ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, PBS Leasing (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

To advise PBS Leasing of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at craig.saunders@gsa.gov and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from PBS Leasing

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to craig.saunders@gsa.gov and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with PBS Leasing

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to craig.saunders@gsa.gov and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

The first paragraph is amended by adding the following: "In order to terminate the Agreement or an order there under due to funding non-appropriation, University must provide Supplier with written notice of the insufficient funding. - iii. **Article 11** is amended to read in full as follows: "Should the Goods and/or Services become, or in Lessor's opinion be likely to become, the subject of a claim of infringement of any patent, copyright, trademark, trade name, trade secret, or other proprietary or contractual right of any third party, Lessor will provide written notice to UC of the circumstances giving rise to such claim or likely claim. In the event that UC receives notice of a claim of infringement or is made a party to or is threatened with being made a party to any claim of infringement related to the Goods and/or Services, UC will provide Lessor with notice of such claim or threat. Following receipt of such notice, Lessor will either (at Lessor's sole election) (i) procure for UC the right to continue to use the affected portion of the Goods and/or Services, or (ii) replace or otherwise modify the affected portion of the Goods and/or Services to make them non-infringing, or obtain a reasonable substitute product for the affected portion of the Goods and/or Services, provided that any replacement, modification or substitution under this paragraph does not effect a material change in the Goods and/or Services' functionality. If none of the foregoing options is reasonably acceptable to UC, UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation."
- iv. **Article 15** last sentence is amended to read in full as follows: "Service penalties associated with equipment maintenance and corresponding equipment downtime shall be as set forth in the Scope of Work."
- v. **Article 17** is amended in full to read as follows: "During the period of time that property covered by this order is in the possession of University, University (and its customers, if installed on University's customers' premises) shall take good care of the property and University shall be responsible for any loss of or damage to the property while in its possession and control, unless such damage or loss is a consequence, directly or indirectly of intentional or negligent acts or omissions of Lessor or Lessor's agents."
- vi. **Article 18** is amended with the following addition:
"Additional end of term Options – Supplier shall provide notice to UC departments at ninety (90) days and again at thirty (30) days prior to end of the initial lease term that the end of term is imminent. Except in the

case of a lease schedule containing a \$1.00 purchase option, University shall, for each order (as to an individual unit or all units provided under the order) inform Supplier in writing as to its intentions regarding renewal or return of leased equipment. In the absence of the UC department's response to Supplier in writing, Supplier may seek the assistance of the University's procurement department to obtain the written notification of renewal or return of leased equipment. Each schedule renewal approved by UC will be on a month to month basis at the same payment amount and frequency unless University, at least thirty (30) days before the end of the scheduled term of the order or any renewal term, either; (i) exercises the purchase option in accordance with the terms hereof, or; (ii) sends to Lessor or Supplier written notice that University does not want to renew the order and at the end of such term returns the respective equipment as provided below. Lessor may cancel the automatic renewal term by, at least thirty (30) days before the end of any term, sending written notice that Lessor does not want the respective order to renew. Unless the order automatically renews or University purchases the equipment as provided in the agreement, shall, at the termination of the respective schedule, return the equipment to Lessor in good operating condition. University shall at the termination of the respective lease or order, make the equipment available to Lessor for pick up. The equipment shall be in good operating condition, ordinary wear and tear resulting from proper use excepted (and if not in such condition, additional fees may apply). If, for any reason, University shall fail to make the equipment available to Lessor for pick up by the last day of the applicable term, University shall pay to Lessor upon demand, one billing period's payment (as specified in the applicable order), for each billing period, or portion thereof that such delivery is delayed."

ARTICLE 14 – PREMISES WHERE SERVICES ARE PROVIDED

- A. Cleaning Up. Supplier will at all times keep UC premises where the Services are performed and adjoining premises free from accumulations of waste material or rubbish caused by its employees or work of any of its sub-suppliers, and, at the completion of the Services; will remove all rubbish from and about the premises and all its tools, scaffolding, and surplus materials, and will leave the premises "broom clean" or its equivalent, unless more exactly specified. In case of dispute between Supplier and its sub-suppliers as to responsibility for the removal of the rubbish, or if it is not promptly removed, UC may remove the rubbish and charge the cost to Supplier.
- B. Environmental, Safety, Health and Fire Protection. Supplier will take all reasonable precautions in providing the Goods and Services to protect the health and safety of UC employees and members of the public and to minimize danger from all hazards to life and property, and will comply with all applicable environmental protection, health, safety, and fire protection regulations and requirements (including reporting requirements). In the event that Supplier fails to comply with such regulations and requirements, UC may, without prejudice to any other legal or contractual rights of UC, issue an order stopping all or any part of the provision of the Goods and/or Services; thereafter a start order for resumption of providing the Goods and/or Services may be issued at UC's discretion. Supplier will not be entitled to make a claim for extension of time or for compensation or damages by reason of or in connection with such stoppage. Supplier will have sole responsibility for the safety of all persons employed by Supplier and its sub-suppliers on UC premises, or any other person who enters upon UC premises for reasons relating to the Agreement. Supplier will at all times maintain good order among its employees and all other persons who come onto UC's premises at Supplier's request and will not engage any unfit or unskilled person to provide the Goods and/or Services. Supplier will confine its employees and all other persons who come onto UC's premises at Supplier's request or for reasons relating to the Agreement and its equipment to that portion of UC's premises where the Services are to be provided or to roads leading to and from such work sites, and to any other area which UC may permit Supplier to use. Supplier will take all reasonable measures and precautions at all times to prevent injuries to or the death of any of its employees or any other person who enters upon UC premises at Supplier's request. Such measures and precautions will include, but will not be limited to, all safeguards and warnings necessary to protect workers and others against any conditions on the premises that could be dangerous and to prevent accidents of any kind whenever the Goods and/or Services are being provided in proximity to any moving or operating machinery, equipment or facilities, whether such machinery, equipment or facilities are the property of or are being operated by, Supplier, its sub-suppliers, UC or other persons. To the extent compliance is required, Supplier will comply with all relevant UC safety rules and regulations when on UC premises.
- C. Tobacco-free Campus. UC is a tobacco-free institution. Use of cigarettes, cigars, oral tobacco, electronic cigarettes and all other tobacco products is prohibited on all UC owned or leased sites.

ARTICLE 15 – LIABILITY FOR UC - FURNISHED PROPERTY

Supplier assumes complete liability for any materials UC furnishes to Supplier in connection with the Agreement and Supplier agrees to pay for any UC materials Supplier damages or otherwise is not able to account for to UC's satisfaction. UC furnishing to Supplier any materials in connection with the Agreement will not, unless otherwise expressly provided in writing by UC, be construed to vest title thereto in Supplier.

ARTICLE 16 – COOPERATION

Supplier and its sub-suppliers, if any, will cooperate with UC and other suppliers and will so provide the Services that other cooperating suppliers will not be hindered, delayed or interfered with in the progress of their work, and so that all of such work will be a finished and complete job of its kind.

ARTICLE 17 – ADDITIONAL TERMS APPLICABLE TO THE FURNISHING OF GOODS

The terms in this Article have special application to the furnishing of Goods:

- A. Price Decreases. Supplier agrees immediately to notify UC of any price decreases from its suppliers, and to pass through to UC any price decreases.
- B. Declared Valuation of Shipments. Except as otherwise provided in the Agreement, all shipments by Supplier under the Agreement for UC's account will be made at the maximum declared value applicable to the lowest transportation rate or classification and the bill of lading will so note.
- C. Title. Title to the Goods purchased under the Agreement will pass directly from Supplier to UC at the f.o.b. point shown, or as otherwise specified in the Agreement, subject to UC's right to reject upon inspection.

UNIVERSITY OF CALIFORNIA

Terms and Conditions of Purchase

- D. Changes. Notwithstanding the terms in Article 34, Amendments, UC may make changes within the general scope of the Agreement in drawings and specifications for specially manufactured Goods, place of delivery, method of shipment or packing of the Agreement by giving notice to Supplier and subsequently confirming such changes in writing. If such changes affect the cost of or the time required for performance of the Agreement, UC and Supplier will agree upon an equitable adjustment in the price and/or delivery terms. Supplier may not make changes without UC's written approval. Any claim of Supplier for an adjustment under the Agreement must be made in writing within thirty (30) days from the date Supplier receives notice of such change unless UC waives this condition in writing. Nothing in the Agreement will excuse Supplier from proceeding with performance of the Agreement as changed hereunder. Supplier may not alter or misbrand, within the meaning of the applicable Federal and State laws, the Goods furnished.
- E. Forced, Convict and Indentured Labor. Supplier warrants that no foreign-made Goods furnished to UC pursuant to the Agreement will be produced in whole or in part by forced labor, convict labor, or indentured labor under penal sanction. If UC determines that Supplier knew or should have known that it was breaching this warranty, UC may, in addition to terminating the Agreement, remove Supplier from consideration for UC contracts for a period not to exceed one year. This warranty is in addition to any applicable warranties in Articles 6 and 11.
- F. Export Control. Supplier agrees to provide UC (the contact listed on the Purchase Order) with written notification that identifies the export-controlled Goods and such Goods' export classification if any of the Goods is export-controlled under the International Traffic in Arms Regulations (ITAR) (22 CFR §§ 120-130), the Export Administration Regulations (15 CFR §§ 730-774) 500 or 600 series, or controlled on a military strategic goods list. Supplier agrees to provide UC (the contact listed on the Purchase Order) with written notification if Supplier will be providing information necessary for the operation, installation (including on-site installation), maintenance (checking), repair, overhaul, and refurbishing of the Goods that is beyond a standard user manual (i.e. "Use" technology as defined under the EAR 15 CFR § 772.1), or "Technical Data" (as defined under the ITAR 22 CFR § 120.10).

ARTICLE 18 – CONFLICT OF INTEREST

Supplier affirms that, to the best of Supplier's knowledge, no UC employee who has participated in UC's decision-making concerning the Agreement has an "economic interest" in the Agreement or Supplier. A UC employee's "economic interest" means:

- A. An investment worth \$2,000 or more in Supplier or its affiliate;
- B. A position as director, officer, partner, trustee, employee or manager of Supplier or its affiliate;
- C. Receipt during the past 12 months of \$500 in income or \$440 in gifts from Supplier or its affiliate; or
- D. A personal financial benefit from the Agreement in the amount of \$250 or more.

In the event of a change in these economic interests, Supplier will provide written notice to UC within thirty (30) days after such change, noting such changes. Supplier will not be in a reporting relationship to a UC employee who is a near relative, nor will a near relative be in a decision making position with respect to Supplier.

ARTICLE 19 – AUDIT REQUIREMENTS

The Agreement, and any pertinent records involving transactions relating to this Agreement, is subject to the examination and audit of the Auditor General of the State of California or Comptroller General of the United States or designated Federal authority for a period of up to five (5) years after final payment under the Agreement. UC, and if the underlying grant, cooperative agreement or federal contract so provides, the other contracting Party or grantor (and if that be the United States or an instrumentality thereof, then the Comptroller General of the United States) will have access to and the right to examine Supplier's pertinent books, documents, papers, and records involving transactions and work related to the Agreement until the expiration of five (5) years after final payment under the Agreement. The examination and audit will be confined to those matters connected with the performance of the Agreement, including the costs of administering the Agreement.

ARTICLE 20 – PROHIBITION ON UNAUTHORIZED USE OR DISCLOSURE OF INSTITUTIONAL INFORMATION

- A. Prohibition on Access, Use and Disclosure of Institutional Information. Supplier will not access, use or disclose Institutional Information, other than to carry out the purposes for which UC disclosed the Institutional Information to Supplier, except as required by applicable law, or as otherwise authorized in writing by UC prior to Supplier's disclosure. Supplier shall have the limited right to disclose Institutional Information to Supplier's employees provided that: (i) Supplier shall disclose only such Institutional Information as is necessary for the Supplier to perform its obligations under this Agreement, and (ii) Supplier informs such employees of the obligations governing the access, use and disclosure of Institutional Information prior to Supplier's disclosure. Supplier shall be liable

for any breach of this Agreement by its employees. For avoidance of doubt, this provision prohibits Supplier from using for its own benefit Institutional Information and any information derived therefrom. For the avoidance of doubt, the sale of Institutional Information is expressly prohibited.

- B. Compliance with Applicable Laws and Industry Best Practices. Supplier agrees to comply with all applicable state, federal, and foreign laws, as well as industry best practices, governing the collection, access, use, disclosure, safeguarding and destruction of Institutional Information. Supplier agrees to protect the privacy and security of Institutional Information according to all applicable laws and industry best practices, and no less rigorously than it protects its own information, but in no case less than reasonable care.
- C. Confidential Institutional Information. Supplier agrees to hold UC's Confidential Institutional Information, and any information derived therefrom, in strict confidence. Confidential Institutional Information shall be defined as any Institutional Information which is (i) marked as "Confidential" at the time of disclosure; (ii) if disclosed orally, identified at the time of such oral disclosure as confidential, and reduced to writing as "Confidential" within thirty (30) days of such oral disclosure; and (iii) if not marked as "Confidential," information that would be considered by a reasonable person in the relevant field to be confidential given its content and the circumstances of its disclosure. Confidential Information will not be considered confidential to the extent that: (i) Supplier can demonstrate by written records was known to Supplier prior to the effective date of the Agreement; (ii) is currently in, or in the future enters, the public domain other than through a breach of the Agreement or through other acts or omissions of Supplier; (iii) is obtained lawfully from a third party; or (iv) is disclosed under the California Public Records Act or legal process. For the avoidance of doubt, as applicable to Supplier's Services, Confidential Institutional Information may include any information that identifies or is capable of identifying a specific individual, including but not limited to:
 - 1. Personally identifiable information,
 - 2. Protected Health Information as defined by the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the HIPAA regulations (including, but not limited to 45 C.F.R. § 160.103),
 - 3. Medical information as defined by California Civil Code § 56.05,
 - 4. Cardholder data,
 - 5. Student records, or
 - 6. Individual financial information that is subject to laws restricting the use and disclosure of such information, including but not limited to:
 - a. Article 1, Section 1 of the California Constitution; the California Information Practices Act (Civil Code § 1798 *et seq.*);
 - b. The federal Gramm-Leach-Bliley Act (15 U.S.C. §§ 6801(b) and 6805(b)(2));

 - e. The Fair Credit Reporting Act (15 U.S.C. § 1681 *et seq.*), and
 - f. Applicable international privacy laws, including, but not limited to the General Data Protection Regulation.
- D. Required Disclosures of Institutional Information. If Supplier is required by a court of competent jurisdiction or an administrative body to disclose Institutional Information, Supplier will notify UC in writing immediately upon receiving notice of such requirement and prior to any such disclosure (unless Supplier is prohibited by law from doing so), to give UC an opportunity to oppose or otherwise respond to such disclosure. To the extent Supplier still required to disclose Institutional Information, Supplier will furnish only that portion that is legally required and will exercise all reasonable efforts to obtain reliable assurance that confidential treatment will be afforded to any Confidential Institutional Information.
- E. No Offshoring. Supplier's transmission, transportation or storage of Institutional Information outside the United States, or access of Institutional Information from outside the United States, is prohibited except with prior written authorization by UC.
- F. Conflict in Terms. UC's Appendix – Data Security, Appendix – BAA, and/or Appendix GDPR will control in the event that one or more appendices is incorporated into the Agreement and conflicts with the provisions of this Article.
- G. Acknowledgement. Supplier acknowledges that remedies at law would be inadequate to protect UC against any actual or threatened breach of this Section by Supplier, and, without prejudice to any other rights and remedies otherwise available to UC, Supplier agrees to the granting of injunctive relief in UC's favor without proof of actual damages.

ARTICLE 22 – SUSTAINABLE PROCUREMENT GUIDELINES

Supplier will conduct business using environmentally, socially, and economically sustainable products and services (defined as products and services with a lesser or reduced effect on human health and the environment, and which generate benefits to the University as well as to society and the economy, while remaining within the carrying capacity of the environment), to the maximum possible extent consistent with the Agreement, and with the University of California Sustainable Practices Policy (<https://policy.ucop.edu/doc/3100155>) and the University of California Sustainable Procurement Guidelines:

(<https://www.ucop.edu/procurement-services/files/sustainableprocurementguidelines.pdf>).

In accordance with the University of California Sustainable Practices Policy, Supplier will adhere to the following requirements and standards, as applicable. Supplier acknowledges that failure to comply with any of the sustainability standards and requirements in the Agreement will constitute a material breach of the Agreement and UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation.

- A. Sustainability Marketing Standards. Supplier sustainability related claims, where applicable, must meet UC recognized certifications and standards set forth in the UC Sustainable Procurement Guidelines and/or meet the standards of Federal Trade Commission's (FTC) Green Guides.
- B. Electronic Transfer of Supplier Information. Suppliers, when interacting with the UC, shall be prohibited from providing hard copies of presentations, marketing material, or other informational materials. Suppliers will be required to present all information in electronic format that is easily transferable to UC staff. Materials may be provided in hard copy or physical format if specifically required or requested by a UC representative.
- C. Packaging Requirements. All packaging must be compliant with the Toxics in Packaging Prevention Act (AB 455) and must meet all additional standards and requirements set forth in the UC Sustainable Practices Policy. In addition, UC requires that all packaging meet at least one of the criteria listed below:
 1. Uses bulk packaging;
 2. Uses reusable packaging (e.g. totes reused by delivery service for next delivery);
 3. Uses innovative packaging that reduces the weight of packaging, reduces packaging waste, or utilizes packaging that is a component of the product;
 4. Maximizes recycled content and/or meets or exceeds the minimum post-consumer content level for packaging in the U.S. Environmental Protection Agency Comprehensive Procurement Guidelines;
 5. Uses locally recyclable or certified compostable material.
- D. Foodservice Foam Ban. As of 2018, the University no longer allows packaging foam or expanded polystyrene (EPS) for takeaway containers or other food service items, in any University-owned or -operated food service facility.
- E. Product Packaging Foam Ban. Beginning January 1st, 2020, the University will prohibit all contracted and non-contracted suppliers from selling or distributing packaging foam (other than that utilized for laboratory supply or medical packaging) to UC campuses. Packaging foam is defined as any open or closed cell, solidified, polymeric foam used for cushioning or packaging, including but not limited to: low-density polyethylene foam, polypropylene foam, polystyrene foam (i.e. expanded polystyrene (EPS)), polyurethane foam, polyethylene foam, polyvinyl chloride (PVC) foam, and microcellular foam. Not included in this ban are easily biodegradable, plant-based foams such as those derived from corn or mushrooms.
- F. E-Waste Recycling Requirements. All recyclers of UC electronic equipment must be e-Steward certified by the Basel Action Network (BAN).
- G. Hosted and Punch-out Catalog Requirements. Suppliers enabled with eProcurement hosted catalog functionality must clearly identify products with UC-recognized certifications, as defined by the UC Sustainable Procurement Guidelines, in both hosted and punch-out catalog e-procurement environments.

ARTICLE 23 – PATIENT PROTECTION AND AFFORDABLE CARE ACT (PPACA) EMPLOYER SHARED RESPONSIBILITY

If the Services involve Supplier furnishing UC with temporary or supplementary staffing, Supplier warrants that:

- A. If Supplier is an Applicable Large Employer (as defined under Treasury Regulation Section 54.4980H-1(a)(4)):
 1. Supplier offers health coverage to its full-time employees who are performing Services for UC;
 2. Supplier's cost of enrolling such employees in Supplier's health plan is factored into the fees for the Services; and
 3. The fees for the Services are higher than what the Services would cost if Supplier did not offer health coverage to such full-time employees.

UNIVERSITY OF CALIFORNIA

Terms and Conditions of Purchase

- B. If Supplier is not an Applicable Large Employer (as defined above):
1. Supplier offers group health coverage to its full-time employees who are performing Services for UC and such coverage is considered Minimum Essential Coverage (as defined under Treasury Regulation Section 1-5000A-2) and is Affordable (as defined under Treasury Regulation Section 54.4980H-5(e)); or
 2. Supplier's full-time employees who are performing services for UC have individual coverage and such coverage satisfies the PPACA requirements for mandated individual coverage.

Supplier acknowledges that UC is relying on these warranties to ensure UC's compliance with the PPACA Employer Shared Responsibility provision.

ARTICLE 24 - PREVAILING WAGES

Unless UC notifies Supplier that the Services are not subject to prevailing wage requirements, Supplier will comply, and will ensure that all sub-suppliers comply, with California prevailing wage provisions, including but not limited to those set forth in Labor Code sections 1770, 1771, 1771.1, 1772, 1773, 1773.1, 1774, 1775, 1776, 1777.5, and 1777.6. For purposes of the Agreement, the term "sub-supplier" means a person or firm, of all tiers, that has a contract with Supplier or with a sub-supplier to provide a portion of the Services. The term sub-supplier will not include suppliers, manufacturers, or distributors. Specifically, and not by way of limitation, if apprenticeship occupations are involved in providing the Services, Supplier will be responsible for ensuring that Supplier and any sub-suppliers comply with Labor Code Section 1777.5. Supplier and sub-supplier may not provide the Services unless currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5 and 1771.1. Notwithstanding the foregoing provisions, Supplier will be solely responsible for tracking and ensuring proper payment of prevailing wages regardless if Services are partially or wholly subject to prevailing wage requirements. In every instance, Supplier will pay not less than the UC Fair Wage (defined as \$13 per hour as of 10/1/15, \$14 per hour as of 10/1/16, and \$15 per hour as of 10/1/17) for Services being performed at a UC Location (defined as any location owned or leased by UC).

The California Department of Industrial Relations (DIR) has ascertained the general prevailing per diem wage rates in the locality in which the Services are to be provided for each craft, classification, or type of worker required to provide the Services. A copy of the general prevailing per diem wage rates will be on file at each UC Location's procurement office, and will be made available to any interested party upon request. Supplier will post at any job site:

- A. Notice of the general prevailing per diem wage rates, and
- B. Any other notices required by DIR rule or regulation.

By this reference, such notices are made part of the Agreement. Supplier will pay not less than the prevailing wage rates, as specified in the schedule and any amendments thereto, to all workers employed by Supplier in providing the Services. Supplier will cause all subcontracts to include the provision that all sub-suppliers will pay not less than the prevailing rates to all workers employed by such sub-suppliers in providing the Services. The Services are subject to compliance monitoring and enforcement by the DIR. Supplier will forfeit, as a penalty, not more than \$200 for each calendar day or portion thereof for each worker that is paid less than the prevailing rates as determined by the DIR for the work or craft in which the worker is employed for any portion of the Services provided by Supplier or any sub-supplier. The amount of this penalty will be determined pursuant to applicable law. Such forfeiture amounts may be deducted from the amounts due under the Agreement. If there are insufficient funds remaining in the amounts due under the Agreement, Supplier will be liable for any outstanding amount remaining due. Supplier will also pay to any worker who was paid less than the prevailing wage rate for the work or craft for which the worker was employed for any portion of the Services, for each day, or portion thereof, for which the worker was paid less than the specified prevailing per diem wage rate, an amount equal to the difference between the specified prevailing per diem wage rate and the amount which was paid to the worker. Review of any civil wage and penalty assessment will be made pursuant to California Labor Code section 1742.

ARTICLE 25 – FAIR WAGE/FAIR WORK

If the Agreement is for Services that will be performed at one or more UC Locations, does not solely involve furnishing Goods, and are not subject to extramural awards containing sponsor-mandated terms and conditions, Supplier warrants that it is in compliance with applicable federal, state and local working conditions requirements, including but not limited to those set forth in Articles 11, 12 and 14 herein, and that Supplier pays its employees performing the Services no less than the UC Fair Wage. Supplier agrees UC may conduct such UC Fair Wage/Fair Work interim compliance audits as UC reasonably requests, as determined in UC's sole discretion. Supplier agrees to post UC

Fair Wage/Fair Work notices, in the form supplied by UC, in public areas (such as break rooms and lunch rooms) frequented by Supplier employees who perform Services.

For Services rendered (actual spend) not subject to prevailing wage requirements in excess of \$100,000 in a year (under the Agreement or any combination of agreements for the same service), Supplier will (i) at Supplier's expense, provide an annual independent verification (<https://www.ucop.edu/procurement-services/for-suppliers/fwfw-resources-suppliers.html>) performed by a licensed public accounting firm (independent accountant) or the Supplier's independent internal audit department (<http://na.theiia.org/standards-guidance/topics/Pages/Independence-and-Objectivity.aspx>) in compliance with UC's required verification standards and procedures (<https://www.ucop.edu/procurement-services/for-suppliers/fwfw-resources-suppliers.html>), concerning Supplier's compliance with this provision, and (ii) ensure that in the case of a UC interim audit, its independent accountant/independent internal auditor makes available to UC its UC Fair Wage/Fair Work work papers for the most recent verification period. Supplier agrees to provide UC with a UC Fair Wage/Fair Work verification annually, in a form acceptable to UC, no later than ninety days after the end of the 12-month period in which \$100,000 in spend is reached.

The Fair Wage Fair Work annual independent verification requirement does not extend to contracts for professional services or consulting for which pre-certification has been provided to UC (<https://www.ucop.edu/procurement-services/for-suppliers/fwfw-resources-suppliers.html>). Please see the UC Procurement/Supply Chain Management Policy BUS-43 (<https://www.ucop.edu/procurement-services/policies-forms/business-and-finance/index.html>) for the definition of professional services and consulting.

ARTICLE 26 – MEDICAL DEVICES

This Article applies when the Goods and/or Services involve UC purchasing or leasing one or more medical devices from Supplier, or when Supplier uses one or more medical devices in providing Goods and/or Services to UC.

Medical Device as used herein will have the meaning provided by the U.S. Food and Drug Administration ("FDA") and means an instrument, apparatus, implement, machine, contrivance, implant, in vitro reagent, or other similar or related article, including a component part, or accessory which is: (i) recognized in the official National Formulary, or the United States Pharmacopoeia, or any supplement to them; (ii) intended for use in the diagnosis of disease or other conditions, or in the cure, mitigation, treatment, or prevention of disease, in humans or other animals, or (iii) intended to affect the structure or any function of the body of humans or other animals, and which does not achieve any of its primary intended purposes through chemical action within or on the body of humans or other animals and which is not dependent upon being metabolized for the achievement of any of its primary intended purposes.

Supplier warrants that prior to UC's purchase or lease of any Medical Device or Supplier's use of any Medical Device in providing Goods and/or Services hereunder, Supplier will: (i) perform security testing and validation for each such Goods and/or Services or Medical Device, as applicable; (ii) perform security scans to detect malware on any software embedded within any Goods and/or Services or Medical Device, as applicable, in order to verify that the software does not contain any known malware; (iii) conduct a vulnerability scan encompassing all ports and fuzz testing; and (iv) provide UC with reports for (i) – (iii). Supplier warrants that any Good or Medical Device is compliant with FDA's most current guidance or regulation for the quality system related to the cybersecurity and the Management of Cybersecurity in Medical Devices, and that Supplier will maintain compliance with any updates to such guidance or regulations.

Throughout Supplier's performance of this Agreement, Supplier will provide UC with reasonably up-to-date patches, firmware and security updates for any Medical Device provided to UC, and any other Medical Device used in the course of providing Services, as applicable. All such patches and other security updates will be made available to UC within thirty (30) days of its commercial release or as otherwise recommended by Supplier or Supplier's sub-supplier, whichever is earlier.

Supplier warrants that all software and installation media not specifically required for any Medical Device used by Supplier or Goods and/or Services delivered to UC under this Agreement as well as files, scripts, messaging services and data will be removed from all such Goods and/or Services or Medical Device following installation, and that all hardware ports and drivers not required for use or operation of such Goods and/or Services or Medical Device will be disabled at time of installation. In addition, Medical Devices must be configured so that only Supplier-approved applications will run on such Medical Devices.

UNIVERSITY OF CALIFORNIA

Terms and Conditions of Purchase

Supplier agrees that UC may take any and all actions that it, in its sole discretion, deems necessary to address, mitigate and/or rectify any real or potential security threat, and that no such action, to the extent such action does not compromise device certification, will impact, limit, reduce or negate Supplier's warranties or any of Supplier's other obligations hereunder.

Supplier warrants that any Medical Device provided to UC, and any other Medical Device used in the course of providing such Goods and/or Services, meet and comply with all cyber-security guidance and similar standards promulgated by the FDA and any other applicable regulatory body.

If the Goods and/or Services entail provision or use of a Medical Device, Supplier will provide UC with a completed Manufacturer Disclosure Statement for Medical Device Security (MDS2) form for each such Medical Device before UC is obligated to purchase or lease such Medical Device or prior to Supplier's use of such device in its performance of Services. If Supplier provides an MDS2 form to UC concurrently with its provision of Goods and/or Services, UC will have a reasonable period of time to review such MDS2 form, and if the MDS2 form is unacceptable to UC, then UC in its sole discretion may return the Goods or terminate the Agreement with no further obligation to Supplier.

ARTICLE 27 – FORCE MAJEURE

Neither Party will be liable for delays due to causes beyond the Party's control (including, but not restricted to, war, civil disturbances, earthquakes, fires, floods, epidemics, quarantine restrictions, freight embargoes, and unusually severe weather).

ARTICLE 28 – ASSIGNMENT AND SUBCONTRACTING

Except as to any payment due hereunder, Supplier may not assign or subcontract the Agreement without UC's written consent. In case such consent is given, the assignee or subcontractor will be subject to all of the terms of the Agreement.

ARTICLE 29 – NO THIRD-PARTY RIGHTS

Nothing in the Agreement, express or implied, is intended to make any person or entity that is not a signer to the Agreement a third-party beneficiary of any right created by this Agreement or by operation of law.

ARTICLE 30 – OTHER APPLICABLE LAWS

Any provision required to be included in a contract of this type by any applicable and valid federal, state or local law, ordinance, rule or regulations will be deemed to be incorporated herein.

ARTICLE 31 – NOTICES

A Party must send any notice required to be given under the Agreement by overnight delivery or by certified mail with return receipt requested, to the other Party's representative at the address specified by such Party.

ARTICLE 32 – SEVERABILITY

If a provision of the Agreement becomes, or is determined to be, illegal, invalid, or unenforceable, that will not affect the legality, validity or enforceability of any other provision of the Agreement or of any portion of the invalidated provision that remains legal, valid, or enforceable.

ARTICLE 33 – WAIVER

Waiver or non-enforcement by either Party of a provision of the Agreement will not constitute a waiver or non-enforcement of any other provision or of any subsequent breach of the same or similar provision.

ARTICLE 34 – AMENDMENTS

The Parties may make changes in the Goods and/or Services or otherwise amend the Agreement, but only by a writing signed by both Parties' authorized representatives. In the event there is a Material Change to the Agreement, the parties agree to meet and confer in good faith in order to modify the terms of the Agreement. A Material Change as used herein refers to:

UNIVERSITY OF CALIFORNIA

Terms and Conditions of Purchase

- A. A change to the scope of Goods and/or Services to be provided by Supplier, as agreed to by UC;

- C. Changes in the status of the parties;
- D. Changes in flow down terms from external parties; and
- E. Changes in law or regulation applicable to this Agreement.

Each party shall notify the other party upon the occurrence of a Material Change.

ARTICLE 35 – GOVERNING LAW AND VENUE

California law will control the Agreement and any document to which it is appended. The exclusive jurisdiction and venue for any and all actions arising out of or brought under the Agreement is in a state court of competent jurisdiction, situated in the county in the State of California in which the UC Location is located or, where the procurement covers more than one UC Location, the exclusive venue is Alameda County, California.

ARTICLE 36 – ASSISTANCE IN LITIGATION OR ADMINISTRATIVE PROCEEDINGS

Supplier will make itself and its employees, subcontractors, or agents assisting Supplier in the performance of its obligations reasonably available to UC at no cost to UC to testify as witnesses, or otherwise, in the event of investigations, or proceedings against UC, its directors, officers, agents, or employees relating to the Goods or Services.

ARTICLE 37 – SUPPLIER TERMS

Any additional terms that Supplier includes in an order form or similar document will be of no force and effect, unless UC expressly agrees in writing to such terms.

ARTICLE 38 – SURVIVAL CLAUSE

ARTICLE 39 – CONTRACTING FOR COVERED SERVICES

Covered Services, for the purpose of this Agreement, are defined as work customarily performed by bargaining unit employees at the University in the categories of services described in Regents Policy 5402, and American Federation of State, County, and Municipal Employees (AFSCME) Collective Bargaining Agreement Article 5. Covered Services include, but are not necessarily limited to, the following services: cleaning, custodial, janitorial, or housekeeping services; food services; laundry services; grounds keeping; building maintenance (excluding skilled crafts); transportation and parking services; and security services.

Unless UC notifies Supplier that the Services are not Covered Services, Supplier warrants that it is in compliance with applicable federal, state and local working conditions requirements, including but not limited to those set forth in in other Articles of the Agreement. In accordance with Regents Policy 5402 and AFSCME Collective Bargaining Agreement Article 5, Supplier also warrants that it pays its employees performing the Covered Services at UC locations the equivalent value of the wages and benefits – as determined in the Wage and Benefit Parity Appendix – received by UC employees providing similar services at the same, or nearest UC location.

Supplier agrees UC may conduct such compliance audits as UC reasonably requests, and determined at UC's sole discretion. Supplier agrees to post UC Contracting for Covered Services notices, in the template supplied by UC, in a prominent and accessible place (such as break rooms and lunch rooms) where it may be easily seen by workers who perform Covered Services. TERMS AND CONDITIONS OF EQUIPMENT LEASE

ARTICLE 1 - GENERAL. For the purpose of these terms and conditions, the terms "University", "Lessor" and "Order" shall hereinafter be defined as follows:

- A. University: The Regents of the University of California.
- B. Lessor: The grantor of the use of personal property by lease.
- C. Order: A straight lease or rental agreement, with or without option to purchase, as indicated on the purchase order.

The equipment, supplies and services covered by this order shall be furnished by Lessor subject to all the terms and conditions set forth in this order including the following, which Lessor, in accepting this order agrees to be bound by and to comply with in all particulars and no other terms or conditions shall be binding upon the parties unless hereafter accepted by them in writing. Written acceptance or shipment of all or any portion of the materials or supplies or the performance of all or any portion of the services covered by this order shall constitute unqualified acceptance of all its terms and conditions. The terms of any proposal referred to in this order are included and made a part of the order only to the extent it specifies the equipment, supplies and services ordered, the price therefor, and the delivery thereof, and then only to the extent that such terms are consistent with the terms and conditions of this order.

ARTICLE 2 - INSPECTION. The equipment, supplies and services furnished shall be exactly as specified in this order, free from all defects in manufacturer's design, workmanship and materials, and, except as otherwise provided in this order, shall be subject to inspection and testing by University at all times and places. If, prior to final acceptance, any equipment, supplies or services are found to be defective or not as specified, University may reject them, require Lessor to correct them without charge, or require delivery of such equipment, supplies, or services at a reduction in price which is equitable under the circumstances. If Lessor is unable or refuses to correct such items within a time deemed reasonable to University, University may terminate the order in whole or in part. Lessor shall bear all risks as to rejected equipment, supplies and services and, in addition to any costs for which Lessor may become liable to University under other provisions of this order, shall reimburse University for all transportation costs, other related costs incurred, or payments to Lessor in accordance with the terms of this order for unaccepted equipment, supplies and services. Notwithstanding final acceptance and payment Lessor shall be liable for latent defects, fraud or such gross mistakes as amount to fraud.

ARTICLE 3 - TERMS OF USE. Except as otherwise provided on the face of this order, the specified rental payments shall entitle University to unlimited use and operation of said equipment at any time and any place and for any period of time at the convenience of University (exclusive of the time required for preventive and remedial maintenance) and shall not be restricted to consecutive hours, length of personnel shifts, or any other restrictions.

ARTICLE 4 - CHANGES. No change to the lease shall be allowed without written approval of University. Any claim of Lessor for an adjustment under this Article must be made in writing within thirty (30) days from the date of receipt notification of such change unless University waives this condition in writing. Nothing in the Article shall excuse Lessor from proceeding with performance of the order as changed hereunder.

ARTICLE 5 - TERMINATION. University may at its option, by written notice stating the extent and effective date, terminate this order at the anniversary date of the lease or at the end of any fiscal year in whole or in part in the event the funding agency does not appropriate sufficient funds to continue the lease payments.

University may by written notice terminate this order for Lessor's default, in whole or in part, at any time, if Lessor refuses or fails to comply with the provisions of this order, or so fails to make progress as to endanger performance and does not cure such failure within a reasonable period of time, or fails to make deliveries of said equipment or supplies or perform the services within the time specified or any written extension thereof.

In the event University defaults in the payment of any amount due or to become due under the terms of the lease or defaults in the performance of any of the terms and conditions hereof, all the University's rights hereunder as to use and possession of the equipment shall, at the option of Lessor, terminate and Lessor shall become entitled to retain all rentals and to take possession of the property, provided however, that in such event neither Lessor nor University shall have the right to rent said equipment to any third party so long as it remains on the premises of University.

ARTICLE 6 - TITLE. Lessor covenants that it is the sole owner of said property, and that no other person, party, firm or corporation has any right, title, interest in or to same and that during the term of this lease said Lessor will not sell or encumber said property, or any interest therein, except subject to the rights given University by virtue of the lease. Title to said property, including any accessories and devices furnished by Lessor except those subsequently purchased by University, vests in Lessor, and said property may be removed by Lessor at or after termination of this Agreement unless purchased by University pursuant to its Purchase Option, if any.

ARTICLE 7 - PAYMENT. Unless otherwise provided for in this order, lease charges shall be invoiced in arrears and shall be payable thirty (30) days after the end of the period for which the charges accrue or thirty (30) days after University's receipt of invoice whichever is later.

ARTICLE 8 - TAXES. Lessor alone shall pay any license fees, assessments, sales, use and other taxes lawfully imposed during the term hereof upon the equipment, supplies or services furnished pursuant to this order.

ARTICLE 9 - PROPERTY TAX EXEMPTION. Lessor agrees to cooperate with University and do all acts reasonably necessary and appropriate to secure and maintain tax exemption of the property leased hereunder pursuant to Article 13, section 3 of the California Constitution. Lessor agrees to apply the amount of any reduction of tax resulting from such exemption as a credit against rental payments otherwise due by University to Lessor hereunder.

ARTICLE 10 - WARRANTY. Lessor warrants that said equipment, including accessories, will be in good operating condition when installed and that any subsequent defects in design, materials or workmanship during the term of this Lease will be corrected by Lessor at its sole expense. Lessor will inform University of the terms and conditions of

UNIVERSITY OF CALIFORNIA

any manufacturer's warranty in effect on the commencement date of this lease. In the event of defect in design, material, or workmanship during the term of the lease, the Lessor will assert any Manufacturer's Warranty in effect between Lessor and the Manufacturer at the time the defect becomes apparent.

ARTICLE 11 - PROPRIETARY RIGHTS INDEMNITY. Lessor shall indemnify, defend, and hold harmless University, its officers, agents, and employees against all losses, damages, liabilities, costs, and expenses (including but not limited to attorneys' fees) resulting from any judgment or proceeding in which it is determined, or any settlement agreement arising out of the allegation, that Lessor's furnishing or supplying University with parts, goods, components, programs, practices, or methods under this order or University's use of such parts, goods, components, programs, practices, or methods supplied by Lessor under this order constitutes an infringement of any patent, copyright, trademark, trade name, trade secret, or other proprietary or contractual right of any third party. The foregoing shall not apply unless University has informed Lessor as soon as practicable of the suit or action alleging such infringement. Lessor shall not settle such suit or action without the consent of University. University retains the right to participate in the defense against any such suit or action.

ARTICLE 12 - TRANSPORTATION AND INSTALLATION. Unless otherwise provided for in this order, Lessor will be responsible for all transportation and handling costs related to the shipment to and from University of the leased equipment. Should the equipment require specialized installation, Lessor will provide the required technical assistance at no charge.

ARTICLE 13 - ASSIGNMENT. This order is not assignable by Lessor, except as to any payment due hereunder, without the written approval of University.

ARTICLE 14 - EQUAL OPPORTUNITY AFFIRMATIVE ACTION. Lessor shall not maintain or provide racially segregated facilities for employees at any establishment under its control. Lessor agrees to adhere to the requirements set forth in Executive Orders 11246 and 11375, and with respect to activities occurring in the State of California, to the California Fair Employment and Housing Act (Government Code section 12900 et seq.). Expressly, Lessor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, ancestry, medical condition (as defined by California Code section 12925[f]), marital status, age, physical and mental handicap in regard to any position for which the employee or applicant for employment is qualified, or because he or she is a disabled veteran or veteran of the Vietnam era. Lessor shall further specifically undertake affirmative action regarding the hiring, promotion and treatment of minority group persons, women, the handicapped, and disabled veterans and veterans of the Vietnam era. Lessor shall communicate this policy in both English and Spanish to all persons concerned within its company, with outside recruiting services, and the minority community at large. Lessor shall provide the University on request a breakdown of its labor force by groups, specifying the above characteristics within job categories, and shall discuss with the University its policies and practices relating to its affirmative action programs.

ARTICLE 15 - SERVICE AND MAINTENANCE. In the event this order includes service and maintenance of said equipment, Lessor will provide such service and maintenance required to keep said equipment in good working condition throughout the term of lease. The service and maintenance will consist of not less than: (1) periodic cleaning, and adjustments in the mechanisms and replacing unserviceable parts, and

(2) emergency repair service, including replacement of unserviceable parts. In order to perform maintenance service hereunder Lessor shall have reasonable access to the leased equipment to the extent practical in consonance with operational requirements. Lessor agrees that its failure to provide service and maintenance to keep the equipment in good operating condition shall result on a credit of 1/30th of the monthly lease payments for every twenty-four (24) hour period or portion thereof following the first twenty-four (24) hours after notification to Lessor that the equipment is inoperative.

ARTICLE 16 - ALTERATIONS. University or its authorized agents may make alterations or install attachments to the equipment and the Lessor shall be so notified. In the event that such changes substantially increase the cost of maintenance, mutually agreeable arrangements for additional maintenance service shall be made on an individual installation basis. Such alterations or attachments which are not the property of Lessor shall be removed immediately after discontinuation of lease (unless University elects to exercise its Purchase Option) and the equipment restored to the prior configuration (ordinary wear and tear only excluded) at University's expense. Lessor shall inform University of any provisions in the manufacturer's warranty which may cause the warranty to be affected by any such alterations or attachments.

ARTICLE 17 - RISK OF LOSS. During the period of time that property covered by this order is in the possession of University, University (and its customers, if installed on University's customers' premises) shall take good care of the property and University shall be responsible for any loss of or damage to the property caused by University while in its possession and control, unless such damage or loss is a consequence, directly or indirectly of intentional or negligent acts or omissions of Lessor or Lessor's agents.

ARTICLE 18 - OPTION TO PURCHASE. University is hereby given the option (provided University is not in default in the performance of any of its obligations hereunder) to purchase any or all of said property at the times and for the amounts set forth in this order. As of the date of exercise of the option, University's Standard Terms and Conditions of Purchase shall be substituted for the terms and conditions applicable to this lease. Said terms and conditions of purchase shall be those in effect as of the date the property was installed, provided that the period of manufacturer's warranty set forth therein shall be deemed to have commenced as of the date the Lease Terms commenced, and University shall be entitled to the remaining portion, if any, of said warranty period.

University shall exercise such option to purchase said property by notifying Lessor in writing of its intention to do so. Such notice may be delivered to Lessor's office or may be mailed to Lessor at the address specified by Lessor. Such notice shall be given by University to Lessor not less than thirty (30) days before the expiration of the current year of the lease. Lessor shall keep University advised of any change of Lessor's address for the purpose of such notice.

ARTICLE 19 - LESSOR'S LIABILITY AND INSURANCE REQUIREMENTS

A. INDEMNIFICATION. Lessor shall defend, indemnify, and hold harmless University, its officers, employees, and agents, from and against all losses, expenses (including attorney's fees), damages, and liabilities of any kind resulting from or arising out of this agreement and/or Lessor's performance hereunder, provided such losses, expenses, damages, and liabilities are due or claimed to be due to the negligent or willful acts or omissions of Lessor, its officers, employees, agents, subcontractors, or anyone directly or indirectly employed by them, or any person or persons under Lessor's direction and control.

Appendix – Business Associate Agreement

This Appendix - Business Associate Agreement ("Appendix BAA") supplements and is made a part of any and all agreements entered into by and between The Regents of the University of California, a California corporation ("UC"), on behalf of its University of California Health System and _____, Business Associate ("BA").

RECITALS

- A. UC is a "Covered Entity" as defined under 45 C.F.R. § 160.103
- B. UC and BA are entering into or have entered into, and may in the future enter into, one or more agreements (each an "Underlying Agreement") under which BA performs functions or activities for or on behalf of, or provides services to UC ("Services") that involve receiving, creating, maintaining and/or transmitting Protected Health Information ("PHI") of UC as a "Business Associate" of UC as defined under 45 C.F.R. § 160.103. This Appendix BAA shall only be operative in the event and to the extent this Appendix BAA is incorporated into an Underlying Agreement between UC and BA.
- C. UC and BA desire to protect the privacy and provide for the security of PHI used by or disclosed to BA in compliance with the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), the regulations promulgated thereunder by the U.S. Department of Health and Human Services (45 C.F.R. Parts 160, 162 and 164) (the "HIPAA Regulations"), the Health Information Technology for Economic and Clinical Health Act of 2009 (the "HITECH Act"), California Civil Code § 56 et seq., §§ 1798.82 and 1798.29, and other applicable laws and regulations. The purpose of this BA Agreement is to satisfy certain standards and requirements of HIPAA, the HIPAA Regulations, including 45 CFR § 164.504(e), the HITECH Act, including Subtitle D, part I, as they may be amended from time to time, and similar requirements under California law.
- D. UC has designated all of its HIPAA health care components as a single component of its hybrid entity and therefore this BA Agreement is binding on all other UC health care components (collectively, the Single Health Care Component or the SHCC). This BA Agreement is effective on the date of the Underlying Agreement under which BA provides Services to UC ("Effective Date").

1. DEFINITIONS

Except for PHI, all capitalized terms in this Appendix BAA shall have the same meaning as those terms in the HIPAA Regulations.

PHI shall have the same meaning as "protected health information" in the HIPAA Regulations that is created, received, maintained, or transmitted by Business Associate or any Subcontractor on behalf of UC and shall also include "medical information" as defined at Cal. Civ. Code § 56.05.

2. OBLIGATIONS OF BA

BA agrees to:

- A. Comply with the requirements of the Privacy Rule that apply to UC in carrying out such obligations, to the extent BA carries out any obligations of UC under the Privacy Rule. BA also agrees to comply with the requirements of California state privacy laws and regulations that apply to UC in carrying out such obligations, to the extent BA carries out any obligations of UC under California Civil Code § 1798 et seq., California Civil Code § 56 et seq., and California Health & Safety Code §§ 1280.15 and 1280.18, as applicable, unless otherwise mutually agreed to by BA and UC.
- B. Not Use or Disclose PHI other than as permitted or required by the Underlying Agreement or as required by law.
- C. Use appropriate safeguards, and comply, where applicable, with 45 C.F.R. § 164 Subpart C with respect to ePHI, to prevent the Use or Disclosure of PHI other than as provided for by the Underlying Agreement(s) and the Appendix BAA.
- D. Notify UC, orally and in writing, as soon as possible, but in no event more than five (5) calendar days, after BA becomes aware of any Use or Disclosure of the PHI not permitted or required by the Appendix BAA or Underlying Agreement(s), including Breaches of unsecured PHI as required by 45 C.F.R. § 164.410 and potential compromises of UC PHI, including potential inappropriate access, acquisition, use or disclosure of UC PHI (each, collectively an "Incident"). BA shall be deemed to be aware of any such Incident, as of the first day on which it becomes aware of it, or by exercising reasonable diligence, should have been known to its officers, employees, agents or sub-suppliers. The notification to UC shall include, to the extent possible, each individual whose unsecured PHI has been, or is reasonably believed by BA to have been, accessed, acquired, used or disclosed during such Incident. BA shall further provide UC with any other available information that UC is required to include in a notification to affected individuals at the time of the notification to UC, or promptly thereafter as information becomes available. BA shall take prompt corrective action to remedy any such Incident, and, as soon as possible, shall provide to UC in writing: (i) the actions initiated by the BA to mitigate, to the extent practicable, any harmful effect of such Incident; and (ii) the corrective action BA has initiated or plans to initiate to prevent future similar Incidents.
- E. Ensure that any Subcontractors that create, receive, maintain, or transmit PHI on behalf of the BA agree to the same restrictions, conditions, and requirements that apply to the BA with respect to such PHI.
- F. If BA maintains PHI in a Designated Record Set, BA shall make the PHI in the Designated Record Set available to UC, or if directed by UC to the Individual or the Individual's designee, as necessary to satisfy UC's obligations under 45 C.F.R. § 164.524.
- G. If BA maintains PHI in a Designated Record Set, BA shall make any amendments directed or agreed to by UC pursuant to 45 C.F.R. § 164.526, or take other measures as necessary to satisfy UC's obligations under 45 C.F.R. § 164.526.

- H. Maintain and make available the information required to provide an accounting of disclosures to UC, or if directed by UC to the Individual, as necessary to satisfy UC's obligations under 45 C.F.R. § 164.528.
- I. Make its internal practices, books, and records, relating to the Use and Disclosure of PHI available to UC, and to the Secretary for purposes of determining UC's compliance with HIPAA, HITECH and their implementing regulations.

3. PERMITTED USES AND DISCLOSURES BY BA

BA may only Use or Disclose the Minimum Necessary PHI to perform the services set forth in the Underlying Agreement.

4. TERM AND TERMINATION

- A. Termination for Cause. UC may terminate this Appendix BAA and any Underlying Agreement(s), if UC determines BA has violated a material term of the Appendix BAA.
- B. Upon termination of this Appendix BAA for any reason, with respect to PHI received from UC, or created, maintained, or received by BA on behalf of UC, BA shall return to UC, or if agreed to by UC, destroy, all such PHI that BA still maintains in any form, and retain no copies of such PHI.

To the extent return or destruction of UC PHI is not feasible, BA shall (1) retain only that PHI which is necessary for BA to continue its proper management and administration or to carry out its legal responsibilities; and (2) continue to use appropriate safeguards for such UC PHI and comply with Subpart C of 45 C.F.R. Part 164 with respect to ePHI to prevent Use or Disclosure of the PHI, other than as provided for in this Section, for as long as BA retains the PHI.

- C. Survival. The obligations of BA under this Section 4.B shall survive the termination of this Appendix BAA and any Underlying Agreement(s).

The Appendix BAA is signed below by the parties' duly authorized representatives.

further details of Processor's processing activities of Data pursuant to the Agreement and Appendix GDPR are set forth in Addendum A to this Appendix GDPR.

2. To the extent any additional information is required to be included in Addendum A pursuant to the GDPR or any other applicable EU member state, or EEA state law, or this Agreement otherwise requires amendment, the Parties will cooperate to amend this Appendix GDPR in a writing signed by both Parties.

C. Subprocessors

1. Controller generally authorizes Processor to engage Subprocessor(s) to perform any of Processor's obligations in providing Services to Controller in connection with the Agreement as set forth in Addendum A and as allowed under the terms of the Agreement, except that any processing of personal data by Subprocessor(s) outside of the United States or EEA must be specifically authorized in writing prior to such processing by Controller.
2. The Processor shall give the Controller prior written notice of any intended changes concerning the addition or replacement of any Subprocessors set forth in Addendum A to allow the Controller to approve or object to such changes. Such notice shall include details of the processing activity or activities to be conducted by the applicable Subprocessor and the identity and contact details of such Subprocessor.

Upon Controller's request, Processor shall provide to Controller evidence demonstrating Processor's implementation of such technical and organizational security measures as required by GDPR.
4. The Processor shall assist the Controller in ensuring compliance with Controller's obligations as a Controller by: (a) cooperating with Controller's implementation of appropriate technical and organizational security measures to ensure the security of processing Data; (b) cooperating with Controller notifications to supervisory authorities and/or data subjects, as applicable, of any breaches of Data; (c) cooperating with Controller's conduct of data protection impact assessments, including but not limited to, any requirements to consult with a supervisory authority as required by GDPR. Definitions

For the purposes of the clauses:

- a) “personal data”, “special categories of data/sensitive data”, “process/processing”, “controller”, “processor”, “data subject” and “supervisory authority/authority” shall have the same meaning as in Directive 95/46/EC of 24 October 1995 (whereby “the authority” shall mean the competent data protection authority in the territory in which the data exporter is established);
- b) “the data exporter” shall mean the controller who transfers the personal data;
- c) “the data importer” shall mean the controller who agrees to receive from the data exporter personal data for further processing in accordance with the terms of these clauses and who is not subject to a third country’s system ensuring adequate protection;
- d) “clauses” shall mean these contractual clauses, which are a free-standing document that does not incorporate commercial business terms established by the parties under separate commercial arrangements.

The details of the transfer (as well as the personal data covered) are specified in Annex B, which forms an integral part of the clauses.

I. Obligations of the data exporter

The data exporter warrants and undertakes that:

- a) The personal data have been collected, processed and transferred in accordance with the laws applicable to the data exporter.
- b) It has used reasonable efforts to determine that the data importer is able to satisfy its legal obligations under these clauses.
- c) It will provide the data importer, when so requested, with copies of relevant data protection laws or references to them (where relevant, and not including legal advice) of the country in which the data exporter is established.
- d) It will respond to enquiries from data subjects and the authority concerning processing of the personal data by the data importer, unless the parties have agreed that the data importer will so respond, in which case the data exporter will still respond to the extent reasonably possible and with the information reasonably available to it if the data importer is unwilling or unable to respond. Responses will be made within a reasonable time.
- e) It will make available, upon request, a copy of the clauses to data subjects who are third party beneficiaries under clause III, unless the clauses contain confidential information, in which case it may remove such information. Where information is removed, the data exporter shall inform data subjects in writing of the reason for removal and of their right to draw the removal to the attention of the authority. However, the data exporter shall abide by a decision of the authority regarding access to the full text of the clauses by data subjects, as long as data subjects have agreed to respect the confidentiality of the confidential information removed. The data exporter shall also provide a copy of the clauses to the authority where required.

II. Obligations of the data importer

The data importer warrants and undertakes that:

- a) It will have in place appropriate technical and organisational measures to protect the personal data against accidental or unlawful destruction or accidental loss, alteration, unauthorised disclosure or access, and which provide a level of security appropriate to the risk represented by the processing and the nature of the data to be protected.
- b) It will have in place procedures so that any third party it authorises to have access to the personal data, including processors, will respect and maintain the confidentiality and security of the personal data. Any person acting under the authority of the data importer, including a data processor, shall be obligated to process the personal data only on instructions from the data importer. This provision does not apply to persons authorised or required by law or regulation to have access to the personal data.
- c) It has no reason to believe, at the time of entering into these clauses, in the existence of any local laws that would have a substantial adverse effect on the guarantees provided for under these clauses, and it will inform the data exporter (which will pass such notification on to the authority where required) if it becomes aware of any such laws.
- d) It will process the personal data for purposes described in Annex B, and has the legal authority to give the warranties and fulfil the undertakings set out in these clauses.
- e) It will identify to the data exporter a contact point within its organisation authorised to respond to enquiries concerning processing of the personal data, and will cooperate in good faith with the data exporter, the data subject and the authority concerning all such enquiries within a reasonable time. In case of legal dissolution of the data exporter, or if the parties have so agreed, the data importer will assume responsibility for compliance with the provisions of clause I(e).
- f) At the request of the data exporter, it will provide the data exporter with evidence of financial resources sufficient to fulfil its responsibilities under clause III (which may include insurance coverage).
- g) Upon reasonable request of the data exporter, it will submit its data processing facilities, data files and documentation needed for processing to reviewing, auditing and/or certifying by the data exporter (or any independent or impartial inspection agents or auditors, selected by the data exporter and not reasonably objected to by the data importer) to ascertain compliance with the warranties and undertakings in these clauses, with reasonable notice and during regular business hours. The request will be subject to any necessary consent or approval from a regulatory or supervisory authority within the country of the data importer, which consent or approval the data importer will attempt to obtain in a timely fashion.

h) It will process the personal data, at its option, in accordance with:

- i. the data protection laws of the country in which the data exporter is established, or
- ii. the relevant provisions of any Commission decision pursuant to Article 25(6) of Directive 95/46/EC, where the data importer complies with the relevant provisions of such an authorisation or decision and is based in a country to which such an authorisation or decision pertains, but is not covered by such authorisation or decision for the purposes of the transfer(s) of the personal data, or
- iii. the data processing principles set forth in Annex A.

Data importer to indicate which option it selects: Annex A

Initials of data importer: [COMPLETE] ;

i) It will not disclose or transfer the personal data to a third party data controller located outside the European Economic Area (EEA) unless it notifies the data exporter about the transfer and

- i. the third party data controller processes the personal data in accordance with a Commission decision finding that a third country provides adequate protection, or
- ii. the third party data controller becomes a signatory to these clauses or another data transfer agreement approved by a competent authority in the EU, or
- iii. data subjects have been given the opportunity to object, after having been informed of the purposes of the transfer, the categories of recipients and the fact that the countries to which data is exported may have different data protection standards, or
- iv. with regard to onward transfers of sensitive data, data subjects have given their unambiguous consent to the onward transfer

III. Liability and third party rights

- a) Each party shall be liable to the other parties for damages it causes by any breach of these clauses. Liability as between the parties is limited to actual damage suffered. Punitive damages (i.e. damages intended to punish a party for its outrageous conduct) are specifically excluded. Each party shall be liable to data subjects for damages it causes by any breach of third party rights under these clauses. This does not affect the liability of the data exporter under its data protection law.
- b) The parties agree that a data subject shall have the right to enforce as a third party beneficiary this clause and clauses I(b), I(d), I(e), II(a), II(c), II(d), II(e), II(h), II(i), III(a), V, VI(d) and VII against the data importer or the data exporter, for their respective breach of their contractual obligations, with regard to his personal data, and accept jurisdiction for this purpose in the data exporter's country of establishment. In cases involving allegations of breach by the data importer, the data subject must first request the data exporter to take appropriate action to enforce his rights against the data importer; if the data exporter does not take such action within a reasonable period (which under normal circumstances would be one month), the data subject may then enforce his rights against the data importer directly. A data subject is entitled to proceed directly against a data exporter that has failed to use reasonable efforts to determine that the data importer is able to satisfy its legal obligations under these clauses (the data exporter shall have the burden to prove that it took reasonable efforts).

IV. Law applicable to the clauses

These clauses shall be governed by the law of the country in which the data exporter is established, with the exception of the laws and regulations relating to processing of the personal data by the data importer under clause II(h), which shall apply only if so selected by the data importer under that clause.

V. Resolution of disputes with data subjects or the authority

- a) In the event of a dispute or claim brought by a data subject or the authority concerning the processing of the personal data against either or both of the parties, the parties will inform each other about any such disputes or claims, and will cooperate with a view to settling them amicably in a timely fashion.

- b) The parties agree to respond to any generally available non-binding mediation procedure initiated by a data subject or by the authority. If they do participate in the proceedings, the parties may elect to do so remotely (such as by telephone or other electronic means). The parties also agree to consider participating in any other arbitration, mediation or other dispute resolution proceedings developed for data protection disputes.
- c) Each party shall abide by a decision of a competent court of the data exporter's country of establishment or of the authority which is final and against which no further appeal is possible.

VI. Termination

- a) In the event that the data importer is in breach of its obligations under these clauses, then the data exporter may temporarily suspend the transfer of personal data to the data importer until the breach is repaired or the contract is terminated.
- b) In the event that:
 - i. the transfer of personal data to the data importer has been temporarily suspended by the data exporter for longer than one month pursuant to paragraph (a);
 - ii. compliance by the data importer with these clauses would put it in breach of its legal or regulatory obligations in the country of import;
 - iii. the data importer is in substantial or persistent breach of any warranties or undertakings given by it under these clauses;
 - iv. a final decision against which no further appeal is possible of a competent court of the data exporter's country of establishment or of the authority rules that there has been a breach of the clauses by the data importer or the data exporter; or
 - v. a petition is presented for the administration or winding up of the data importer, whether in its personal or business capacity, which petition is not dismissed within the applicable period for such dismissal under applicable law; a winding up order is made; a receiver is appointed over any of its assets; a trustee in bankruptcy is appointed, if the data importer is an individual; a company voluntary arrangement is commenced by it; or any equivalent event in any jurisdiction occurs

then the data exporter, without prejudice to any other rights which it may have against the data importer, shall be entitled to terminate these clauses, in which case the authority shall be informed where required. In cases covered by (i), (ii), or (iv) above the data importer may also terminate these clauses.

- c) Either party may terminate these clauses if (i) any Commission positive adequacy decision under Article 25(6) of Directive 95/46/EC (or any superseding text) is issued in relation to the country (or a sector thereof) to which the data is transferred and processed by the data importer, or (ii) Directive 95/46/EC (or any superseding text) becomes directly applicable in such country.
- d) The parties agree that the termination of these clauses at any time, in any circumstances and for whatever reason (except for termination under clause VI(c)) does not exempt them from the obligations and/or conditions under the clauses as regards the processing of the personal data transferred.

VII. Variation of these clauses

The parties may not modify these clauses except to update any information in Annex B, in which case they will inform the authority where required. This does not preclude the parties from adding additional commercial clauses where required.

VIII. Description of the Transfer

The details of the transfer and of the personal data are specified in Annex B. The parties agree that Annex B may contain confidential business information which they will not disclose to third parties, except as required by law or in response to a competent regulatory or government agency, or as required under clause I(e). The parties may execute additional annexes to cover additional transfers, which will be submitted to the authority where required. Annex B may, in the alternative, be drafted to cover multiple transfers.

ANNEX A

DATA PROCESSING PRINCIPLES

1. Purpose limitation: Personal data may be processed and subsequently used or further communicated only for purposes described in Annex B or subsequently authorised by the data subject.
2. Data quality and proportionality: Personal data must be accurate and, where necessary, kept up to date. The personal data must be adequate, relevant and not excessive in relation to the purposes for which they are transferred and further processed.
3. Transparency: Data subjects must be provided with information necessary to ensure fair processing (such as information about the purposes of processing and about the transfer), unless such information has already been given by the data exporter.
4. Security and confidentiality: Technical and organisational security measures must be taken by the data controller that are appropriate to the risks, such as against accidental or unlawful destruction or accidental loss, alteration, unauthorised disclosure or access, presented by the processing. Any person acting under the authority of the data controller, including a processor, must not process the data except on instructions from the data controller.
5. Rights of access, rectification, deletion and objection: As provided in Article 12 of Directive 95/46/EC, data subjects must, whether directly or via a third party, be provided with the personal information about them that an organisation holds, except for requests which are manifestly abusive, based on unreasonable intervals or their number or repetitive or systematic nature, or for which access need not be granted under the law of the country of the data exporter. Provided that the authority has given its prior approval, access need also not be granted when doing so would be likely to seriously harm the interests of the data importer or other organisations dealing with the data importer and such interests are not overridden by the interests for fundamental rights and freedoms of the data subject. The sources of the personal data need not be identified when this is not possible by reasonable efforts, or where the rights of persons other than the individual would be violated. Data subjects must be able to have the personal information about them rectified, amended, or deleted where it is inaccurate or processed against these principles. If there are compelling grounds to doubt the legitimacy of the request, the organisation may require further justifications before proceeding to rectification, amendment or deletion. Notification of any rectification, amendment or deletion to third parties to whom the data have been disclosed need not be made when this involves a disproportionate effort. A data subject must also be able to object to the processing of the personal data relating to him if there are compelling legitimate grounds relating to his particular situation. The burden of proof for any refusal rests on the data importer, and the data subject may always challenge a refusal before the authority.
6. Sensitive data: The data importer shall take such additional measures (e.g. relating to security) as are necessary to protect such sensitive data in accordance with its obligations under clause II.
7. Data used for marketing purposes: Where data are processed for the purposes of direct marketing, effective procedures should exist allowing the data subject at any time to “opt-out” from having his data used for such purposes.
8. Automated decisions: For purposes hereof “automated decision” shall mean a decision by the data exporter or the data importer which produces legal effects concerning a data subject or significantly affects a data subject and which is based solely on automated processing of personal data intended to evaluate certain personal aspects relating to him, such as his performance at work, creditworthiness, reliability, conduct, etc. The data importer shall not make any automated decisions concerning data subjects, except when:
 - a)
 - i. such decisions are made by the data importer in entering into or performing a contract with the data subject, and
 - ii. the data subject is given an opportunity to discuss the results of a relevant automated decision with a representative of the parties making such decision or otherwise to make representations to that parties.
 - or
 - b) where otherwise provided by the law of the data exporter.

Appendix- Electronic Commerce

This Electronic Commerce Appendix specifies the electronic commerce requirements applicable to Supplier in providing the Goods and/or Services.

SECTION 1 - GENERAL TERMS

Each UC Location offers an electronic web-based purchasing and catalog system to facilitate the purchase of Goods and/or Services from UC suppliers. UC Locations' eProcurement systems currently are provided by multiple service providers. Eight of the ten UC campuses utilize the same platform but may require separate implementations, as will the remaining campuses and/or Medical Centers. This Appendix sets forth the terms and conditions that will govern Supplier's sale of Goods and/or Services through UC's eProcurement systems.

SECTION 2 - DEFINITIONS

Catalog(s) refers to the list of detailed product information, agreement pricing, manufacturer part numbers and/or service descriptions relating to the Goods and/or Services to be offered either as a Punch-out Catalog, a Hosted Catalog or in a combination. This may include the creation of multiple Hosted Catalogs.

eProcurement and eCommerce are used interchangeably to mean UC's electronic web-based purchasing and catalog systems. Each UC location has a branded eProcurement site.

Go Live Date means the date on which a Catalog will be active.

Hosted Catalog means a Catalog that is a properly formatted computer file supplied to all UC Locations through the Locations' respective eProcurement systems.

Order means a purchase order for Goods and/or Services placed by a User through an eProcurement system.

Order Data means all data and information relating to Orders, including, without limitation, the specifics of a given transaction.

Punch-out Catalog means a Catalog hosted by Supplier on Supplier's Site. Users may access this Punch-out Catalog via an Internet link provided by Supplier to UC that redirects a User from the Location's eProcurement system to Supplier Site.

Supplier Mark means Supplier's name, trade name and/or trademarks, service mark, or any derivation thereof.

Supplier Site means an internet site operated and maintained by Supplier that has been made subject to this Appendix.

UC Mark means UC's name, trade name and/or trademarks, service marks, or any derivation thereof.

User means an individual authorized by a UC location to use an eProcurement system.

SECTION 3 – RIGHT TO USE

UC grants to Supplier the right to sell Goods and/or Services to UC through the eProcurement systems, subject to the terms of this agreement. Supplier will be responsible for any cost of operation or dispute with regard to its interface with UC's eProcurement systems.

SECTION 4 – e-PROCUREMENT SYSTEM RESPONSIBILITIES; MAINTENANCE OF CATALOG(S); LICENSE

(a) e-Procurement System Responsibilities.

Except as otherwise set forth herein, each party will be responsible, at its own expense, for: (i) developing, operating and maintaining its relevant system(s); (ii) acquiring and maintaining its server hardware and software (or obtaining third-party hosting services) for its relevant system(s); and (iii) maintaining Internet connectivity.

The supplier will enable its catalog with any UC location that requests one, as long as it is not out of the scope of the terms of the agreement or this appendix. The parties agree to electronically link the functionality of their respective systems, using commercially reasonable efforts.

Purchase Order and Invoice/Credit Memo Data will be transmitted between the systems according to the appropriate method for each University location, cXML, xCBL or EDI standards being preferred. Other methods of PO or Invoice/Credit Memo transmission will only be allowed at the discretion of each University location.

A supplier's Punch-out site (if applicable) will permit: (a) Users to access the Supplier Site when a User selects the Punch-out Catalog; (b) Supplier site to send back user selected items to Location's eProcurement system; (c) User to create an Order through the Location's eProcurement system; and (d) UC eProcurement systems to forward an Order to Supplier for confirmation and Order processing along with Order status inquiry.

Supplier must be able to accommodate orders and invoices for multiple UC locations sharing a single eProcurement platform. Supplier must be able to identify the Punch-out session and transmitted PO as being from the individual locations. If providing a Punch-out catalog, Supplier must be able to accommodate multiple UC locations on a single platform using a single Punch-out site, unless requested otherwise by UC.

(b) Maintenance of Hosted and Punch-out Catalogs.

Supplier will provide its Catalog(s) to UC in a file format that will interface seamlessly with UC's eProcurement systems. These Catalog files will be in compliance with each UC Location's eProcurement system.

UC makes no guarantee of a Go Live Schedule for establishment of a new catalog Systemwide, as each Location is a separate enablement and subject to resource availability. Timelines will be estimated and adjusted by UC as needed for concurrent implementations.

For Hosted Catalogs, Supplier must provide UC with updated versions of the Catalog file with, at a minimum, full descriptions and images that Supplier currently utilizes for items offered in its proprietary websites and Punch-out Catalogs. The parties will update each other regarding eCommerce specifications as needed from time to time.

Supplier must notify UC's Contract Administrator at least three (3) weeks in advance of the proposed Go Live Date if it will be requesting additions, deletions, or modifications to the Catalogs. After such advance notification, Supplier must provide UC with Catalog files containing the requested additions, deletions, or modifications with no less than the lead time specified in Section 10 of this appendix. In addition, for price file updates with a mutually agreed upon activation of January 1, Supplier must submit proposed files at least five (5) weeks prior to the first working day in January. Upon UC's approval of the new Catalog file, UC and Supplier will confirm the Go Live Date; the updated version of the Catalog file will be made effective on that Go Live date. If UC rejects a Catalog more than once because it does not meet UC's acceptance criteria, the Contract Administrator will suspend Supplier's price/content change until the date of Supplier's next acceptable contracted change.

If there is a conflict between a price in a Hosted Catalog and a Punch-out Catalog, UC will be invoiced at the lower price. Supplier must notify UC in advance when substituting items, changing SKU numbers or changing the number of items in a package in any Catalog.

Content in Supplier catalog is limited to the categories specified in this agreement, with additional categories allowed at UC's discretion. Supplier agrees that UC may block Catalog items at the category and/or SKU level.

The University will require Supplier to clearly identify products as Hazardous Materials, Radioactive, and Controlled Substances in the Supplier's catalog, whether Hosted or Punch-out. For Punch-out the identifier will be returned to the cart of the Location's eProcurement system, in a manner/field acceptable to the Location.

The University will require Supplier to clearly identify products with UC-recognized sustainability/green certifications in both hosted and Punch-out catalogs. UC's Contract Administrator will work with Supplier to ensure that contract items that meet the UC criteria for Green/Sustainable products will be prioritized in all product searches. Products that do not meet UC's minimum criteria requirements may be blocked in all hosted catalogs and Punch-out catalogs at UC's discretion.

Supplier is responsible for providing UC with Catalogs that contain accurate pricing and data in accordance with the Agreement. If UC determines there are errors in the pricing or data attributes of a Catalog, UC will notify Supplier of those errors in writing and reject the Catalog. Supplier will have no more than ten (10) business days to review and correct the errors.

(c) License.

Supplier hereby grants to UC, at no additional cost, a limited, non-exclusive, royalty-free right to link to and access the Supplier Site from the eProcurement sites, subject to the terms and conditions herein and solely for the purpose of permitting Users to access the Services. All Supplier Marks will remain the sole property of Supplier.

(d) Accessibility Requirements.

Supplier agrees that Supplier will make available Goods/Services accessible to people with disabilities and conform to the technical requirements of the relevant Revised Standards of Section 508 of the federal Rehabilitation Act. In addition, Supplier warrants that:

- i. Any catalog content provided to UC will comply with the accessibility requirements of WCAG 2.0AA.
- ii. Supplier will promptly respond to and resolve any complaint regarding accessibility of any catalog content provided to UC.

SECTION 5 – USER SUPPORT

(a) UC Duties. Each UC Location will provide its Users with initial contact and system support assistance on all functionality and use issues for eProcurement (including links to the Supplier Site). When known, UC will promptly notify Supplier of any such issues relating to the Catalog, the Supplier Site, and/or other Supplier materials/systems.

(b) Supplier Duties. Supplier will provide all customer support relating to the Catalog, Supplier Goods and/or Services, Invoicing/Payment/Credits, and Supplier Sites in a manner consistent with the customer support that Supplier provides to other customers, and at least as good as the customer support that Supplier provides to customers who are purchasing through any other means.

SECTION 6 – PROPRIETARY RIGHTS

UC's Terms and Conditions of Purchase contains provisions regarding the parties' rights and responsibilities with respect to intellectual property relating to the Goods and Services. Without altering those provisions, the parties additionally agree as follows: UC may require Supplier to "brand" Supplier's Punch-out Catalog with one or more UC Marks. If UC requires Supplier to utilize one or more UC Marks on Supplier's Punch-out Catalog, UC will provide the appropriate artwork and such artwork will be deemed to have been provided with a limited, non-exclusive, non-sub-

licensable right for Supplier to use it solely for the purpose of a UC-branded Punch-out Catalog hosted by Supplier and subject to the following terms:

- (i) Supplier may not make any additional use of the UC Marks without UC's prior written approval.

Supplier's use of the UC Marks in the Punch-out Catalog must acknowledge UC's ownership of the UC Marks. Supplier will include all notices and legends with respect to UC trademarks, trade names, or copyrights as may be required by applicable trademark and copyright laws or which may be reasonably requested by UC. Supplier agrees not to claim any title to UC Marks or any right to use UC Marks except as permitted by this Appendix. Upon termination of this Appendix or the Agreement, all rights to UC Marks conveyed by UC to Supplier will cease and Supplier will destroy or return to UC all media with UC Marks. UC specifically reserves any and all rights to UC Marks not specifically granted to Supplier.

Supplier grants to UC the right to use Supplier's trademarks, logos, trade names, and service marks for the purpose of promoting UC eProcurement sites to the UC community. UC acknowledges Supplier's right, title, and interest in and to Supplier's Marks and Supplier's exclusive right to use and license the use of Supplier Marks and agrees not to claim any title to Supplier Marks or any right to use Supplier Marks except as permitted by this Appendix. UC will include all notices and legends with respect to Supplier trademarks, trade names, or copyrights as may be required by applicable trademark and copyright laws or which may be reasonably requested by Supplier. Upon termination of this Appendix, all rights to Supplier Marks conveyed by Supplier to UC will cease and UC will destroy or return to Supplier all media with Supplier Marks. Supplier specifically reserves any and all right to Supplier Marks not specifically granted to UC.

- (ii) The licenses granted in the previous paragraphs regarding UC Marks and Supplier Marks are subject to the ongoing approval of the party owning the respective trademarks, logos, trade names, or copyrights. Such ongoing approval includes the ability to terminate – at any time, for any reason, and in the sole discretion of the owner of the respective trademarks, logos, trade names, or copyrights – the trademark licenses provided in the preceding paragraphs for any particular trademark, logo, trade name, or copyrighted work without necessarily terminating this Appendix. Each party agrees not to take any action that will adversely reflect upon or damage the goodwill, reputation, or the brand value of the other party. Each party further agrees not to take any action that is inconsistent with the other party's ownership of the respective trademarks, trade names, or copyrights. At all times (including following termination of the Agreement), Supplier agrees to comply with Section 92000 of California's Education Code.

(a) Grant of License. Supplier hereby grants UC a non-exclusive, royalty-free: (i) license to use, copy, transmit, and display the Catalog, any information contained therein and the Supplier Marks for the purposes of permitting Customers to access information about and order Supplier Goods and/or Services from a Catalog and (ii) if Supplier is using a Punch-out Catalog, right to link to and access the Punch-out Catalog on the Supplier Site, for the purposes of permitting Customers to access the Supplier Website and permitting Customers to order Supplier Goods and/or Services.

(b) Modifications. UC will not modify or remove any of the proprietary rights markings in the Catalog. UC will not modify the content of the Catalog, except as indicated by Supplier, but may require Supplier to make and submit modifications if required as part of this agreement. However, for hosted catalogs, UC reserves the right to attach flags to catalog items as an aid to shoppers in selecting preferred items, such as green or recycled. UC will not make any representations or warranties, or provide any information, to any third party regarding any Supplier Goods and/or Services (including, but not limited to, any representations or warranties of any information regarding availability, delivery, pricing, characteristics, qualifications or specifications thereof). If UC believes in good faith that any Supplier information does not conform to the requirements of the associated UC Agreement or this Appendix, UC will be entitled to withdraw the Catalog from UC eProcurement sites. In such a case, UC will promptly notify the Supplier of the actions it has taken and will work with the Supplier promptly to resolve UC's concerns. When UC's

concerns are satisfactorily resolved UC will promptly restore the Catalog, if appropriate. UC will have no liability to the Supplier or anyone else for exercising these rights.

(c) Acknowledgment. Each party acknowledges that the technology embodied in the other party's Site may be based on patented or patentable inventions, trade secrets, copyrights or other intellectual property or proprietary rights ("Intellectual Property Rights") owned by the other party and its applicable licensors.

(d) UC Rights. As between the parties, UC will be the sole owner of – or, with respect to any items licensed by UC, will retain all rights to all Intellectual Property Rights associated with UC eProcurement sites, including any modifications, updates, enhancements or upgrades to any of the foregoing, as well as any Order Data generated or collected on such site (collectively, the "UC Materials"). Except as provided herein, Supplier may not copy or use in any way, in whole or in part, any UC Materials without UC's prior written approval. Any permitted copies of such property, in whole or in part, alone or as part of a derivative work, will remain UC's sole property. Supplier agrees to reproduce and include UC's copyright, trademark and other proprietary rights notices on any permitted copies of UC Materials including, without limitation, partial copies and copied materials in derivative works. Supplier will not copy or reproduce any third-party copyrighted or trademarked materials, which appear on or are otherwise associated with any UC eProcurement site without UC's prior written consent.

SECTION 7 – MULTIPLE SUPPLIERS

Supplier acknowledges that all UC eProcurement sites are intended to facilitate Users' ability to obtain Goods and/or Services from more than one supplier. Nothing in this Appendix will be construed to prevent UC from entering into similar agreements with any third parties including, without limitation, suppliers that may be in competition with Supplier.

SECTION 8 – WARRANTY DISCLAIMER

UC does not warrant that access to UC eProcurement sites will be uninterrupted or that the results obtained by use of UC eProcurement sites will be error-free.

SECTION 9 – DISPUTES AND CHANGES IN THE SERVICES

(a) UC and Supplier agree to negotiate in good faith to resolve problems, questions and disputes.

(b) Where improvements and clarifications can be made in the business processes related to eProcurement, both parties agree to incorporate such changes as long as they are mutually agreed upon.

- 6.2.1 Provide secure login for administrator access (including username and password). Upon setup and configuration, all default device or interface passwords must be changed and communicated to the designated contacts(s).
 - 6.2.2 Provide IP and MAC address filtering to limit users' access to the device via the web interface; and
 - 6.2.3 Provide on/off (switchable) provisions for other types of access, including but not limited to telnet, rsh, SNMP, FTP, IPSec, SSL/TLS, etc. Suppliers must list all on/off provisions for all types of access in their response.
- 6.3 All MFDs/Laser Printers that are equipped with hard drives must:
- 6.3.1 Possess an "always on" security feature that overwrites the sector(s) of the hard drive used for processing copy, print, or scan data using at least 3 passes, preventing the data from remaining on the hard drive of the MFD or Laser Printer after the copy, print, or scan job is finished.
 - 6.3.2 Provide at least 128-bit AES encryption (or equivalent) as part of the storage process for any information held on the hard drive for long-term storage.
 - 6.3.3 Provide secure login for administrator access (including username and password), allowing administrators to set access levels for users who perform tasks on the device (e.g., managing address books (fax or scan addresses), or printing print, fax, or copy/scan logs). Upon setup and configuration, all default device or interface passwords must be changed and communicated to the designated contacts(s).
 - 6.3.4 Isolate any incoming FAX line from all hardware that has network access. MFDs must have no physical or data connection between the Page Memory (or Temporary Data Storage) and the FAX controller.
- 6.4 Hard Drive Data. University acknowledges that the hard drive(s) on the equipment, may retain images, content or other data that University may store for purposes of normal

Attachment A - Statement of Work (SOW)

operation of the equipment ("HD Data"). University acknowledges that Supplier is not storing HD Data on University's behalf and that exposure or access to the HD Data by Supplier, if any, is purely incidental to the services performed by Supplier. The equipment contains various security features that University can utilize to easily erase or dispose of stored data.

- 6.5 Provide on/off (switchable) control of read/write access to the device from portable media (e.g., SD cards, USB drives, etc.); UC System Administrator will be required to initialize the Hard Drive via the device's local control panel utilizing the "Initialize All Data/Settings" function and additionally, Supplier will be required to initialize the Hard Drive utilizing the "Initialize All Data/Settings" function and provide certification of completion including device serial number, device name, erase mode, date and time of erasing, and firmware version to the appropriate UC System Administrator, at the end of a lease, cost-per-copy agreement, or at trade-in (or at any time, for any reason, an MFD and/or Laser Printer is removed from UC) at no additional cost to UC. From time to time, when devices are leased, Supplier may be required to remove and surrender a Hard Drive to a UC System Administrator, for a flat fee as priced in Pricing Exhibits 1.

1. If Solid State Devices (SSD) are used solely on Canon supplied devices, when the "Initialize All Data/Settings" function is invoked, the result would be equivalent to a cryptographic erasure
2. If there will be a mix of SSD and Hard Disk Drives (HDD) used on Canon supplied devices, when the "Initialize All Data/Settings" function is invoked, the result would be equivalent to cryptographic erasure on Canon supplied SSD and purging (secure erase firmware command or cryptographic erasure) for Canon supplied HDD.
3. See below bullets for further clarity and definitions

- Definitions Per [UC IS-3 UC Institutional Information Disposal Standard](#):

Cryptographic Erasure is defined as a disposal process that safely destroys all copies of the decryption key. If all data is adequately encrypted, then once the decryption key is removed, the Institutional Information is not recoverable. Note, for Cryptographic Erasure, the UC IT Workforce Member must verify that all data is adequately encrypted on the Canon device. The location of all decryption keys must be known and documented. An action that safely destroys all copies of the key must be available. The cryptographic algorithm employed must meet minimum standards, as defined by NIST FIPS 140-2.

Purging is defined as a disposal process that makes the media reusable but makes accessing the Institutional Information infeasible. This applies to physical or logical techniques that render Institutional Information recovery unachievable. Purge protects against laboratory attacks. Executing the secure erase firmware command on a disk drive, Cryptographic Erase and Degaussing are acceptable methods of purging.

- 6.6 Supplier will work with each University, Health Center and Laboratory System Administrator to create the appropriate standards for device security including; interface, network, port

Attachment A - Statement of Work (SOW)

usage, authentication, key/certification, log, job and storage parameters. Prior to deliver the HDD Data Erase function will be enabled in all Canon imageRUNNER devices to overwrite at least once with NULL Data in the temporary image data storage areas. UC System Administrator can configure the device to automatically overwrite to other settings.

OMNIA Partners Exhibit - Terms applicable to all Non-University of California Entities

the HD Data. The equipment contains various security features that University can utilize to easily erase or dispose of stored data.

- 6.5 Provide on/off (switchable) control of read/write access to the device from portable media (e.g., SD cards, USB drives, etc.); Participating Agencies System Administrator will be required to initialize the Hard Drive via the device's local control panel utilizing the "Initialize All Data/Settings" function and additionally, Supplier will be required to initialize the Hard Drive utilizing the "Initialize All Data/Settings" function and provide certification of completion including device serial number, device name, erase mode, date and time of erasing, and firmware version to the appropriate Participating Agencies System Administrator, at the end of a lease, cost-per-copy agreement, or at trade-in (or at any time, for any reason, an MFD and/or Laser Printer is removed from Participating Agencies) at no additional cost to Participating Agencies. From time to time, when devices are leased, Supplier may be required to remove and surrender a Hard Drive to a Participating Agencies System Administrator, for a flat fee as priced in Pricing Exhibit 2.

1. If Solid State Devices (SSD) are used solely on Canon supplied devices, when the "Initialize All Data/Settings" function is invoked, the result would be equivalent to a cryptographic erasure
2. If there will be a mix of SSD and Hard Disk Drives (HDD) used on Canon supplied devices, when the "Initialize All Data/Settings" function is invoked, the result would be equivalent to cryptographic erasure on Canon supplied SSD and purging (secure erase firmware command or cryptographic erasure) for Canon supplied HDD.
3. See below bullets for further clarity and definitions

- Definitions Per [UC IS-3 UC Institutional Information Disposal Standard](#):

Cryptographic Erasure is defined as a disposal process that safely destroys all copies of the decryption key. If all data is adequately encrypted, then once the decryption key is removed, the Institutional Information is not recoverable. Note, for Cryptographic Erasure, the UC IT Workforce Member must verify that all data is adequately encrypted on the Canon device. The location of all decryption keys must be known and documented. An action that safely destroys all copies of the key must be available. The cryptographic algorithm employed must meet minimum standards, as defined by NIST FIPS 140-2.

Purging is defined as a disposal process that makes the media reusable but makes accessing the Institutional Information infeasible. This applies to physical or logical techniques that render Institutional Information recovery unachievable. Purge protects against laboratory attacks. Executing the secure erase firmware command on a disk drive, Cryptographic Erase and Degaussing are acceptable methods of purging.

- 6.6 Supplier will work with each Participating Agencies System Administrator to create the appropriate standards for device security including; interface, network, port usage,

authentication, key/certification, log, job and storage parameters. Prior to deliver the HDD Data Erase function will be enabled in all Canon imageRUNNER devices to overwrite at least once with NULL Data in the temporary image data storage areas. Participating Agencies System Administrator can configure the device to automatically overwrite to other settings.

Canon Solutions America, Inc.
Master Sales and Services Agreement
General Terms

This MASTER SALES AND SERVICES AGREEMENT, INCLUDING THE CUSTOMER INFORMATION FACE PAGE, THESE GENERAL TERMS, AND ANY APPLICABLE RIDER(S), SCHEDULES AND ADDENDA (AS DEFINED BELOW) (collectively the "Agreement") is entered into by and between Canon Solutions America, Inc. ("CSA") and its customer, as named on the Customer Information Face Page ("you" or "Customer"). "Parties" shall mean Customer and CSA. All notices to CSA shall be sent as set forth in Section 18.

GENERAL TERMS

1. **PURCHASE OR LEASE OF LISTED ITEMS.** You and CSA agree that you will purchase or lease, as applicable pursuant to the terms and conditions of this Agreement, the equipment ("Equipment"), Equipment maintenance including supplies under a supply inclusive maintenance plan ("Maintenance"), application software licenses ("Software") which excludes Embedded Software as set forth in Rider A, "Software Subscriptions" as defined in Rider C, Software installation services ("Software Installation Services"), Software support contracts ("Software Support Contracts"), subscription support services ("Subscription Support Services"), managed print services ("MPS"), and/or other products and services incorporated by a schedule or addendum accepted by CSA (all collectively, the "Listed Items"), each as described in any rider hereto ("Rider") or any Order Schedule, Return Schedule, MPS Schedule or other schedule or order document accepted by CSA (each a "Schedule"). Each Schedule referring to this Agreement will constitute a separate agreement for the acquisition of the Listed Items described therein and shall incorporate the terms of this Agreement. "NOLI" for purposes of Rider F shall mean non-CSA Listed Items, which may include hardware, software (and specifically third party software), equipment, supplies, service, warranty, network equipment and other items not listed in CSA's price list and as designated on the Master Sales and Services Agreement. NOLI products are provided as a convenience to Customers and are not eligible for any warranty or maintenance under this Agreement and accordingly Customer waives any claim it might have against CSA for any loss, damages or expenses caused by NOLI products. "Products" shall mean Equipment, Software and Software Subscriptions, and any other products incorporated into this Agreement by a Schedule or addendum accepted by CSA ("Addendum" or "Addenda"). "Services" shall mean Maintenance, Software Installation Services, Subscription Support Services, MPS and any other services incorporated into this Agreement by a Schedule or Addendum. "Lease" shall mean the document pursuant to which you lease Listed Items from a "Leasing Company", which shall solely govern as to matters contained therein, and unless otherwise set forth on the Customer Information Face Page or any Addendum, the Leasing Company is Canon Financial Services, Inc. ("CFS"). To the extent the terms of any Rider conflict with these General Terms, the terms of the Rider shall control. Unless specifically otherwise defined in a Rider or Schedule, shall have the meaning defined in these General Terms. THE PARTIES MAY AMEND THE TERMS OF THIS AGREEMENT BY USE OF A MUTUALLY AGREEABLE ADDENDUM, EXECUTED BY YOU AND AN AUTHORIZED REPRESENTATIVE OF CSA.
2. **TERM.** The initial term during which Services shall be provided, and for the lease of Products, unless earlier terminated as provided in these General Terms or the applicable Rider, is as set forth on the applicable Schedule. That initial term shall be subject to renewal as provided in the applicable Rider.
3. **DELIVERY/INSTALLATION OF EQUIPMENT.** Unless otherwise set forth in a Schedule, delivery and installation of Equipment is at no additional charge, so long as no special rigging is required (in which event CSA's rates therefor will apply). For purposes of this Agreement, "special rigging" shall include, but not be limited to, the use of cranes, forklifts, or other mechanical devices; and/or the engagement of additional personnel beyond those ordinarily required for CSA to deliver Equipment via delivery van

General Terms

and maneuver unimpeded into and through the loading dock, hallways, and, if necessary, stairs and/or elements of Customer's facility manually through the use of a hand truck or dolly.

4. **PAYMENT TERMS AND CHARGES.** The total price specified in any Schedule for the Listed Items, including taxes and delivery/installation charges (if any), is due and payable within 30 days of the invoice date unless otherwise stated on the invoice. Should Maintenance or Software support not be purchased at the time of the initial delivery of the Product, or should it terminate or be suspended, additional fees to inspect the Product or otherwise to start or reinstate the Maintenance or Software support shall apply. Applicable taxes shall be added to the charges. Without limiting any of CSA's rights and remedies under applicable law, if payments are late, CSA may charge you and you agree to pay a late charge equal to the higher of five percent (5%) of the amount due or \$10 as reasonable collection fees, not to exceed the maximum amount permitted by law, and you shall pay the actual and reasonable costs and expenses of collection incurred by CSA, including the maximum attorney's fees permitted by law.
5. **CREDIT.** CSA reserves the right to withhold shipment of the Listed Items until you (or the Leasing Company, if applicable) make full payment of the total price specified in all Schedules accepted by CSA, or to revoke any credit extended to you because of your failure to pay any amounts when due pursuant to such Schedules or the applicable CFS Lease, or for any other reason affecting your creditworthiness. If at any time prior to shipment, CSA discovers any mistake in pricing or configuration for any of the Listed Items, CSA reserves the right to notify you of the mistake in writing, and such notification will constitute the non-acceptance of this Agreement by CSA with respect to such Listed Items without liability.
6. **LIMITED WARRANTIES AND DISCLAIMER.** Canon brand Equipment is provided with an end user limited warranty, from the manufacturer, either Canon U.S.A., Inc. ("Canon") or a Canon affiliated company. CSA is an authorized Canon service dealer and provides warranty service pursuant to the Canon limited warranties. Warranties, if any, for other Products and Services are provided by the manufacturer or developer or as may also be provided in the applicable Rider or Schedule. The use of Software is at all times subject to and governed by the applicable end user license agreement. In addition to the aforesaid manufacturer or developer warranties, CSA warrants that on completion of installation of Canon brand Equipment will be (1) in material conformance with the manufacturer's published specifications, (2) qualified for CSA's standard maintenance services and (3) free from material defects in workmanship and materials. All parts replaced under a warranty shall become the property of CSA or the manufacturer. The CSA warranty set forth herein does not apply to used or refurbished Equipment and is conditioned upon Customer giving prompt written notice to CSA of any discovered defects at the time installation is complete. CUSTOMER'S SOLE AND EXCLUSIVE REMEDY FOR BREACH OF THE FOREGOING CSA WARRANTY SHALL BE TO REJECT THE EQUIPMENT AND CANCEL THE AFFECTED EQUIPMENT SCHEDULE AT THE TIME INSTALLATION IS COMPLETED. IN NO EVENT SHALL A BREACH OF THIS WARRANTY GIVE RISE TO A CLAIM FOR DAMAGES AGAINST CSA. THE WARRANTIES CONTAINED OR REFERENCED IN THIS AGREEMENT ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES REGARDING MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, RELATING TO THE USE OR PERFORMANCE OF THE LISTED ITEMS, AND ALL SUCH OTHER WARRANTIES, INCLUDING ANY RELATING TO THE USE OR PERFORMANCE OF THE LISTED ITEMS OR ANY METER READ COLLECTION METHOD PROVIDED BY CSA, ARE HEREBY EXPRESSLY DISCLAIMED. YOU EXPRESSLY ACKNOWLEDGE THAT THE FURNISHING OF MAINTENANCE OR SERVICES UNDER THIS AGREEMENT DOES NOT ASSURE UNINTERRUPTED OPERATION AND USE OF THE LISTED ITEMS.

CSA may suspend providing Listed Items under this Agreement in whole or in part until any delinquent payment is received by CSA (or CFS as applicable), and You agree that any such suspension shall not in and of itself be deemed a termination of this Agreement. If an overdue payment under this Agreement or any Rider or Schedule is disputed in good faith within thirty (30) days after its due date, you shall pay all undisputed amounts and promptly make a good faith effort to resolve such dispute with CSA. In the event of your default, CSA may, without limiting its other rights and remedies available under applicable law and this

- 14. ENTIRE AGREEMENT; MASTER AGREEMENT AND OVERRIDING CONTRACT TERMS.** This Agreement, together with all Riders, Schedules, and Addenda now and hereafter entered into and any related CSA credit application, constitute the entire agreement between the Parties with respect to the furnishing of the Listed Items and the performance of the Services, superseding all previous proposals and agreements, oral or written; and any default by Customer under any part of this Agreement shall constitute a default of the entire Agreement. If the Customer Information Face Page references a master agreement (which may be a separate master agreement entered into between Customer, or an affiliate of Customer, and CSA), or if a Schedule references an overriding contract (an "OC" meaning a group purchasing or cooperative or governmental agreement under which Customer is an eligible participant) or a master agreement between you (or one of your affiliates) and CSA, then the terms of such OC or master agreement shall apply to the extent applicable to the transactions contemplated by this Agreement, and the terms of this Agreement shall apply to the extent not inconsistent with the terms of such OC or master agreement.

NOTWITHSTANDING THE FOREGOING, AND EXCEPT AS YOU AND CSA AND/OR CFS AGREE IN AN EXECUTED ADDENDUM, A PROVISION MAY ALSO BE AMENDED BY A WRITTEN NOTIFICATION FROM CSA TO YOU AT YOUR EMAIL ADDRESS LISTED ON THE CUSTOMER INFORMATION FACE PAGE (OR AS YOU SUBSEQUENTLY MODIFY IN WRITING), SETTING FORTH THE AMENDED PROVISION(S), WHICH SHALL BE DEEMED ACCEPTED BY YOU EFFECTIVE THIRTY (30) DAYS AFTER NOTIFICATION (OR SUCH LATER DATE SPECIFIED IN THE NOTIFICATION), UNLESS YOU ELECT, WITHIN SUCH THIRTY (30) DAY PERIOD, TO PROVIDE WRITTEN NOTICE THAT YOU OBJECT TO SUCH AMENDMENT, IN WHOLE OR IN PART, AS APPLICABLE, IN WHICH CASE THE PARTIES SHALL NEGOTIATE ANY SUCH MODIFICATION IN GOOD FAITH.

17. GENERAL TERMS. This Agreement shall be binding on you upon our receipt of your signature on the Customer Information Face Page and, as to each Schedule, on the date we receive your signature thereon. Each Schedule shall be binding on CSA upon delivery of the Listed Item or commencement of performance by CSA under such Schedule. You expressly disclaim having relied upon any representation or statement concerning the capability, condition, operation, performance or specifications of the Listed Items, except to the extent set forth in this Agreement. No Lease between you and the Leasing Company with respect to any Listed Items shall be binding on CSA in any respect or affect your rights or CSA's obligations hereunder. ANY PURCHASE ORDER UTILIZED BY YOU (WHETHER OR NOT REQUIRED) SHALL BE FOR YOUR ADMINISTRATIVE CONVENIENCE ONLY, AND ANY TERMS THEREIN WHICH CONFLICT WITH, VARY FROM, OR SUPPLEMENT THE PROVISIONS OF THIS AGREEMENT SHALL BE DEEMED NULL AND VOID. If a court finds any provision of this Agreement (or part thereof) to be unenforceable, the remaining provisions of this Agreement shall remain in full force and effect. This Agreement shall not be assignable by you without CSA's prior written consent, and any attempted assignment without such consent shall be void; except that you may assign to your Leasing Company your right to acquire the Listed Items and your warranty rights with respect thereto, but your other rights hereunder are not assignable to the Leasing Company and such assignment shall not relieve you of any of your obligations hereunder (including your obligation to pay for Listed Items). THE GENERAL TERMS ARE INCORPORATED HEREIN BY REFERENCE. THE TERMS OF THIS RIDER A SHALL CONTROL OVER THE GENERAL TERMS UNLESS OTHERWISE SPECIFICALLY STATED HEREIN.

"Equipment" for purposes of this Rider A shall mean Canon branded office devices (and not Large Format equipment covered under Rider F nor printers covered under Rider E).

1. MAINTENANCE / TERM / CHARGES.

a. If Maintenance for Equipment is indicated on its Order Schedule, it shall mean that CSA will keep the Equipment in good working order subject to the terms of this Agreement. Maintenance shall include emergency break fix service, routine preventative maintenance, including inspection, adjustment, parts replacement, drums, and cleaning material required for proper Equipment operation. Maintenance shall start on the date (the "Start Date") of installation for newly installed Equipment (inclusive of standard embedded Canon brand software) covered under toner inclusive service. For all other newly installed Equipment, the Start Date shall be at the end of the relevant Equipment warranty or 90 days from installation, whichever comes first. The Start Date is stated on the Order Schedule for all previously in place Equipment.

b. The initial term of Maintenance is set forth on the Order Schedule, and thereafter shall renew for successive 12 month renewal terms unless either party gives written notice of non-renewal at least 30 days prior to the expiration of the then-current term. The renewal charges shall be reflected on the invoice for the first billing cycle of the renewal period.

c. Unless otherwise set forth in an Order Schedule, Service Charges shall start billing and Customer shall start payment upon the completion of installation. Maintenance Base Charge(s) and Per Image Charge(s) as listed on the applicable Order Schedule (collectively "Service Charges") are billed for full calendar month periods, with Maintenance Base Charge(s) billed in advance and Per Image Charge(s) billed in arrears.

d. The meter shall record a quantity of 1 image for each image printed on media sizes up to 13" x 19", and two images for any larger media. For Long Sheet images, defined as images printed on media longer than 19", there will be an additional Per Image Charge as set forth on the Order Schedule. If you are making Long Sheet images and there is no such charge on the Order Schedule, CSA will invoice you for such charges at our standard rate and you agree to pay same. For Equipment designated as Corporate Advantage, the meter shall record a quantity of 2 images for any image produced on media longer than 14".

e. If the Order Schedule is for a Fixed Price Plan charges shall not increase during the initial term, and if for a Standard Price Plan charges are subject to an annual increase up to 10% (as determined by CSA in its sole discretion) either (i) on each anniversary of the start date or (ii) once in each calendar year if you have selected the Aggregate Coverage Plan. Notwithstanding the foregoing and for purposes of clarity, with respect to transactions where CFS invoices the Maintenance Base Charge, such annual increase shall be applied only to the Excess Per Image Charge and shall exclude the Maintenance Base Charge.

f. If the Fleet or Aggregate plan is indicated in the Equipment Maintenance Information Section on an Order Schedule, the Maintenance Base Charge and the Covered Images listed on the first page of the Order Schedule apply to all of the Equipment on that Order Schedule, unless otherwise indicated.

g. If the Listed Items on an Order Schedule are added to an existing Fleet Coverage Plan under a previous Order Schedule or contract between you and CSA, (i) the fleet shall include the equipment listed under the previous Order Schedule or contract, and all other Order Schedules or contracts for which the add to existing fleet option was selected, and (ii) the maintenance term for all Listed Items under this Agreement shall be the same as the maintenance term for all listed items under all such previous Order Schedules or contracts.

h. If the Listed Items on an Order Schedule are added to an existing Aggregate Coverage Plan under a previous Order Schedule or contract between you and CSA, the Covered Images shall apply to all of the Equipment on the Order Schedule, unless otherwise indicated, plus the listed items under previous Order Schedule(s) or contract (s), and all other Order Schedules or contracts for which the add to existing Aggregate Coverage Plan was selected, on an aggregated basis, for so long as the maintenance term for all such listed items continues.

i. If the Per Unit is indicated in the Equipment Maintenance Information Section on an Order Schedule, the Maintenance Base Charge and the Covered Images listed in each Section of the Order Schedule shall apply on a per unit basis for the Equipment listed in that Section.

j. If image dependent service is selected, there shall be no Per Image Charges; however, the then-current term shall terminate at the end of the number of months specified on the Order Schedule or on the date when the images made exceed the maximum covered images specified on the Order Schedule, whichever event occurs sooner.

2. CUSTOMER SATISFACTION POLICY. If you are not satisfied with the performance of your Equipment, upon your written request, CSA in its sole discretion will repair or replace the Equipment with a like unit with equivalent capabilities. Prior to replacement, CSA shall have had the opportunity to return the Equipment to good working order in accordance with the terms of this Agreement. If a replacement unit of Equipment is provided, the replaced unit shall be removed from the Lease and the replacement unit shall be deemed a "Listed Item" under the Lease and for the Lease and all other purposes of this Agreement. This policy shall apply for 3 years from the date of installation or for the initial term of any CFS Lease, if longer, provided you are not in default of this Agreement or the Lease and such Maintenance services have not been canceled or terminated

You shall give CSA reasonable and safe access to the Equipment and CSA shall provide labor or routine, remedial and preventive Maintenance as well as remedial parts. CSA may terminate its Maintenance obligations for any Equipment you relocate to a site outside CSA's service territory.

Consumable Inclusive Maintenance is predicated upon deployment of CSA's remote reporting software (see Section 8 b. below installation and use), which includes Auto-Toner Replenishment. CFS -1133H (07/20)

CANON FINANCIAL SERVICES, INC.

14904 Collections Center Dr.

Chicago, Illinois 60693

(800) 220-0200

THESE MASTER LEASE TERMS (the "Lease Terms") apply to any schedule incorporating these Lease Terms by reference whether designated as a "Lease Schedule- Itemized," a "Lease Schedule - Blended" or otherwise (in any case, a "Lease Schedule") entered into by and between Canon Financial Services, Inc. ("CFS") and the customer identified in such Lease Schedule ("Customer") from time to time for the lease or rental, as applicable, to Customer of the Equipment (as defined below) supplied by Canon Solutions America, Inc. ("CSA") and described in such Lease Schedule. Each Lease Schedule referring to these Lease Terms will constitute a separate agreement for the lease of the equipment described therein and shall incorporate these Lease Terms.

1. AGREEMENT: CFS leases to Customer and Customer leases from CFS all the equipment described in any Lease Schedule signed by Customer and accepted by CFS, together with all replacement parts and substitutions for and additions to such equipment (the "Equipment"), and licenses of software, if applicable, ("Listed Software") with such Equipment and Listed Software collectively referred to as (the "Listed Items"), upon the Lease Terms.

2. TERM OF SCHEDULE: Each Lease Schedule shall be effective on the date the Equipment is delivered to Customer, provided Customer executes CFS' form of acceptance ("Acceptance Certificate") or otherwise accepts the Equipment as specified herein. Any such acceptance is irrevocable. If Customer has not, within ten (10) days after delivery of such Equipment, delivered to CFS written notice of any non-acceptance, specifying the reasons therefor and specifically referencing the relevant Lease Schedule, Customer shall be deemed to have irrevocably accepted such Equipment. The term of each Lease Schedule begins on the date accepted by CFS or any later date that CFS designates, and shall consist of the payment period specified on such Lease Schedule and any renewal periods. After acceptance of the Equipment covered by any Lease Schedule, Customer shall have no right to revoke such acceptance or cancel such Lease Schedule during the term indicated thereon. The term of any Lease Schedule shall end, unless sooner terminated by CFS, when all amounts required to be paid by Customer under such Lease Schedule have been paid as provided and either (a) Customer has purchased the Equipment in accordance with the terms hereof, or (b) the Equipment has been returned at the end of the scheduled term or renewal term in accordance with the terms thereof. Customer has no right to return the Equipment to CFS prior to the end of the scheduled term of any Lease Schedule for any reason whatsoever, including, without limitation, payment of all amounts due hereunder prior to the end of the scheduled term. As between CFS and Customer only, these Lease Terms shall supersede any Customer purchase order in its entirety, notwithstanding anything to the contrary contained in any such purchase order.

3. PAYMENTS: Customer agrees to pay to CFS, as invoiced, during the term of each Lease Schedule, (a) the lease or rental payments specified on the respective Lease Schedule, and (b) such other amounts permitted thereunder or in these Lease Terms as invoiced by CFS ("Payments"). The amount of each Payment and the End of Term Purchase Option specified on each Lease Schedule ("Purchase Option") are based on CSA's best estimate of the cost of the Equipment and any related services and supplies, including any sales and use tax. Customer authorizes CFS to adjust such Payments and Purchase Option prices by up to fifteen percent (15%) if the actual total cost of the Equipment and any related services and supplies, including any sales or use tax, is more or less than originally estimated. If a Lease Schedule indicates a "Standard" Price Plan, CSA has the right to increase both (i) the portion of the Monthly Base Charge related to copy charges and (ii) the Per Image Charge on each anniversary of the Commencement Date in an amount not to exceed fifteen percent (15%) of such charges which were in effect immediately prior to such price increase. **Customer agrees to advise CSA of the meter readings for the Equipment upon request.** Customer shall remit all Payments hereunder directly to CFS at 14904 Collections Center Drive, Chicago, Illinois 60693, unless otherwise directed by CFS. Customer's obligation to pay all amounts due under a Lease Schedule or these Lease Terms and all other obligations thereunder and hereunder is absolute and unconditional and is not subject to any abatement, set-off, defense, or counterclaim for any reason whatsoever. If Customer fails to pay any sum to be paid by Customer to CFS under any Lease Schedule on or before the due date, Customer shall pay CFS, upon demand, an amount equal to the greater of ten percent (10%) of each such delayed Payment or twenty-five dollars (\$25) for each billing period or portion of a billing period such Payment is delayed, in each case to the extent permitted by applicable law. The amounts specified above shall be paid as liquidated damages and as compensation for CFS' internal operating expenses incurred in connection with such late payment. In addition, Customer shall reimburse CFS for all of its out-of-pocket costs and expenses incurred in exercising any of its rights or remedies under any Lease Schedule or in enforcing any of the Lease Terms or any Lease Schedule, including without limitation reasonable fees and expenses of attorneys and collection agencies, whether or not suit is brought. Customer agrees that CFS may in its sole discretion apply, but shall not be obligated to apply, any amount paid in advance to any amount due or to become due hereunder. In no event shall any amount paid in advance earn interest except where required by applicable law.

4. NO CFS WARRANTIES: CUSTOMER ACKNOWLEDGES THAT CFS IS NOT A MANUFACTURER, DEALER, OR SUPPLIER OF THE EQUIPMENT. CUSTOMER AGREES THAT THE EQUIPMENT IS LEASED OR RENTED "AS IS" AND IS OF A SIZE, DESIGN, AND CAPACITY SELECTED BY CUSTOMER. CUSTOMER ACKNOWLEDGES THAT CFS HAS MADE NO REPRESENTATION OR WARRANTY WITH RESPECT TO THE SUITABILITY OR DURABILITY OF THE EQUIPMENT, THE ABSENCE OF ANY CLAIM OF INFRINGEMENT OR THE LIKE, OR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE EQUIPMENT INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS

FOR A PARTICULAR PURPOSE. So long as Customer is not in breach or default of any Lease Schedule, CFS assigns to Customer any warranties (including those agreed to between Customer and the manufacturer, dealer, or supplier) which CFS may have with respect to any item of Equipment; provided that the scope and limitations of any such warranty shall be solely as set out in any agreement between Customer and such manufacturer, dealer, or supplier or as otherwise specified in warranty materials from such manufacturer, dealer, or supplier and shall not include any implied warranties arising solely from CFS' acquisition of the Equipment. CUSTOMER ACKNOWLEDGES AND AGREES THAT NEITHER THE SUPPLIER NOR ANY DEALER IS AUTHORIZED TO WAIVE OR ALTER ANY LEASE TERM OR ANY LEASE SCHEDULE, OR MAKE ANY REPRESENTATION OR WARRANTY WITH RESPECT TO THE LEASE TERMS, ANY LEASE SCHEDULE, OR THE EQUIPMENT, ON BEHALF OF CFS.

5. USE; LOCATION; LIENS; PERSONAL PROPERTY; FINANCING STATEMENTS: Customer shall comply with all laws and regulations relating to the use and maintenance of the Equipment. Customer shall put the Equipment only to the use contemplated by the manufacturer. The Equipment shall remain personal property regardless of whether it becomes affixed to real property or permanently rests upon any real property or any improvement to real property. Customer shall not move the Equipment from the location specified on the applicable Lease Schedule except with the prior written consent of CFS. Customer shall keep the Equipment free and clear of all claims and liens other than those in favor of CFS. Customer authorizes CFS (and any third party filing service designated by CFS) to execute and file (a) financing statements evidencing the interest of CFS in the Equipment (including forms containing a broader description of the Equipment than the description set forth in the respective Lease Schedule), (b) continuation statements in respect thereof, and (c) amendments thereto, and Customer irrevocably waives any right to notice thereof. Customer's legal name (as set forth in its constituent documents filed with the appropriate governmental office or agency) is as set forth herein. Customer shall provide CFS with written notice at least thirty (30) days prior to any change of its legal name, chief executive office address or jurisdiction of organization).

6. INDEMNITY: Customer shall indemnify and defend CFS, its subsidiaries, directors, officers, employees and agents from and against any and all costs, expenses, liabilities, injuries, claims, damages, losses, judgments or fees (including reasonable attorneys' fees) caused by the Equipment, including, without limitation, arising from or related to the storage, transmission or destruction of Data. This Section shall survive termination of any and all Lease Schedules.

7. MAINTENANCE: Customer shall keep and maintain the Equipment in good working order and shall, at Customer's expense, supply and install all replacement parts and accessories when required to maintain the Equipment in good working condition. Customer shall not, without the prior written consent of CFS, make any changes or substitutions for and to the Equipment. Any and all replacement parts, accessories, authorized changes to and/or substitutions for the Equipment shall become part of the Equipment and subject to the Lease Terms. If a Lease Schedule includes payments for service and supplies, CSA is responsible for providing the service and supplies described in the Lease Schedule in accordance with CSA's terms and conditions, of which Customer acknowledges receipt. Unless otherwise indicated on a Lease Schedule, Customer authorizes CSA to use the imageWARE Remote feature of the Equipment to receive software updates and transmit use and service data accumulated by the Equipment over Customer's network by means of an HTTPS protocol and to store, analyze and use such data for purposes related to servicing the Equipment and product improvement. Customer acknowledges that the charges set forth on the Lease Schedule are contingent on the continued use of imageWARE Remote during the term. If Customer at any time disconnects, disables or denies access to this feature, CSA may increase the charges for such items by 5% for any subsequent billing period in which such feature remains non-operational. If CSA does not receive timely meter readings from Customer, Customer shall pay invoices that reflect CSA's estimates of meter readings. CSA or CFS may verify the accuracy of any meter readings from time to time and invoice Customer for any shortfall in the next invoice. Customer shall use reasonable care in handling and operation of the Equipment. CSA shall have the right to substitute equivalent Equipment at any time during the term of a Lease Schedule in connection with any replacement of the Equipment by CSA. Customer acknowledges that CFS will not be responsible for any service, repairs, or maintenance of the Equipment, whether provided for in the Lease Terms, the applicable Lease Schedule, or in any other agreement between CSA and Customer, and that if Customer has a dispute regarding the Equipment or the maintenance thereof, Customer shall continue to pay all charges due under the applicable Lease Schedule without deducting or withholding any amounts.

8. TAXES; OTHER FEES AND CHARGES: CUSTOMER SHALL PAY AND DISCHARGE WHEN DUE ALL LICENSE AND REGISTRATION FEES, ASSESSMENTS, SALES, USE, PROPERTY AND OTHER TAXES, AND OTHER EXPENSES AND CHARGES, together with any applicable penalties, interest, and administrative fees now or at any time imposed upon any Equipment, the Payments, or Customer's performance or non-performance of its obligations hereunder, whether payable by or assessed to CFS or Customer. If Customer fails to pay any such fees, assessments, taxes, expenses, or charges, as required hereunder, CFS shall have the right but not the obligation to pay those fees, assessments, taxes, expenses, and charges, and Customer shall promptly reimburse CFS, upon demand, for all such payments made plus administrative fees and costs, if any. Customer acknowledges that where required by law, CFS will file any notices and pay personal property taxes levied on the Equipment. Customer shall reimburse CFS for the expense of such personal property taxes as invoiced by CFS and pay CFS a processing fee not to exceed \$50 per year per item of Equipment that is subject to such tax. Customer agrees that CFS has not, and will not, render tax advice to Customer and that the payment of such taxes is an administrative act. For each Lease Schedule commenced incorporating these Lease Terms, Customer shall pay to CFS a documentation fee in the amount of \$85.

9. LOSS; DAMAGE; INSURANCE: Customer shall bear the entire risk of loss, theft or damage to the Equipment from any cause whatsoever, effective upon delivery to Customer. No such loss, theft, or damage shall relieve Customer of any obligation under the Lease Terms or any Lease Schedule. In the event of damage to any item of Equipment, Customer shall immediately repair such damage at Customer's expense. If any Equipment is lost, stolen, or damaged beyond repair, Customer, at the option of CFS, will (a) replace the

same with like equipment in a condition acceptable to CFS and convey clear title to such equipment to CFS (and such equipment will become "Equipment" and be subject to the Lease Terms), or (b) pay CFS the Remaining Lease Balance. Customer, at its sole cost and expense, shall, during the term hereof obtain and maintain property and liability insurance in form, amount, and with companies satisfactory to CFS. Each policy of insurance shall name CFS as additional insured and loss payee and provide CFS thirty (30) days written notice before the policy in question shall be materially altered or canceled. The proceeds of such insurance, at the option of CFS, shall be applied to (a) replace or repair the Equipment, or (b) pay CFS the Remaining Lease Balance on the applicable Lease Schedule. The "Remaining Lease Balance" shall be the sum of: (i) all Payments then owed and outstanding; (ii) the present value of all remaining Payments; (iii) the Purchase Option price of the Listed Items indicated on the Lease Schedule plus (iv) any applicable taxes, expenses, charges, and fees. For purposes of determining present value under any Lease Schedule, Payments shall be discounted at three percent (3%) per year. Customer hereby appoints CFS as Customer's attorney-in-fact solely to make claim for, receive payment of, and execute and endorse all documents, checks, or drafts for any loss or damage under any such insurance policy. If Customer fails to provide proof of insurance, CFS may, but is not required to obtain insurance covering CFS' interests, and charge the Customer for the costs of such insurance, and an administrative fee. CFS and any of its affiliates may make a profit on the foregoing.

10. DEFAULT: Any of the following events or conditions shall constitute an Event of Default under all Lease Schedules: (a) Customer defaults in the payment when due of any indebtedness of Customer to CFS, whether or not arising under any Lease Schedule, without notice or demand by CFS; (b) Customer or any guarantor of Customer's obligations hereunder ("Guarantor") ceases doing business as a going concern; (c) Customer or any Guarantor becomes insolvent or makes an assignment for the benefit of creditors; (d) a petition or proceeding is filed by or against Customer or any Guarantor under any bankruptcy or insolvency law; (e) a receiver, trustee, conservator, or liquidator is appointed for Customer, any Guarantor, or any of their property; (f) any statement, representation or warranty made by Customer or any Guarantor to CFS is incorrect in any material respect; or (g) if Customer or any Guarantor who is a natural person dies.

11. REMEDIES: Upon the happening of any one or more Events of Default, CFS shall have the right to exercise any one or all of the following remedies (which shall be cumulative), simultaneously, or serially, and in any order: (a) require Customer to immediately pay all unpaid Payments under any Lease Schedule (whether or not then due) and other amounts due under any and all Lease Schedules, with CFS retaining title to the Equipment; (b) to terminate any and all Lease Schedules with Customer; (c) with or without notice, demand or legal process, to enter upon the premises wherever the Equipment may be found, to retake possession of any or all of the Equipment, and (i) retain such Equipment and all Payments and other sums paid under all Lease Schedules, or (ii) sell the Equipment and recover from Customer the amount by which the Remaining Lease Balance exceeds the net amount received by CFS from such sale; or (d) to pursue any other remedy permitted at law or in equity. CFS (A) may dispose of the Equipment in its then present condition or following such preparation and processing as CFS deems commercially reasonable; (B) shall have no duty to prepare or process the Equipment prior to sale; (C) may disclaim warranties of title, possession, quiet enjoyment and the like; and (D) may comply with any applicable state or federal law requirements in connection with a disposition of the Equipment and none of the foregoing actions shall be deemed to adversely affect the commercial reasonableness of the disposition of the Equipment. If the Equipment is not available for sale, Customer shall be liable for the Remaining Lease Balance and any other amounts due under the applicable Lease Schedule. No waiver of any of Customer's obligations, conditions or covenants shall be effective unless contained in a writing signed by CFS. Failure to exercise any remedy that CFS may have shall not constitute a waiver of any obligation with respect to which Customer is in default.

12. ASSIGNMENT: CUSTOMER SHALL NOT ASSIGN OR PLEDGE ANY LEASE SCHEDULE IN WHOLE OR IN PART, NOR SHALL CUSTOMER SUBLET OR LEND ANY EQUIPMENT WITHOUT PRIOR WRITTEN CONSENT OF CFS. CFS may pledge or transfer any Lease Schedule. Customer agrees that if CFS transfers any Lease Schedule, the assignee will have the same rights and benefits that CFS has now and will not have to perform any of CFS' obligations which CFS will continue to perform. Customer agrees that the rights of the assignee will not be subject to any claims, defenses, or set-offs that Customer may have against CFS. If Customer is given notice of any such transfer, Customer agrees if so directed therein, to pay directly to the assignee all or any part of the amounts payable hereunder.

13. RENEWAL; RETURN: Except in the case of a Lease Schedule containing a \$1.00 Purchase Option, each Lease Schedule automatically renews under the same terms and conditions on a month-to-month basis if Customer fails to give CFS 60 days' prior written notice of its intent to purchase or return the Equipment before the end of any term. Unless a Lease Schedule automatically renews or Customer purchases the Equipment, Customer shall return the Equipment on the day the Lease Schedule terminates in good operating condition, ordinary wear and tear resulting from proper use excepted, at Customer's sole cost and expense to a location specified by CFS, and shall reimburse CFS for any costs incurred to place the Equipment in good operating condition. CFS may charge Customer a return fee equal to the greater of one Payment or \$250 for the processing of returned Equipment.

14. PURCHASE OPTION: .A) END OF TERM PURCHASE OPTION. At the end of any term, Customer shall give CFS 60 days' irrevocable prior written notice (unless the Purchase Option is \$1.00) that it will purchase all the Equipment at the Purchase Option plus any Costs. (B) PRIOR TO MATURITY PURCHASE. Customer may, at any time, upon 60 days' irrevocable prior written notice, purchase all the Equipment at a price equal to the sum of all remaining Payments plus the Fair Market Value plus Costs. "Fair Market Value" shall be CFS' retail price when Customer purchases the Equipment. Equipment purchases shall be "AS-IS WHERE-IS" without warranty, except for title.

15. DATA: Customer acknowledges that the hard drive(s) on the Equipment, including attached devices, may retain images, content or other data that Customer may store for purposes of normal operation of the Equipment ("Data"). Customer acknowledges that CFS is

not storing Data on behalf of Customer. Neither CFS nor any of its affiliates has an obligation to erase or overwrite Data upon Customer's return of the Equipment to CFS. Customer is solely responsible for: (A) its compliance with applicable law and legal requirements pertaining to data privacy, storage, security, retention and protection; and (B) all decisions related to erasing or overwriting Data. The Equipment contains various security features that Customer may utilize in this regard. Customer should contact CSA for further information. CSA will work with you to provide information regarding your options and offer services to assist you. Please note that such services may result in additional charges. The terms of this section shall solely govern as to Data, notwithstanding that any provisions of the Lease Terms or any separate confidentiality or data security or other agreement now or hereafter entered into between Customer, CSA and CFS applies, or could be construed to apply to Data.

16. MAXIMUM INTEREST; RECHARACTERIZED AGREEMENT: No Payment is intended to exceed the maximum amount of interest permitted to be charged or collected by applicable laws, and any such excess Payment will be applied to payments due under the applicable Lease Schedule, in inverse order of maturity, and any excess shall be refunded. If any Lease Schedule is recharacterized as a conditional sale or loan, Customer hereby grants to CFS, its successors and assigns a security interest in the Equipment to secure payment and performance of Customer's obligations under the Lease Terms and such Lease Schedule.

17. UCC - ARTICLE 2A: CUSTOMER ACKNOWLEDGES AND AGREES THAT EACH LEASE SCHEDULE IS INTENDED AS A "FINANCE LEASE" AS THAT TERM IS DEFINED IN ARTICLE 2A OF THE UNIFORM COMMERCIAL CODE ("UCC 2A"), AND THAT CFS IS ENTITLED TO ALL BENEFITS, PRIVILEGES, AND PROTECTIONS OF A LESSOR UNDER A FINANCE LEASE. CUSTOMER WAIVES ITS RIGHTS AS A LESSEE UNDER UCC 2A SECTIONS 508-522.

18. WAIVER OF OFFSET: The lease created by each Lease Schedule is a net lease. If the Equipment is not properly installed, does not operate as represented or warranted, or is unsatisfactory for any reason, Customer shall make such claim solely against the dealer, supplier, or manufacturer. Customer waives any and all existing and future claims and offsets against any Payments or other charges due under each Lease Schedule and these Lease Terms and unconditionally agrees to pay such Payments and other charges, regardless of any offset or claim which may be asserted by Customer or on its behalf.

19. GOVERNING LAW; VENUE; WAIVER OF JURY TRIAL: EACH LEASE SCHEDULE SHALL FOR ALL PURPOSES BE DEEMED A CONTRACT ENTERED INTO IN THE STATE OF NEW JERSEY. THE RIGHTS OF THE PARTIES UNDER EACH LEASE SCHEDULE SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW JERSEY WITHOUT REFERENCE TO CONFLICT OF LAW PRINCIPLES. ANY ACTION BETWEEN CUSTOMER AND CFS SHALL BE BROUGHT IN ANY STATE OR FEDERAL COURT LOCATED IN THE COUNTY OF CAMDEN OR BURLINGTON, NEW JERSEY, OR AT CFS' SOLE OPTION, IN THE STATE WHERE THE CUSTOMER OR THE EQUIPMENT IS LOCATED. CUSTOMER, BY ITS EXECUTION AND DELIVERY HEREOF, IRREVOCABLY WAIVES OBJECTIONS TO THE JURISDICTION OF SUCH COURTS AND OBJECTIONS TO VENUE AND CONVENIENCE OF FORUM. CUSTOMER, BY ITS EXECUTION OF ANY LEASE SCHEDULE, AND CFS, BY ITS ACCEPTANCE THEREOF, HEREBY IRREVOCABLY WAIVE ANY RIGHT TO A JURY TRIAL IN ANY SUCH PROCEEDINGS UNLESS CUSTOMER RESIDES IN A STATE IN WHICH A WAIVER OF A RIGHT TO A JURY TRIAL IS UNENFORCEABLE AS A MATTER OF THAT STATE'S PUBLIC POLICY.

20. MISCELLANEOUS: All notices required or permitted under the Lease Terms or any Lease Schedule shall be sufficient if delivered personally, sent via facsimile or other electronic transmission, or mailed to such party at the address set forth in an applicable Lease Schedule, or at such other address as such party may designate in writing from time to time. Any notice deposited in the mail shall be effective after it has been received. If any affiliate of Customer shall execute any Lease Schedule, all obligations to be performed by Customer and all such Affiliates shall be the joint and several liability of all such parties. Customer's representations, warranties, and covenants under each Lease Schedule shall survive the delivery and return of the respective Equipment. Any provision of the Lease Terms which may be determined by competent authority to be prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of the Lease Terms. No such prohibition or unenforceability in any jurisdiction shall invalidate or render unenforceable such provision in any other jurisdiction. Customer agrees that CFS may insert missing information or correct other information on a Lease Schedule including the Equipment's description, serial number, and location, and corrections to Customer's legal name; otherwise, each Lease Schedule (incorporating the Lease Terms by reference) contains the entire arrangement between Customer and CFS with respect to such Lease Schedule and no modifications thereof shall be effective unless in writing and signed by the parties. Customer agrees that CFS may accept a facsimile or other electronic transmission of any Lease Schedule or any Acceptance Certificate as an original, and that facsimile or electronically transmitted copies of Customer's signature will be treated as an original for all purposes. If the Lease Schedule references an existing master agreement between Customer and CFS (the "Existing Master CFS Lease") and to the extent applicable to the transactions contemplated by the Lease Schedule, then the terms of the Existing Master CFS Lease shall control over the Lease Terms for so long as the Existing Master CFS Lease remains in effect.

21. APPROVED AFFILIATES AND APPROVED SUBSIDIARIES: From time to time, affiliates and subsidiaries of Customer that meet CFS' credit underwriting standards then in effect (each, an "Approved Affiliate" or "Approved Subsidiary") may enter into Lease Schedules hereunder on the same terms and conditions as if each such Approved Affiliate or Approved Subsidiary was the Customer hereunder. Each of Customer and each Approved Affiliate or Approved Subsidiary shall be jointly and severally liable for the obligations under the Schedule(s) entered into by it pursuant to this Agreement.

22. FISCAL FUNDING (if applicable): This Section 22 shall only apply if "Fiscal Funding" is designated on the Lease Schedule.

Customer warrants that it has funds available to pay Payments payable pursuant to the Lease Schedule until the end of its current appropriation period and warrants that it presently intends to make Payments in each appropriation period from now until the end of the term of Lease Schedule. The officer of Customer responsible for preparation of Customer's annual budget shall request from its legislative body or funding authority funds to be paid to CFS under the Lease Terms and any Lease Schedule. If notwithstanding the making in good faith of such request in accordance with appropriate procedures and with the exercise of reasonable care and diligence, such legislative body or funding authority does not appropriate funds to be paid to CFS for the Equipment, Customer may, upon prior written notice to CFS, effective upon the exhaustion of the funding authorized for the then current appropriation period, return the Equipment to CFS, at Customer's expense and in accordance with each Lease Schedule, and thereupon, Customer shall be released of its obligation to make Payments to CFS due thereafter, provided: (1) the Equipment is returned to CFS as provided for in the Lease Schedule; (2) the above described notice states the failure of the legislative body or funding authority to appropriate the necessary funds as the reason for cancellation; and (3) such notice is accompanied by payment of all amounts then due to CFS under the Lease Schedule. In the event Customer returns the Equipment pursuant to the terms of the Lease Schedule, CFS shall retain all sums paid by Customer. Customer's Payment obligations under each Lease Schedule in any fiscal year shall constitute a current expense of Customer for such fiscal year, and shall not constitute indebtedness or a multiple fiscal year obligation of Customer under Customer's state constitution, state law or home rule charter. Nothing in the Lease Terms shall constitute a pledge by Customer of any taxes or other monies, other than as appropriated for a specific fiscal year for each Lease Schedule and the Equipment.

CONSUMER DISCLOSURE

From time to time, Canon Solutions America, Inc. (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures

electronically from us.
