### **HOLLYWOOD BURBANK AIRPORT ANNOUNCES DETAILS FOR SECOND CHARRETTE WORKSHOP FOR REPLACEMENT PASSENGER TERMINAL**

*Design workshop will solicit community feedback on safety improvements, design features and amenities*

**WHAT:** Hollywood Burbank Airport invites the community to once again participate in an interactive and iterative dialogue, known as a charrette process, with representatives from the Airport. This workshop is the second of six public charrette workshops that the Airport has committed to holding in Burbank as well as one in each of the Airport's neighboring cities – Los Angeles, Glendale and Pasadena.

The first charrette resulted in a very successful and open dialogue. More than 100 members of the community attended to participate in an authentic conversation and share feedback on safety improvements, design features and amenities that they would like to see in the replacement passenger terminal. Due to the high amount of participation, we have moved to a larger location for the second charrette workshop.

The second charrette workshop will focus on design principles and build upon the emerging themes discovered at the first charrette. The workshop will begin with a presentation followed by a series of interactive workshops to collect community ideas for the design of the replacement passenger terminal.

It is encouraged that participants plan to stay the duration of the charrette workshop. Attendees can RSVP at [charrettesworkshops@gmail.com](mailto:charrettesworkshops@gmail.com). While all members of the community are encouraged to participate in each charrette workshop, we have created an online version of the design charrette workshop so community members can participate should they not be able to attend in person.

**WHO:** All members of the community with an interest in the design of the replacement passenger terminal are encouraged to attend.

**WHEN:** Charrette #2 Wednesday, May 1  
6:00 P.M. – 9:00 P.M.

**WHERE:** Holiday Inn Burbank-Media Center  
150 E. Angeleno Ave., Burbank, CA 91502  
*Complimentary on-site parking is available. Free parking is also available at a city-owned public parking lot located on Angeleno Ave. across from the hotel.*

## AIRPORT ANNOUNCES DETAILS FOR SECOND CHARRETTE WORKSHOP

04/18/19

2-2-2-2

*With the passage of Measure B by Burbank voters on November 8, 2016, Hollywood Burbank Airport is working with the community and neighboring cities to build a safer, 14-gate replacement passenger terminal that is farther from the runways and meets current earthquake design standards. The replacement passenger terminal will provide the same convenience and easy access that air travelers now enjoy while providing greater user amenities. It is an investment in Burbank at no cost to local taxpayers. For more information, visit <https://burreplacementterminal.com/>.*

*Hollywood Burbank Airport (BUR) is owned and operated by the Burbank-Glendale-Pasadena Airport Authority, a joint powers agency created in 1977 between the Cities of Burbank, Glendale and Pasadena. The airport serves over 5.2 million passengers annually and reaches 16 nonstop destinations in the United States. More information can be found on the airport's website, [www.HollywoodBurbankAirport.com](http://www.HollywoodBurbankAirport.com), and on the airport's [Facebook](#), [Twitter](#), and [Instagram](#) feeds.*
