteristics listed in the definition of “hate crime” under paragraphs 1 to 6, inclusive, of CPC 422.55 subdivision (a).

**Note:** A “hate crime” need not be motivated by hate but may be motivated by any bias against a protected characteristic.

### *Hate Speech*

The First Amendment to the U.S. Constitution protects most speech, even when it is disagreeable, offensive, or hurtful. The following types of speech are generally not protected: fighting words, true threats, perjury, blackmail, incitement to lawless action, conspiracy and solicitation to commit any crime.

### *Hate incident*

A hate incident is an action or behavior motivated by hate or bias but legally protected by the First Amendment right to freedom of expression. Examples of hate incidents include:

- Name-calling
- Insults and epithets
- Distributing hate material in public places
- Displaying hate material on your own property

---

## ***Bias Motivation***

Bias motivation is a preexisting negative attitude toward actual or perceived characteristics referenced in Section 422.55. Depending on the circumstances of each case, bias motivation may include, but is not limited to, hatred, animosity, resentment, revulsion, contempt, unreasonable fear, paranoia, callousness, thrill-seeking, desire for social dominance, desire for social bonding with those of one's "own kind," or a perception of the vulnerability of the victim due to the victim being perceived as being weak, worthless, or fair game because of a protected characteristic, including, but not limited to, disability or gender.

## ***Disability Bias***

In recognizing suspected disability-bias hate crimes, officers should consider whether there is any indication that the perpetrator was motivated by hostility or other bias, occasioned by factors such as, but not limited to, dislike of persons who arouse fear or guilt, a perception that persons with disabilities are inferior and therefore "deserving victims," a fear of persons whose visible traits are perceived as being disturbing to others, or resentment of those who need, demand, or receive alternative educational, physical, or social accommodations.

In recognizing suspected disability-bias hate crimes, officers should consider whether there is any indication that the perpetrator perceived the victim to be vulnerable and, if so, if this perception is grounded, in whole or in part, in anti-disability bias. This includes, but is not limited to, if a perpetrator targets a person with a particular perceived disability while avoiding other vulnerable-appearing persons such as inebriated persons or persons with perceived disabilities different than those of the victim, those circumstances could be evidence that the perpetrator's motivations included bias against persons with the perceived disability of the victim and that the crime must be reported as a suspected hate crime and not a mere crime of opportunity.

## ***Disability***

Disability includes mental disability and physical disability as defined in GC 12926, regardless of whether those disabilities are temporary, permanent, congenital or acquired by heredity, accident, injury, advanced age or illness.

## ***Gender***

Gender means sex and includes a person gender identity and gender expression. Gender expression means a person's gender-related appearance and behavior, whether or not stereotypically associated with the persons assigned sex at birth. A person's gender identity and gender related appearance and behavior, whether or not stereotypically associated with the person's assigned sex at birth.

## ***In Whole or In Part***

"In whole or in part because of" means that the bias motivation must be a cause in fact of the offense whether or not other causes also exist. When multiple concurrent motives exist, the prohibited bias must be a substantial factor in bringing about the particular result. There is no requirement that the bias be a main factor, or that crime would not have been committed but for the actual or perceived characteristic.

## ***Nationality***

Nationality includes citizenship, country of origin, and national origin.

---

***Race or Ethnicity***

Race or ethnicity includes ancestry, color, and ethnic background.

***Religion***

Religion includes all aspects of religious belief, observance, and practice and includes agnosticism and atheism.

***Sexual orientation***

Sexual orientation means heterosexuality, homosexuality, or bisexuality.

***Victim***

Victim includes, but is not limited to, a community center, educational facility, entity, family, group, individual, office, meeting hall, person, place of worship, private institution, public
