

Breeze Airways Brings Seriously Nice Service to Burbank with Five New Nonstop Routes

-- Fares Start from \$39 One Way --*

BURBANK, Calif. (July 17, 2025) – [Breeze Airways](#), the premium leisure carrier connecting underserved cities across the U.S., today announced it will be bringing its affordable, accessible air service to Burbank (BUR) with new nonstop service to five destinations beginning in mid-March.

The announcement, which follows the close of the airline's second full quarter of operating profit, is a direct response to growing demand for the airline's successful hybrid business model and represents a significant expansion of Breeze's West Coast network.

"Breeze was established to make air travel convenient and accessible through secondary airports, and as the most convenient airport for hundreds of travelers in northern Los Angeles County, Burbank fits that bill perfectly," said David Neeleman, Breeze Airways founder and CEO. "We believe Breeze has something unique to offer that most Burbank travelers have yet to experience, so we're excited to introduce future Guests to a new way of travel that combines affordability with a Seriously Nice experience."

Beginning today, Burbank area travelers can book a flight on Breeze to:

- Arcata-Eureka, Calif. (Tuesdays, Thursdays, and Sundays, starting March 12, 2026, from \$39* one-way);
- Eugene, Ore. (Thursdays and Sundays, starting March 19, 2026, from \$49* one-way);
- Pasco-Tri-Cities, Wash. (Wednesdays and Saturdays, starting March 18, 2026, from \$49* one-way);
- Provo-Salt Lake City, Utah (Tuesdays, Wednesdays, Thursdays, Saturdays, and Sundays, starting March 11, 2026, from \$39* one-way); and
- Redmond-Bend, Ore. (Mondays and Fridays, starting March 13, 2026, from \$49 one-way).

"We are pleased to welcome Breeze Airways to the Hollywood Burbank Airport family," said Ara Najarian, president of Burbank-Glendale-Pasadena Airport Authority. "We are excited to see potential for service to cities the community has enjoyed, as well as new destinations in the future, and look forward to welcoming Breeze into the Replacement Passenger Terminal in Fall of 2026."

Breeze was recently named one of Fast Company's World's Most Innovative companies of 2025 for its fresh take on affordable flying that is transforming low-cost air travel into a nice experience. It was also named the No. 3 Best Domestic Airline by Travel + Leisure in 2025, placing Breeze in the list's top four every year since it began flying.

The airline's flexible network conveniently connects travelers in underserved cities directly to desirable destinations nationwide, reducing unnecessary travel time and making air travel more accessible to millions of travelers coast to coast. Coupled with its brand-new fleet of Airbus A220-300 aircraft and premium products like free family seating, fast onboard WiFi, preferred seat options, and no change and cancel fees, Breeze is making it nice to fly affordably.
