BURBANK AIRPORT TRAFFIC SUPPORT PROPOSAL

Burbank Airport | June 24, 2026

Traffic Support

To encourage the consistent movement of traffic to travelers and commuters, LAZ can work with the Burbank Airport to supplement traffic support in the area surrounding and entering the airport during construction.

The Burbank Airport may choose strategic location to place traffic control officers in order to facilitate the constant moving of traffic, lessening the possibility of any traffic jams due to the construction and closure of traffic lanes on Hollywood Way, leading into the main vehicle entrance into the airport.

Staffing Recommendations

Traffic Control Officers will be stationed at three key locations around the airport to address traffic impacts resulting from the temporary lane closure on Hollywood Way.

These officers will guide motorists in adhering to all traffic regulations, following posted signage, and maintaining a steady flow of traffic. Their presence will help reduce congestion, prevent intersection blockages involving both vehicles and pedestrians, and ensure the safety of the public in the surrounding area.

LAZ Parking is proposing On Call Services for 17 weeks, with an anticipated start date of **July 6, 2026, continuing through October 31, 2026.**

Pricing Proposal

LAZ Parking's proposed cost structure reflects our commitment to delivering the necessary resources and support to ensure a safe and well-managed environment throughout the airport construction period.

D. Workers' Compensation/Employer's Liability Insurance. Consultant shall maintain workers' compensation insurance (statutory limits) and employer's liability insurance with limits of at least \$1,000,000.

2. The insurance policy or policies shall contain, or shall be endorsed to contain, the following provisions:

A. General liability policies shall provide or be endorsed to provide: (i) that the Indemnitees shall be additional insureds; and (ii) a waiver of subrogation in favor of additional insureds. This provision shall also apply to any excess/umbrella liability policies.

B. A severability of interests provision must apply for all additional insureds ensuring that Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the insurer's limits of liability. The policy(ies) shall not contain any cross-liability exclusions.

C. The coverage shall contain no special limitations on the scope of protection afforded to the Indemnitees.

D. For any claims related to this Agreement, Consultant's insurance coverage shall be primary insurance as respects the Indemnitees. Any insurance or self-insurance maintained by the Indemnitees shall be excess of Consultant's insurance and shall not contribute with it.

E. The limits of insurance may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of each Indemnatee before the Indemnatee's own insurance or self-insurance shall be called upon to protect it as a named insured.

G. Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

H. The policy shall be endorsed to state that coverage shall not be suspended, voided, cancelled by either party, or reduced in coverage or in limits except after 30 calendar days (10 calendar days in the event of non-payment of premium) prior written notice by certified mail, return receipt requested, has been given to the Authority.

I. Insurance is to be placed with insurers authorized to conduct business in the State of California with a minimum current A.M. Best's rating of no less than A:X, unless waived by the Contract Administrator. An exception to this standard will be made for the State Compensation Insurance Fund when not specifically rated.

J. Any deductibles or self-insured retentions must be declared to and approved by the Contract Administrator. At the option of the Contract Administrator, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the Indemnitees, or Consultant shall provide a financial guarantee satisfactory to the Contract Administrator guaranteeing payment of losses and related investigations, claim administration and defense expenses.

K. The workers' compensation insurer agrees to waive all rights of subrogation against the Authority for injuries to employees of Consultant resulting from work for the Authority or use of the Airport.

3. Requirements of specific coverage features or limits are not intended as a limitation on coverage, limits, or other requirements, or as a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for clarification purposes only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If Consultant maintains higher limits than the minimum specified above, the Authority requires and shall be entitled to coverage for the higher limits maintained by Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Authority.

4. Consultant shall furnish to the Authority an original certificate or certificates of insurance and amendatory endorsements showing that required policies are in effect in the required amounts and, as to the workers' compensation insurance, with the required waiver of

Consultant shall monitor and review all such coverage, and Consultant assumes all responsibility for ensuring that such coverage is provided. Upon request, Consultant shall submit all subcontractor agreements to the Authority for review.

6. In the event any policy of insurance does not comply with these requirements or is cancelled and not replaced, the Authority has the right but not the duty to obtain the insurance it deems necessary. Any premium paid by the Authority in such event shall be promptly reimbursed by Consultant or the Authority shall withhold from its payments to Consultant an amount sufficient to pay that premium.

7. The Authority reserves the right at any time to change the amounts and types of required insurance by giving Consultant 90 days notice of such change. If such change results in substantial additional cost to Consultant, then the parties shall renegotiate Consultant's compensation.

4. Information and Reports: The Contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any

information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the Contractor will so certify to the Sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

5. Sanctions for Noncompliance: In the event of a Contractor's noncompliance with the non-discrimination provisions of this contract, the Sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

a. Withholding payments to the Contractor under the contract until the Contractor complies; and/or

b. Cancelling, terminating, or suspending a contract, in whole or in part.

6. Incorporation of Provisions: The Contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. The Contractor will take action with respect to any subcontract or procurement as the Sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the Contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the Contractor may request the Sponsor to enter into any litigation to protect the interests of the Sponsor. In addition, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

INSPECTION SERVICES REIMBURSEMENT AGREEMENT
(Burbank-Glendale-Pasadena Airport Authority / MCS Burbank / MRG Burbank)

THIS INSPECTION SERVICES REIMBURSEMENT AGREEMENT (“Agreement”) is dated September 8, 2026 for reference purposes and is executed by the Burbank-Glendale-Pasadena Airport Authority (“Authority”), a California joint powers agency, MCS Burbank LLC (“MCS”), a Nevada limited liability company, and MRG Burbank, LLC (“MRG”), a Delaware limited liability company.

R E C I T A L S

- A. The Authority owns and operates Hollywood Burbank Airport (officially known as Bob Hope Airport) (“Airport”).
- B. The Authority and MCS have executed a February 3, 2025 Concession Agreement and a March 16, 2026 Amendment No. 1 to Concession Agreement (collectively, “MCS Agreement”) to provide for MCS’ operation, directly or through a subconcessionaire, of one or more food service concessions in the Airport’s Replacement Passenger Terminal.
- C. The Authority and MRG have executed a February 3, 2025 Concession Agreement (“MRG Agreement”) to provide for MRG’s operation, directly or through a subconcessionaire, of one or more retail concessions in the Airport’s Replacement Passenger Terminal.
- D. The Authority and Universal Protection Service, LP (“Allied Universal Security Services”) have executed an October 1, 2018 Professional Services Agreement (as amended, “Allied Universal Agreement”) to provide for airport consumer item inspection services for food service and retail concessions at the Airport.
- E. MCS and MRG desire that the Authority have Allied Universal Security Services perform, at their cost, airport consumer item inspection services for their respective concessions in the Airport’s Replacement Passenger Terminal.

NOW, THEREFORE, the parties agree as follows:

1. Term. This Agreement shall commence on September 8, 2026 and shall remain in effect for the duration of the Allied Universal Agreement (including any extensions of such contract) and until MCS and MRG have remitted all reimbursements required by Section 2 below.

2. Reimbursement.

A. **Shared Services.** On a monthly basis, the Authority shall separately invoice MCS and MRG for reimbursement of the Authority’s payments under the Allied Universal Agreement for shared airport consumer item inspection services during the prior calendar month. MCS and MRG shall equally (50%-50%) share the cost of such services and shall remit the reimbursement within 30 days of the invoice date.

B. Extra Services. By individually sending a notice to the Authority, MCS or MRG may request extra airport consumer item inspection services to be performed only for its concessions. On a monthly basis, the Authority shall invoice the party requesting extra airport consumer item inspection services for reimbursement of the Authority's payments under the Allied Universal Agreement for such services during the prior calendar month. The party requesting extra airport consumer item inspection services shall be solely responsible for the cost of such services and shall remit the reimbursement within 30 days of the invoice date. If the other party subsequently uses the extra airport consumer item inspection services, then such services shall be treated as shared services and the parties shall share the cost as specified in paragraph (A) above.

C. Adjustments. By jointly sending a notice to the Authority, MCS and MRG may: (i) direct the Authority to adjust the number of hours per day that airport consumer item inspections are performed for their respective concessions; or (ii) revise their cost sharing formula for reimbursement of the Authority's payment for the airport consumer item inspections. The Authority shall have no obligation to make such an hours adjustment, or to invoice based on a revised cost sharing formula, unless it has received a joint notice from MCS and MRG pursuant to this Agreement.

3. Notices. Any notices, invoices, or other documents related to this Agreement shall be deemed received on: (a) the day of delivery, if delivered by hand during regular business hours or by e-mail before or during regular business hours; (b) the business day after delivery, if delivered by e-mail after regular business hours; or (c) on the second business day following deposit in the United States mail, postage prepaid, to the addresses listed below, or to such other addresses as the parties may, from time to time, designate in writing. As used in this Agreement, the term "regular business hours" means the period from 8:00 a.m. PST to 5:00 p.m. PST on a non-holiday weekday.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, PBS Leasing (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact PBS Leasing:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: craig.saunders@gsa.gov

To advise PBS Leasing of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at craig.saunders@gsa.gov and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from PBS Leasing

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to craig.saunders@gsa.gov and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with PBS Leasing

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to craig.saunders@gsa.gov and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

Acknowledging your access and consent to receive and sign documents electronically

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, PBS Leasing (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact PBS Leasing:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: craig.saunders@gsa.gov

To advise PBS Leasing of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at craig.saunders@gsa.gov and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from PBS Leasing

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to craig.saunders@gsa.gov and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with PBS Leasing

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to craig.saunders@gsa.gov and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

Acknowledging your access and consent to receive and sign documents electronically

Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

SECTION 2 GENERAL TERMS, CONDITIONS, AND STANDARDS

2.01 DEFINITIONS AND GENERAL TERMS (JUN 2026)

Unless otherwise specifically noted, all terms and conditions set forth in this Lease shall be interpreted by reference to the following definitions, standards, and formulas:

A. General Contract Terms.

1. "Contract" means lease.
2. "Contractor" means Lessor.
3. "Days" means calendar days, unless specified otherwise.
4. "Lease Award Date" means the date the LCO executes the lease and furnishes written notification of the executed lease to the successful offeror (usually the date on which the parties' obligations under the lease begin).
5. "Lease Term Commencement Date" means the date on which the lease term commences.
6. "Substantially Complete" or "Substantial Completion" means that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in this lease, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment. The space shall be considered substantially complete only if the space may be used for its intended purpose.
7. "Work" means all alterations, improvements, modifications, and other things required for the preparation or continued occupancy of the premises by the Government as specified in this lease.

B. Real Property Terms.

1. "ANSI/BOMA" is an acronym for American National Standards Institute/Building Owners and Managers Association.
2. "ANSI/BOMA Occupant Area" or "ABOA" means the measurement standard (Z65.1-2017) provided by ANSI/BOMA for Occupant Area, which is "the total aggregated area used by an Occupant before Load Factors are applied, consisting of Tenant Area and Tenant Ancillary Area." The Method A – Multiple Load Factor Method shall apply.
3. "Appurtenant Areas" means those areas and facilities on the property that are not located within the premises, or for which rights are expressly granted under this lease, or for which rights to use are reasonably necessary or reasonably anticipated with respect to the Government's enjoyment of the premises and express appurtenant rights (e.g., parking areas).
4. "Building" means building(s) situated on the property in which the premises are located.
5. "Common Area Factor (CAF)" means a conversion factor determined and applied by the building owner to determine the rentable square feet for the leased space. The CAF is expressed as a percentage of the difference between the amount of rentable square feet (SF) and ABOA SF, divided by the ABOA SF. The CAF shall be determined in accordance with the applicable ANSI/BOMA standard for the type of space to which the CAF shall apply.
6. "Firm Term" means the part of the lease term that is not subject to termination rights.
7. "Non-Firm Term" means the part of the lease term following the end of the firm term, which is subject to termination rights.
8. "Premises" means the total occupant area or other type of space, together with all associated common areas described in the lease. Appurtenant areas (e.g., parking areas) to which the Government has rights under this lease are not included in the premises.
9. "Property" means the land and buildings in which the premises are located, including all appurtenant areas (e.g., parking areas) to which the Government is granted rights.
10. "Rentable Space or Rentable Square Feet (RSF)" means the area for which a tenant is charged rent. It is determined by the building owner and may vary by city or by building within the same city. Rentable space may include a share of common areas such as elevator lobbies, building corridors, and floor service areas. Floor service areas typically include restrooms, janitor rooms, telephone closets, electrical closets, and mechanical rooms. Rentable space does not include vertical building penetrations and their enclosing walls, such as stairs, elevator shafts, and vertical ducts. To determine the RSF, the ABOA SF is multiplied by the sum of one (1) plus the CAF, for each type of space included in the premises.
11. "Space" means that part of the premises to which the Government has exclusive use, such as occupant area, or other types of space. Appurtenant areas (e.g., parking areas) to which the Government has rights under the lease are not included in the space.

2.02 AUTHORIZED REPRESENTATIVES (JUN 2026)

Signatories to this Lease must have full authority to bind their respective principals with regard to all matters relating to this Lease. No other persons must be understood to have any authority to bind their respective principals, except to the extent that such authority may be explicitly delegated by notice to the other party, or to the extent that such authority is transferred by succession of interest. The Government must have the right to substitute its Lease Contracting Officer (LCO) by notice, without an express delegation by the prior LCO.

2.03 WAIVER OF RESTORATION (JUN 2026)

Lessor must have no right to require the Government to restore the Premises upon expiration or earlier termination (full or partial) of the Lease, and waives all claims against the Government for:

- A. Waste, or,
- B. Damages or restoration arising from or related to:
 - 1. The Government's normal and customary use of the Premises during the term of the Lease (including any extensions thereof), as well as
 - 2. Any initial or subsequent alteration to the Premises regardless of whether such alterations are performed by the Lessor or by the Government.

At its sole option, the Government may abandon property in the Space following expiration or earlier termination (full or partial) of the Lease, in which case the property will become the property of the Lessor and the Government will be relieved of any liability in connection therewith.

2.04 INTENTIONALLY DELETED

2.05 RELOCATION RIGHTS (JUN 2026)

If it becomes necessary in the orderly development of the Airport, Lessor may require the relocation of Premises to other space at the Airport which, in the reasonable judgment of Lessor, is similar and suitable for the purposes for which this Lease is entered as such purposes are set forth herein. Should such relocation be necessary, the Lessor shall provide the GSA a minimum of 120 days prior written notice, along with a relocation proposal. This proposal is subject to LCO approval, which must not be unreasonably denied.
 - a. The proposal must include a schedule outlining specific milestone steps (e.g., design, permitting, buildout, relocation).

- C. The Airport must provide such relocated Premises at the same rental rate as the original Premises, unless the new Premises are located in an area for which the Airport charges tenants a lower rate, in which event the parties must negotiate a reduction in the rental rate. The Government will not reimburse the Lessor for any increased square footage as a result of such relocation.

- B. Neither the Government's acceptance of the Premises for occupancy or acceptance of related appurtenances, nor the Government's occupancy of the Premises, must be construed as a waiver of any requirement or right of the Government under this lease, or as otherwise prejudicing the Government with respect to any such requirement or right, or as an acceptance of any latent defect or condition.

2.08 ALTERATIONS PRIOR TO ACCEPTANCE (JUN 2012)

The Government's rights stated under the General Clause "Alterations" also apply to initial build-out of the Premises.

Prior to occupancy, the Premises and any parking garage areas must meet or will be upgraded to meet, either the applicable egress requirements in the National Fire Protection Association, Life Safety Code (NFPA 101), or the International Code Council, International Building Code (IBC), each current as of the Lease Award Date, or use an alternative approach or method that achieves an equivalent level of safety deemed acceptable by the Government.
- B. The Space must have unrestricted access to a minimum of two remote exits on each floor of Government occupancy.
- C. Interlocking or scissor stairs located on the floor(s) where Space is located must only count as one exit stair.
- D. A fire escape located on the floor(s) where Space is located must not be counted as an approved exit stair.
- E. Doors must not be locked in the direction of egress unless equipped with special locking hardware in accordance with requirements of NFPA 101 or the IBC.

3.03 AUTOMATIC FIRE SPRINKLER SYSTEM (JUN 2026)

- A. Any portion of the Space located below-grade, including parking garage areas, and all areas in a Building referred to as "hazardous areas" (defined in National Fire Protection Association (NFPA) 101) that are located within the entire Building (including non-Government areas) must be protected by an automatic fire sprinkler system or an equivalent level of safety.
- B. For Buildings in which any portion of the Space on or above the sixth floor, then, at a minimum, the Building up to and including the highest floor of Government occupancy must be protected by an automatic fire sprinkler system or an equivalent level of safety.
- C. For Buildings in which the Government occupies, either through this Lease or in combination with other Government Leases in the Building any portion of the Space is on or above the sixth floor, and lease of the Space will result, either individually or in combination with other Government Leases in the Building, in the Government leasing 35,000 or more ANSI/BOMA Occupant Area SF of Space in the Building, then the entire Building must be protected throughout by an automatic fire sprinkler system or an equivalent level of safety.
- D. Automatic fire sprinkler system(s) must be installed in accordance with the requirements of NFPA 13, Standard for the Installation of Sprinkler Systems that was in effect on the actual date of installation.
- E. Automatic fire sprinkler system(s) must be maintained in accordance with the requirements of NFPA 25, Standard for the Inspection, Testing, and Maintenance of Water-based Fire Protection Systems (current as of the Lease Award Date).
- F. "Equivalent level of safety" means an alternative design or system (which may include automatic fire sprinkler systems), based upon fire protection engineering analysis, which achieves a level of safety equal to or greater than that provided by automatic fire sprinkler systems.

3.04 FIRE ALARM SYSTEM (JUN 2026)

- A. A Building-wide fire alarm system must be installed in the entire Building in which any portion of the Space is located on the 3rd floor or higher.
- B. The fire alarm system must be installed in accordance with the requirements of NFPA 72, National Fire Alarm and Signaling Code that was in effect on the actual date of installation.
- C. The fire alarm system must be maintained in accordance with the requirements of NFPA 72, National Fire Alarm and Signaling Code (current as of the Lease Award Date).
- D. The fire alarm system must transmit all fire alarm signals to the local fire department via any of the following means: directly to the local fire department, to the (911) public communications center, to a central station, to a remote supervising station, or to a proprietary supervising station.

- E. If the Building's fire alarm control unit is over 25 years old as of the Lease Award Date, Lessor must install a new fire alarm system in accordance with the requirements of NFPA 72, National Fire Alarm and Signaling Code (current as of the Lease Award Date), prior to Government acceptance and occupancy of the Space.

3.05 ENERGY INDEPENDENCE AND SECURITY ACT (JUN 2026)

A. Energy-related Requirements.

1. The Energy Independence and Security Act (EISA) establishes the following requirements for Government Leases in Buildings that have not earned the ENERGY STAR® Label conferred by the Environmental Protection Agency (EPA) within one year prior to the due date for final proposal revisions ("most recent year").
2. If this Lease was awarded under any of EISA's Section 435 statutory exceptions, the Lessor must either:
 - a. Earn the ENERGY STAR® Label prior to acceptance of the Space (or not later than one year after the Lease Award Date of a succeeding or superseding Lease); or
 - b.
 - I. Complete energy efficiency and conservation improvements if any, agreed to by Lessor in lieu of earning the ENERGY STAR® Label prior to acceptance of the Space (or not later than one year after the Lease Award Date of a succeeding or superseding Lease); and
 - II. Obtain and publicly disclose the Building's current ENERGY STAR® score (using EPA's Portfolio Manager tool), unless the Lessor cannot access whole building utility consumption data, or there is no building category within Portfolio Manager to benchmark against, including spaces—
 - (i) That are located in States with privacy laws that provide that utilities must not provide such aggregated information to multitenant building owners; and
 - (ii) For which tenants do not provide energy consumption information to the commercial building owner in response to a request from the building owner. (A Federal agency that is a tenant of the space must provide to the building owner, or authorize the owner to obtain from the utility, the energy consumption information of the space for the benchmarking and disclosure required by this subparagraph D).
 - (iii) That cannot be benchmarked (scored) using EPA's Portfolio Manager tool because of excessive vacancy; in which case Lessor agrees to obtain the score and publicly disclose it within 120 days of the eligibility to obtain a score using the EPA Portfolio Manager tool.

Note: "public disclosure" means posting the Energy Star® score on state or local websites in those areas that have applicable disclosure mandates and reporting the score to the Government via Portfolio Manager. In the absence of an applicable state or local disclosure mandate, Lessor must either generate and display the Energy Star® score in a public space at the building location or post the score on Lessor's or Lessor's Parent/Affiliate website.

3. If this Lease was awarded to a Building to be built or to a Building predominantly vacant as of the due date for final proposal revisions and was unable to earn the ENERGY STAR® label for the most recent year (as defined above) due to insufficient occupancy, but was able to demonstrate sufficient evidence of capability to earn the ENERGY STAR® label, then Lessor must earn the ENERGY STAR® label within 18 months after occupancy by the Government.
- B. Hydrology-related Requirements. Per EISA Section 438, the sponsor of any development or redevelopment project involving a Federal facility with a footprint that exceeds 5,000 square feet must use site planning, design, construction, and maintenance strategies for the property to maintain or restore, to the maximum extent technically feasible, the predevelopment hydrology of the Property with regard to the temperature, rate, volume, and duration of flow. If the Lessor proposes to satisfy the Government's space requirements through a development or redevelopment project, and the Government will be the sole or predominant tenant such that any other use of the Property will be functionally or quantitatively incidental to the Government's use, the Lessor is required to implement hydrology maintenance and restoration requirements as required by EISA Section 438.
1. For the purposes of applying EISA Section 438 in this Lease, "sponsor" must mean "Lessor", and "exceeds 5,000 square feet" must mean construction that disturbs 5,000 square feet or more of land area at the Property or on adjoining property to accommodate the Government's requirements, or at the Property for whatever reason.
 2. Lessor is required to implement these hydrology maintenance and restoration requirements to the maximum extent technically feasible, prior to acceptance of the Space, (or not later than one year after the Lease Award Date or Lease Term Commencement Date, whichever is later, of a succeeding or superseding Lease). Additionally, this Lease requires EISA Section 438 storm water compliance not later than one year from the date of any applicable disturbance (as defined in EISA Section 438) of more than 5,000 square feet of ground area if such disturbance occurs during the term of the Lease if the Government is the sole or predominant tenant. In the event the Lessor is required to comply with EISA Section 438, Lessor must furnish the Government, prior to the filing for permits for the associated work, with a certification from Lessor's engineer that the design meets the hydrology maintenance and restoration requirements of EISA Section 438.

3.06 ACCESSIBILITY (JUN 2026)

The Building, leased Space, and areas serving the leased Space must be accessible to persons with disabilities in accordance with the Architectural Barriers Act Accessibility Standard (ABAAS), Appendices C and D to 36 CFR Part 1191 (ABA Chapters 1 and 2, and Chapters 3 through 10) and 36 CFR 1190 to the extent applicable. To the extent the standards referenced in the preceding sentence conflicts with local accessibility requirements, the more stringent must apply.

3.07 MECHANICAL, ELECTRICAL, PLUMBING: GENERAL (JUN 2026)

The Lessor must provide and operate all Building equipment and systems in accordance with applicable technical publications, manuals, and standard procedures. Mains, lines, and meters for utilities must be provided by the Lessor. Exposed ducts, piping, and conduits are not permitted in office Space.

3.08 RESTROOMS (ON-AIRPORT) (JUN 2026)

Government employees must have access to all public restroom facilities for men and women in the Airport terminal at all times without additional payment.

3.09 HEATING, VENTILATION, AND AIR CONDITIONING (ON-AIRPORT) (OCT 2022)

- A. Temperatures must conform to local commercial equivalent temperature levels and operating practices to maximize tenant satisfaction. Thermostats must be set to maintain temperatures of 72 degrees F (+/- 3 degrees) during the heating season and 75 degrees F (+/- 3 degrees) during the cooling season. These temperatures must be maintained throughout the leased Premises and service areas, regardless of outside temperatures, during the hours of operation specified in this Lease. The Lessor must perform any necessary systems start-up required to meet the commercially equivalent temperature levels prior to the first hour of each day's operation. At all times, the dew point must be maintained below 55 degrees F in occupied spaces, and below 60 degrees F in unoccupied spaces.
- B. The Lessor must conduct HVAC system balancing after all HVAC system alterations during the term of the Lease and must make a reasonable attempt to schedule major construction outside of office hours.
- C. Normal HVAC systems maintenance must not disrupt tenant operations.

3.10 TELECOMMUNICATIONS: LOCAL EXCHANGE ACCESS (ON-AIRPORT) (JUN 2026)

- A. The Government may elect to contract its own telecommunications (voice, data, video, Internet, or other emerging technologies) service in the Space. The Government may contract with one or more parties to have inside wiring (or other transmission medium) and telecommunications equipment installed.
- B. The Lessor must allow the Government's designated telecommunications providers access to utilize existing Building wiring to connect its services to the Government's Space. If the existing Building wiring is insufficient to handle the transmission requirements of the Government's designated telecommunications providers, the Lessor must provide access from the point of entry into the Building to the Government's floor Space, subject to any inherent limitations in the pathway involved.
- C. The Lessor must allow the Government's designated telecommunications providers to affix telecommunications antennas (high frequency, mobile, microwave, satellite, or other emerging technologies), subject to weight and wind load conditions, to roof, parapet, or Building envelope as required.

3.11 GOVERNMENT PROJECT MANAGEMENT SYSTEM (ON-AIRPORT) (OCT 2022)

The Government may require the Lessor to use the Government's project management system for post-award and post-occupancy activities. Licensing costs and access to the system are the responsibility of the Government.

SECTION 4 UTILITIES, SERVICES, AND OBLIGATIONS DURING THE LEASE TERM

4.01 SERVICES, UTILITIES, AND MAINTENANCE (ON-AIRPORT) (JUN 2026)

The Lessor is responsible for providing all utilities necessary for base building and tenant operations and all associated costs are included as a part of the established rental rates. The Lessor must follow routine cleaning and disinfecting requirements in Section 5.01. The following services, utilities, and maintenance must be provided by the Lessor as part of the rental consideration (check all that apply):

☒ HEAT	☒ TRASH REMOVAL	☒ ELEVATOR SERVICE	☒ INITIAL REPLACEMENT LAMPS, TUBES & BALLASTS	☒ OTHER
☒ ELECTRICITY	☒ CHILLED DRINKING WATER	☒ WINDOW WASHING		The proposed rental rate is to include 3 reserved parking spots

☐ SNOW REMOVAL	☒ JANITORIAL SERV. & SUPP.	Frequency <u>As needed</u>	Public Areas <u>As needed</u>	

The Lessor must have an onsite building superintendent or a locally designated representative available to promptly respond to deficiencies, and immediately address all emergency situations.

4.02 PROVISION OF SERVICES, ACCESS, AND NORMAL HOURS FOR AIRPORT OCCUPANCIES (JUN 2026)

The Government must have access to the Premises and its Appurtenant Areas at all times without additional payment, including the use, during other than normal hours, of necessary services and utilities such as elevators, restrooms, lights, and electric power. Cleaning must be performed after tenant working hours unless daytime cleaning is specified as a special requirement elsewhere in this Lease. Janitorial Services must not be required on weekends or Federal holidays. Services, maintenance, and utilities must be provided from **5:00 AM to 9:00 PM, 7 DAYS PER WEEK**.

4.03 MAINTENANCE AND TESTING OF SYSTEMS (JUN 2026)

- A. The Lessor is responsible for the total maintenance and repair of the leased Premises. Such maintenance and repairs include the site and private access roads. All equipment and systems must be maintained to provide reliable, energy efficient service without unusual interruption, disturbing noises, exposure to fire or safety hazards, uncomfortable drafts, excessive air velocities, or unusual emissions of dirt. The Lessor's maintenance responsibility includes initial supply and replacement of all supplies, materials, and equipment necessary for such maintenance. Maintenance, testing, and inspection of appropriate equipment and systems must be done in accordance with current applicable codes, and inspection certificates must be displayed as appropriate. Copies of all records in this regard must be forwarded to the Government's designated representative.
- B. At the Lessor's expense, the Government reserves the right to require documentation of proper operations, inspection, testing, and maintenance of fire protection systems, such as, but not limited to, fire alarm, fire sprinkler, standpipes, fire pump, emergency lighting, illuminated exit signs, emergency generator, prior to occupancy to ensure proper operation. These tests must be witnessed by the Government's designated representative.

4.04 RECYCLING (ON-AIRPORT) (JUN 2026)

Where state or local law, code, or ordinance requires recycling programs (including mercury-containing lamps) for the Space to be provided pursuant to this Lease, the Lessor must comply with such state and local law, code, or ordinance in accordance with GSA 3517, General Clauses, 552.270-8, *Compliance with Applicable Law*. During the lease term, the Lessor agrees, upon request, to provide the Government with additional information concerning recycling programs maintained in the Building and in the Leased Space.

4.05 RANDOLPH-SHEPPARD COMPLIANCE (SEP 2013)

During the term of the Lease, the Lessor may not establish vending facilities within the leased Space that will compete with any Randolph-Sheppard vending facilities.

4.06 SAFEGUARDING AND DISSEMINATION OF CONTROLLED UNCLASSIFIED INFORMATION (CUI) BUILDING INFORMATION (OCT 2022)

This clause applies to all recipients of CUI building information (which falls within the CUI Physical Security category), including offerors, bidders, awardees, contractors, subcontractors, lessors, suppliers and manufacturers.

Marking CUI. Contractors must submit any contractor-generated documents that contain building information to GSA for review and identification of any CUI building information that may be included. In addition, any documents GSA identifies as containing CUI building information must be marked in accordance with the Order and the Marking Controlled Unclassified Information Handbook (the current version may be found at [HTTPS://WWW.ARCHIVES.GOV/FILES/CUI/20161206-CUI-MARKING-HANDBOOK-V1-1.PDF](https://www.archives.gov/files/cui/20161206-cui-marking-handbook-v1-1.pdf)) before the original or any copies are disseminated to any other parties. If CUI content is identified, the CO may direct the contractor, as specified elsewhere in this contract, to imprint or affix CUI document markings (CUI) to the original documents and all copies, before any dissemination, or authorized GSA employees may mark the documents.

1. Authorized recipients.

- a. Building information designated as CUI must be protected with access strictly controlled and limited to those individuals having a Lawful Government Purpose to access such information, as defined in 32 C.F.R. § 2002.4(bb). Those with such a Lawful Government Purpose may include Federal, state and local government entities, and non-governmental entities engaged in the conduct of business on behalf of or with GSA. Non-governmental entities may include architects, engineers, consultants, contractors, subcontractors, suppliers, utilities, and others submitting an offer or bid to GSA, or performing work under a GSA contract or subcontract. Recipient contractors must be registered as "active" in the System for Award Management (SAM) database at WWW.SAM.GOV, and have a Lawful Government Purpose to access such information. If a subcontractor is not registered in the SAM database and has a Lawful Government Purpose to possess CUI building information in furtherance of the contract, the subcontractor must provide to the contractor its DUNS number or its tax ID number and a copy of its business license. The contractor must keep this information related to the subcontractor for the duration of the contract and subcontract.
- b. All GSA personnel and contractors must be provided CUI building information when needed for the performance of official Federal, state, and local government functions, such as for code compliance reviews and the issuance of building permits. Public safety entities such as fire and utility departments may have a Lawful Government Purpose to access CUI building information on a case-by-case basis. This clause must not prevent or encumber the necessary dissemination of CUI building information to public safety entities.

2. Dissemination of CUI building information:

- a. By electronic transmission. Electronic transmission of CUI information outside of the GSA network must use session encryption (or alternatively, file encryption) consistent with National Institute of Standards and Technology (NIST) SP 800-171. Encryption must be through an approved NIST algorithm with a valid certification, such as Advanced Encryption Standard or Triple Data Encryption Standard, in accordance with Federal Information Processing Standards Publication 140-2, Security Requirements for Cryptographic Modules, as required by GSA policy.
- b. By nonelectronic form or on portable electronic data storage devices. Portable electronic data storage devices include CDs, DVDs, and USB drives. Nonelectronic forms of CUI building information include paper documents, photographs, and film, among other formats.
 - i. By mail. Contractors must only use methods of shipping that provide services for monitoring receipt such as track and confirm, proof of delivery, signature confirmation, or return receipt. CUI markings must not appear on the exterior of packages.
 - ii. In person. Contractors must provide CUI building information only to authorized recipients with a Lawful Government Purpose to access such information. Further information on authorized recipients is found in section 1 of this clause.

3. Record keeping. Contractors must maintain a list of all entities to which CUI is disseminated, in accordance with sections 2 and 3 of this clause. This list must include, at a minimum: (1) the name of the state, Federal, or local government entity, utility, or firm to which CUI has been disseminated; (2) the name of the individual at the entity or firm who is responsible for protecting the CUI building information, with access strictly controlled and limited to those individuals having a Lawful Government Purpose to access such information; (3) contact information for the named individual; and (4) a description of the CUI building information provided. Once "as built" drawings are submitted, the contractor must collect all lists maintained in accordance with this clause, including those maintained by any subcontractors and suppliers, and submit them to the CO. For Federal buildings, final payment may be withheld until the lists are received.

4. Safeguarding CUI documents. CUI building information (both electronic and paper formats) must be stored within controlled environments that prevent unauthorized access. GSA contractors and subcontractors must not take CUI building information outside of GSA or their own facilities or network, except as necessary for the performance of that contract. Access to the information must be limited to those with a Lawful Government Purpose for access.

5. Destroying CUI building information. When no longer needed, CUI building information must either be returned to the CO or destroyed in accordance with guidelines in NIST Special Publication 800-88, Guidelines for Media Sanitization.

6. Notice of disposal. The contractor must notify the CO that all CUI building information has been returned or destroyed by the contractor and its subcontractors or suppliers in accordance with paragraphs 4 and 5 of this clause, with the exception of the contractor's record copy. This notice must be submitted to the CO at the completion of the contract to receive final payment. For leases, this notice must be submitted to the CO at the completion of the lease term.

7. CUI security incidents. All improper disclosures or receipt of CUI building information must be immediately reported to the CO and the GSA Incident Response Team Center at gsa-ir@gsa.gov. If the contract provides for progress payments, the CO may withhold approval of progress payments until the contractor provides a corrective action plan explaining how the contractor will prevent future improper disclosures of CUI building information. Progress payments may also be withheld for failure to comply with any provision in this clause until the contractor provides a corrective action plan explaining how the contractor will rectify any noncompliance and comply with the clause in the future.

8. Subcontracts. The contractor and subcontractors must insert the substance of this clause in all subcontracts.

4.07 INDOOR AIR QUALITY (JUN 2026)

- A. The Lessor must control airborne contaminants at the source and/or operate the Space in such a manner that indoor air quality action limits identified in the PBS Desk Guide for Indoor Air Quality Management (Companion to GSA Order PBS 1000.8A), OSHA regulatory limits (29 CFR 1910), and generally accepted consensus standards are not exceeded.

- B. The Lessor must avoid the use of products containing toxic, hazardous, carcinogenic, flammable, or corrosive ingredients as determined from the product label or manufacturer's safety data sheet. The Lessor must use available odor-free or low odor products when applying paints, glues, lubricants, and similar wet products. When such equivalent products are not available, lessor must use the alternate products outside normal working hours. Except in an emergency, the Lessor must provide at least 72 hours advance notice to the Government before applying chemicals or products with noticeable odors in occupied Spaces and must adequately ventilate those Spaces during and after application.
- C. The Lessor must serve as first responder to any occupant complaints about indoor air quality (IAQ). The Lessor must promptly investigate such complaints and implement the necessary controls to address each complaint. Investigations must include testing as needed by a board-certified industrial hygienist, to ascertain the source and severity of the complaint. The hygienist must inspect and evaluate the Space and air zones serving the Space; inspection must take place as soon as possible but no later than 15 calendar days following the identification of a potential IAQ issue. Notwithstanding the above, when a board-certified industrial hygienist is not available to perform this inspection, the Lessor may, upon written request and the Government's approval, employ an environmental professional with documented experience performing IAQ assessments. The Lessor must provide written results of any testing along with recommendations to GSA.
- D. The Government reserves the right to conduct independent IAQ assessments and detailed studies in Space that it occupies, as well as in space serving the Space (e.g., common use areas, mechanical rooms, HVAC systems, etc.). The Lessor must assist the Government in its assessments and detailed studies by:
 - 1. Making available information on Building operations and Lessor activities;
 - 2. Providing access to Space for assessment and testing, if required; and
 - 3. Implementing corrective measures required by the LCO. The Lessor must take corrective action to correct any tests or measurements that do not meet GSA policy action limits in the PBS Desk Guide for Indoor Air Quality Management (Companion to GSA Order PBS 1000.8), OSHA regulatory limits and generally accepted consensus standards.
- E. The Lessor must provide to the Government safety data sheets (SDS) upon request for the following products prior to their use during the term of the Lease: adhesives, caulking, sealants, insulating materials, fireproofing or firestopping materials, paints, carpets, floor and wall patching or leveling materials, lubricants, clear finish for wood surfaces, janitorial cleaning products, pesticides, rodenticides, and herbicides. The Government reserves the right to review such products used by the Lessor within the Space, common building areas, ventilation systems and zones serving the Space, and the area above suspended ceilings and engineering space in the same ventilation zone as the Space.
- F. The Lessor must use high efficiency (HEPA) filtration vacuums for cleaning.
- G. Air handling units must have the highest-level MERV filtration that is compatible with the HVAC system and does not significantly diminish airflow. Upon request, the Lessor must provide to the Government a list of the highest-level of MERV filtration that each air handling unit is designed to handle.

4.08 HAZARDOUS MATERIALS, MOLD AND WATER INTRUSION (ON-AIRPORT) (JUN 2026)

The leased Space must be free of hazardous materials, substances, and wastes, as defined by and according to applicable Federal, state, and local environmental regulations. The Space must be maintained to prevent water intrusion and accumulation, ensuring that no conditions exist that could promote mold growth. These include, but not limited to, the following:

- A. The leased Space must be free of all asbestos containing materials, except undamaged asbestos flooring in the Space or undamaged boiler or pipe insulation outside the Space, in which case an asbestos management program conforming to EPA guidance must be implemented.
- B. Actionable Condition. An actionable condition is defined as either:
 - 1. Visible mold or airborne mold of types and concentrations in excess of that found in the local outdoor air or non-problematic control areas elsewhere in the same building, whichever is lower, or
 - 2. Water-Damaged Building materials which could potentially create conditions for mold or microbial amplification.
- C. The Lessor must provide Space to the Government that is free from ongoing water leaks or moisture infiltration. The Space and ventilation zones serving the Space must also be free of actionable conditions, as defined by subparagraph B.
 - 1. The Lessor must safely remediate all actionable conditions in accordance with sub-paragraph C.2 below.
 - 2. The Lessor must safely remediate all actionable conditions identified by the consultant using a qualified remediation contractor following methods identified in EPA's Mold Remediation in Schools and Commercial Buildings (EPA 402-K-01-001, September 2008 or the current version of ANSI/ICCRC S520-2015: Standard for Professional Mold Remediation), and all applicable state laws pertaining to mold remediation practices. The Lessor must provide GSA with a detailed work plan from the remediation contractor on how they plan to address the actionable conditions and include qualifications of the remediation contractor. The Lessor must employ a qualified industrial hygienist, independent of the remediation contractor to verify that remediation has been completed per the industry standards listed above and that the space is safe for re-occupancy.
 - 3. The Lessor acknowledges and agrees that the Government must have a reasonable opportunity to inspect the leased Space after conclusion of the remediation. If the results of the Government's inspection indicate that the remediation does not comply with the plan or any other applicable Federal, state, or local laws, regulatory standards, or guidelines, the Lessor, at its sole cost, expense, and risk, must immediately take all further actions necessary to bring the remediation into compliance.

4. If the Lessor fails to exercise due diligence, or is otherwise unable to remediate the actionable conditions, the Government may implement a corrective action program and deduct its costs from the rent.

4.09 OCCUPANT EMERGENCY PLANS (OCT 2020)

The Lessor is required to cooperate, participate, and comply with the development and implementation of the Government's Occupant Emergency Plan (OEP) and a supplemental Shelter-in Place (SIP) Plan. Periodically, the Government may request that the Lessor assist in reviewing and revising its OEP and SIP. The Plan, among other things, will include evacuation procedures and an annual emergency evacuation drill, emergency shutdown of air intake procedures, and emergency notification procedures for the Lessor's Building engineer or manager, Building security, local emergency personnel, and Government agency personnel.

GENERAL CLAUSES
(Acquisition of Leasehold Interests in Real Property)

1. GSAR 552.270-4 DEFINITIONS (AUG 2023) (DEVIATION)

When a solicitation or contract uses a word or term that is defined in the Federal Acquisition Regulation (FAR) or General Services Acquisition Manual (GSAM), the word or term has the same meaning as the definition in FAR 2.101, GSAM 502.101, or GSAM 570.102 in effect at the time the solicitation was issued or lease contract was awarded, unless

- (a) The solicitation, amended solicitation, or lease contract provides a different definition (e.g., R100, L100);
- (b) An applicable part, subpart, or section of the FAR or GSAM provides a different meaning.

2. GSAR 552.270-5 SUBLETTING AND ASSIGNMENT (SEP 2022) (DEVIATION)

The Government may sublet any part of the premises but shall not be relieved from any obligations under this lease by reason of any such subletting. The Government may at any time assign this lease, and be relieved from all obligations to Lessor under this lease excepting only unpaid rent and other liabilities, if any, that have accrued to the date of said assignment. Any subletting or assignment shall be subject to prior written consent of the Lessor, which shall not be unreasonably withheld.

3. GSAR 552.270-11 SUCCESSORS BOUND (SEP 1999)

This lease shall bind, and inure to the benefit of, the parties and their respective heirs, executors, administrators, successors, and assigns.

4. GSAR 552.270-23 SUBORDINATION, NON-DISTURBANCE AND ATTORNMENT (SEP 1999)

- (a) Lessor warrants that it holds such title to or other interest in the premises and other property as is necessary to the Government's access to the premises and full use and enjoyment thereof in accordance with the provisions of this lease. Government agrees, in consideration of the warranties and conditions set forth in this clause, that this lease is subject and subordinate to any and all recorded mortgages, deeds of trust and other liens now or hereafter existing or imposed upon the premises, and to any renewal, modification or extension thereof. It is the intention of the parties that this provision shall be self-operative and that no further instrument shall be required to effect the present or subsequent subordination of this lease. Government agrees, however, within twenty (20) business days next following the Contracting Officer's receipt of a written demand, to execute such instruments as Lessor may reasonably request to evidence further the subordination of this lease to any existing or future mortgage, deed of trust or other security interest pertaining to the premises, and to any water, sewer or access easement necessary or desirable to serve the premises or adjoining property owned in whole or in part by Lessor if such easement does not interfere with the full enjoyment of any right granted the Government under this lease.
- (b) No such subordination, to either existing or future mortgages, deeds of trust or other lien or security instrument shall operate to affect adversely any right of the Government under this lease so long as the Government is not in default under this lease. Lessor will include in any future mortgage, deed of trust or other security instrument to which this lease becomes subordinate, or in a separate non-disturbance agreement, a provision to the foregoing effect. Lessor warrants that the holders of all notes or other obligations secured by existing mortgages, deeds of trust or other security instruments have consented to the provisions of this clause, and agrees to provide true copies of all such consents to the Contracting Officer promptly upon demand.
- (c) In the event of any sale of the premises or any portion thereof by foreclosure of the lien of any such mortgage, deed of trust or other security instrument, or the giving of a deed in lieu of foreclosure, the Government will be deemed to have attorned to any purchaser, purchasers, transferee or transferees of the premises or any portion thereof and its or their successors and assigns, and any such purchasers and

LESSOR: _____ GOVERNMENT: _____

transferees will be deemed to have assumed all obligations of the Lessor under this lease, so as to establish direct privity of estate and contract between Government and such purchasers or transferees, with the same force, effect and relative priority in time and right as if the lease had initially been entered into between such purchasers or transferees and the Government; provided, further, that the Contracting Officer and such purchasers or transferees shall, with reasonable promptness following any such sale or deed delivery in lieu of foreclosure, execute all such revisions to this lease, or other writings, as shall be necessary to document the foregoing relationship.

- (d) None of the foregoing provisions may be deemed or construed to imply a waiver of the Government's rights as a sovereign.

5. GSAR 552.270-24 STATEMENT OF LEASE (SEP 1999)

- (a) The Contracting Officer will, within thirty (30) days next following the Contracting Officer's receipt of a joint written request from Lessor and a prospective lender or purchaser of the building, execute and deliver to Lessor a letter stating that the same is issued subject to the conditions stated in this clause and, if such is the case, that (1) the lease is in full force and effect; (2) the date to which the rent and other charges have been paid in advance, if any; and (3) whether any notice of default has been issued.

- (b) Letters issued pursuant to this clause are subject to the following conditions:

- (1) That they are based solely upon a reasonably diligent review of the Contracting Officer's lease file as of the date of issuance;
- (2) That the Government shall not be held liable because of any defect in or condition of the premises or building;
- (3) That the Contracting Officer does not warrant or represent that the premises or building comply with applicable Federal, State and local law; and
- (4) That the Lessor, and each prospective lender and purchaser are deemed to have constructive notice of such facts as would be ascertainable by reasonable pre-purchase and pre-commitment inspection of the Premises and Building and by inquiry to appropriate Federal, State and local Government officials.

6. GSAR 552.270-25 SUBSTITUTION OF TENANT AGENCY (SEP 1999)

The Government may, at any time and from time to time, substitute any Government agency or agencies for the Government agency or agencies, if any, named in the lease.

7. GSAR 552.270-26 NO WAIVER (SEP 1999)

No failure by either party to insist upon the strict performance of any provision of this lease or to exercise any right or remedy consequent upon a breach thereof, and no acceptance of full or partial rent or other performance by either party during the continuance of any such breach shall constitute a waiver of any such breach of such provision.

8. GSAR 552.270-27 INTEGRATED AGREEMENT (SEP 2022) (DEVIATION)

This lease, upon execution, contains the entire agreement of the parties and no prior written or oral agreement, express or implied, shall be admissible to contradict the provisions of the lease. Except as expressly attached to and made a part of the lease, neither the request for lease proposals nor any pre-award communications by either party shall be incorporated in the lease.

LESSOR: _____ GOVERNMENT: _____

9. GSAR 552.270-28 MUTUALITY OF OBLIGATION (SEP 1999)

The obligations and covenants of the Lessor, and the Government's obligation to pay rent and other Government obligations and covenants, arising under or related to this Lease, are interdependent. The Government may, upon issuance of and delivery to Lessor of a final decision asserting a claim against Lessor, set off such claim, in whole or in part, as against any payment or payments then or thereafter due the Lessor under this lease. No setoff pursuant to this clause shall constitute a breach by the Government of this lease.

10. GSAR 552.270-10 DEFAULT BY LESSOR (JUL 2023) (DEVIATION)

Occurrence of the following constitutes default by the Lessor and gives rise to the following rights and remedies of the Government:

- (a) *Prior to acceptance of the space.* Failure by the Lessor to perform diligently any obligations required for acceptance of the space or other required improvements within the times specified, other than due to an excusable delay, shall constitute a default by the Lessor. Subject to provision of notice of default to the Lessor, and provision of a reasonable opportunity for the Lessor to cure its default, the Government may, in its sole discretion, terminate the lease on account of the Lessor's default.
- (b) *After acceptance of the space.* Failure by the Lessor to perform any service, to provide any item, or satisfy any requirement of this lease, other than due to an excusable delay, constitutes a default by the Lessor. Subject to provision of notice of default to the Lessor, and provision of a reasonable opportunity for the Lessor to cure its default, the Government may, in its sole discretion, take one or more of the following actions:
 - (1) Perform the service, provide the item, or obtain satisfaction of the requirement by its own employees or contractors. If the Government elects to take such action, the Government may deduct from rental payments its costs, including administrative costs, incurred in connection with taking the action;
 - (2) Reduce the rent by an amount reasonably calculated to approximate the cost or value of the service not performed, item not provided, or requirement not satisfied, such reduction effective as of the date of the commencement of the default condition. If default renders the leased premises untenable, the reduction of rent may be calculated as the prorated portion of the monthly rent represented by all such days the leased premises is untenable;
 - (3) Terminate the lease if:
 - (i) The Lessor's default persists notwithstanding provision of notice and reasonable opportunity to cure by the Government, or
 - (ii) The Lessor fails to take such actions as are necessary to prevent the recurrence of default conditions, and such conditions substantially impair the safe and healthful occupancy of the premises, or render the premises unusable for its intended purposes.
- (c) *Damages.* The Lessor and the Lessor sureties, if any, are jointly and severally liable for any damages to the Government resulting from default or termination, as provided in this clause.
 - (1) Damages include all costs associated with the replacement lease(s), which include but are not limited to the following: the Government's aggregate rent, estimated real estate taxes, operating costs, administrative costs, or other procurement costs.
 - (2) If the Government procures replacement premises for a term (including all option terms) in excess of this lease term, the Lessor is not liable for excess Government rent or adjustments during such excess lease term.

LESSOR: _____ GOVERNMENT: _____

- (3) Damages to which the Government is entitled to under this clause are due and payable thirty (30) days following the date the Lessor receives notice from the Contracting Officer specifying such damages.

(d) *Excusable delays.*

- (1) The Government shall not terminate this lease under this clause nor charge the Lessor with damages under this clause, if:
 - (i) the delay in substantially completing any work or performing any services arises from excusable delays, and
 - (ii) the Lessor, within ten (10) days from the beginning of any such delay (unless extended in writing by the Contracting Officer) provides notice to the Contracting Officer of the causes of delay.
- (2) The Contracting Officer shall ascertain the facts and the extent of delay. If the facts warrant, the Contracting Officer shall extend the delivery date commensurate with the delay at no additional costs to the Government. A time extension is the sole remedy of the Lessor.
- (e) No deduction from rent, termination of lease, or any other action pursuant to this clause will constitute a default by the Government under this lease.
- (f) The rights and remedies specified in this clause are in addition to any and all remedies to which the Government may be entitled as a matter of law.

11. GSAR 552.270-9 INSPECTION – RIGHT OF ENTRY (SEP 1999)

- a) At any time and from time to time after receipt of an offer (until the same has been duly withdrawn or rejected), after acceptance thereof and during the term, the agents, employees and contractors of the Government may, upon reasonable prior notice to Offeror or Lessor, enter upon the offered premises or the premises, and all other areas of the building access to which is necessary to accomplish the purposes of entry, to determine the potential or actual compliance by the Offeror or Lessor with the requirements of the solicitation or this lease, which purposes shall include, but not be limited to:
 - (1) Inspecting, sampling and analyzing suspected asbestos-containing materials and air monitoring for asbestos fibers;
 - (2) Inspecting the heating, ventilation and air conditioning system, maintenance records, and mechanical rooms for the offered premises or the premises;
 - (3) Inspecting for any leaks, spills, or other potentially hazardous conditions which may involve tenant exposure to hazardous or toxic substances; and
 - (4) Inspecting for any current or past hazardous waste operations, to ensure that appropriate mitigative actions were taken to alleviate any environmentally unsound activities in accordance with Federal, State and local law.
- b) Nothing in this clause shall be construed to create a Government duty to inspect for toxic materials or to impose a higher standard of care on the Government than on other lessees. The purpose of this clause is to promote the ease with which the Government may inspect the building. Nothing in this clause shall act to relieve the Lessor of any duty to inspect or liability which might arise as a result of Lessor's failure to inspect for or correct a hazardous condition.

LESSOR: _____ GOVERNMENT: _____

12. GSAR 552.270-17 DELIVERY AND CONDITION (SEP 2022) (DEVIATION)

- (a) Unless the Government elects to have the space occupied in increments, the space must be delivered ready for occupancy as a complete unit.
- (b) The Government may elect to accept the space notwithstanding the Lessor's failure to deliver the space substantially complete; if the Government so elects, it may reduce the rent payments.

13. GSAR 552.270-19 PROGRESSIVE OCCUPANCY (SEP 1999)

The Government shall have the right to elect to occupy the space in partial increments prior to the substantial completion of the entire leased premises, and the Lessor agrees to schedule its work so as to deliver the space incrementally as elected by the Government. The Government shall pay rent commencing with the first business day following substantial completion of the entire leased premise unless the Government has elected to occupy the leased premises incrementally. In case of incremental occupancy, the Government shall pay rent pro rata upon the first business day following substantial completion of each incremental unit. Rental payments shall become due on the first workday of the month following the month in which an increment of space is substantially complete, except that should an increment of space be substantially completed after the fifteenth day of the month, the payment due date will be the first workday of the second month following the month in which it was substantially complete. The commencement date of the firm lease term will be a composite determined from all rent commencement dates.

14. GSAR 552.270-6 MAINTENANCE OF THE PROPERTY, RIGHT TO INSPECT (SEP 2022) (DEVIATION)

The Lessor shall maintain the property, including the building, building systems, and all equipment, fixtures, and appurtenances furnished by the Lessor under this lease, in good repair and tenantable condition so that they are suitable in appearance and capable of supplying such heat, air conditioning, light, ventilation, safety systems, access and other things to the premises, without reasonably preventable or recurring disruption, as is required for the Government's access to, occupancy, possession, use and enjoyment of the premises as provided in this lease.

- (a) For the purpose of so maintaining the premises, the Lessor may at reasonable times enter the premises with the approval of the authorized Government representative in charge.
- (b) Upon request of the Lease Contracting Officer (LCO), the Lessor shall provide written documentation that building systems have been properly maintained, tested, and are operational within manufacturer's warranted operating standards.
- (c) The Lessor shall maintain the premises in a safe and healthful condition according to applicable OSHA standards and all other requirements of this lease, including standards governing indoor air quality, existence of mold and other biological hazards, presence of hazardous materials, etc.
- (d) The Government shall have the right, at any time after the lease award date and during the term of the lease, to inspect all areas of the property to which access is necessary for the purpose of determining the Lessor's compliance with this clause.

15. GSAR 552.270-7 FIRE AND CASUALTY DAMAGE (SEP 2022) (DEVIATION)

- (a) If the building in which the premises are located is totally destroyed or damaged by fire or other casualty, this lease shall immediately terminate.
- (b) If the building in which the premises are located are only partially destroyed or damaged, so as to render the premises untenable, or not usable for their intended purpose:
 - (1) The Lessor shall have the option to elect to repair and restore the premises or terminate the lease.
 - (2) Unless otherwise approved by the Lease Contracting Officer, the Lessor shall be permitted a reasonable amount of time, not to exceed 270 days from the event of destruction or damage, to repair or restore the premises, provided that the Lessor submits to the Government a reasonable schedule for repair of the premises within 60 days of the event of destruction or damage.

LESSOR: _____ GOVERNMENT: _____

- (i) If the Lessor fails to timely submit a reasonable schedule for completing the work, the Government may elect to terminate the lease effective as of the date of the event of destruction or damage.
- (ii) If the Lessor elects to repair or restore the premises, but fails to repair or restore the premises within 270 days from the event of destruction or damage, or fails to diligently pursue such repairs or restoration so as to render timely completion commercially impracticable, the Government may terminate the lease effective as of the date of the destruction or damage.
- (3) During the time that the premises are unoccupied, rent shall be abated. Termination of the lease by either party under this clause shall not give rise to liability for either party.
- (4) Nothing in this lease shall be construed as relieving Lessor from liability for damage to or destruction of property of the United States of America caused by the willful or negligent act or omission of Lessor.

16. GSAR 552.270-8**COMPLIANCE WITH APPLICABLE LAW (SEP 2022) (DEVIATION)**

Lessor shall comply with all Federal, state, tribal, and local laws applicable to its ownership and leasing of the property, including, without limitation, laws applicable to the construction, ownership, alteration or operation of all buildings, structures, and facilities located thereon, and obtain all necessary permits, licenses and similar items at its own expense. The Government will comply with all Federal, state, tribal, and local laws applicable to and enforceable against it as a tenant under this lease, provided that nothing in this lease shall be construed as a waiver of the sovereign immunity of the Government. This lease shall be governed by Federal law.

17. GSAR 552.270-12**ALTERATIONS (SEP 1999)**

The Government shall have the right during the existence of this lease to make alterations, attach fixtures, and erect structures or signs in or upon the premises hereby leased, which fixtures, additions or structures so placed in, on, upon, or attached to the said premises shall be and remain the property of the Government and may be removed or otherwise disposed of by the Government. If the lease contemplates that the Government is the sole occupant of the building, for purposes of this clause, the leased premises include the land on which the building is sited and the building itself. Otherwise, the Government shall have the right to tie into or make any physical connection with any structure located on the property as is reasonably necessary for appropriate utilization of the leased space.

18. GSAR 552.270-29**ACCEPTANCE OF SPACE AND CERTIFICATE OF OCCUPANCY (SEP 2022)****(DEVIATION)**

- (a) Ten (10) working days prior to the completion of the space, the Lessor shall issue written notice to the Government to schedule the inspection of the space for acceptance. The Government shall accept the space only if the construction of building shell and tenant improvements conforming to this lease and the approved design intent drawings (DIDs) is substantially complete, and a certificate of occupancy has been issued as set forth below.
- (b) The space shall be considered substantially complete only if the space may be used for its intended purpose and completion of remaining work will not unreasonably interfere with the Government's enjoyment of the space. Acceptance shall be final and binding upon the Government with respect to conformance of the completed tenant improvements to the approved DIDs, with the exception of items identified on a punchlist generated as a result of the inspection, concealed conditions, latent defects, or fraud, but shall not relieve the Lessor of any other lease requirements.
- (c) The Lessor shall provide a valid certificate of occupancy, issued by the local jurisdiction, for the intended use of the Government. If the local jurisdiction does not issue certificates of occupancy or if the certificate of occupancy is not available, the Lessor may satisfy this condition by providing a report prepared by a licensed fire protection engineer that indicates that the premises and building are compliant with all applicable local codes and ordinances and all fire protection and life safety-related requirements of this lease to ensure an acceptable level of safety is provided. Under such circumstances, the Government shall

LESSOR: _____ GOVERNMENT: _____

only accept the space without a certificate of occupancy if a licensed fire protection engineer determines that the offered space is compliant with all applicable local codes and ordinances and fire protection and life safety-related requirements of this lease.

19. FAR 52.204-13 SYSTEM FOR AWARD MANAGEMENT MAINTENANCE (OCT 2018)

This clause is incorporated by reference.

20. GSAR 552.270-31 PROMPT PAYMENT (JUN 2011)

The Government will make payments under the terms and conditions specified in this clause. Payment shall be considered as being made on the day a check is dated or an electronic funds transfer is made. All days referred to in this clause are calendar days, unless otherwise specified.

(a) Payment due date—

- (1) *Rental payments.* Rent shall be paid monthly in arrears and will be due on the first workday of each month, and only as provided for by the lease.
 - (i) When the date for commencement of rent falls on the 15th day of the month or earlier, the initial monthly rental payment under this contract shall become due on the first workday of the month following the month in which the commencement of the rent is effective.
 - (ii) When the date for commencement of rent falls after the 15th day of the month, the initial monthly rental payment under this contract shall become due on the first workday of the second month following the month in which the commencement of the rent is effective.
- (2) *Other payments.* The due date for making payments other than rent shall be the later of the following two events:
 - (i) The 30th day after the designated billing office has received a proper invoice from the Contractor.
 - (ii) The 30th day after Government acceptance of the work or service. However, if the designated billing office fails to annotate the invoice with the actual date of receipt, the invoice payment due date shall be deemed to be the 30th day after the Contractor's invoice is dated, provided a proper invoice is received and there is no disagreement over quantity, quality, or Contractor compliance with contract requirements.

(b) Invoice and inspection requirements for payments other than rent.

- (1) The Contractor shall prepare and submit an invoice to the designated billing office after completion of the work. A proper invoice shall include the following items:
 - (i) Name and address of the Contractor.
 - (ii) Invoice date.
 - (iii) Lease number.
 - (iv) Government's order number or other authorization.
 - (v) Description, price, and quantity of work or services delivered.
 - (vi) Name and address of Contractor official to whom payment is to be sent (must be the same as that in the remittance address in the lease or the order).

LESSOR: _____ GOVERNMENT: _____

(vii) Name (where practicable), title, phone number, and mailing address of person to be notified in the event of a defective invoice.

- (2) The Government will inspect and determine the acceptability of the work performed or services delivered within seven days after the receipt of a proper invoice or notification of completion of the work or services unless a different period is specified at the time the order is placed. If actual acceptance occurs later, for the purpose of determining the payment due date and calculation of interest, acceptance will be deemed to occur on the last day of the seven day inspection period. If the work or service is rejected for failure to conform to the technical requirements of the contract, the seven days will be counted beginning with receipt of a new invoice or notification. In either case, the Contractor is not entitled to any payment or interest unless actual acceptance by the Government occurs.

(c) *Interest Penalty.*

- (1) An interest penalty shall be paid automatically by the Government, without request from the Contractor, if payment is not made by the due date.
- (2) The interest penalty shall be at the rate established by the Secretary of the Treasury under Section 12 of the Contract Disputes Act of 1978 (41 U.S.C. 611) that is in effect on the day after the due date. This rate is referred to as the "Renegotiation Board Interest Rate," and it is published in the **Federal Register** semiannually on or about January 1 and July 1. The interest penalty shall accrue daily on the payment amount approved by the Government and be compounded in 30-day increments inclusive from the first day after the due date through the payment date.
- (3) Interest penalties will not continue to accrue after the filing of a claim for such penalties under the clause at 52.233-1, Disputes, or for more than one year. Interest penalties of less than \$1.00 need not be paid.
- (4) Interest penalties are not required on payment delays due to disagreement between the Government and Contractor over the payment amount or other issues involving contract compliance or on amounts temporarily withheld or retained in accordance with the terms of the contract. Claims involving disputes, and any interest that may be payable, will be resolved in accordance with the clause at 52.233-1, Disputes.

(d) *Overpayments.* If the Lessor becomes aware of a duplicate payment or that the Government has otherwise overpaid on a payment, the Contractor shall—

- (1) Return the overpayment amount to the payment office cited in the contract along with a description of the overpayment including the—

- (b) The Government will not pay for space in excess of the amount of ABOA square footage stated in the lease.

- (e) Rentable Square Footage (RSF). The RSF is calculated using the following formula for each type of space (e.g., office, warehouse, etc.) included in the premises: $\text{ABOA SF of Space} \times (1 + \text{CAF}) = \text{RSF}$.

(ii) Except as authorized by OFAC, most transactions involving Cuba, Iran, and Sudan are prohibited, as are most imports from Burma or North Korea, into the United States or its outlying areas.

(v) Description of the functionality of the product or service and how that functionality impacts the risk to the product or service;

(vi) An explanation of any factors relevant to determining if the product or service should be permitted by an applicable exception, exemption, or waiver (if the contractor would like the Government to consider a waiver, and asks for such a waiver);

(2) If the Contractor identifies a new FASCSA order(s) that could impact their supply chain, then the Contractor shall conduct a reasonable inquiry to identify whether a covered article or product or service produced or provided by a source subject to the FASCSA order(s) was provided to the Government or used during contract performance. The inquiry will look at any information in the entity's possession but does not need to include an internal or third-party audit.

(3) The Contractor shall submit a report to the contracting office identified in paragraph (h)(2) of this clause if the Contractor identifies, including through any notification by a subcontractor at any tier, that a covered article or product or service produced or provided by a source was provided to the Government or used during contract performance and is subject to a FASCSA order(s).
